

policies and protocols. At every location, we have a Safety Committee which has been constituted as per the guidelines of the Factories Act, 1948, comprising of a minimum of 50% representation from the non-management workforce. The Safety Committee meets on a monthly basis. They include representation from the senior management of the plants. We have also initiated the formulation of department-level safety committees to ensure greater participation from the workforce in our safety management.

To strengthen our occupational health, safety systems and processes, all our power generation plants have OHS Management Systems. On-site emergency plan and safety operating procedures are in place at all our locations. We monitor various lead and lag safety indicators to measure our safety performance at all sites. It is ensured that labels, indicators, posters, tags and signages related to safety aspects are displayed for awareness.

Workforce at all operating locations is motivated to achieve excellence in all aspects of safety.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the Management?

No stakeholder complaints were received during the last financial year.

Principle 6: Business should respect, protect, and make effort to restore the environment

1. Does the policy pertaining to this Principle cover only the Company or extends to the Group / Joint Ventures / Suppliers / Contractors / NGOs / others?

The Company has adopted an Environment Policy as these aspects are integral to the Company's business at operating locations. All joint ventures, suppliers and contractors are required to abide by the Company's Environment Policy and work procedures at Adani Power sites.

2. Does the company have strategies / initiatives to address global environmental issues such as climate change, global warming, etc.? Y / N. If yes, please give hyperlink for web page, etc.

Yes, the Company is committed to addressing global environmental issues such as climate change and global warming through adoption of energy and resource efficiency initiatives in its thermal power project operations. At Adani Power, the approach to combat climate change is two pronged, to mitigate as well as to adapt to

climate change. Adani Power was the first in the country to commission super-critical boilers. Till date, Adani Power has commissioned 7,920 MW (12 units of 660 MW each) power plants based on super-critical technology. These boilers save more than 2% of fuel per unit of power generated and help in subsequent reduction in GHGs per unit. In future, Adani Power has plans to enter adopt 800 MW supercritical units and solar power generation to further mitigate climate change. Details are available on the following webpage: <http://www.adanipower.com>.

3. Does the Company identify and assess potential environmental risks? Y/N

Yes, the Company regularly identifies and assesses environmental risk during all stages of its existing and planned projects. At the time of planning of new projects, environmental impacts are assessed through structured EIA process and management plans are prepared. In the operation phase, environmental aspects and impacts are identified and managed through Environment Management System which is certified against ISO 14001:2015 standard.

4. Does the Company have any project related to Clean Development Mechanism (CDM)? If so provide details thereof, in about 50 words or so. Also, If Yes, whether any environmental compliance report is filed?

Yes, Company is committed to adopt latest and efficient technologies for power plants. Company was pioneer in installation of first super critical unit in India and Units number 5 & 6 of the Mundra Thermal Power Plant were registered under CDM Executive Board. After that, company has installed super critical units at its other location also even though there was no benefit for registration under CDM scheme due to position of CDM market.

5. Has the Company undertaken any other initiatives on - clean technology, energy efficiency, renewable energy, etc.?

The adoption of super-critical technology and other energy conservation initiatives at power plants has led to reduction in coal consumption as well as energy requirements in the plant operations. All operating power plants of the company are certified for Energy Management System that drives continual improvement. The Company's under-construction Godda power plant is based on ultra-supercritical technology, which is more efficient.

6. Are the Emissions / Waste generated by the Company within the permissible limits given by CPCB / SPCB for the financial year being reported?

Yes, the emissions / waste generated has been within the permissible limits given by CPCB / SPCB.

7. Number of show cause / legal notices received from CPCB / SPCB which are pending as of end of financial year.

No. There has not been any notice or observation with potential to impact business.

Principle 7: Business, when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is your Company a member of any trade and chambers of association? If Yes, name only those major ones that your business deals with.

Yes, the Company is a member of the following key associations, either directly or through its Group companies:

- (i) Association of Power Producers (APP)
- (ii) Confederation of Indian Industry (CII)
- (iii) Associated Chambers of Commerce and Industry of India (ASSOCHAM)
- (iv) Federation of Indian Chamber of Commerce and Industry (FICCI)
- (v) Gujarat Chamber of Commerce and Industry (GCCCI)
- (vi) Ahmedabad Management Association (AMA)

2. Have you advocated / lobbied through above associations for the advancement or improvement of public good? Yes/No; If yes specify the broad areas (Governance and Administration, Economic Reform, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

Yes, through membership in the above industry bodies, the Company has advocated on the key issues impacting energy security, including but not limited to power sale, coal supply, financial health of discoms, transmission evacuation, logistics and rail connectivity, grant of clearances, environment, financing, taxation and fiscal benefits."

Principle 8: Business should support inclusive growth and equitable development

1. Does the company have specified programme / initiatives / projects in pursuit of the policy related to principle 8? If yes, details thereof.

The company has formulated and implemented a Corporate Social Responsibility Policy (CSR). Adani Foundation is the Corporate Social Responsibility

(CSR) wing of Adani Group and is dedicated to undertake various activities for the sustainable development of communities around the areas of operations of the Group companies.

Adani Foundation works in four core areas of development namely, Education, Community Health, Sustainable Livelihood Development and Rural Infrastructure Development. It lays special focus upon the marginalized sections of the communities.

2. Are the programmes / projects undertaken through in-house team / own foundation / external NGO / Govt. structure / any other organisation?

Adani Foundation is the well-structured Corporate Social Responsibility (CSR) arm of Adani Group. It is registered under Bombay Public Charity Trust Act 1950 and Society Registration Act 1860.

The CSR programmes are carried out by and large through Adani Foundation (AF) which has a dedicated team of experienced professionals that comprises of experts in the domains of education, healthcare, infrastructure development, livelihood and other requisite fields to carry out the development work meant for the communities. Adani Foundation has been forming knowledge partnerships with several government agencies, governmental supported organizations and non-governmental organizations, besides engaging additional resources and expertise as and when needed.

3. Have you done any impact assessment of your initiative?

Yes, regular impact assessment studies are carried out by Adani Foundation to evaluate its various on-going programmes and to analyse the quantum of transformation the initiatives have been able to bring in the communities. Monthly, quarterly and yearly reviews of the welfare programmes and initiatives are carried out with the involvement of various different levels of the management to improve the programme implementation continually and usher meaningful outcomes. Third-party Objective Impact Assessment and additional Need Assessments are carried out by competent agencies from time to time too.

4. What is the Company's direct monetary contribution to community development projects and details of projects undertaken?

No subsidiary of APL, except Udupi Power Corporation Limited ("UPCL"), was under legal obligation to spend for CSR activities in terms

of the applicable CSR laws and Rules under the Companies Act, 2013. Legal obligation to spend for CSR activities by UPCL during the financial year 2020-21 was ₹ 76,21,142/-, against which UPCL has directly spent ₹ 93,93,245/- for various CSR activities in compliance with applicable CSR rules for mandatory spending.

APL has continued CSR various program by the funding and support:

1. From APL subsidiaries
2. From Adani Foundation

During the financial year 2020-21, through the support of Adani Foundation, ₹ 10.56 Crore has been spent for continuation of all existing CSR programme and APL along with its subsidiaries have voluntarily spent total ₹ 2.77 Crores on various CSR activities.

5. Have you taken steps to ensure that community development initiative is successfully adopted by the community? Please explain in 50 words.

Yes. Community participation is encouraged at numerous stages of our CSR initiatives, including programme planning, implementation, management, assessment and evaluation in various degrees. Our community development efforts are strengthened through participatory rural appraisals as well as by working closely with Village Development Committees (VDCs), Cluster Development Advisory Committee (CDAC), and Advisory Council with representation from the Community, Governments and the Company. Such bottom-up and participatory approach leads to a

greater sense of ownership among the community members, ensuring successful adoption and sustained outcomes.

Principle 9: Business should engage with and provide value to their customers and consumers in a responsible manner

1. What Percentage of customer complaints / consumer cases are pending as on the end of financial year 2019-20?

There are no customer complaints / consumer cases pending as of end of financial year – 2019-20.

2. Does the company display product information on the product label, over and above what is mandated as per local laws? Yes / No / N. A. / Remarks (additional information)

The Company produces electricity, for which product labelling is not relevant.

3. Is there any case filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as of end of FY 2019-20?

There are no such pending cases against the Company in a court of law.

4. Did your company carry out any consumer survey / consumer satisfaction trends?

There is a continuous improvement process through which periodic feedback taken on a regular basis from our customers / stakeholders and an immediate action is taken on any issues that they are facing.

Financial Statements

Independent Auditor's Report

To the Members of Adani Power Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Adani Power Limited (the "Company"), which comprise the Balance sheet as at March 31, 2021, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We draw attention to Note 39 to the standalone financial statements regarding Adani Power (Mundra) Limited ("APMuL"), a wholly owned subsidiary, having Mundra Thermal Power Undertaking, which has been incurring significant operational losses since earlier years, whereby net worth of APMuL has been completely eroded. For the reasons stated by the management in the Note, the performance and the financial position of APMuL over the foreseeable future is dependent on the outcome of resolution of various matters with the discoms / regulators and improvement in its future operational performance and financial support from the Company. We have not been able to corroborate the Management's contention of realising the carrying value of its investments related to APMuL aggregating to ₹ 5,675.13 Crores. Accordingly, we are unable to comment on the appropriateness of the carrying value of such investments and loans and advances and their consequential impact on the financial results and the

financial position of the Company as at and for the year ended March 31, 2021. Our audit report for the previous year ended March 31, 2020 was also qualified in respect of this matter.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 41 of the standalone financial statements, as regards the management's evaluation of COVID-19 impact on the operations and financial metrics of the Company and its subsidiaries. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the 'Basis for Qualified Opinion' section we have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in

relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Impairment testing of Company's investments in and loans to subsidiaries (other than APMuL) <i>(Also refer Note 42 to the standalone financial statements)</i> As at March 31, 2021, the carrying value of the Company's investments (in equity shares, unsecured perpetual securities and compulsorily convertible debentures) and loans given to the wholly owned subsidiaries (other than subsidiary Adani Power (Mundra) Limited) amounted to ₹ 14,088.85 Crores and ₹ 3,181.72 Crores, which comprises 70.76% of the total assets of the Company. The Company accounts for above investments in subsidiaries at cost (subject to impairment assessment). Management regularly reviews whether there are any indicators of impairment of the investments by reference to Ind AS 36 'Impairment of Assets'. For determining the value in use of the underlying businesses, discounted cash flow projections are used which has sensitivity around the key assumptions, such as revenue growth, tariff rate, coal cost and discount rates that require considerable judgement. This is a Key Audit Matter as the amount of investments and loans to subsidiaries is material to the standalone financial statements of the Company and the determination of recoverable value for impairment assessment involves significant management judgement.	
	Our audit procedures in relation to evaluation of impairment testing of investments in and loans to wholly owned subsidiaries included the following: - We obtained an understanding from the management, assessed and tested the design and operating effectiveness of the Company's key controls over the impairment assessment of such investments. - We evaluated the Company's process regarding impairment assessment by involving our valuation experts, where necessary, to assist in assessing the appropriateness of the valuation model including the independent assessment of the underlying assumptions relating to discount rate, terminal value etc. - We evaluated the cash flow forecasts (with underlying economic growth rate) by comparing them to the approved budgets and our understanding of the internal and external factors. - We checked the mathematical accuracy of the impairment model and agreed relevant data back to the latest budgets, actual past results and other supporting documents. - We assessed the sensitivity analysis made by the management and evaluated whether any reasonably foreseeable change in assumptions could lead to material impact on carrying value of investments. - We compared the carrying values of the investments and loans to subsidiaries with their respective net assets values and earnings for the period. - We evaluated the disclosures made in the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) Except for the matter described in the Basis for Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) Except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company;
 - (f) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;

- (h) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (i) The Company has not paid any managerial remuneration to its directors and thus, the provisions of section 197 read with Schedule V of the Act are not applicable to the Company for the year ended March 31, 2021;
- (j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 38 to the standalone financial statements;
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 21 and 26 to the standalone financial statements;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Independent Auditor's Report

Annexure 1 referred to in Paragraph 1 of Report on Other Legal and Regulatory Requirements of our report of even date for the year ended March 31, 2021

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company, except for freehold land aggregating to ₹ 1.86 Crores, for which the title is in dispute and pending resolution in the Civil Court, Kutch as at March 31, 2021.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) (a) The Company has granted loans to its four wholly owned subsidiary companies covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the terms and conditions of such loans are not prejudicial to the Company's interest.
- (b) The schedule of repayment of principal and payment of interest has been stipulated for the loans granted and the repayment/receipts are regular, as per the contractual terms agreed.
- (c) There are no amounts of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Act which are overdue for more than ninety days.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 185 of the Companies Act 2013, in respect of loans to directors including the entities in which they are interested and in respect of loans and advances given, investments made and guarantees, and securities given, have been complied with by the Company. The Company is engaged in the business of providing infrastructural facilities and accordingly the provisions of Section 186, to the extent applicable have been complied with by the Company.
- (v) The Company has not accepted any deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, related to the generation of power and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, income tax, duty of customs, goods and services tax, cess and other material statutory dues applicable to it. The provision relating to employees' state insurance are not applicable to the Company.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income-tax, sales-tax, duty of customs, goods and service tax, cess and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (c) According to the records of the Company, the dues outstanding of income tax on account of any dispute, are as follows:

Name of the statute	Nature of Tax	Amount (₹ in Crores)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	22.83#	Financial Year 2009-10, 2010-11, 2011-12 and 2013-14	Income Tax Appellate Tribunal (ITAT)

Net of ₹ 26.50 Crores adjusted against refunds (under protest).

- (viii) According to the information and explanations given by the management, the Company has not defaulted in the repayment of loans or borrowings to any banks and financial institutions existing as at the balance sheet date. The Company did not have any loans or borrowing in respect of government or dues to debenture holders during the year.
- (ix) In our opinion and according to the information and explanations given by the management, the monies raised by the Company by way of term loans were applied for the purposes for which those were raised. The Company has not raised any monies by way of initial public offer/ further public offer during the year.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanations given to us, the Company has not paid any managerial remuneration to its directors, including managing director and whole time directors, and its manager and hence reporting under clause 3(xi) of the Order is not applicable and hence, not commented upon.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company and hence, not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with related parties are in compliance with sections 177 and 188

of the Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.

- (xiv) According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, reporting requirements under clause 3(xiv) are not applicable to the Company and hence, not commented upon.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of the Act.
- (xvi) According to the information and explanations given to us and legal opinion obtained by the Company, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Independent Auditor's Report

Annexure - 2 to the Independent Auditor's Report of even date on the Standalone Financial Statements of Adani Power Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Adani Power Limited ("the Company") as of March 31, 2021, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Standalone Financial Statements

A company's internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, material weakness has been identified in the Company's internal financial controls over financial reporting as at March 31, 2021 as regards evaluation of uncertainty for realising the carrying value of its investments / loans related to Adani Power (Mundra) Limited, a wholly owned subsidiary, aggregating to ₹ 5,675.13 Crores.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate

internal financial controls over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as of March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone financial statements of Adani Power Limited, which comprise the Balance Sheet as at March 31, 2021, and the related Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 6, 2021, expressed a qualified opinion.

1 Corporate information

The standalone financial statements comprise financial statements of Adani Power Limited (the "Company" or "APL") for the year ended 31st March, 2021. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the Company is located at "Adani Corporate House", Shantigram, Near Vaishno Devi Circle, S. G. Highway, Khodiyar, Ahmedabad-382421, Gujarat, India. The Company has installed capacity of 40 MW at Bitta village, Dist. Kutch, Gujarat to augment power supply in the state of Gujarat. The Company sells power generated from 40 MW solar power project under long term Power Purchase Agreement (PPAs) and also engaged in other commercial activities.

The Company, together with its subsidiaries currently has multiple power projects located at various locations with a combined installed and commissioned capacity of 12,450 MW. The Company, together with its subsidiaries sells power generated from these projects under a combination of long term Power Purchase Agreements (PPA), short term PPA and on merchant basis.

As at 31st March, 2021, S. B. Adani Family Trust ("SBAFT") together with entities controlled by it has the ability to control the Company. The Company gets synergetic benefit of the integrated value chain of Adani Group.

The financial statements were approved for issue in accordance with a resolution of the directors on 6th May, 2021.

2 Significant accounting policies

2.1 Basis of preparation

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (as amended), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The financial statements are presented in ₹ which is also company's functional currency and all values are rounded to the nearest Crore, except when otherwise indicated.

2.2 Summary of significant accounting policies

a Property, plant and equipment

Property, plant and equipment are stated at original cost grossed up with the amount of tax / duty benefits availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognised impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalised along with respective asset. Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Depreciation is recognised based on the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013 except in case of power plant assets, where the life has been estimated at 25 years based on technical assessment, taking into account the nature of assets, the estimated usage of the assets, the operating condition of the assets, anticipated technical changes, manufacturer warranties and maintenance support. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Items of stores and spares that meet the definition of property, plant and equipment are capitalised at cost and depreciated over their useful life.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of

the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit and loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Subsequent costs are depreciated over the residual life of the respective assets. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The Company has Intangible asset in the nature of Computer Software having useful life of 5 years. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

c Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition and the sale is highly probable. Management must be

committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Property, plant and equipment and intangible are not depreciated, or amortised once classified as held for sale. Assets and Liabilities classified as held for sale are presented separately from other items in the balance sheet.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and their fair value less costs to sell.

d Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit or loss.

e Financial assets

Initial recognition and measurement

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis i.e. the date that the Company commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within a timeframe established by regulation or convention in the market place.

Subsequent measurement

All recognised financial assets are measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Financial assets measured at amortised cost

Financial assets that meet the following conditions are subsequently measured at amortised cost using

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

effective interest method ("EIR") (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

For the impairment policy on financial assets measured at amortised cost, refer note x(ii).

The effective interest method is a method of calculating the amortised cost of financial assets and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and transaction costs and other premiums or discounts) through the expected life of the financial assets, or where appropriate, a shorter period, to the net carrying amount on initial recognition.

Interest is recognised on an effective interest basis for debt instruments other than those financial assets classified as at Fair Value through Profit and Loss (FVTPL).

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that meet the following conditions are measured initially as well as at the end of each reporting date at fair value, recognised in other comprehensive income (OCI).

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the asset give rise on specified dates to cash flows that represent solely payment of principal and interest.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset.

Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party or when it has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity, is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

f Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

Subsequent Measurement

All financial liabilities are measured at amortised cost using the effective interest method or at FVTPL.

Classification of Financial liabilities

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability.

Fair values are determined in the manner described in note 'n'.

