Total	27,183.00	28,470.84	27,281.59	28,481.65

other than investments in subsidiaries, associates and joint ventures accounted at cost in accordance with Ind AS 27 'Separate Financial Statements'.

* interest accrued on borrowings has been considered under Fixed/Floating rate borrowings.

Note:

Certain unquoted investments are not held for trading, instead they are held for medium or long term strategic purpose. Upon the application of Ind AS 109 'Financial Instruments', the Company has chosen to designate these investments in equity instruments as at FVTOCI as the management believes that this provides more meaningful presentation for medium and long term strategic investments, than reflecting changes in fair value in profit or loss.

The management assessed that the fair value of cash and cash equivalents, other balances with banks, trade receivables, loans, finance lease receivables, unbilled revenues, trade payables, acceptances, other financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values.

- Fair value of the government securities are based on the price quotations near the reporting date. Fair value of the unquoted equity shares have been estimated using market comparable method. The valuation requires management to make certain assumptions about the marketability, active market price, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for those unquoted equity investments.
- The fair value of the remaining FVTOCI financial assets are derived from quoted market price in active markets.
- The fair value of debentures is determined by using the quoted prices. The own non-performance risk as on March 31, 2025 was assessed to be insignificant.
- The cost of certain unquoted investments approximate their fair value because there is a wide range of possible fair value measurements and the cost represents the best estimate of fair value within that range.
- The fair value of loans from banks, other current financial liabilities and other non-current financial liabilities is estimated by discounting future cash flow using rates currently available for debt on similar terms, credit risk and remaining maturities.

Reconciliation of Level 3 fair value measurement of unquoted equity shares classified as FVTOCI:

Unlisted shares irrevocably designated as at FVTOCI (Refer Note below)	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore
Opening Balance	630.35	544.79
Gain/(Loss)		
- in Other Comprehensive Income	(21.24)	85.56
Closing balance	609.11	630.35

Note:

- Unlisted shares irrevocably designated as at FVTOCI includes certain investments whose cost approximates to their fair value because there is a wide range of possible fair value measurements and their cost represents the best estimate of fair value within that range. Such investments have been excluded for quantitative sensitivity analysis as disclosed below.
- All gains and losses included in other comprehensive income related to unlisted shares held at the end of the reporting period and are reported under "Equity Instruments through Other Comprehensive Income".

The significant unobservable inputs used in the fair value measurement categorized within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at March 31, 2025 and March 31, 2024 are as shown below:

Description of significant unobservable inputs to valuation:

	Valuation techniques	Significant unobservable inputs	Range (weighted average)	Sensitivity of the input to fair value
Investments in unquoted equity shares	Price of recent transaction (PORT)	Transaction price	Varies on case to case basis	5% (March 31, 2024: 5%) increase / (decrease) in the transaction price would result in increase / (decrease) in fair value by ₹ 30.46 crore (March 31, 2024: ₹ 31.52 crore).

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

43.2 Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Quoted prices in an active market (Level 1): Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. This includes quoted equity instruments, government securities and quoted borrowings (fixed rate) that have quoted price.

Valuation techniques with observable inputs (Level 2): Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This includes derivative financial instruments and unquoted floating and fixed rate borrowings.

Valuation techniques with significant unobservable inputs (Level 3): Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This includes unquoted equity shares and contingent consideration receivable.

The following table summarizes financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

₹ crore

Date of valuation		Fair value hierarchy as at March 31, 2025

There has been no transfers between level 1, level 2 and level 3 during the period.

43.3 Capital Management & Gearing Ratio

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the value for shareholders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. From time to time, the Company reviews its policy related to dividend payment to shareholders, return capital to shareholders or fresh issue of shares. The Company monitors capital using gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio around 50%. The Company includes within net debt, interest bearing loans and borrowings, less cash and bank balances as detailed in the notes below.

The Company's capital management is intended to create value for shareholders by facilitating the meeting of its long-term and short-term goals. Its capital structure consists of net debt (borrowings as detailed in notes below) and total equity.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

Gearing ratio

The gearing ratio at the end of the reporting period was as follows:

₹ crore

	As at March 31, 2025	As at March 31, 2024
Debt (i)	17,111.19	19,717.88
Less: Cash and Bank balances	1,511.19	599.25
Net debt	15,600.00	19,118.63
Total Capital (ii)	18,365.55	15,787.66
Capital and net debt	33,965.55	34,906.29
Net debt to Total Capital plus net debt ratio (%)	45.93	54.77

(i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings (excluding derivative, financial guarantee contracts and contingent considerations) and interest accrued on Non-current and Current borrowings.