Financial liabilities measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in statement of profit and loss.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and costs paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Trade and other payables are recognised at the transaction cost, which is its fair value, and subsequently measured at amortised cost. Similarly, interest bearing loans and borrowings are subsequently measured at amortised cost using effective interest rate method. Trade credits include Buyer's credit, Foreign Letter of Credit and Inland Letter of Credit.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations

are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value through profit or loss, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

g Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps, cross currency swaps, principal only swap and coupon only swap. Further details of derivatives financial instruments are disclosed in note 43.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit or loss immediately.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 - "Financial Instruments" are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

measured at FVTPL. These embedded derivatives are measured at fair value with changes in fair value recognised in profit and loss.

Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

h Investments in subsidiaries, associates and joint ventures

Investments in subsidiaries, associates and joint ventures are accounted for at cost. (Also refer note 3(v)).

i Inventories

Inventories are stated at the lower of cost or net realisable value. Costs include all non-refundable duties and all charges incurred in bringing the goods to their present location and condition. Cost is determined on First in First out (FIFO) for coal inventory and on weighted average basis for other than coal inventory. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

j Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

k Business combinations

Acquisitions of business are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition date fair values of the assets transferred and liabilities incurred by the Company to the former owners of the acquiree and the equity interest issued by the Company in exchange of control of the acquiree. Acquisition related costs are added to the cost of investment.

Business combination involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method the assets and liabilities of the combining entities / business are reflected at their carrying value.

Purchase consideration paid in excess / shortfall of the fair value of identifiable assets and liabilities including contingent liabilities and contingent assets, is recognised as goodwill / capital reserve respectively, except in case where different accounting treatment is specified in the court approved scheme.

Deferred tax assets and liabilities and assets or liabilities related to employee benefits arrangements are recognised and measured in accordance with Ind AS 12 - "Income Taxes" and Ind AS 19 - "Employee Benefits" respectively.

Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

l Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

m Foreign currency translations

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency are recognised at the rate of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit and loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

The Company has elected to continue the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items outstanding and recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period i.e. 31st March, 2016 as per the previous GAAP.

n Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

External valuers are involved for valuation of significant assets, such as unquoted financial assets and financial liabilities and derivatives.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

o Government grants

The Company recognises government grants only when there is reasonable assurance that the conditions attached to them will be complied with, and the grants will be received. Where Government grants relates to non-monetary assets, the cost of assets are presented at gross value and grant thereon is recognised as income in the statement of profit and loss over the useful life of the related assets in proportion in which depreciation is charged.

Grants related to income are recognised in the statement of profit and loss in the same period as the related cost which they are intended to compensate are accounted for.

p Contract Balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. Contract liabilities are recognised as revenue when the Company performs obligations under the contract.

q Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Revenue from Power Supply

The Company's contracts with customers for the sale of electricity generally include one performance obligation. The Company has concluded that revenue from sale of electricity should be recognised at the point in time when electricity is transferred to the customer.

ii) Sale of traded goods

The Company's contracts with customers for the sale of goods generally include one performance obligation. Revenue from the sale of traded goods is recognised at the point in time when control of the asset is transferred to the customers, generally on delivery of the goods.

iii) Interest income is recognised on time proportion basis at the effective interest rate ("EIR") applicable.

iv) Dividend income from investments is recognised when the company's right to receive payment is established.

v) Late payment charges and interest on delayed payment for power supply are recognised based

on reasonable certainty to expect ultimate collection.

r Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of the asset, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred. Borrowing cost consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing cost.

s Employee benefits

i) Defined benefit plans:

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees through Group Gratuity Scheme of Life Insurance Corporation of India. The Company accounts for the liability for the gratuity benefits payable in future based on an independent actuarial valuation carried out using Projected Unit Credit Method.

Defined benefit costs in the nature of current and past service cost and net interest expense or income are recognised in the statement of profit and loss in the period in which they occur. Remeasurement, comprising of actuarial gains and losses, the effect of changes to the asset ceiling excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with corresponding debit or credit to retained earnings through OCI in the period in which it occurs. Remeasurement are not classified to profit and loss in subsequent periods. Past service cost is recognised in profit and loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

ii) Defined contribution plan:

Retirement Benefits in the form of Provident Fund and Family Pension Fund which are defined contribution schemes are charged to the statement of profit and loss for the period in which the contributions to the respective funds accrue as per relevant statutes.

iii) Compensated absences:

Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

iv) Short term employee benefits:

These are recognised at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

t Leases

The Company as lessor

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is generally recognised on a straight-line basis over the

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

The Company as lessee

The Company recognised right-of-use assets and lease liabilities for all leases except for short-term leases and leases of low-value assets. The Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application and right of use asset at an amount equal to the lease liability adjusted for any prepayments/accruals recognised in the balance sheet.

The Company also applied the available practical expedients wherein it:

- Used a single discount rate to a portfolio of leases with reasonably similar characteristics.
- Relied on its assessment of whether leases are onerous immediately before the date of initial application.
- Applied the short-term leases exemptions to leases with lease term that ends within 12 months at the date of initial application.
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Used hindsight in determining the lease term where the contract contains options to extend or terminate the lease.

u Taxes on Income

Tax on Income comprises current tax and deferred tax. These are recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax

Tax including Minimum Alternative Tax("MAT") on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of

the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognised for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date. Deferred tax liabilities are generally recognised for all taxable temporary differences except when the deferred tax liability arises at the time of transaction that affects neither the accounting profit or loss nor taxable profit or loss. Deferred tax assets are generally recognised for all deductible temporary differences, carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that future taxable income will be available against which the deductible temporary differences and carry forward of unused tax credit and unused tax losses can be utilised, except when the deferred tax asset relating to temporary differences arising at the time of transaction that affects neither the accounting profit or loss nor the taxable profit or loss. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

v Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (net off distribution on Unsecured Perpetual Securities whether declared or not) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of shares plus dilutive potential equity shares.

w Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the

reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities may arise from litigation, taxation and other claims against the Company. Where it is management's assessment that the outcome is uncertain or cannot be reliably quantified, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote.

Contingent assets are not recognised but are disclosed in the notes where an inflow of economic benefits is probable.

x Impairment

i) Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

The Company bases its impairment calculation on detailed budget and forecast calculations, which are prepared separately for each of the Company's cash-generating unit to which the individual assets are allocated. For longer periods, a long term growth rate is calculated and applied to project future cash flows. To estimate cash flow projections beyond periods covered by the most recent budget / forecasts, the Company estimates cash flow projections based on estimated growth rate.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit or loss.

ii) Impairment of Financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit

risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

3 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognised in the period of revision and future periods if the revision affects both the current and future periods. Uncertainties about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key sources of estimation uncertainty:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i) Useful lives of property, plant and equipment

In case of the power plant assets, where the life of the assets has been estimated at 25 years based on technical assessment, taking into account the nature of the assets, the estimated usage of the asset, the operating condition of the asset, anticipated technological changes, manufacturer warranties and maintenance support, depreciation on the same is provided

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

based on the useful life of each such component based on technical assessment, if materially different from that of the main asset.

ii) Fair value measurement of financial instruments

In estimating the fair value of financial assets and financial liabilities, the Company uses market observable data to the extent available. Where such Level 1 inputs are not available, the Company establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in Note 47.

iii) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in note 50.

iv) Impairment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the Power Plants. Further, the cash flow projections are based on estimates and assumptions relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management. (Refer note 40).

v) Investments made / Intercorporate deposits ("ICDs") given to subsidiaries

In case of investments made and Intercorporate Deposits ("ICD") given by the company in its subsidiaries, the Management assesses whether there is any indication of impairment in the value of investments and ICDs. The carrying amount is compared with the present value of future net cash flow of the subsidiaries. (Refer note 39 and 42).

vi) Taxes

Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits under the Income Tax Act, 1961. Deferred tax assets is recognised to the extent of the corresponding deferred tax liability. (Also refer note 23).

Closing Balance	(2,170.63)	(1,292.67)

Notes:

- Capital Reserve includes ₹ 359.80 Crores created due to amalgamation of Growmore Trade and Investment Private Limited with the Company in the financial year 2012-13 as per Section 391 to 394 of the Companies Act, 1956. As per the order of the Hon'ble High Court of Gujarat, the capital reserve created on amalgamation shall be treated as free reserve of the Company.
- Securities premium represents the premium received on issue of shares over and above the face value of equity shares. The reserve is available for utilisation in accordance with the provisions of the Companies Act, 2013.
- General reserve of ₹ 9.04 Crores was created in the FY 2015-16 due to merger of solar power undertaking acquired from Adani Enterprises Limited. As per the scheme of arrangement approved by order of the Hon'ble High Court of Gujarat, the difference between the value of assets acquired and the value of liabilities of the solar power undertaking transferred by Adani Enterprises Limited, has been treated as General Reserve of the Company.
- Equity instruments through Other Comprehensive Income: The Company has elected to recognise changes in the fair value of certain investments in equity instruments in other comprehensive income. These changes in equity instruments are accumulated through Other Comprehensive Income within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.
- Retained earnings represents the amount that can be distributed by the Company as dividends considering the requirements of the Companies Act, 2013. During the year, no dividends are distributed to the equity shareholders by the Company given the accumulated losses incurred by the Company.

Notes to the Standalone Financial Statements

- i) There are no outstanding capital commitments as at 31st March, 2021 and 31st March, 2020.
- ii) The Company has given a commitment to lenders of REL that it will not transfer its 49% equity holding in REL except with the prior approval of lenders. The Company has similarly given a commitment to lenders of REGL that it will not transfer its 49% equity holding in REGL outside the Adani Group except with the prior approval of lenders.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

- 39** As at 31st March, 2021, the Company is carrying investment of ₹ 219.80 Crores, Unsecured Perpetual Securities of ₹ 5,050.00 Crores and outstanding loans (including accrued interest) of ₹ 405.33 Crores relating to its wholly owned subsidiary, Adani Power (Mundra) Limited ("APMuL") having power generation plants of 4620 MW. APMuL has reported net loss of ₹ 2,138.83 Crores for the year ended 31st March, 2021 (net loss of ₹ 1,426.11 Crores for the year ended 31st March, 2020), and has accumulated losses of ₹ 14,353.96 Crores as at 31st March, 2021, whereby net worth of APMuL has been completely eroded. Further as at 31st March, 2021, its current liabilities exceed current assets by ₹ 2,316.06 Crores which include net payables of ₹ 1,400.23 Crores to related parties.

Notwithstanding the above, as at reporting date, of the total available capacity of 4620 MW in APMuL, it has Power Purchase Agreement ("PPA") / Supplementary Power Purchase Agreement ("SPPA") (under Bid 1) with Gujarat Urja Vikas Nigam Limited ("GUVNL") of 1200 MW, for which APMuL is allowed compensation for imported coal in terms of SPPA dated 5th December, 2018. APMuL also has PPA of 1424 MW with Uttar Haryana Bijli Vitran Nigam Limited and Dakshin Haryana Bijli Vitran Nigam Limited ("Haryana Discoms") for which Central Electricity Regulatory Commission ("CERC") has allowed change in law claims towards shortage of coal under New Coal Distribution Policy ("NCDP") for the power supplied and residual capacity is utilised to sell the power on merchant basis after termination of 1234 MW of PPA/ SPPA (Bid 2) with GUVNL vide Hon'ble Supreme Court of India ("SC") order dated 2nd July, 2019 with retrospective effect from January, 2010. APMuL continues to supply power to GUVNL and Haryana Discoms, pending resolution of certain matters under dispute and the management is reasonably confident of realizing all the receivables. The management expects that APMuL will sustain its operational performance from sale of power to GUVNL, Haryana Discoms and on merchant basis along with expected significant compensation tariff on cancellation of Bid 2 PPA/ SPPA with GUVNL as detailed below based on the SC order.

APMuL's power purchase agreement of 1000 MW and SPPA of 234 MW (under Bid 2) with GUVNL got terminated vide order dated 2nd July, 2019 of the Hon'ble Supreme Court of India ("SC") in the matter of civil appeal dated 8th November, 2011 with retrospective effect from respective date of PPAs. The SC has allowed APMuL to claim compensatory tariff towards cancellation of PPA since January 2010, in accordance with section 62 of the Electricity Act, 2003 and the CERC (Terms and Conditions of Tariff) Regulation 2009. APMuL has filed the petition on 2nd September, 2019 with CERC for determination of compensatory tariff. The proceedings in the matter, are in progress and the compensation claim is not yet decided by the CERC. As at reporting date, APMuL and GUVNL have both filed petitions with CERC to settle claims and contractual arrangement in terms of Bid 1 and Bid 2 PPAs pursuant to the SC Order dated 2nd July, 2019. APMuL has not recognised any compensatory tariff in the books as at reporting date, pending settlement of the matter with GUVNL.

The management has also made long term assessment of recoverable amount of APMuL's power generation assets that has factored better operational parameters such as coal prices, borrowing cost, power tariff, leading to better operational and financial performance of APMuL. The management believes that over foreseeable future, APMuL would be able to establish profitable operations and meet its liabilities as and when they fall due and hence, no provision / adjustment is considered necessary to the carrying value of the said investments / loans (including accrued interest) aggregating to ₹ 5,675.13 Crores as at 31st March, 2021.

- 40** The Company has determined the recoverable amounts of the Power Plants over its useful life under Ind AS 36, Impairment of Assets based on the estimates relating to tariff, operational performance of the Plants, life extension plans, inflation, terminal value etc. which are considered reasonable by the Management.

On a careful evaluation of the aforesaid factors, the Management of the Company has concluded that the recoverable values of the Power Plants is higher than their carrying amounts as at 31st March, 2021. However, if these estimates and assumptions were to change in future, there could be corresponding impact on the recoverable amounts of the Plants.

- 41** Due to ongoing impact of COVID-19 globally and in India, the Company has assessed likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Company and its subsidiaries (the "Group") are in the business of generation of electricity which is an essential service as emphasised by the Ministry of Power, Government of India. The demand for power is continuously increasing with increase in economic activities in the Country, although demand may get impacted in short term due to lock downs in

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

various parts of the country. On long term basis, the Group does not anticipate any major challenge in operating the Group's power plants at various locations and meeting its financial obligations. Basis above, the management has estimated its future cash flows for the Group which indicates no major impact in the operational and financial performance of the Group. The management will continuously monitor the performance of the Group and take appropriate remedial measures as needed to respond to the Covid related risks, if any.

- 42** As at 31st March, 2021, the Company is carrying equity investment of ₹ 4,205.92 Crores, Unsecured Perpetual Securities of ₹ 750.00 Crores relating to its wholly owned subsidiary APML, equity investment of ₹ 1,200 Crores and Unsecured Perpetual Securities of ₹ 2,200 Crores relating to its wholly owned subsidiary APRL, equity investment of ₹ 353.34 Crores and outstanding loans of ₹ 2,047.77 Crores relating to its wholly owned subsidiary REGL and equity investment of ₹ 53.19 Crores and outstanding loans of ₹ 1,129.62 Crores relating to its wholly owned subsidiary REL.

APML and APRL own and operate 3300 MW and 1320 MW coal based power plants respectively with major capacities tied up under power purchase agreements ("PPAs") for twenty five years with substantially fixed tariffs. The PPAs for these plants were made based on the commitments / understanding that domestic coal linkages would be available to meet the fuel requirements. However, adequate coal linkages could not be made available due to various reasons, including government policies, not attributable to the respective subsidiary companies. In response to the pleas to various regulatory authorities for compensating the losses due to above and orders passed thereof, the respective state electricity regulators have granted part relief on account of Change in Law. The Company's management believes that APML and APRL, based on availability of linkage coal shall continue to supply power under the Long Term PPAs and will be eligible for relief on account of Change in Law / Force Majeure to compensate the operating losses for shortage of domestic coal. The SC in its order has upheld the APTEL's order wherein directions were issued to Rajasthan Discoms to verify the claim documents submitted by APRL and make additional payments in terms of the judgement and order. The review petition filed by Rajasthan Discoms in the matter with the Hon'ble Supreme Court was rejected on 2nd March, 2021. Considering that, Rajasthan Discoms are yet to verify the claim documents submitted by APRL for the quantification of the final amount of tariff compensation, APRL has not recognised any additional tariff compensation revenue, pending ascertainment of tariff compensation amount by Rajasthan Discoms, post verification of the claim and supporting documents submitted by APRL. As at reporting date, APRL has filed contempt petition with the Hon'ble Supreme Court against Rajasthan Discoms for non-compliance with the Hon'ble Supreme Court order dated 31st August, 2020. As per the assessment by the Management, It is expected that equivalent amounts as recognised by APRL up to 31st March, 2021 will be ultimately recovered. Having regard to above and the expectation that similar relief will continue to be available till existence of the aforesaid circumstances, the Management of the Company has concluded that no provision for impairment is considered necessary at this stage.

In addition to this, REL and REGL which were acquired during the previous year owns and operates 1370 MW and 600 MW coal based power plants respectively. These Companies sell the power generated mainly on Short term PPA and merchant basis and management expects that these companies would be able to generate adequate cash flows from future operations to meet its financial commitment.

43 The Company has not taken any derivatives to hedge its foreign currency exposures.

The details of foreign currency exposures not hedged by derivative instruments are as under:

	As at 31 st March, 2021		As at 31 st March, 2020	
	Amount	Foreign Currency (in Million)	Amount	Foreign Currency (in Million)
1. Other Receivable	(3.36)	USD (0.46)	-	-
2. Import Creditors and Acceptances	-	-	527.58	USD 69.73
3. Loans under letters of credit	-	-	0.06	EURO 0.01
	(3.36)		527.64	

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

44 Financial Risk Management Objective and Policies:

The Company's risk management activities are subject to the management direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Company. The Management ensures appropriate risk governance framework for the Company through appropriate policies and procedures and the risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

In the ordinary course of business, the Company is exposed to Market risk, Credit risk and Liquidity risk.

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, foreign currency risk and commodity price risk.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the part of Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a mixed portfolio of fixed and variable rate loans and borrowings.

The sensitivity analysis have been carried out based on the exposure to interest rates for instruments not hedged against interest rate fluctuation at the end of the reporting period. The said analysis has been carried out on the amount of floating rate long term liabilities outstanding at the end of the reporting period.

The year end balances are not necessarily representative of the average debt outstanding during the year. A 50 basis point increase or decrease represents management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points on the exposure on long term borrowings (having fluctuating rate) of ₹ 124.29 Crores as on 31st March, 2021 (Previous year - ₹ 191.21 Crores) and if all other variables were held constant, the Company's profit or loss for the year would increase or decrease as follows:

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Impact on Profit or Loss for the year	0.62	0.96

b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company manages its foreign currency risk by hedging transactions that are expected to realise in future. The Company manages its foreign currency risk by entering into derivative contracts for converting ₹ loan into other foreign currency for taking advantage of lower cost of borrowing in stable currency environment. The Company also enters into various foreign exchange contracts to mitigate the risk arising out of foreign exchange rate movement on foreign currency borrowings and trade payables.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

44 Financial Risk Management Objective and Policies: (Contd.)

Every one percentage point depreciation / appreciation in the exchange rate between the Indian rupee and U.S.dollar on the exposure of \$ 0.46 Million as on 31st March, 2021 and \$ 69.73 Million as on 31st March, 2020, would have affected the Company's profit or loss for the year as follows:

	Impact of change in USD to ₹ rate	
	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Impact on Profit or Loss for the year	0.03	5.28

c) Commodity price risk

The Company is affected by the price volatility of commodities being traded. As it requires the on-going purchase / sale of traded goods, the Company monitors its purchases and sales closely to optimise the price.

(ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The Company has majority of receivables from State Electricity Boards which are Government undertakings, hence they are secured from credit losses in the future.

The Company has issued financial guarantees to banks on behalf of and in respect of loan facilities availed by its subsidiaries. In accordance with the policy of the Company, the Company has recognised these financial guarantees as liability at fair value (Refer note 21 and 26). The value of financial guarantee contracts given by the Company as at 31st March, 2021 is ₹ 9,174.17 Crores (Previous year ₹ 8,567.32 Crores).

(iii) Liquidity risk

The Company monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Company's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through continued support from lenders, trade creditors as well as subsidiaries/other related parties.

Maturity profile of financial liabilities:

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

As at 31 st March, 2021	Carrying amount	Less than 1 year	1 to 5 years	More than 5 years	Total
Borrowings (Refer note 20 & 24)	6,284.21	5,780.84	1,093.38	-	6,874.22
Trade Payables	13.26	13.26	-	-	13.26
Other Financial Liabilities	281.91	55.33	120.19	106.39	281.91

As at 31 st March, 2020	Carrying amount	Less than 1 year	1 to 5 years	More than 5 years	Total
Borrowings (Refer note 20 & 24)	5,756.57	2,856.58	4,130.50	-	6,987.08
Trade Payables	712.32	712.32	-	-	712.32
Other Financial Liabilities	258.59	52.76	125.87	79.96	258.59

The table has been drawn up based on the undiscounted contractual maturities of the financial liabilities including interest that will be paid on those liabilities upto the maturity of the instruments.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

45 Capital management:

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company's overall strategy remains unchanged from previous year.

The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments.

The funding requirements are met through a mixture of equity, perpetual debt, internal fund generation and other long term debt. The Company monitors capital and long term debt on the basis of the debt to equity ratio.

The debt equity ratio at the end of the reporting period is as follows:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Debt (Refer note (i) below)	991.04	3,167.55
Total Capital (Refer note (ii) below)	17,085.35	15,790.38
Debt Equity Ratio (in times)	0.06	0.20

(i) Debt is defined as Non-current borrowings (including current maturities).

(ii) Capital is defined as Equity share capital, Unsecured perpetual securities and other equity including reserves and surplus.

The Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirement.

46 Fair Value Measurement:

a) The carrying value of financial instruments by categories as of 31st March, 2021 is as follows:

Particulars	Fair Value through other Comprehensive income	Fair Value through profit or loss	Amortised cost	Total
Financial Assets				
Cash and cash equivalents	-	-	3.84	3.84
Bank balances other than cash and cash equivalents	-	-	82.77	82.77
Trade Receivables	-	-	9.65	9.65
Loans	-	-	3,587.16	3,587.16
Investments	788.46	-	-	788.46
Other Financial assets	-	-	8.07	8.07
Total	788.46	-	3,691.49	4,479.95
Financial Liabilities				
Borrowings	-	-	6,284.21	6,284.21
Trade Payables	-	-	13.26	13.26
Other Financial Liabilities	-	-	281.91	281.91
Total	-	-	6,579.38	6,579.38

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

46 Fair Value Measurement: (Contd.)

b) The carrying value of financial instruments by categories as of 31st March, 2020 is as follows:

Particulars	Fair Value through other Comprehensive income	Fair Value through profit or loss	Amortised cost	Total
Financial Assets				
Cash and cash equivalents	-	-	7.30	7.30
Bank balances other than cash and cash equivalents	-	-	93.72	93.72
Trade Receivables	-	-	366.81	366.81
Loans	-	-	3,231.14	3,231.14
Other Financial assets	-	-	3.40	3.40
Total	-	-	3,702.37	3,702.37
Financial Liabilities				
Borrowings	-	-	5,756.57	5,756.57
Trade Payables	-	-	712.32	712.32
Other Financial Liabilities	-	-	258.59	258.59
Total	-	-	6,727.48	6,727.48

The Carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are reasonable approximation of their fair value, since the Company does not anticipate that the carrying amount would be significantly different from the values that would eventually be received or settled.

Upon the application of Ind AS 109 'Financial Instruments', the Company has chosen to designate Investment in CCPS as at FVTOCI.

Investments in subsidiaries are accounted at historical cost. Since these are scoped out of Ind AS 109 for the purposes of measurement, the same have not been disclosed in the tables above.

47 Level wise disclosure of fair value for financial instruments requiring fair value measurement/ disclosure:

Particulars	As at 31 st March, 2021			
	Level 1	Level 2	Level 3	Total
Assets				
Investments	-	-	788.46	788.46
Total	-	-	788.46	788.46
Liabilities				
Total	-	-	-	-

The fair value for Level 3 instruments is valued using inputs based on information about market participants assumptions and other data that are available.

A one percent point change in the unobservable input used in fair value of Level 3 asset do not have significant impact in its value.

There have been no transfers across the levels during the year.

There are no financial instruments as at 31st March, 2020 that are reportable under Level 1 to 3.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

48 Payment to auditors (including GST)

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Audit fees (including Audit fees for limited reviews)	0.76	0.68
Fees for certificates and other services	0.04	0.08
Out of pocket expenses	0.02	0.03
Total	0.82	0.79

49 As per para 4 of Ind AS 108 "Operating Segments", if a single financial report contains both consolidated financial statements and the separate financial statements of the Parent Company, segment information may be presented on the basis of the consolidated financial statements. Thus, the information related to disclosure of operating segments required under Ind AS 108 "Operating Segments", is given in Consolidated Financial Statements.

50 As per Ind AS - 19 "Employee Benefits", the disclosures are given below.

(a) (i) Defined Benefit Plan

The Company operates a defined benefit plan (the Gratuity plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The status of gratuity plan as required under Ind AS-19:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
i. Reconciliation of Opening and Closing Balances of defined benefit obligation		
Present Value of Defined Benefit Obligations at the beginning of the year	4.23	4.48
Current Service Cost	0.42	0.61
Interest Expense / Cost	0.24	0.29
Liability Transferred in from other companies	0.04	-
Liability Transferred out to other companies	(0.69)	(0.74)
Benefits paid	(1.09)	(0.29)
Re-measurement (or Actuarial) (gain) / loss arising from:		
change in demographic assumptions	(0.12)	0.01
change in financial assumptions	0.28	(0.18)
experience variance (i.e. Actual experience vs assumptions)	0.47	0.05
Present Value of Defined Benefit Obligations at the end of the year	3.78	4.23
ii. Reconciliation of Opening and Closing Balances of the Fair value of Plan assets		
Fair Value of Plan assets at the beginning of the year	18.98	17.91
Investment Income	1.26	1.36
Benefits paid	(1.09)	(0.29)
Actuarial (loss) on plan assets	(1.99)	-
Fair Value of Plan assets at the end of the Year	17.16	18.98

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
iii. Reconciliation of the Present value of defined benefit obligation and Fair value of plan assets		
Present Value of Defined Benefit Obligations at the end of the year	3.78	4.23
Fair Value of Plan assets at the end of the year	17.16	18.98
Net Asset recognised in balance sheet as at the end of the year	13.38	14.75
iv. Composition of Plan Assets		
100% of Plan Assets are administered by Life Insurance Corporation of India		
v. Gratuity cost / (gain) for the year		
Current service cost	0.42	0.61
Interest Income (net)	(1.02)	(1.07)
Net Gratuity (gain) recognised in the statement of Profit and Loss	(0.60)	(0.46)
vi. Other Comprehensive Income		
Actuarial (gains) / losses		
Change in demographic assumptions	(0.12)	0.01
Change in financial assumptions	0.28	(0.18)

Return on plan assets, excluding amount recognised in net interest expense	1.99	-
Components of defined benefit costs recognised in other comprehensive income	2.62	(0.12)
vii. Actuarial Assumptions		
	As at 31 st March, 2021	As at 31 st March, 2020
Discount Rate (per annum)	6.70%	6.70%
Expected annual Increase in Salary Cost	8.00%	7.00%
Attrition / Withdrawal rate (per annum)	9.60%	4.62%
Mortality Rates as given under Indian Assured Lives Mortality (2012-14) Ultimate Retirement Age 58 Years.		

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

viii. Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Defined Benefit Obligation (Base)	3.78	4.23

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 1%)	4.02	3.58	4.57	3.94
Salary Growth Rate (- / + 1%)	3.58	4.01	3.94	4.57
Attrition Rate (- / + 50%)	3.90	3.71	4.27	4.20
Mortality Rate (- / + 10%)	3.79	3.79	4.24	4.24

ix. Asset Liability Matching Strategies

The Company has funded benefit plan and has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).

x. Effect of Plan on Entity's Future Cash Flows

a) Funding arrangements and Funding Policy

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

b) Expected Contribution during the next annual reporting period

The Company's best estimate of Contribution during the next year is ₹ Nil.

c) Maturity Profile of Defined Benefit Obligation

Weighted average duration (based on discounted cash flows) - 6 years.

Expected cash flows over the next (valued on undiscounted basis):	Amount
1 year	1.09
2 to 5 years	1.42
6 to 10 years	1.34
More than 10 years	2.16

xi. The Company has defined benefit plan for Gratuity to eligible employees, the contributions for which are made to Life Insurance Corporation of India who invests the funds as per Insurance Regulatory Development Authority guidelines.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

The discount rate is based on the prevailing market yields of Government of India's securities as at the balance sheet date for the estimated term of the obligations.

(b) Defined Contribution Plan

Contribution to Defined Contribution Plans, recognised in Statement of Profit and Loss, for the year is as under:

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Employer's Contribution to Provident Fund	1.48	2.11
Employer's Contribution to Superannuation Fund	0.04	0.05
	1.52	2.16

51 Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a corporate social responsibility (CSR) committee has been formed by the Company. The Company is not required to incur any CSR expense as per the requirement of Section 135 of Companies Act, 2013.

Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Gross amount as per the limits of Section 135 of the Companies Act, 2013	-	-
i) Amount contributed		
(a) Construction/acquisition of any assets	-	-
(b) On purpose other than (a) above	0.15	0.08
Total amount contributed during the year	0.15	0.08

52 The details of loans and advances of the Company outstanding at the end of the year, in terms of regulation 53 (F) read together with para A of Schedule V of SEBI (Listing Obligation and Disclosure Regulation, 2015).

Name of the Company and Relationship	Outstanding amount		Maximum amount outstanding during the year	
	As at 31 st March, 2021	As at 31 st March, 2020	As at 31 st March, 2021	As at 31 st March, 2020
Adani Power Maharashtra Limited (Subsidiary)	-	627.39	1,957.47	1,768.66
Adani Power (Jharkhand) Limited (Subsidiary)	-	-	-	175.33
Adani Power (Mundra) Limited (Subsidiary)	405.33	-	724.14	7,931.98

	3,910.81	3,448.91	6,285.91	12,697.50

Note:

- (i) The above outstanding amount and maximum amount outstanding during the year are gross of deemed equity contribution of interest free loans. The outstanding amount of such deemed equity contribution of interest free loans is ₹ 323.76 Crores (Previous year ₹ 217.99 Crores).

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

53 The Company has reported losses of ₹ 498.74 Crores and ₹ 1,340.56 Crores for the year ended 31st March, 2021 and 31st March, 2020, respectively. The Company has 40 MW solar plant and it has continued to operate 12,450 MW Thermal Power Undertaking through its wholly owned subsidiaries, although the operational performance has got impacted due to fluctuations in international and domestic coal prices and pending matters relating to billable compensatory tariff / change in law claims on discoms for various additional cost components incurred during the earlier years. Further, as at 31st March, 2021, its current liabilities exceed current assets by ₹ 6,052.24 Crores, which includes net payable of ₹ 5,523.53 Crores for related parties.

Notwithstanding the above, the financial statements of the Company have been prepared on a going concern basis as the management believes that in view of various favourable orders from regulatory authorities, that over the foreseeable future the Company and its subsidiaries would be able to establish profitable operations and will meet its financial obligations in next twelve months based on continued support expected from various stakeholders including unconditional financial support from promoter group companies and availability of financing from lenders as may be required to sustain its operations on a going concern basis.

54 The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September, 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

55 During the year ended 31st March, 2021, the Company received deemed contribution from promoter group as detailed hereunder:

(a) During the financial year 2019-20, Adani Properties Private Limited ("APPL"), a promoter group entity, through a special purpose vehicle entity ("SPV"), had acquired economic and financial interest in another company owning certain land ("underlying assets"), which were under title disputes / litigation and also subject to significant third party claims, under Insolvency and Bankruptcy Code process. Subsequent to the acquisition, APPL infused further funds into the SPV to resolve the disputed claims on land encumbrances etc. The total investment by APPL and other parties aggregated to ₹ 400.00 Crores via subscription towards CCPS.

On 18th January, 2021, APPL and other parties sold the entire tranche of CCPS to the Company with economic interest in the underlying assets, at actual cost incurred by them. The Company later undertook a detailed exercise to assess the fair value of the CCPS based on value of the underlying assets and possible end use thereof. The difference between cost and fair value of ₹ 994.47 Crores, has been accounted as deemed equity contribution from the promoter group, recorded under Other Equity.

Subsequently, on 30th March, 2021, the company sold the aforesaid CCPS to a promoter group company for agreed consideration of ₹ 1,415.23 Crores, the proceeds whereof have been realised fully before 31st March, 2021.

The net gains on such sale of CCPS computed on arm's length basis amounting to ₹ 3.76 Crores has been accounted as fair value gains under other comprehensive income.

(b) During the quarter ended 31st March, 2021, the Company subscribed to 1,00,00,000 Nos. CCPS of Shankheshwar Buildwell Private Limited (SBPL), a wholly owned subsidiary of APPL, at book value of ₹ 10 each aggregating to ₹ 10.00 Crores, to acquire interest in certain underlying land assets.

The Company has recognised deemed equity contribution from the promoter group of ₹ 778.46 Crores, being the difference between the purchase consideration of CCPS and fair value of the Company's economic and financial interest in SBPL (underlying land assets held by SBPL) which has been recorded in Other Equity.

On 30th March 2021, the company has entered into agreement with a promoter group company for sale of the CCPS, at mutually agreed value of ₹ 815.40 Crores. As per the terms of the agreement, the company has received advance of ₹ 733.86 Crores, and the said CCPS has been classified as assets held for sale as at 31st March, 2021, pending fulfilment of the conditions precedent by the Company.

Notes to the Standalone Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

56 REGL and REL were acquired w.e.f. 20th July, 2019 and 2nd August, 2019 respectively by the Company. In order to support the operations, REGL and REL have sought interest waiver on unsecured interest bearing inter corporate deposits for current financial year from the Company for ₹ 189.97 Crores and ₹ 96.25 Crores respectively. The Company has accepted the request for interest waiver which has been reflected as a reversal under other income.

57 The Company vide its letter dated 29th May, 2020 has intimated BSE Limited and National Stock Exchange of India Limited (the "Stock Exchanges") that it has received delisting proposal letter from APPL, a member of the Promoter and the Promoter group company, wherein APPL has expressed its intention, either by itself or together with other members of the Promoter group, to acquire all the equity shares of the Company held by the public shareholders of the Company, in terms of the applicable provisions of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, as amended (the "SEBI Delisting Regulations") and consequently, voluntarily delist the equity shares of the Company from the Stock Exchanges, in accordance with the SEBI Delisting Regulations.

Subsequently, the board of directors and shareholders of the Company have approved the Delisting proposal on 22nd June, 2020 and 23rd July, 2020, respectively. As at the reporting date, for voluntary delisting of Company's equity shares, the Company is in process of taking necessary actions in terms of and in compliance with the applicable SEBI Regulations and other applicable laws. Towards this, the Company has already made an application to the Stock Exchanges for their in-principle approval.

COMPANY SECRETARY

To the Members of Adani Power Limited

Report on the Audit of the Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of Adani Power Limited (hereinafter referred to as the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group") comprising of the consolidated Balance sheet as at March 31, 2021, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to:

- (a) Note 46 to the consolidated financial statements, as regards the surrender of coal block at Jitpur, Jharkhand, which is pending resolution by the Nominated Authority, Ministry of Coal. Pending such resolution, Adani Power (Mundra) Limited, a wholly owned subsidiary, based on legal opinion/advice, has considered advances of ₹ 97.66 Crores given to the Nominated Authority, Ministry of Coal and incurred expenditure of ₹ 6.09 Crores in relation to development of coal block to be fully recoverable.
- (b) Note 51 to the consolidated financial statements, as regards the management's evaluation of COVID-19 impact on the operations and financial metrics of the Group.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed

to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition and assessment of recoverability of receivables related to change in law claims <i>(Also refer Notes 3(vi), 10 and 31 to the consolidated financial statements)</i> The subsidiaries of the Group, having Power Purchase Agreements (PPA) are eligible for compensation claims against various Change in Law events having cost implications on generation and supply of power such as additional duties and taxes, increased cost of power generation, etc., due to purchase of alternative coal in terms of the framework of supply of power as per PPA entered by the respective subsidiaries with the various Discoms. The compensation claims (invoices) are raised by the Group upon approval of change in law event by the relevant Regulatory Authorities. The invoices for change in law claims are raised considering operational / cost parameters based on qualitative parameters approved in the relevant Regulatory Authorities Orders and are subject to final acceptance of the claims by the respective Discoms. Considering that the methodology and the parameters are subject to final acceptance by the respective Discoms, the revenue is recognised in the books of account based on the prudent parameters and methodology, till the respective matters are accepted / settled with the Discoms. Thus, the receivables from Discoms are subject to adjustments to the extent there may be adverse impact on account of appeals with the regulatory authorities. In certain cases where the regulatory order is subject matter of appeal with higher appellate forums / authorities, and the amount of claim is not ascertainable, revenues for change in law claims are not recognised, pending outcome of the final decision. In view of the complexity and judgement involved in estimation of the amounts of such claims and recoverability thereof, the same is considered as a key audit matter.	
	Our audit procedures in response to this key audit matter included, but not limited to, the following: - Obtained understanding of the key controls that management has in place to monitor change in law events and related claims, status of various pending claims including under appeals and orders passed by various regulatory authorities. - Inspected the relevant state regulatory commission, CERC, appellate tribunal and court rulings and examined management assumptions / judgement relating to various parameters in terms of regulatory orders, for measuring / estimating the amount of such claims. - Examined the underlying parameters and assumptions / judgement used for measuring / computing the amounts of compensation claims as per regulatory orders through verification of historical information and other available internal and external data. - Tested on sample basis, the accuracy of the underlying data used for computation of such claims. - Tested the joint reconciliations for trade receivables performed by the Group with the Discoms, wherever available with underlying records. - Tested the status of the outstanding receivables and recoverability of the overdue / aged receivables through inquiry with management, and collection trends in respect of receivables.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition for regulated power generation business (Also refer Note 31 to the consolidated financial statements)	
In the regulated power generation business of Udupi Power Corporation Limited ("UPCL"), a wholly owned subsidiary, the tariff is determined by the regulator based on cost plus return on equity basis wherein cost is subject to prudential norms. UPCL invoices its customers on the basis of pre-approved tariff which is based on budget and is subject to true up adjustment. As the Company is entitled to tariff based on actual cost incurred for the year, it recognizes adjustments for the escalation/ de-escalation in the various parameters compared to the entitled parameters. UPCL has also recognised deferred tax recoverable from future tariff of ₹ 65.11 Crores during the year ended March 31, 2021 (aggregate amount as at March 31, 2021 is ₹ 166.26 Crores) Accruals are determined based on tariff regulations and past tariff orders and are subject to verification and approval by the regulators. Further the costs incurred are subject to prudential checks and the prescribed norms. Significant judgements are made in determining the accruals including interpretation of tariff regulations. Further certain matters for disallowances of claims have been litigated by the UPCL before higher authorities. Revenue recognition and accrual of regulatory claims is a key audit matter considering the significance of the amount and significant judgements involved in the determination thereof.	Our audit procedures in response to this key audit matter included, but not limited to, the following: - Examined the Company's accounting policies with respect to assessing compliance with Ind AS 115 "Revenue from Contract with Customers". - Performed test of controls over revenue recognition and accruals through inspection of evidence of performance of these controls. - Performed the tests of details including the following key procedures: • Evaluated the key assumptions used by the Company by comparing it with the assumptions in pre-approved tariff order. • For tariff orders (including updated tariff order) received by the Company, assessed the impact recognised by the Company and for matters litigated by the Company, also assessed the management's evaluation of the likely outcome of the dispute based on past precedents. • Tested the joint reconciliation for invoiced billed and approved tariff-based income performed by UPCL with the Discoms, wherever available with underlying records and adjustments made in books of account as recoverable/ payable for the respective approved tariff periods. - Assessed the disclosures in accordance with the requirements of Ind AS 115 "Revenue from Contract with Customers".
Evaluation of impairment of property, plant and equipment (Also refer Note 48(a) to the consolidated financial statements)	
As at March 31, 2021, the carrying value of the Property, Plant and Equipment (PPE) of Adani Power (Mundra) Limited ("APMuL"), a wholly owned subsidiary is ₹ 18,312.89 Crores. To assess if there is an impairment in the carrying value of APMuL PPE, the management conducts impairment tests at CGU level annually or whenever changes in circumstances or events indicate that, the carrying value of PPE may require evaluation to verify recoverability. An impairment loss is recognised if the recoverable amount of PPE is lower than the carrying value.	Our audit procedures included the following: - We evaluated the Management's internal controls over its annual impairment assessment and key assumptions applied such as revenue growth, operating margins, discount rates, estimated life of PPE and terminal growth rates; - We obtained valuation model prepared by the management and engaged our valuation specialists to evaluate the appropriateness of valuation methodology applied in impairment testing and to test the key assumptions around expected long term growth rates, discount rates etc.

Key audit matters	How our audit addressed the key audit matter
The recoverable amount of the CGU is evaluated by calculating the value in use of the CGU to which carrying value of PPE is attributable along with estimates of compensation that APMuL would be eligible to recover from Gujarat Urja Vikas Nigam Limited towards the compensation under section 62 of the Electricity Act, 2003 and CERC (Terms and Conditions of Tariff) Regulations, 2009, as held by the Supreme Court of India in its order dated 2nd July, 2019 for termination of Bid 2 PPA with retrospective effect. This is a key audit matter as the testing of impairment of carrying value of PPE is complex and involves significant judgement. The key assumptions involved in impairment test are projected revenue growth, operating margins, estimated life of PPE, discount rates and terminal value and expected amount of compensation to be realised from termination of Bid 2 Power Purchase Agreement entered with Gujarat Urja Vikas Nigam Limited.	- We discussed potential changes in key drivers with management in order to evaluate the suitability of inputs and assumptions used in the cash flow forecasts and performed sensitivity analysis around the key assumptions used by management. - Read the relevant order of the Supreme Court of India in respect of termination of Bid 2 PPA with retrospective effect and inquired with the management for expected recovery of claim determined in accordance with section 62 of the Electricity Act, 2003 and CERC (Terms and Conditions of Tariff) Regulations, 2009, which is pending with the CERC. - Assessed the disclosures in accordance with the requirements of Ind AS 36 "Impairment of Assets".

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated

statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or

to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We

describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

- (a) We did not audit the financial statements and other financial information, in respect of 6 subsidiaries, whose financial statements include total assets of ₹ 12,688.99 Crores as at March 31, 2021, and total revenues of ₹ 1,913.57 Crores and net cash outflows of ₹ 738.44 Crores for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies, none of the directors of the Group's companies, incorporated in India, is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company and its subsidiary companies, incorporated in India, refer to our separate Report in "Annexure 1" to this report;
- (g) The Holding Company has not paid any managerial remuneration to its directors during the year, and hence the provisions of section 197 read with Schedule V of the Act are not applicable to the Holding Company for the year ended March 31, 2021. In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries incorporated in India, the managerial

remuneration for the year ended March 31, 2021 has been paid / provided by its subsidiaries incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:

- i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, in its consolidated financial statements – Refer Note 43 to the consolidated financial statements;
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for

material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 21, 22 and 29 to the consolidated financial statements in respect of such items as it relates to the Group.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries, incorporated in India during the year ended March 31, 2021.

Independent Auditor's Report

Annexure 1 to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Adani Power Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Adani Power Limited as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Adani Power Limited (hereinafter referred to as the "Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Financial Statements

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions

are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls over financial reporting with

reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, insofar as it relates to six subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary companies, incorporated in India.

Addition on acquisition of subsidiaries (Refer note 42)	-	24.27
Net foreign exchange difference on cash and cash equivalents	-	0.03
Cash and cash equivalents at the beginning of the year	941.10	24.54
Cash and cash equivalents at the end of the year	113.04	941.10
Notes to Cash flow Statement:		
Cash and cash equivalents as per above comprise of the following:		
Cash and cash equivalents (Refer note 11)	113.04	941.10
Balances as per statement of cash flows	113.04	941.10

Notes:

- Interest accrued of ₹ 359.06 Crores (Previous year ₹ 502.67 Crores) on Inter Corporate Deposit ("ICD") taken from related parties and others, have been converted to the ICD balances as on reporting date in terms of the Contract.
- Interest of ₹ 1,182.44 Crores has been converted into borrowings during the year, in line with the Moratorium given by RBI circulars.

Consolidated Statement of Cash Flows

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

Notes:

- The Cash Flow Statement has been prepared under the 'Indirect Method' set out in Ind AS 7 'Statement of Cash Flows'.
- Disclosure of changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, are given below:

Particulars	As at 1 st April, 2020	Net Cash Flows	Changes in fair values / Accruals including lease liabilities	Unrealised Foreign exchange fluctuation	Unsecured Perpetual Securities*	Customers' bills discounting	Others	As at 31 st March, 2021
Non-current borrowings	47,396.95	(2,574.10)	29.20	(423.72)	(3,600.00)	-	1,899.62	42,727.95
Current borrowings	7,801.81	704.50	-	(147.38)	-	1,663.50	(339.11)	9,683.32
Interest accrued	347.40	(3,388.67)	4,647.58	-	-	-	(1,541.50)	64.81
Leases Liabilities	107.05	(23.91)	24.27	-	-	-	-	107.41
Total	55,653.21	(5,282.18)	4,701.05	(571.10)	(3,600.00)	1,663.50	19.01	52,583.49

Particulars	As at 1 st April, 2019	Net Cash Flows	Changes in fair values / Accruals including lease liabilities	Unrealised Foreign exchange fluctuation	Unsecured Perpetual Securities	Addition on account of acquisition of subsidiaries	Others	As at 31 st March, 2020
Non-current borrowings	39,906.17	3,012.65	(24.64)	319.28	-	4,711.93	(528.44)	47,396.95
Current borrowings	7,073.53	(517.79)	-	185.65	-	19.84	1,040.58	7,801.81
Interest accrued	209.29	(4,604.19)	5,244.97	-	-	-	(502.67)	347.40
Leases Liabilities	-	(13.34)	94.89	-	-	25.50	-	107.05
Total	47,188.99	(2,122.67)	5,315.22	504.93	-	4,757.27	9.47	55,653.21

*During the year, the Group has converted Inter Corporate Deposit ("ICD") of ₹ 3,600.00 Crores taken from related parties into Unsecured Perpetual Securities ("Securities").

The accompanying notes are an integral part of the consolidated financial statements.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

1 Corporate information

Adani Power Limited (the "Company" or "APL") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India having its registered office at "Adani Corporate House", Shantigram, Near Vaishno Devi Circle, S. G. Highway, Khodiyar, Ahmedabad-382421, Gujarat, India. Its shares are listed on two recognised stock exchanges in India.

The Company, together with its subsidiaries, currently has multiple power projects located at various locations with a combined installed and commissioned capacity of 12,450 MW. The parent company, Adani Power Limited and the subsidiaries (together referred to as "the Group") sell power generated from these projects under a combination of long term Power Purchase Agreements ("PPA"), Short term PPA and on merchant basis. Information on the Group's structure is provided in Note 40.

As at 31st March, 2021, S. B. Adani Family Trust ("SBAFT") together with entities controlled by it, has the ability to control the Group. The Group gets synergetic benefit of the integrated value chain of Adani group.

The consolidated financial statements were approved for issue in accordance with a resolution of the directors on 6th May, 2021.

2 Significant accounting policies

2.1 Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with section 133 of Companies Act, 2013 and presentation requirements of Division II of schedule III to the Companies Act, 2013 (as amended), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The Group's consolidated financial statements are presented in ₹, which is also the parent company's functional currency, and all values are rounded to the nearest Crores, except when otherwise indicated.

2.2 Basis of consolidation

a Subsidiaries

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries, being the entities controlled by it as at 31st March, 2021. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- The contractual arrangement with the other vote holders of the investee.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income or loss are attributed to the

owners of the Company and to the non-controlling interests. Total comprehensive income or loss of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Changes in the Group's ownership interests in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group's losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related

assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109 "Financial Instruments" or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

2.3 Summary of significant accounting policies

a Property, plant and equipment

Property, plant and equipment are stated at original cost grossed up with the amount of tax / duty benefits availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognised impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalised along with respective asset. Capital work in progress is stated at cost, net of accumulated impairment loss, if any.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Items of stores and spares that meet the definition of property, plant and equipment are capitalised at cost and depreciated over their useful life.

In respect of business covered under part A of Schedule II to the Companies Act, 2013, depreciation is recognised based on the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013 except in case of power plant assets, where the life has been estimated at 25 years based on technical assessment, taking into account the nature of assets, the estimated usage of the assets, the operating condition of the assets, anticipated technical changes, manufacturer warranties and maintenance support. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

In respect of business covered under part B of Schedule II to the Companies Act, 2013, depreciation is recognised based on the cost of assets (other than freehold land and properties under construction) at the rates as well as methodology notified by the Central Electricity Regulatory Commission ("CERC") (Term and Condition of Tariff) Regulations, 2019.

Major inspection/overhauling including turnaround and maintenance cost are depreciated over the period of 5 years. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit and loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Subsequent costs are depreciated over the residual life of the respective assets. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The Group has intangible assets in the nature of Computer software having useful life of 5 years. The amortisation period and the amortisation method for an intangible asset with a finite useful life are

reviewed at least at the end of each reporting period. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

c Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset is available for immediate sale in its present condition and the sale is highly probable. Management must be committed to the sale which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Property, plant and equipment and intangible are not depreciated, or amortised assets once classified as held for sale. Assets and liabilities classified as held for sale are presented separately from other items in the balance sheet.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and their fair value less costs to sell.

d Financial Instruments

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in consolidated statement of profit or loss.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

e Financial assets

Initial recognition and measurement

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis i.e. the date that the Group commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within a timeframe established by regulation or convention in the market place.

Subsequent measurement

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of Financial assets

Financial assets measured at amortised cost

Financial assets that meet the following conditions are subsequently measured at amortised cost using effective interest method ("EIR") (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR.

For the impairment policy on financial assets measured at amortised cost, refer note x(ii).

The effective interest method is a method of calculating the amortised cost of financial assets and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and transaction costs and other premiums or discounts) through the expected life of the financial assets, or where appropriate, a shorter period, to the net carrying amount on initial recognition.

Interest is recognised on an effective interest basis for debt instruments other than those financial

assets classified as at Fair Value through Profit and Loss (FVTPL).

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that meet the following conditions are measured initially as well as at the end of each reporting date at fair value, recognised in other comprehensive income (OCI).

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the asset that give rise on specified dates to cash flows that represent solely payment of principal and interest.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets that do not meet the amortised cost criteria or FVTOCI criteria are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in statement of profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset.

Derecognition of financial assets

The Group derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party or when it has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in consolidated other comprehensive income and accumulated in equity, is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

f Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

Subsequent Measurement

All financial liabilities are measured at amortised cost using the effective interest method or at FVTPL.

Classification of Financial liabilities

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in statement of profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability.

Fair values are determined in the manner described in note 'n'.

Financial liabilities measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities

that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in consolidated statement of profit and loss.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and costs paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Trade and other payables are recognised at the transaction cost, which is its fair value, and subsequently measured at amortised cost. Similarly, interest bearing loans and borrowings are subsequently measured at amortised cost using effective interest rate method. Trade credits include Buyer's credit, Foreign Letter of Credit and Inland Letter of Credit.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

g Derivative financial instruments

The Group enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps, Principal only Swap,

coupon only swap etc. Further details of derivatives financial instruments are disclosed in note 52.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 "Financial Instruments" except for the effective portion of cash flow hedges (refer note (h)) are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL. These embedded derivatives are measured at fair value with changes in fair value recognised in profit and loss.

Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss category.

h Hedge Accounting

The Group designates certain hedging instruments, which includes derivatives and non-derivatives in respect of foreign currency risk, as cash flow hedges.

To qualify for hedge accounting, the hedging relationship must meet all of the following requirements:

- there is an economic relationship between the hedged items and the hedging instruments,
- the effect of credit risk does not dominate the value changes that result from that economic relationship,
- the hedge ratio of the hedging relationship is the same as that resulting from the quantity of the hedged item that the entity actually hedges and the quantity of the hedging instrument that the entity actually uses to hedge that quantity of hedged item.

At the inception of the hedge relationship, the Group documents the relationship between the hedging instrument and hedged item, along with its risk management objectives and its strategy for undertaking various hedge transactions. Furthermore, at the inception of the hedge and on an ongoing basis, the Group documents whether the hedging instrument is highly effective in offsetting changes in fair value or cash flows of the hedged item attributable to the hedged risk.

Cash flow hedges

Changes in the fair value of derivatives / hedging instruments that are designated and qualify as cash flow hedges are deferred in the "Cash Flow Hedge Reserve".

The effective portion of the gain or loss on the hedging instrument is recognised in OCI while any ineffective portion is recognised immediately in the statement of profit and loss. The Effective portion of cash flow hedges is adjusted to the lower of the cumulative gain or loss on the hedging instrument and the cumulative change in fair value of the hedged item. The Group uses forward currency contracts as hedges of its exposure to foreign currency risk in forecast transactions and firm commitments. The ineffective portion relating to foreign currency contracts is recognised in finance costs.

The Group designates only the spot element of a forward contract as a hedging instrument. The forward element is recognised in OCI.

The amounts accumulated in OCI are accounted for, depending on the nature of the underlying hedged transaction. If the hedged transaction subsequently results in the recognition of a non-financial item, the amount accumulated in equity is removed from the separate component of equity and included in the initial cost or other carrying amount of the hedged asset or liability.

For any other cash flow hedges, the amount accumulated in OCI is reclassified to profit or loss as reclassification adjustment in the same period or periods during which the hedged cash flows affect profit or loss.

i Inventories

Inventories are stated at the lower of cost or net realisable value. Costs include all non-refundable

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

duties and all charges incurred in bringing the goods to their present location and condition. Cost is determined on First in First out (FIFO) for coal inventory and on weighted average basis for other than coal inventory. Net realisable value represents the estimated selling price for inventories less all estimated costs necessary to make the sale.

j Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

k Business combinations and Goodwill

Acquisitions of business are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interest issued by the Group in exchange of control of the acquiree. Acquisition related costs are recognised in profit and loss as incurred.

Business combination involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities / business are reflected at their carrying value.

Purchase consideration paid in excess / shortfall of the fair value of identifiable assets and liabilities including contingent liabilities and contingent assets, is recognised as goodwill / capital reserve respectively, except in case where different accounting treatment is specified in the court approved scheme.

Deferred tax assets and liabilities and assets or liabilities related to employee benefits arrangements are recognised and measured in

accordance with Ind AS 12 "Income Taxes" and Ind AS 19 "Employee Benefits" respectively.

Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

l Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

The Group classifies all other assets as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months as its operating cycle.

m Foreign currency translations

In preparing the financial statements of the Group, transactions in currencies other than the entity's functional currency are recognised at the rate of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in profit and loss in the period in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

The Group has elected to continue the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items outstanding and

recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period i.e. 31st March, 2016 as per the previous GAAP.

n Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

- **Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

External valuers are involved for valuation of significant assets, such as unquoted financial assets and financial liabilities and derivatives.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

o Government grants

The Group recognises government grants only when there is reasonable assurance that the conditions attached to them will be complied with, and the grants will be received. Where Government grants relates to non-monetary assets, the cost of assets are presented at gross value and grant thereon is recognised as income in the statement of profit and loss over the useful life of the related assets in proportion in which depreciation is charged.

Grants related to income are recognised in the statement of profit and loss in the same period as the related cost which they are intended to compensate are accounted for.

p Contract Balances

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the

customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due and the amount is billable.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration from the customer. Contract liabilities are recognised as revenue when the Group performs obligations under the contract.

q Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes or other amounts collected from customers.

The disclosure of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note 3.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Revenue from Power Supply

The Group's contracts with customers for the sale of electricity generally include one performance obligation. The Group has concluded that revenue from sale of electricity should be recognised at the point in time when electricity is transferred to the customer.

Revenue from operations on account of Force Majeure / change in law events in terms of PPAs with customers (Power Distribution Utilities) is accounted for by the Group based on the orders / reports of Regulatory Authorities, best

management estimates, wherever needed and reasonable certainty to expect ultimate collection.

In case of Udupi Power Corporation Limited ("UPCL"), revenue from sale of power is recognised based on the most recent tariff approved by the CERC, as modified by the orders of Appellate Tribunal for Electricity ("APTEL"), to the extent applicable, having regard to mechanism provided in applicable tariff regulations and the bilateral arrangements with the customers.

ii) Sale of other traded goods

The Group's contracts with customers for the sale of goods generally include one performance obligation. Revenue from the sale of other traded goods is recognised at the point in time when control of the asset is transferred to the customers, generally on delivery of the goods.

iii) Carrying cost in respect of claims for change in law of taxes and duties and of additional cost incurred on procurement of alternative coal on account of New Coal Distribution Policy ("NCDP") and Scheme for Harnessing and Allocating Koyala Transparently in India ("SHAKTI") are recognised upon approval by relevant regulatory authorities, best management estimates and based on reasonable certainty to expect ultimate collection.

iv) Interest income is recognised on time proportion basis at the effective interest rate ("EIR") applicable.

v) Dividend income from investments is recognised when the Group's right to receive payment is established.

vi) Late payment surcharge on delayed payment for power supply is recognised based on reasonable certainty to expect ultimate collection.

r Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use or sale, are

capitalised as part of the cost of the asset, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred. Borrowing cost consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing cost.

s Employee benefits

i) Defined benefit plans:

The Group has obligations towards gratuity, a defined benefit retirement plan covering eligible employees (in some cases funded through Group Gratuity Scheme of Life Insurance Corporation of India). The Group accounts for the liability for the gratuity benefits payable in future based on an independent actuarial valuation carried out using Projected Unit Credit Method.

Defined benefit costs in the nature of current and past service cost and net interest expense or income are recognised in the statement of profit and loss in the period in which they occur. Remeasurement, comprising of actuarial gains and losses, the effect of changes to the asset ceiling (excluding amounts included in net interest or the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with corresponding debit or credit to retained earnings through OCI in the period in which it occurs. Remeasurement are not classified to profit and loss in subsequent periods. Past service cost is recognised in profit and loss in the period of a plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

ii) Defined contribution plan:

Retirement Benefits in the form of Provident Fund and Family Pension Fund which are defined contribution schemes are charged to the statement of profit and loss for the period in which the contributions to the respective funds accrue as per relevant statutes.

iii) Compensated Absences:

Provision for Compensated Absences and its classifications between current and non-current liabilities are based on independent actuarial valuation. The actuarial valuation is done as per the projected unit credit method as at the reporting date.

iv) Short term employee benefits:

These are recognised at an undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered.

t Leases

The Group as lessor

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Initial direct costs incurred in negotiating

and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

The Group as lessee

The Group recognised right-of-use assets and lease liabilities for all leases except for short-term leases and leases of low-value assets. The Group recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate at the date of initial application and right of use asset at an amount equal to the lease liability adjusted for any prepayments/accruals recognised in the balance sheet.

The Group also applied the available practical expedients wherein it:

- Used a single discount rate to a portfolio of leases with reasonably similar characteristics
- Relied on its assessment of whether leases are onerous immediately before the date of initial application
- Applied the short-term leases exemptions to leases with lease term that ends within 12 months at the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application
- Used hindsight in determining the lease term where the contract contains options to extend or terminate the lease

u Taxes on Income

Tax on Income comprises current tax and deferred tax. These are recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax

Tax including Minimum Alternative Tax("MAT") on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to

the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset.

Deferred tax

Deferred tax is recognised for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date. Deferred tax liabilities are generally recognised for all taxable temporary differences except when the deferred tax liability arises at the time of transaction that affects neither the accounting profit or loss nor taxable profit or loss. Deferred tax assets are generally recognised for all deductible temporary differences, carry forward of unused tax credits and any unused tax losses, to the extent that it is probable that future taxable income will be available against which the deductible temporary differences and carry forward of unused tax credit and unused tax losses can be utilised, except when the deferred tax asset relating to temporary differences arising at the time of transaction that affects neither the accounting profit or loss nor the taxable profit or loss. Deferred tax relating to items

recognised outside the statement of profit and loss is recognised outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

v Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (net off distribution on Perpetual Securities whether declared or not) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of shares plus dilutive potential equity shares.

w Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will

be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities may arise from litigation, taxation and other claims against the Group. Where it is management's assessment that the outcome is uncertain or cannot be reliably quantified, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote.

Contingent assets are not recognised but are disclosed in the notes where an inflow of economic benefits is probable.

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of the amount that would be recognised in accordance with the requirements for provisions above or the amount initially recognised less, when appropriate, cumulative amortisation recognised in accordance with the requirements for revenue recognition.

x Impairment

i) Impairment of tangible and intangible assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the

smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

The Group bases its impairment calculation on detailed budget and forecast calculations, which are prepared separately for each of the Group's cash-generating unit to which the individual assets are allocated. For longer periods, a long term growth rate is calculated and applied to project future cash flows. To estimate cash flow projections beyond periods covered by the most recent budget / forecasts, the Company estimates cash flow projections based on estimated growth rate.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the consolidated statement of profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

ii) Impairment of Financial assets

The Group applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset.

Expected credit loss is the difference between all contractual cash flows that are due to the

Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate. The Group estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

y Mine Development Expenditure (In case of Raipur Energen Limited ("REL"))

Stripping Costs:

Stripping costs are the costs of removing overburden from a mine. Stripping costs incurred in a development of the mine before production commences are capitalised as part of the cost of developing the mine and are subsequently depleted/ amortised using unit of production method on the basis of proven and probable reserves once production starts.

Stripping costs incurred for removing overburden during the production stage are accumulated under 'Prepaid expenses' under Advances and is charged to Statement of Profit and Loss using unit-of-production method on the basis of proven and probable reserves on the basis of estimated stripping ratio for the mine. Provision for stripping costs are made for any shortfall based on the estimated stripping ratio.

Mine Closure Obligations:

The liability for meeting the mine closure has been estimated based on the mine closure plan in the proportion of total area exploited to the total area of the mine as a whole. These costs are updated annually during the life of the mine to reflect the developments in mining activities. The mine closure obligations have been included in Mining Rights under Intangible assets and amortised based on unit of production method.

3 Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis and any revisions thereto are recognised in the period of revision and future periods if the revision affects both the current and future periods. Uncertainties about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key Sources of estimation uncertainty:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

i) Useful lives of property, plant and equipment

In case of the power plant assets, where the life of the assets has been estimated at 25 years based on technical assessment, taking into account the nature of the assets, the estimated usage of the asset, the operating condition of the asset, anticipated technological changes, manufacturer warranties and maintenance support, depreciation on the same is provided based on the useful life of each such component based on technical assessment, if materially different from that of the main asset.

ii) Fair value measurement of financial instruments

In estimating the fair value of financial assets and financial liabilities, the Group uses market

observable data to the extent available. Where such Level 1 inputs are not available, the Group establishes appropriate valuation techniques and inputs to the model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in note 56.

iii) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining the present value of defined benefit obligations are disclosed in note 57.

iv) Impairment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the Power Plants. Further, the cash flow projections are based on estimates and assumptions relating to tariff, operational performance of the Plants, life extension plans, market prices of coal and other fuels, exchange variations, inflation, terminal value etc. which are considered reasonable by the Management. (Refer note 48).

v) Taxes

Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits under the Income Tax Act, 1961. Deferred tax assets is recognised to the extent of the corresponding deferred tax liability. (Also refer note 23).

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

vi) Income

Revenue from operations on account of force majeure / change in law events or other income on account of carrying cost in terms of Power Purchase Agreements with various State Power Distribution Utilities is accounted for / recognised by the Group on best management estimates following principles of prudence, reasonable certainty to expect ultimate collection, as per the orders / reports of Regulatory Authorities, and the outstanding receivables thereof in the books of account may be subject to adjustments on account of final orders of the respective Regulatory Authorities, the Hon'ble Supreme Court or final closure of the matter with the Discoms (Refer note 31).

In certain cases, the Group has claimed compensation from the Discoms based on management's interpretation of the regulatory orders and various technical parameters, which are subject to final verification and confirmation by the respective Discoms, and hence, in these cases, the revenues have been recognised on a prudent basis with conservative parameters in the books.

In case of UPCL, Revenue from sale of power is recognised upon judgement by the management for recoverability of the claims based on the relevant contractual terms / provisional rates as provided by the regulator / governing tariff regulations, to the extent applicable, having regard to mechanism provided in applicable tariff regulations and the bilateral arrangement with the customers, which may be subject to adjustments in future years, on receipt of final orders of the respective Regulatory Authorities or final closure of the matter with the customers. (Refer note 31).

vii) Mining Rights for REL

In case of Raipur Energen Limited ("REL"), The carrying value of Mining Rights is arrived at by depreciating the rights over the life of the mine using the unit of production method based on proved and probable reserves. The estimate of reserves is subject to assumptions relating to life of the mine and may change when new information becomes available. Changes in reserves as a result of factors such as production cost, recovery rates, grade of reserves or commodity prices could thus impact the carrying values of mining rights and mine closure provisions. Further regulatory restrictions if any have been considered for the purposes of determining the carrying value of

the mine such as capping of fixed costs, mining license renewals etc.

The coal mine being used for captive consumption is considered as an integral part of the power plant and cannot generate cash flows on its own. The Management performs impairment tests for the power plant as a whole when there is an indication of impairment.

The Group has considered the last available information on assessment of the above parameters in view of Group's petition to surrender the mines, expecting to recover the money's paid for obtaining of mining rights including other costs and expects the recoverability higher than the carrying value.

viii) Mega Power Status for REL:

REL has availed exemption of customs / excise duty in pursuance to terms of the provisional mega power exemption received by REL. REL has not accounted for the said reduction in cost as a grant pending compliance of terms of Mega Power Status which needs to be attained by FY 2021-22 as the management is of the view that the matter has not attained finality. REL will recognize grant to the extent of the duty waiver received in the year of receipt of final mega power status or corresponding liability if any on expiry of the time lines specified in the scheme.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

- i) For charge created on aforesaid assets, refer note 20 and 25.
- ii) APMuL has availed tax and duty benefit in the nature of exemptions from Custom Duty, Excise Duty, Service Tax, VAT and CST on its project procurements with respect to its power plant located at Mundra, Gujarat. The said benefits were availed by virtue of SEZ approval granted to APMuL in December, 2006, in terms of the provisions of the Special Economic Zones Act, 2005 (hereinafter referred to as the 'SEZ Act') and the Special Economic Zone Rules, 2006 which entitled APMuL to procure goods and services without payment of taxes and duties as referred above.

Adani Power Maharashtra Limited ("APML") and Adani Power Rajasthan Limited ("APRL") have availed tax and duty benefit in the nature of exemptions from Custom Duty and Excise Duty on its project procurements with respect to their power plants located at Tiroda, Maharashtra and Kawai, Rajasthan respectively. The said benefits were availed by virtue of power plants being designated as Mega Power Project in accordance with the policy guidelines issued in this regard by the Ministry of Power, Government of India which entitled APML and APRL to procure goods and services without payment of taxes and duties as referred above.

Since, the procurement of goods and services during the project period were done by availing the exemption from payment of aforesaid taxes and duties, the amount capitalised for the said power plant as on the put to use date, is cost of property, plant and equipment (PPE) net off tax and duty benefit availed. In compliance with Ind AS 20 – "Government Grant", the Company has opted to gross up the value of its PPE by the amount of tax and duty benefit availed by APMuL after considering the same as government grant. The amount of said government grant (net off accumulated depreciation) as on the transition date has been added to the value of PPE with corresponding credit made to the deferred government grant. The amount of grant is amortised over useful life of PPE along with depreciation on PPE. The amount of deferred liability is amortised over the useful life of the PPE with credit to statement of profit and loss classified under the head "Other Income".

The Group has Government grant balance (net) of ₹ 5,095.47 Crores till 31st March, 2021.

- iii) In case of Adani Power (Jharkhand) Limited ("APJL") and Pench Thermal Energy (MP) Limited, Depreciation of ₹ 3.04 Crores and ₹ 0.76 Crores (Previous year ₹ 1.73 Crores and ₹ Nil) respectively relating to project assets have been allocated to Capital Work in Progress.
- iv) During the year ended 31st March, 2021, borrowing cost of ₹ 291.56 Crores (Previous year: ₹ 55.14 Crores) relating to qualifying assets have been added to Capital Work in Progress.
- v) Cost of Property Plant and Equipment includes carrying value recognised as deemed cost as of 1st April, 2015, measured as per previous GAAP and cost of subsequent additions.
- vi) During the year, the Company has reclassified PPE of ₹ 700.23 Crores between various heads, and depreciation has been recomputed accordingly.

vii) Right of use assets

Balance as at 31st March, 2021	43.14	0.56	2.98	46.68

viii) The Company has lease contracts for land used in its operations with lease terms of 30 years. The Company is restricted from assigning and subleasing the leased assets.

ix) APML has obtained Land under lease from various authorities for a lease period of 94 to 99 years. APML has a right to sell the land at the end of the term after taking necessary approvals from the regulatory authorities. APRL has obtained Land under lease from various authorities for long term lease period. APRL has a right to sell the land at the end of the term after taking necessary approvals from the regulatory authorities.

x) In November, 2007, UPCL has obtained Land under lease from Karnataka Industrial Areas Development Board (Lessor). The amount of said land as at 31st March, 2021 is ₹ 76.64 Crores (Previous year ₹ 76.64 Crores) which remained leasehold for 11 years from the date of agreement. UPCL has got the validity period of Lease Agreement extended from Lessor till 11th September, 2022. However, UPCL is in the process to exercise its option to get the lease deed converted to sale deed by fulfilling the terms and conditions of allotment and payment of additional price, if any, which is yet to be fixed by Lessor. Since entire amount is to be adjusted as consideration on transfer, UPCL has not provided amortization on said land. Further, UPCL does not have any financial obligations under the lease arrangement.

During the F.Y. 2017-18, UPCL has obtained 121.22 acre of land under lease from Karnataka Industrial Areas Development Board (Lessor) amounting to ₹ 46.23 Crores which will remain leasehold for 99 years from the date of agreement. UPCL has provided amortization on said land on a straight line basis considering 99 years period.

	As at 31 st March, 2021	As at 31 st March, 2020
Secured, considered good	-	-
Unsecured, considered good* (Refer note 59, (iv) and (v) below)	11,437.92	8,366.47
Trade Receivables which have significant increase in credit risk	-	-
Trade Receivables - Credit impaired	-	-
	11,437.92	8,366.47

* net of payable as per Power Purchase Agreements ("PPAs") in respect of UPCL

Notes:

i) For charges created on Trade Receivables, (Refer note 20 and 25).

ii) Credit concentration

As at 31st March, 2021, out of the total trade receivables 97.86% (Previous year - 92.87%) pertains to dues from State Distribution Companies under Long Term Power Purchase Agreements ("PPAs") and short term PPA including receivables on account of relief under Force Majeure / Change in Law events, carrying cost etc. and remaining from related parties and others.

iii) Expected Credit Loss (ECL)

The Group is having majority of receivables against power supply from State Electricity Distribution Companies ("Discoms") which are Government undertakings.

The Group is regularly receiving its normal power sale dues from its customers including Discoms and in case of any disagreement / amount under dispute, the same is recognised on conservative basis as per the binding regulatory orders. In case of delayed payments, the Group is entitled to receive interest as per the terms of PPAs. Hence they are secured from credit losses in the future.

iv) Trade receivable includes certain balances which are under reconciliation / settlement with Discom for payment / closure. (Also refer note 49 and 50)

v) Trade receivables includes Customers' bills discounted of ₹ 1,663.50 Crores (Previous year - ₹ Nil)

vi) The fair value of Trade receivables is not materially different from the carrying value presented.

19 Other Equity (Contd.)

Notes :

- i) (a) Capital Reserve includes ₹ 359.80 Crores created due to amalgamation of Growmore Trade and Investment Private Limited with the Company in the financial year 2012-13 as per Sections 391 to 394 of the Companies Act, 1956. As per the order of the Hon'ble High Court of Gujarat, the capital reserve created on amalgamation shall be treated as free reserve of the Company.
(b) Capital reserve of ₹ 1,029.60 Crores is created on acquisition of subsidiaries during the previous year (Refer note 42).
- ii) Securities premium represents the premium received on issue of shares over and above the face value of equity shares. The reserve is available for utilisation in accordance with the provisions of the Companies Act, 2013.
- iii) General reserve of ₹ 9.04 Crores was created in the FY 2015-16 due to merger of solar power undertaking acquired from Adani Enterprises Limited. As per the scheme of arrangement approved by order of the Hon'ble High Court of Gujarat, the difference between the value of assets acquired and the value of liabilities of the solar power undertaking transferred by Adani Enterprises Limited, has been treated as General Reserve of the Company.
- iv) Equity instruments through Other Comprehensive Income: The Company has elected to recognise changes in the fair value of certain investments in equity instruments in other comprehensive income. These changes in equity instruments are accumulated through Other Comprehensive Income within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.
- v) Retained earnings represents the amount that can be distributed as dividends considering the requirements of the Companies Act, 2013.
- vi) The cash flow hedge reserve represents the cumulative gains or losses arising on changes in fair value of designated effective portion of hedging instruments entered for cash flow hedges. The same will be reclassified to profit or loss only when the hedged transaction affects the profit or loss.

Other Operating Revenue		
Sale of Fly Ash and Others	70.45	55.06
Total revenue from contracts with customers	26,221.48	26,467.72

Notes:

(i) In respect of APML,

- (a) Maharashtra Electricity Regulatory Commission ("MERC") vide its order dated 6th September, 2019 had allowed APML relief on account of non-availability of coal due to cancellation of Lohara coal block for APML's 800 MW of power generation capacity and granted tariff compensation under change in law along with carrying cost thereon. The relief to APML was upheld by the Appellate Tribunal for Electricity ("APTEL") vide its order dated 5th October, 2020 although the Maharashtra State Electricity Distribution Company Limited ('MSEDCL') has filed an appeal in Hon'ble Supreme court of India ("Supreme Court") against certain matters in the APTEL order which is currently pending adjudication. Based on the APTEL order, APML has estimated the tariff compensation claim amount on conservative basis considering the various claim parameters as per the order and recognised revenue of ₹ 3,561.32 Crores and carrying cost thereon of ₹ 1,106.48 Crores during the year ended 31st March, 2021 (includes revenue of ₹ 3,172.80 Crores and Carrying cost of ₹ 1,106.48 Crores pertaining to earlier years).
- (b) In a matter relating to APML tariff compensation claim (including carrying costs thereon) for additional costs incurred by APML for 2500 MW power generation capacity due to shortfall in availability of domestic coal under New Coal Distribution Policy ("NCDP") and Scheme of Harnessing and Allocating Koyala (Coal) Transparently in India ("SHAKTI") policy of the government, APML had earlier received favorable order from MERC, based on which tariff compensation claim of ₹ 5,467.30 Crores (including carrying cost of ₹ 836.59 Crores) was recognised till 31st March, 2020. In the current year, APTEL vide its orders dated 14th September, 2020 and 28th September, 2020 provided further clarity on the various claim parameters to be considered and remanded the matter to MERC for giving consequential order in the matter. MERC vide its order dated 10th December, 2020, has issued consequential order for determination of tariff compensation in the matter, although MSEDCL have filed a petition with Hon'ble Supreme Court against the aforesaid orders of APTEL. On prudent accounting principles, APML has revised the recognition of tariff compensation downwards by ₹ 13.25 Crores and carrying cost by ₹ 176.75 Crores during the year ended 31st March, 2021 (includes revenue reversal of ₹ 235.56 Crores and Carrying cost of ₹ 176.75 Crores pertaining to earlier years).

(ii) In respect of APRL,

- (a) The Hon'ble Supreme Court vide its order dated 31st August, 2020 has upheld the allowance of tariff compensation, including carrying cost thereon, for the additional costs incurred by APRL due to shortfall in availability of domestic linkage coal under NCDP and SHAKTI policy of the government, in a matter relating to the appeal filed by the Rajasthan Discoms against the APTEL Order dated 14th September, 2019.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

31 Revenue from Operations (Contd.)

Pursuant to earlier favorable orders of RERC, APRL has recognised compensation of ₹ 3,564.10 Crores (including carrying cost of ₹ 746.08 Crores) during the financial years 2014-15 to 2019-20 based on prudent parameters, against which the Rajasthan discoms have paid ₹ 2,426.81 Crores, pursuant to Hon'ble Supreme Court Directive dated 29th October, 2018 for payment of 50% of the total amount claimed by APRL.

The Hon'ble Supreme Court in its order dated 31st August, 2020, has upheld the APTEL's order wherein directions were issued to Rajasthan Discoms to determine tariff compensation after verifying the claim documents submitted by APRL and make additional payments in terms of the judgement and order. The review petition filed by Rajasthan Discoms in the matter with the Hon'ble Supreme Court was rejected on 2nd March, 2021. Considering that, Rajasthan Discoms are yet to verify the claim documents submitted by APRL for the quantification of the final amount of tariff compensation, APRL has not recognised any additional tariff compensation revenue, pending ascertainment of tariff compensation amount by Rajasthan Discoms, post verification of the claim and supporting documents submitted by APRL. As at reporting date, APRL has filed contempt petition with the Hon'ble Supreme Court against Rajasthan Discoms for non-compliance with the Hon'ble Supreme Court order dated 31st August, 2020.

- (b) During previous year, Appellate Tribunal for Electricity ("APTEL") vide its order dated 14th September, 2019, has granted APRL further relief towards change in law event including carrying cost thereof, as provided under clause 10 of the Power Purchase Agreements ("PPAs"), for the additional cost incurred on procurement of alternate coal under the Scheme for Harnessing and Allocating Koyala (Coal) Transparently in India (Shakti) due to shortfall in availability of domestic coal and upheld the compensation under National Coal Distribution Policy ("NCDP") including for the period from February 2018 to March 2020. Accordingly, APRL had recognised revenue towards such cost compensation of ₹ 124.80 Crores and carrying cost claim of ₹ 737.99 Crores (under Other Income) during the previous year on the best management estimate basis.

iii) In respect of UPCL,

- (a) During the previous year, CERC vide its order dated 27th June, 2019 has revised the tariff applicable for Multi Year Tariff ("MYT") period 2009-14, as per directions in the APTEL's Judgment dated 6th February, 2019. UPCL had recognised revenue of ₹ 394.80 Crores. APTEL Judgment dated 6th February, 2019 has been challenged by the Power Company of Karnataka Limited/Discoms in Supreme Court as at reporting date.
- (b) During the previous year, UPCL had recognised revenue of ₹ 17.82 Crores on account of tariff adjustment for the regulation period 2014-19 based on CERC order dated 22nd January, 2020.
- (c) UPCL raises invoices on its customers based on the most recent tariff approved by the CERC, as modified by the orders of APTEL/CERC to the extent applicable, having regard to mechanism provided in applicable tariff regulations and the bilateral arrangements with the customers.

During the year ended 31st March, 2021, UPCL recorded a reversal of tariff compensation claim of ₹ 97.27 Crores (net) (Previous year - reversal of ₹ 379.12 Crores) for the multi-year tariff for tariff cycles 2009-14 and 2014 - 2019 based on the account reconciliations and discussions held with the Discoms. In respect of certain claim matters, UPCL has also filed an appeal with APTEL/CERC as at reporting date, relating to earlier years.

- (iv) Revenue from operations for the year ended 31st March, 2021, (other than the amounts disclosed in above notes (i) and (iii)) are net of reversal of ₹ 63.18 Crores (net) pertaining to the financial years upto 31st March, 2020 (Previous year ₹ 240.58 Crores (net) pertaining to earlier years), recognised based on the orders received from various regulatory authorities such as RERC / MERC / CERC, APTEL and reconciliation with discoms during the year relating to various claims towards change in law events, cost escalations and carrying cost thereon.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

31 Revenue from Operations (Contd.)

Contract balances:

The following table provides information about receivables, contract assets and contract liabilities from the contracts with customers.

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Trade Receivables	11,437.92	8,366.47

Note:

The Consolidated financial statement for the year ended 31st March, 2020 includes the results of the wholly owned subsidiaries, Raigarh Energy Generation Limited ("REGL") and Raipur Energen Limited ("REL") which were acquired w.e.f. 20th July, 2019 and 2nd August, 2019 respectively. Accordingly, the consolidated statement of profit and loss for the year ended 31st March, 2021 are not comparable with the comparative period results of last year. (Refer note 42)

41 Non-Controlling Interest (NCI)

Non controlling interest relate to APReL as on 31st March, 2021. NCI holds 49% shares in APReL.

The table below shows summarised financial information of subsidiaries of the Group that have non-controlling interests.

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Non-current assets	0.10	0.09
Current assets	-	0.80
Non-current liabilities	-	-
Current liabilities	0.08	0.87
Net Assets	0.02	0.02
Equity attributable to owners of the group	0.01	0.01
Non-controlling interest	0.01	0.01

Notes:

During the previous year, 49% of equity shares sold to related party, for which fair value is ₹ 0.01 Crores, the same is adjusted in non-controlling interest.

42 Business Combinations

(a) Acquisition of Raigarh Energy Generation Ltd. (REGL)

National Company Law Tribunal ("NCLT") vide its order dated 24th June, 2019, approved the Company's resolution plan in respect of corporate insolvency resolution process of REGL. The Resolution Professional vide its letter dated 20th July, 2019, handed over the affairs / control of REGL to the Company on fulfilment of conditions precedent as per the Resolution Plan and on payment of agreed consideration of ₹ 1.00 Crore towards infusion / purchase of 100% equity. Accordingly, REGL become wholly owned subsidiary of the Company and considered for consolidation w.e.f. 20th July, 2019.

(b) Acquisition of Raipur Energen Limited. (REL)

The Company through Share Purchase Agreements ("SPAs") dated 29th June, 2019 with the owners and lenders of REL acquired 100% equity stake in REL, which owns and operates a 1370 MW thermal power plant in state of Chhattisgarh. The Company acquired control over REL w.e.f. 2nd August, 2019 on fulfilment of conditions precedent as per SPAs (restructuring of GCEL loans to sustainable level) and on payment of agreed consideration

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

42 Business Combinations (Contd.)

of ₹ 16 only towards purchase of equity. Accordingly, REL has become wholly owned subsidiary of the Company and considered for consolidation w.e.f. 2nd August, 2019.

The business acquisition accounting of these transactions had been done in terms of Ind AS 103 "Business Combinations". The acquisitions were accounted for in the books, using the acquisition method and accordingly, all the assets and liabilities were measured at their fair values as on the acquisition date.

The management had determined that various tranches of the acquisition are part of single arrangement and linked. Hence, they should be treated as single acquisition for application of the acquisition method.

This had resulted in capital reserve aggregating to ₹ 1,029.60 Crores in consolidated financial statements of Adani Power Limited.

The fair value of the identifiable assets and liabilities of REGL and REL as at the date of acquisition based on audited accounts of respective entities were:

Particulars	REGL	REL	Total

Opening Balance	43.26	40.22
Add: Interest on account of unwinding of Provision	2.46	3.04
Closing Balance	45.72	43.26

Note:

In case of REL, The mine closure obligation has been estimated based on the mine closure plan prepared by the registered qualified person and duly acknowledged by Ministry of coal, Govt of India.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

- 46** Adani Power (Mundra) Limited ("APMuL") had Coal Mine Development and Production Agreement ("the agreement") with Government of India since 14th March 2015 for development of coal block at Jitpur in the State of Jharkhand. To acquire the land for development of mines, APMuL had deposited ₹ 97.66 Crores with the authorities from time to time (shown under capital advance) and incurred various expenditure (including ₹ 6.09 Crores shown under capital work in progress) in relation to development of coal block and also gave a performance bank guarantee of ₹ 92.90 Crores to the government authorities. During the previous year, District Collector, Godda informed to APMuL that the process to acquire land for development of mine had lapsed and it needed to apply afresh for acquisition of land in terms of Land Acquisition Rehabilitation and Resettlement Act, 2013. APMuL has taken up the matter with the Government of Jharkhand (GOJ) and Nominated Authority (NA), Ministry of Coal (MoC).

Considering the long pendency of the matter, APMuL applied for surrendering the coal block to the Nominated Authority and requested for refund of the amounts deposited, as stated above along with the additional expenditure incurred by it and also release of the performance bank guarantee. APMuL also filed a writ petition in Delhi High Court on 2nd November, 2020, in order to seek protection from BG invocation by Nominated Authority and surrendering of coal block whereby Hon'ble Delhi High Court vide its order on 3rd November, 2020 has directed the Nominated Authority to take decision on APMuL's application within 3 months from the order date. As at reporting date, the Nominated Authority has not concluded the matter as directed by Hon'ble Delhi High Court. In the meantime, APMuL has extended the performance bank guarantee till 31st March, 2022 pursuant to the direction of Nominated Authority.

APMuL's management expects to resolve all matters relating to Jitpur mine with Nominated Authority and the management, basis legal opinion obtained, is reasonably confident to realise the entire amounts deposited/incurred towards the development of the coal mine.

- 47** The National Green Tribunal ("NGT") vide its order dated 14th March, 2019, directed UPCL to make payment of ₹ 5.00 Crores as an interim environmental compensation to Central Pollution Control Board ("CPCB"). UPCL had made payment of the said amount in April 2019 with CPCB. Further, the Committee of Experts constituted by the NGT, submitted its Interim Report on 2nd March, 2021 with revised environmental compensation with no consensus amongst all the committee members.

The matter came up for hearing before NGT on 3rd March, 2021. NGT allowed the respondents to file their objection on the interim report of the committee of experts and directed the State of Karnataka to submit the final report on or before 6th July, 2021.

As at reporting date, the existing plant continues to operate in compliance with all the conditions under Environment Clearance. The management basis opinion of legal expert, does not foresee any further liability in the matter.

- 48 (a)** The Hon'ble Supreme Court of India ("Hon'ble Supreme Court"), vide its order dated 2nd July, 2019, allowed appeal filed by Adani Power (Mundra) Limited ("APMuL"), a wholly owned subsidiary of the Company, for termination of long term Power Purchase Agreement (PPA) ("Bid 2") with Gujarat Urja Vikas Nigam Ltd. ("GUVNL"), for supply of 1000 MW power including Supplementary Power Purchase Agreement ('SPPA') signed on 5th December, 2018 with retrospective effect from respective date of PPAs and allowed APMuL to claim compensatory tariff thereof as may be decided by Central Electricity Regulatory Commission ("CERC"). The Hon'ble Supreme Court in its order, has directed CERC to decide the said matter in the light of the provisions of Section 62 of the Electricity Act, 2003 and CERC (Terms and Conditions of Tariff) Regulation 2009, within three months from the date APMuL approaches CERC. Based on the Hon'ble Supreme Court order, APMuL has filed its petition on 2nd September, 2019. Based on Record of Proceedings, APMuL also submitted additional information on 7th January, 2020 and 5th March, 2020 with CERC for determination of compensatory tariff. The proceedings in the matter, are in progress and the compensation claim is not yet determined and finalised by CERC.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

In the meantime, APMuL and GUVNL both have filed petitions with CERC to settle claims and contractual arrangement in terms of Bid 1 and Bid 2 PPAs pursuant to the Hon'ble Supreme Court Order dated 2nd July, 2019. GUVNL however filed a review petition in the matter which was set aside by the Hon'ble Supreme Court in September 2019 and GUVNL has subsequently also filed curative petition in November, 2019 which is currently pending in the Hon'ble Supreme Court. APMuL has not recognised any compensatory tariff in the books as at reporting date since the matter is pending closure with GUVNL.

After Hon'ble Supreme Court order, GUVNL has discontinued scheduling power w.e.f. 10th July, 2019 under Bid 2 PPA (including subsequent amendments thereof). Post discontinuation of scheduling, APMuL has been selling power from underlying 1320 MW of power generation capacity on merchant sale basis. The management does not foresee any significant / material adverse financial impact on future operating cash flows of APMuL due to termination of Bid 2 PPA considering the expected compensation on account of such termination of the 1000 MW PPA (1234 MW as per amended PPA) and generation and sale of power on merchant basis.

APMuL has also evaluated the factors based on which the future cash flow projections have been prepared for computing the recoverable amount / value in use of its Mundra power generation plants of 4620 MW capacity. The management's long term assessment for recoverable amount of APMuL's power generation assets has also factored better operational parameters such as coal prices, borrowing cost and power tariff, leading to better operational and financial performance of APMuL. The management believes that over foreseeable future, APMuL would be able to establish profitable operations and meet its liabilities as and when they fall due and hence, no provision / adjustment is considered necessary to the carrying value of its property, plant and equipment aggregating to ₹ 18,312.89 Crores as at 31st March, 2021.

- (b) APML, UPCL, APRL, REL and REGL have determined the recoverable amounts of the Power Plants under Ind AS 36, Impairment of Assets on the basis of their Value in Use by estimating the future cash inflows over the estimated useful lives of the Power Plants. Further, the cash flow projections are based on estimates and assumptions relating to tariff, operational performance of the Plants, availability of domestic coal under fuel supply agreement / coal linkage as per the directives of Competent Authority, life extension plans, market prices of coal and other fuels, exchange variation, inflation, terminal value etc. which are considered reasonable by the Management.

On a careful evaluation of the aforesaid factors, the Management of APML, UPCL, APRL, REL and REGL have concluded that the Recoverable Amounts of the Power Plants are higher than their carrying amounts as at 31st March, 2021. However, if these estimates and assumptions change in future, there could be corresponding impact on the recoverable amounts of the Plants.

- 49 APMuL has recognised tariff compensation claim of ₹ 1,483.11 Crores and carrying cost thereon of ₹ 238.30 Crores during the FY 2013-14 to FY 2020-21 due to shortfall in domestic coal against power supplied to Haryana Discoms based on CERC Order dated 31st May, 2018 and 13th June, 2019 pursuant to Hon'ble Supreme Court Order dated 11th April, 2017. The Haryana Discoms' appeal in the matter, with APTEL has been decided in favour of APMuL on 3rd November, 2020. As at reporting date, appeal filed by Haryana Discoms in this matter is pending disposal by Hon'ble Supreme Court. As per the assessment made by APMuL and favourable decision of APTEL including favorable orders in respect of similar other matters, management expects to fully realise the claims recognised in the books.
- 50 Government of Gujarat (GoG), vide its resolution (G.R.) dated 12th June, 2020, has revoked and superseded its earlier G.R. dated 1st December, 2018, basis which APMuL and GUVNL had signed Bid-01 and Bid-02 Supplementary Power Purchase Agreements (SPPAs) in December, 2018 and these SPPAs were also approved by CERC. In this matter, the management supported by legal views firmly believes that G.R. dated 12th June, 2020 as issued by GoG will not have impact on SPPA signed in respect of Bid-01 (Bid-02 since cancelled) given any changes in SPPA/PPA is legally possible through mutual written consent of the counterparties and approval of CERC. The matter is under consideration of CERC. However, APMuL continues to supply power to GUVNL, pending resolution of certain matters under dispute, and the management is reasonably confident of realizing all the receivables from GUVNL.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

51 Due to ongoing impact of COVID-19 globally and in India, the Group has assessed the likely adverse impact on economic environment in general and financial risks on account of COVID-19. The Group is in the business of generation of electricity which is an essential service as emphasised by the Ministry of Power, Government of India. The demand for power is continuously increasing with increase in economic activities in the Country, although demand may get impacted in short term due to lock downs in various parts of the country. On long term basis, the Group does not anticipate any major challenge in operating the Group's power plants at various locations and meeting its financial obligations. Basis above, the management has estimated its future cash flows for the Group which indicates no major impact in the operational and financial performance of the Group. The management will continuously monitor the performance of the Group and take appropriate remedial measures as needed to respond to the Covid related risks, if any.

52 The Group has taken various derivatives to hedge its risks associated with foreign currency fluctuations on items including principal loan amount and interest thereof along with interest rate changes. The outstanding position of derivative instruments is as under:

Nature	Purpose	As at 31 st March, 2021		As at 31 st March, 2020	
		Amount	USD (in Millions)	Amount	USD (in Millions)
Forward covers	Hedging of Trade Credits, Acceptances, Creditors and future coal contracts	4,076.50	557.58	5,219.91	689.88
	Hedging of ECB and interest	559.54	76.53	567.44	74.99
Options	Hedging of ECB and interest	1,722.08	235.55	2,425.02	320.50
Principal only swaps (through cash flow hedge)	Hedging of LC, Acceptances, Creditors	2,524.96	345.36	450.21	59.50
Coupon Only Swaps (through cash flow hedge)	Hedging of LC, Acceptances, Creditors	1,826.73	249.86	179.95	23.78
Interest rate swaps	Hedging of interest rate on ECB	1,145.37	156.66	1,553.40	205.30
		11,855.18		10,395.93	

The details of foreign currency exposures not hedged by derivative instruments are as under:

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Amount	Foreign Currency (in Millions)	Amount	Foreign Currency (in Millions)
1. Import Creditors and Acceptances	1,483.11	USD 202.86	1,675.76	USD 221.48

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

53 Financial Risk Management Objective and Policies:

The Group's risk management activities are subject to the management direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Group. The Management ensures appropriate risk governance framework for the Group through appropriate policies and procedures and the risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

In the ordinary course of business, the Group is exposed to Market risk, Credit risk and Liquidity risk.

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and commodity risk.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the part of Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a mixed portfolio of fixed and variable rate loans and borrowings. To manage this, the Group enters into interest rate swaps, in which it agrees to exchange, at specified intervals, the difference between fixed and variable rate interest amounts calculated by reference to an agreed upon notional principal amount.

The sensitivity analysis have been carried out based on the exposure to interest rates for instruments not hedged against interest rate fluctuation at the end of the reporting period. The said analysis has been carried out on the amount of floating rate long term liabilities outstanding at the end of the reporting period. The year end balances are not necessarily representative of the average debt outstanding during the year. A 50 basis point increase or decrease represents management's assessment of the reasonably possible change in interest rates.

In case of fluctuation in interest rates by 50 basis points on the exposure of Non-current borrowings (having fluctuating rates i.e. exposed to changes in rates) of ₹ 25,882.47 Crores as on 31st March, 2021 and ₹ 27,606.11 Crores as on 31st March, 2020 respectively and if all other variables were held constant, the Group's profit or loss for the year would increase or decrease as follows:

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2021
Impact on Profit or Loss for the year	129.41	138.03

b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities. The Group manages its foreign currency risk by hedging transactions that are expected to realise in future. The Group manages its foreign currency risk by entering into currency swap for converting ₹ loan into other foreign currency for taking advantage of lower cost of borrowing in stable currency environment. The Group also enters into various foreign exchange contracts to mitigate the risk arising out of foreign exchange rate movement on foreign currency borrowings or trade payables.

Every one percentage point depreciation / appreciation in the exchange rate between the Indian rupee and U.S.dollar on the exposure of \$ 234.94 Million as on 31st March, 2021 and \$ 261.48 Million as on 31st March, 2020 would have affected the Group's profit or loss for the year as follows:

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2021
Impact on Profit or Loss for the year (net of amounts capitalised under Property, Plant and Equipment)	17.18	19.28

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

53 Financial Risk Management Objective and Policies: (Contd.)

c) Commodity price risk

The Group is affected by the price volatility of coal which is moderated by optimising the procurement under fuel supply agreement. Its operating / trading activities require the on-going purchase or continuous sale of coal and other commodities. Therefore the Group monitors its purchases closely to optimise the price.

(ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

The Group is having majority of receivables from State Electricity Boards which are Government undertakings and have interest clause on delayed payments and hence they are secured from credit losses in the future.

(iii) Liquidity risk

The Group monitors its risk of shortage of funds using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations. The Group's objective is to provide financial resources to meet its business objectives in a timely, cost effective and reliable manner and to manage its capital structure. A balance between continuity of funding and flexibility is maintained through internal accruals as well as adequately adjusting the working capital cycle.

Maturity profile of financial liabilities:

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

As at 31 st March, 2021	Carrying Amount	Less than 1 year	1 to 5 years	More than 5 years	Total
Borrowings (Refer note 20 and 25)*	52,411.27	15,436.89	33,738.41	22,509.09	71,684.39
Trade Payables	3,803.13	3,803.13	-	-	3,803.13
Derivative Instruments	119.59	62.41	57.18	-	119.59
Lease liabilities	107.41	17.21	54.41	341.92	413.54
Other Financial Liabilities	1,451.93	806.03	645.90	-	1,451.93

As at 31 st March, 2020	Carrying Amount	Less than 1 year	1 to 5 years	More than 5 years	Total
Borrowings (Refer note 20 and 25)*	55,198.76	14,348.84	39,818.64	26,525.97	80,693.45
Trade Payables	5,596.05	5,596.05	-	-	5,596.05
Derivative Instruments	33.06	0.65	32.41	-	33.06
Lease obligations	107.05	23.05	51.70	336.11	410.86
Other Financial Liabilities	1,487.19	1,273.21	213.98	-	1,487.19

* The table has been drawn up based on the undiscounted contractual maturities of the financial liabilities including interest that will be paid on those liabilities upto the maturity of the instruments.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

54 Capital management:

The Group's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Group's overall strategy remains unchanged from previous year.

The Group sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments.

The funding requirements are met through a mixture of equity, perpetual debt, internal fund generation and other long term borrowings. The Group monitors capital and long term debt on the basis of debt to equity ratio.

The debt equity ratio at the end of the reporting period is as follows:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Debt (Refer note (i) below)	42,727.95	47,396.95
Total Capital (Refer note (ii) below)	13,112.59	6,480.44
Debt Equity Ratio (In times)	3.26	7.31

Notes:

- (i) Debt is defined as Non-current borrowings (including current maturities).
- (ii) Capital is defined as Equity share capital, Unsecured perpetual securities and other equity including reserves and surplus.

The Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirement.

55 Fair Value Measurement:

a) The carrying value of financial instruments by categories as of 31st March, 2021 is as follows:

Particulars	Fair Value through other Comprehensive income	Fair Value through profit or loss	Amortised cost	Total
Financial Assets				
Cash and cash equivalents	-	-	113.04	113.04
Bank balances other than cash and cash equivalents	-	-	1,652.47	1,652.47
Investments	788.46	20.09	0.01	808.56
Trade Receivables	-	-	11,437.92	11,437.92
Loans	-	-	8.83	8.83
Derivative Instruments	-	197.04	-	197.04
Other Financial assets	-	-	346.25	346.25
Total	788.46	217.13	13,558.52	14,564.11
Financial Liabilities				
Borrowings	-	-	52,411.27	52,411.27
Trade Payables	-	-	3,803.13	3,803.13
Derivative Instruments	-	119.59	-	119.59
Lease liabilities	-	-	107.41	107.41
Other Financial Liabilities	-	-	1,451.93	1,451.93
Total	-	119.59	57,773.74	57,893.33

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

55 Fair Value Measurement: (Contd.)

b) The carrying value of financial instruments by categories as of 31st March, 2020 is as follows:

Particulars	Fair Value through other Comprehensive income	Fair Value through profit or loss	Amortised cost	Total
Financial Assets				
Cash and cash equivalents	-	-	941.10	941.10
Bank balances other than cash and cash equivalents	-	-	1,267.62	1,267.62
Investments	*	2.79	0.01	2.80
Trade Receivables	-	-	8,366.47	8,366.47
Loans	-	-	3.05	3.05
Derivative Instruments	-	511.62	-	511.62
Other Financial assets	-	-	454.53	454.53
Total	-	514.41	11,032.78	11,547.19
Financial Liabilities				
Borrowings	-	-	55,198.76	55,198.76
Trade Payables	-	-	5,596.05	5,596.05
Derivative Instruments	-	33.06	-	33.06
Lease obligations	-	-	107.05	107.05
Other Financial Liabilities	-	-	1,487.19	1,487.19
Total	-	33.06	62,389.05	62,422.11

(Figures below ₹ 50,000 are denominated with *)

The Carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are reasonable approximation of their fair value, since the Group does not anticipate that the carrying amount would be significantly different from the values that would eventually be received or settled.

Upon the application of Ind AS 109 'Financial Instruments', the Group has chosen to designate Investment in CCPS as at FVTOCI.

56 Level wise disclosure of fair value for financial instruments requiring fair value measurement/ disclosure:

Particulars	As at 31 st March, 2021			
	Level 1	Level 2	Level 3	Total
Assets				
Investment	-	20.09	788.46	808.55
Derivative Instruments	-	197.04	-	197.04
Total	-	217.13	788.46	1,005.59
Liabilities				
Derivative Instruments	-	119.59	-	119.59
Total	-	119.59	-	119.59

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

56 Level wise disclosure of fair value for financial instruments requiring fair value measurement/ disclosure: (Contd.)

Particulars	As at 31 st March, 2020			
	Level 1	Level 2	Level 3	Total
Assets				
Investment	-	2.79	*	2.79
Derivative Instruments	-	511.62	-	511.62
Total	-	514.41	-	514.41
Liabilities				
Derivative Instruments	-	33.06	-	33.06
Total	-	33.06	-	33.06

(Figures below ₹ 50,000 are denominated with *)

The fair value of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations. The models incorporate various inputs including the credit quality of counterparties, foreign exchange spot and forward rates, yield curves of the respective currencies, currency basis spreads between the respective currencies, interest rate curves and forward rates curves of the underlying derivative.

The fair value for Level 3 instruments is valued using inputs based on information about market participants assumptions and other data that are available.

A one percent point change in the unobservable input used in fair value of Level 3 asset do not have significant impact in its value.

There have been no transfers across the levels during the year.

57 (a) Defined Benefit Plan

The Group operates a defined benefit plan (the Gratuity plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

As per Ind AS - 19 "Employee Benefits", the disclosures are given below:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
i. Reconciliation of Opening and Closing Balances of Defined Benefit Obligation		
Liability at the beginning of the year	57.97	48.98
Acquisition liability		
Current Service Cost	7.40	7.63
Interest Cost	3.80	3.86
Liability Transferred in / out	(1.12)	(1.13)
Acquisition adjustment	-	2.93
Benefits paid	(3.62)	(2.79)
Re-measurement (or Actuarial) (gain) / loss arising from:		
change in demographic assumptions	(0.84)	0.23
change in financial assumptions	6.77	(1.68)
experience variance (i.e. Actual experience vs assumptions)	(1.61)	(0.06)
Present Value of Defined Benefits Obligation at the end of the year	68.75	57.97

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

57 (a) Defined Benefit Plan: (Contd.)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
ii. Reconciliation of Opening and Closing Balances of the Fair value of Plan Assets		
Fair Value of Plan assets at the beginning of the year	24.32	20.84
Investment Income	1.63	1.76
Employer's Contributions	-	0.43
Acquisition adjustment	-	2.35
Benefits paid	(1.97)	(0.89)
Return on plan assets, excluding amount recognised in net interest expense	0.01	(0.17)
Actuarial gain / (loss) on plan assets	(1.99)	-
Fair Value of Plan assets at the end of the year	22.00	24.32
iii. Reconciliation of the Present value of defined benefit obligation and Fair value of plan assets		
Present Value of Defined Benefit Obligations at the end of the year	68.75	57.97
Fair Value of Plan assets at the end of the year	22.00	24.32
Net Asset / (Liability) recognised in balance sheet as at the end of the year	(46.75)	(33.65)
iv. Composition of Plan Assets		
Plan assets for the Company, UPCL and REL are administered by Life Insurance Corporation of India, except these three companies all plan assets are unfunded.		
v. Gratuity cost for the year		
Current service cost	7.40	7.63
Interest cost	3.80	3.86
Expected return on plan assets	(1.63)	(1.76)
Net Gratuity cost recognised in the statement of Profit and Loss	9.57	9.73
vi. Other Comprehensive Income		
Actuarial (gains) / losses		
Change in demographic assumptions	(0.84)	0.23
Change in financial assumptions	6.77	(1.68)
Experience variance (i.e. Actual experience vs assumptions)	(1.61)	(0.06)
Return on plan assets, excluding amount recognised in net interest expense	(0.01)	0.17
Re-measurement (or Actuarial) loss arising because of change in effect of asset ceiling	1.99	-
Less: capitalised	(0.17)	0.08
Components of defined benefit costs recognised in other comprehensive income	6.13	(1.26)

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

57 (a) Defined Benefit Plan: (Contd.)

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
vii. Actuarial Assumptions		
Discount Rate (per annum)	6.70%	6.70%
Expected annual Increase in Salary Cost	8.00%	7.00%
Attrition / Withdrawal rate (per annum)	5.44%	4.62%

Mortality Rates as given under Indian Assured Lives Mortality (2012-14) Ultimate Retirement Age 58 Years.

viii. Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis is given below:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Defined Benefit Obligation (Base)	68.75	57.97

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 1%)	75.94	62.57	64.50	52.46
Salary Growth Rate (- / + 1%)	62.58	75.78	46.55	56.99
Attrition Rate (- / + 50%)	70.39	67.44	51.77	51.08
Mortality Rate (- / + 10%)	68.73	68.70	51.39	51.39

ix. Asset Liability Matching Strategies

The Company, UPCL and REL has funded benefit plan and have purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity outgoes happening during the year (subject to sufficiency of funds under the policy). The policy thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Group is exposed to movement in interest rate, which can result in a increase in liability without corresponding increase in the funded asset wherever applicable. Gratuity plan is unfunded in other subsidiaries.

x. Effect of Plan on Entity's Future Cash Flows

a) Funding arrangements and Funding Policy

The Company, UPCL and REL have purchased an insurance policies to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by these Companies. Any deficit in the assets arising as a result of such valuation is funded by these Companies.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

57 (a) Defined Benefit Plan: (Contd.)

b) Expected Contribution during the next annual reporting period

The Company's, UPCL's and REL's best estimate of Contribution during the next year is ₹ Nil, ₹ 6.05 Crores and ₹ 3.93 Crores respectively.

c) Maturity Profile of Defined Benefit Obligation

Weighted average duration (based on discounted cash flows) - 9 years

Expected cash flows over the next (valued on undiscounted basis):	Amount
1 year	8.50
2 to 5 years	20.28
6 to 10 years	25.01
More than 10 years	97.24

- xi. The Group has defined benefit plans for Gratuity to eligible employees. The contributions for which are made to Life Insurance Corporation of India who invests the funds as per Insurance Regulatory Development Authority guidelines.

The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2020-21.

(b) Defined Contribution Plan

Contribution to Defined Contribution Plans, recognised in Statement of Profit and Loss, for the year is as under:

Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Employer's Contribution to Provident Fund	19.16	20.11
Employer's Contribution to Superannuation Fund	0.17	0.30
Total	19.33	20.41

- 58 The Group has reported profit of ₹ 1,269.98 Crores and losses of ₹ 2,274.77 Crores for the year ended 31st March, 2021 and 31st March, 2020, respectively. The Group has continued to operate 12,450 MW Thermal Power Undertaking although its operational performance has got impacted due to fluctuations in international and domestic coal prices and pending matters relating to billable compensatory tariff / change in law claims on discoms for various additional cost components incurred during the earlier years. Further, as at 31st March, 2021, its current liabilities exceed current assets by ₹ 1,878.52 Crores, which includes net payable ₹ 2,236.66 Crores for related parties.

Notwithstanding the above, the financial statements of the Group have been prepared on a going concern basis as the management believes, in view of various favourable order from regulatory authorities that over the foreseeable future, the Group would be able to establish profitable operations and will meet its financial obligations in next twelve months based on continued support expected from various stakeholders including unconditional financial support from promoter group companies and availability of financing from lenders as may be required to sustain its operations on a going concern basis.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

Total Capital Expenditure	3,617.61	2,226.56

62 During the year ended 31st March, 2021, the Company received deemed contribution from promoter group as detailed hereunder:

- (a) During the financial year 2019-20, Adani Properties Private Limited ("APPL"), a promoter group entity, through a special purpose vehicle entity ("SPV"), had acquired economic and financial interest in another company owning certain land ("underlying assets"), which were under title disputes / litigation and also subject to significant third party claims, under Insolvency and Bankruptcy Code process. Subsequent to the acquisition, APPL infused further funds into the SPV to resolve the disputed claims on land encumbrances etc. The total investment by APPL and other parties aggregated to ₹ 400.00 Crores via subscription towards CCPS.

On 18th January, 2021, APPL and other parties sold the entire tranche of CCPS to the Company with economic interest in the underlying assets, at actual cost incurred by them. The Company later undertook a detailed exercise to assess the fair value of the CCPS based on value of the underlying assets and possible end use thereof. The difference between cost and fair value of ₹ 994.47 Crores, has been accounted as deemed equity contribution from the promoter group, recorded under Other Equity.

Subsequently, on 30th March, 2021, the company sold the aforesaid CCPS to a promoter group company for agreed consideration of ₹ 1,415.23 Crores, the proceeds whereof have been realised fully before 31st March, 2021.

Notes to the Consolidated Financial Statements

for the year ended 31st March, 2021

All amounts are in ₹ Crores, unless otherwise stated

The net gains on such sale of CCPS computed on arm's length basis amounting to ₹ 3.76 Crores has been accounted as fair value gains under other comprehensive income.

- (b) During the quarter ended 31st March, 2021, the Company subscribed to 1,00,00,000 Nos. CCPS of Shankheshwar Buildwell Private Limited (SBPL), a wholly owned subsidiary of APPL, at book value of ₹ 10 each aggregating to ₹ 10.00 Crores, to acquire interest in certain underlying land assets.

The Company has recognised deemed equity contribution from the promotor group of ₹ 778.46 Crores, being the difference between the purchase consideration of CCPS and fair value of the Company's economic and financial interest in SBPL (underlying land assets held by SBPL) which has been recorded in Other Equity.

On 30th March 2021, the company has entered into agreement with a promoter group company for sale of the CCPS, at mutually agreed value of ₹ 815.40 Crores. As per the terms of the agreement, the company has received advance of ₹ 733.86 Crores, and the said CCPS has been classified as assets held for sale as at 31st March, 2021, pending fulfilment of the conditions precedent by the Company.

- 63** The Company vide its letter dated 29th May, 2020 has intimated BSE Limited and National Stock Exchange of India Limited (the "Stock Exchanges") that it has received delisting proposal letter from APPL, a member of the Promoter and the Promoter group company, wherein APPL has expressed its intention, either by itself or together with other members of the Promoter group, to acquire all the equity shares of the Company held by the public shareholders of the Company, in terms of the applicable provisions of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, as amended (the "SEBI Delisting Regulations") and consequently, voluntarily delist the equity shares of the Company from the Stock Exchanges, in accordance with the SEBI Delisting Regulations.

Subsequently, the board of directors and shareholders of the Company have approved the Delisting proposal on 22nd June, 2020 and 23rd July, 2020, respectively. As at the reporting date, for voluntary delisting of Company's equity shares, the Company is in process of taking necessary actions in terms of and in compliance with the applicable SEBI Regulations and other applicable laws. Towards this, the Company has already made an application to the Stock Exchanges for their in-principle approval.

- 64** The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

- 65** According to the management's evaluation of events subsequent to the balance sheet date, there were no significant adjusting events that occurred other than those disclosed / given effect to, in these financial statements as of 6th May, 2021.

Notice

NOTICE is hereby given that the 25th Annual General Meeting of the Members of Adani Power Limited will be held on Tuesday, 13th July, 2021 at 12:00 Noon through Video Conferencing / Other Audio Visual Means to transact the following businesses:

Ordinary Business

1. To receive, consider and adopt the audited financial statements (including audited consolidated financial statements) for the Financial Year ended 31st March 2021 and the Reports of the Board of Directors and Auditors thereon.
2. To appoint a Director in place of Mr. Rajesh S. Adani (DIN: 00006322), who retires by rotation and being eligible, offers himself for re-appointment.

Special Business

3. To consider and if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT Mr. Anil Sardana (DIN: 00006867), who was appointed by the Board of Directors as an Additional Director of the Company w.e.f 11th July, 2020 pursuant to the provisions of Section 161 of the Companies Act, 2013 and Articles of Association of the Company and whose term of office expires at this Annual General Meeting and in respect of whom the Company has received a notice in writing under Section 160 of the Companies Act, 2013 from a member proposing his candidature for the office of Director, be and is hereby appointed as a Director of the Company liable to retire by rotation."

4. To consider and if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT in accordance with the provisions of Sections 196, 197, 203 and other applicable provisions, if any of the Companies Act, 2013 ("the Act") read with Schedule V to the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications or re-enactment thereof for the time being in force) and subject to the requisite approvals, if any required, approval of the Company be and is hereby accorded to the appointment of Mr. Anil Sardana (DIN: 00006867) as the Managing Director of the Company, for a period of 3 (three) years with effect from 11th July, 2020 without any

remuneration, with liberty to the Board of Directors of the Company (hereinafter referred to as "the Board" which term shall be deemed to include the Nomination and Remuneration Committee of the Board) to alter and vary the terms & conditions of the said Appointment in such manner as may be agreed to between the Board of Directors and Mr. Anil Sardana."

"RESOLVED FURTHER THAT in the event of any statutory amendment or modification by the Central Government to Schedule V of the Companies Act, 2013, the Board be and is hereby authorised to vary and alter the terms of appointment of Mr. Anil Sardana in such manner as agreed by and between the Board and Mr. Anil Sardana without any further reference to the Company in General Meeting."

"RESOLVED FURTHER THAT the Board of Directors or its Committee thereof be and is hereby authorised to take all such steps as may be deemed necessary, proper or expedient to give effect to this resolution."

5. To consider and if thought fit, to pass, with or without modification(s), the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 148 and all other applicable provisions of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Cost Auditors appointed by the Board of Directors of the Company, to conduct the audit of the cost records of Solar Power Plant of the Company for the financial year ending 31st March 2022, be paid the remuneration as set out in the Explanatory Statement annexed to the Notice convening this Meeting."

"RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this Resolution."

6. To consider and if thought fit, to pass, with or without modification(s), the following resolution as a **Special Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 4, 13 and all other applicable provisions, if any, of the Companies Act, 2013 read with Rules framed thereunder (including any statutory

modification(s) or re-enactment thereof, for the time being in force), the Memorandum of Association of the Company, subject to the necessary registration, approvals, consents, permissions and sanctions required, if any, by the jurisdictional Registrar of Companies, and / or any other appropriate authority and subject to such terms, conditions, amendments or modifications, as may be required or suggested by any such appropriate authorities, the consent of the members of the Company be and is hereby accorded for alteration of the Object Clause III (B) titled as "OBJECTS INCIDENTAL OR ANCILLARY TO THE ATTAINMENT OF MAIN OBJECTS" by inserting the following new sub-clause No. 44 after existing sub-clause No. 43 of Clause III (B), therein:

"44. To give any guarantee(s) and/or indemnity(ies) or provide any security(ies) in connection with performance of any contract(s) and/or obligations and/or loan(s) made or money advanced or the liabilities incurred by any person(s) or company(ies) to any other person(s) or company(ies), and otherwise to assist any person(s) or company."

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to undertake all such acts, deeds, matters and things as they may in their absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in this regard and to sign and execute all necessary documents, applications, returns and writings as may be necessary, proper, desirable or expedient, in the best interest of the Company, to accede to such modifications and alterations to the aforesaid resolution."

NOTES:

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed, the Government of India, Ministry of Corporate Affairs allowed conducting Annual General Meeting through Video Conferencing (VC) or Other Audio Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs issued General Circular No. 02/2021 dated 13th January, 2021 in continuation to its earlier General Circulars, i.e. Circular No. 14/2020 dated 08th April, 2020, Circular No. 17/2020 dated 13th April, 2020 and Circular No. 20/2020 dated 05th May, 2020, prescribing the procedures and manner of conducting the Annual General Meeting through VC/ OAVM. In terms of the said circulars, the 25th Annual General Meeting (AGM) of the members will be held through VC/OAVM. Hence, members can attend and participate in the AGM through VC/ OAVM only. The detailed procedure for participation in the meeting through VC/OAVM is as per note no. 18 and available at the Company's website www.adanipower.com.
2. The helpline number regarding any query / assistance for participation in the AGM through VC / OAVM is 1800225533.
3. Information regarding appointment/re-appointment of Directors and Explanatory Statement in respect of special businesses to be transacted pursuant to Section 102 of the Companies Act, 2013 and / or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed hereto.
4. Pursuant to the Circular No. 14/2020 dated 08th April, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate thereat and cast their votes through e-voting.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. In line with the aforesaid Ministry of Corporate Affairs (MCA) Circulars and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021 as issued in continuation to

its earlier Circular dated 12th May, 2020, the Notice of AGM alongwith Annual Report FY FY 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Member may note that Notice and Annual Report FY 2020-21 has been uploaded on the website of the Company at www.adanipower.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also available on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com.

7. The Register of members and share transfer books of the Company will remain closed from Tuesday, 6th July, 2021 to Tuesday, 13th July, 2021 (both days inclusive) for the purpose of Annual General Meeting.
8. Members seeking any information with regard to accounts are requested to write to the Company atleast 10 days before the meeting so as to enable the management to keep the information ready.
9. Members holding the shares in physical mode are requested to notify immediately the change of their address and bank particulars to the R & T Agent of the Company. In case shares held in dematerialised form, the information regarding change of address and bank particulars should be given to their respective Depository Participant.
10. In terms of Section 72 of the Companies Act, 2013, nomination facility is available to individual Members holding shares in the physical mode. The Members who are desirous of availing this facility, may kindly write to Company's R & T Agent for nomination form by quoting their folio number.
11. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode.
12. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available for 1,000 members

on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

13. PROCESS AND MANNER FOR MEMBERS OPTING FOR VOTING THROUGH ELECTRONIC MEANS:

- i. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circular issued by the Ministry of Corporate Affairs dated 13th January, 2021, in continuation and read with its Circulars dated 08th April, 2020, 13th April, 2020 and 05th May, 2020, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorised e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as e-voting during the AGM will be provided by CDSL.
- ii. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Tuesday, 6th July, 2021, shall be entitled to avail the facility of remote e-voting as well e-voting during the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
- iii. A person who has acquired the shares and has become a member of the Company after the despatch of the Notice of the AGM and prior to the Cut-off date i.e. Tuesday, 6th July, 2021, shall be entitled to exercise his / her vote either electronically i.e. remote e-voting or e-voting during the AGM by following the procedure mentioned in this part.
- iv. The remote e-voting will commence on Friday, 9th July, 2021 at 9.00 a.m. and will end on Monday, 12th July, 2021 at 5.00 p.m. During this

period, the members of the Company holding shares either in physical mode or in demat mode as on the Cut-off date i.e. Tuesday, 6th July, 2021 may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the remote e-voting module shall be disabled for voting by CDSL thereafter.

- v. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
- vi. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date i.e. Tuesday, 6th July, 2021.
- vii. The Company has appointed CS Chirag Shah, Practising Company Secretary (Membership No. FCS: 5545; CP No: 3498), to act as the Scrutiniser for conducting the remote e-voting process as well as the e-voting during the AGM, in a fair and transparent manner.

14. PROCESS FOR THOSE MEMBERS WHOSE EMAIL IDS ARE NOT REGISTERED:

- a) For members holding shares in Physical form- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy), AADHAR (self-attested scanned copy) by email to deepak.pandya@adani.com.
- b) For members holding shares in Demat form- Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.

15. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE VOTING ARE AS UNDER:

- (i) The voting period begins on Friday, 9th July, 2021 at 9:00 a.m. and will ends on Monday, 12th July, 2021 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date i.e. Tuesday, 6th July, 2021, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote during the Meeting.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09th December, 2020 in respect of e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account(s) maintained with Depositories and Depository Participants. Shareholders are advised to update the details of their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	1) Users of who have opted for CDSL's Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The URLs for users to login to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on Login icon and select New System Myeasi. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers i.e. CDSL/NSDL/KARVY/LINKINTIME, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi / Easiest, option to register is available at https://web.cdslindia.com/myeasi./Registration/EasiRegistration 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a link in www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be provided links for the respective ESP where the e-Voting is in progress during or before the AGM.
Individual Shareholders holding securities in demat mode with NSDL	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting

Type of shareholders	Login Method
Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider's website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use "Forget User ID" and "Forget Password" option available at above mentioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

- (v) Login method for e-Voting and joining virtual meeting for shareholders other than individual shareholders holding securities in demat form:
- (1) The shareholders should log on to the e-voting website www.evotingindia.com.
 - (2) Click on Shareholders.
 - (3) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
 - (4) Next enter the Image Verification as displayed and Click on Login.
 - (5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.
 - (6) If you are a first time user follow the steps given below:

	For Shareholders other than individual shareholders holding shares in Demat Form
PAN	Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number indicated in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

(vi) After entering these details appropriately, click on "SUBMIT" tab.

(vii) Members holding shares in physical mode will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(viii) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(ix) Click on the EVSN of the Company – ADANI POWER LIMITED on which you choose to vote.

(x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xiv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.

(xv) If a demat account holder has forgotten the login password, then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xvi) Shareholders can also cast their vote using CDSL's mobile app m-Voting. The m-Voting app can be downloaded from Google Play Store. Apple and Windows phone users can download the app from the App Store and the Windows Phone Store respectively. Please follow the instructions as

prompted by the mobile app while voting on your mobile.

(xvii) Note for Non – Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutiniser to verify the same.
- Alternatively, Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorised signatory who are authorised to vote, to the Scrutiniser and to the Company, if voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutiniser to verify the same.

In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com or call 022-23058542/43.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call 022-23058542/43.

16. INSTRUCTIONS FOR MEMBERS ATTENDING THE ANNUAL GENERAL MEETING THROUGH VC / OAVM AND e-VOTING DURING THE MEETING ARE AS UNDER: -

1. The procedure for attending meeting and e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
 2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for Remote e-voting.
 3. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting during the AGM.
 4. If any Votes are cast by the members through the e-voting available during the AGM and if the same members have not participated in the meeting through VC/OAVM facility, then the votes cast by such members shall be considered invalid as the facility of e-voting during the meeting is available only to the members participating in the meeting.
 5. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote during the AGM.
17. The results declared along with the Scrutiniser's Report shall be placed on the Company's website www.adanipower.com and on the website of CDSL i.e. www.cdslindia.com within three days of the passing of the Resolutions at the 25th Annual General Meeting of the Company and shall also be communicated to the Stock Exchanges where the shares of the Company are listed.

18. INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

1. The procedure for attending meeting and e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
2. Members are encouraged to join the Meeting through Laptops/lpads for better experience.

3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. For ease of conduct, members who would like to ask questions may send their questions in advance atleast (7) days before AGM mentioning their name, demat account number / folio number, email id, mobile number at deepak.pandya@adani.com and register themselves as a speaker. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM.
6. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.

Annexure To Notice

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND / OR REGULATION 36(3) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

For Item No. 3 & 4:

Based on the recommendation of Nomination and Remuneration Committee, the Board of Directors of the Company (the "Board") had appointed Mr. Anil Sardana first as an Additional Director and then as a Managing Director with effect from 11th July, 2020. According to the provisions of Section 161 of the Companies Act, 2013 ("Act"), he holds office as a Director only up to the date of the ensuing Annual General Meeting to be held on 13th July, 2021. Also, in terms of the provisions of Section 196(4) of the Companies Act, 2013, appointment of Mr. Anil Sardana as a Managing Director of the Company as approved by the Board of Directors in its meeting held on 10th July, 2020 shall be subject to approval by a resolution at the next general meeting of the company.

As required under Section 160 of the Act, a notice has been received from a member signifying its intention to propose the appointment of Mr. Anil Sardana as a Director.

Mr. Anil Sardana, having more than 40 years of experience in the infrastructure space, particularly in the Energy and Telecom sectors having managed complex transitions, developments & operations as well as Engineering, Procurement and Construction assignments and also having very wide experience in power generation business holding key position in a leading power generation company in the past, has given his consent to be appointed as a Managing Director of the Company.

Mr. Anil Sardana shall be liable to retire by rotation and shall not be paid any remuneration as a Managing Director of the Company nor any sitting fees for attending the meetings of the Board of Directors or Committee thereof.

The Board of Directors recommends the passing of the resolutions, as set out at item no. 3 & 4 of the accompanying Notice, as an ordinary resolution, by the members of the Company.

Except Mr. Anil Sardana, being an appointee, none of the Directors, Key Managerial Personnel of the Company and their relatives is, in anyway, concerned or interested in the proposed resolution as set out at item no. 3 & 4 of the accompanying Notice.

This along with the relevant resolution(s), may be treated as an Abstract pursuant to Section 190 of the Companies Act, 2013.

For Item No. 5:

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. Kiran J. Mehta & Co. Cost Accountants (Firm Reg. No. 000025) as the cost auditors of the Company to conduct the audit of the cost records of the Solar Power Plant of the Company for the financial year 2021-22, at a fee of ₹ 65,000/- plus applicable Taxes and reimbursement of out of pocket expenses, as remuneration for cost audit services for the 2021-22.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending on 31st March 2022.

The Board of Directors recommends the above resolution for your approval.

None of the Directors or any key managerial personnel or any relative of any of the Directors of the Company or the relatives of any key managerial personnel is, in anyway, concerned or interested in the above resolution.

For Item No. 6:

The Company, so as to pursue its main business objects of power generation and other businesses as specified in its main object clause of its Memorandum of Association, requires to raise the funds either from banks or by way of issuance of various debt securities from time to time. The Company, in such cases, sometimes required to give any guarantee(s) and/or indemnity(ies) or to provide any security(ies) in connection with the performance of any contract(s) entered into with the lender(s) or debt security holder(s).

Though, in terms of the applicable provisions of the Companies Act, 2013, the Company is empowered to do on all these ancillary activities but as a matter of abundant caution and to have a better clarity, it is advisable and hence proposed to insert a suitable clause in the Memorandum of Association of the Company, which clearly provides for carrying out all these activities.

In view of this, the Company is required to amend / alter the Object Clause III (B), which is titled as "OBJECTS INCIDENTAL OR ANCILLARY TO THE ATTAINMENT OF MAIN OBJECTS", by inserting the following new sub-clause No. 44 after existing sub-clause No. 43 of Clause III (B), therein, as proposed in the resolution.

The alteration of Memorandum of Association of the Company needs approval of shareholders of the Company by way of a Special Resolution.

Special Resolution submitted with the Notice, expressly empowers the Company to carry on the activities, as mentioned in the new clause. The Board of Directors recommends the above resolution for your approval.

A copy of Memorandum of Association of the Company with the proposed alterations is available for inspection at the Registered Office of the Company on any working day during business hours.

None of the Directors or any key managerial personnel or any relative of any of the Directors of the Company or the relatives of any key managerial personnel is, in anyway, concerned or interested in the above resolution.

In respect of electronic holding with the Depository through concerned Depository Participants.

ANNEXURE I

Statement on Impact of Audit Qualifications (for audit report with modified opinion) submitted along-with Annual Audited Financial Results - (Standalone)

Statement on Impact of Audit Qualifications for the Financial Year ended March 31, 2021 [See Regulation 33 / 52 of the SEBI (LODR) (Amendment) Regulations, 2016]				
I.	Sl. No.	Particulars	Audited Figures (as reported before adjusting for qualifications) (' in crores)	Adjusted Figures (audited figures after adjusting for qualifications)
	1.	Turnover / Total income	581.54	Not determinable
	2.	Total Expenditure	1,084.55	
	3.	Net Profit/(Loss) (Before exceptional items and Tax)	(503.01)	
	4.	Exceptional items	-	
	5.	(Loss) before tax	(503.01)	
	6.	Earnings Per Share	(3.75)	
	7.	Total Assets	24,408.43	
	8.	Total Liabilities	7,323.08	
	9.	Net Worth	17,085.35	
	10.	Any other financial item(s) (as felt appropriate by the management)	-	
II.	Audit Qualification (each audit qualification separately):			
	a. Details of Audit Qualification: We draw attention to Note 4 to the standalone financial results regarding Adani Power (Mundra) Limited ("APMuL"), a wholly owned subsidiary, having Mundra Thermal Power Undertaking, which has been incurring significant operational losses since earlier years, whereby net worth of APMuL has been completely eroded. For the reasons stated by the management in the Note, the performance and the financial position of APMuL over the foreseeable future is dependent on the outcome of resolution of various matters with the discoms / regulators, improvement in its future operational performance and financial support from Adani Power Limited (the "Company"). We have not been able to corroborate the Management's contention of realising the carrying value of its investments and loans and advances (including interest accrued) related to APMuL aggregating to ₹ 5,675.13 crores. Accordingly, we are unable to comment on the appropriateness of the carrying value of such investments and loans and advances and their consequential impact on the financial results and financial position of the Company as at and for the quarter and year ended March 31, 2021.			
	b. Type of Audit Qualification: Qualified Opinion			
	c. Frequency of qualification: The above matter is qualified since FY 2018-19			
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: Not applicable			
	e. For Audit Qualification(s) where the impact is not quantified by the auditor:			
	(i) Management's estimation on the impact of audit qualification: Not Applicable			
	(ii) If management is unable to estimate the impact, reasons for the same: Considering the amount of Bid 2 claims is sub-judice, the same is not determinable as also given in Note no. 4 of the standalone financial results which is self-explanatory.			
	(iii) Auditors' Comments on (i) or (ii) above: Audit qualification is self-explanatory.