(ii) Capital is defined as Equity share capital and other equity.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

43.4 Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, financial guarantee contracts and other financial liabilities. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include investments, loans, trade and other receivables, cash and cash equivalents, other bank balances, unbilled receivables, finance lease receivables and other financial assets that derive directly from its operations. The Company also holds FVTOCI investments and enters into derivative transactions.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a risk committee that reviews the financial risks and the appropriate financial risk governance framework for the Company. The Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The risk management policies is approved by the board of directors.

43.4.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risk: currency risk, interest rate risk and equity price risk. The impact of equity price risk is not significant. Financial instruments affected by market risk include loans and borrowings, derivative financial instruments and FVTOCI investments.

The sensitivity analysis in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

The sensitivity analysis has been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

constant. The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligation, provisions and the non-financial assets.

a. Foreign currency risk management

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to foreign exchange risk through its operations in international projects and purchase of coal from Indonesia. The results of the Company's operations can be affected as the rupee appreciates/depreciates against these currencies.

The following table analyses foreign currency assets and liabilities as on balance sheet dates:

Foreign Currency Liabilities	As at March 31, 2025		As at March 31, 2024	
	Foreign Currency (In Millions)	₹ crore	Foreign Currency (In Millions)	₹ crore
In USD	764.28	6,531.73	619.16	5,164.02

(i) Foreign currency sensitivity analysis

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's equity is due to changes in the fair value of monetary assets and liabilities given as under.

₹ crore		
Effect on profit before tax and consequential impact on equity before tax		
As of March 31, 2025	Rupee depreciate by ₹ 1 against USD	(-) ₹ 75.82
	Rupee appreciate by ₹ 1 against USD	(+) ₹ 75.82
As of March 31, 2024	Rupee depreciate by ₹ 1 against USD	(-) ₹ 61.39
	Rupee appreciate by ₹ 1 against USD	(+) ₹ 61.39

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

Notes:

1. +/- Gain/Loss
2. The impact of depreciation/appreciation of foreign currency other than USD on profit before tax of the Company is not significant.

(ii) Derivative financial instruments

The Company holds derivative financial instruments such as foreign currency forward to mitigate the risk of changes in exchange rate on foreign currency exposure. The counterparty for these contracts is generally a Bank or a Financial Institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or inputs that is directly or indirectly observable in the marketplace.

The following table gives details in respect of outstanding foreign exchange forward :

Outstanding Contracts	As at March 31, 2025			
	Average purchase/ strike price	Foreign Currency	Nominal Value in	Fair Value in
		(in millions)	₹ crore	₹ crore
Forward contracts				
Buy USD/ Sell INR

Note: Fair Value in () denote liability

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's equity is due to changes in the fair value of non-designated foreign currency forward contracts given as under.

₹ crore

		Effect on profit before tax and consequential impact on equity before tax
As of March 31, 2025	Rupee depreciate by ₹1 against USD	(+) ₹ 72.20
	Rupee appreciate by ₹1 against USD	(-) ₹ 50.86
As of March 31, 2024	Rupee depreciate by ₹1 against USD	(+) ₹ 51.43
	Rupee appreciate by ₹1 against USD	(-) ₹ 38.07

(iii) Outstanding Interest rate hedge instruments

Interest rate swaps taken to hedge interest rate risk and accounted as cash flow hedge:

Particulars	As at March 31, 2025			
	Nominal Amount ₹ crore	Average Rate (%)	Within twelve months ₹ crore	After twelve months ₹ crore
Floating interest rate borrowings	250.00	7.38%	250.00	Nil

b. Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate borrowings. The Company's policy is to keep between 40% and 60% of its borrowings at fixed rates of interest. To manage this, the Company enters into certain fixed rate borrowing agreements, where its interest liability is fixed for the specified duration of the loan.

Interest rate sensitivity:

The sensitivity analysis below have been determined based on exposure to interest rates for term loans and debentures that have floating rate at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period.

If the interest rates had been 50 basis points higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on Company's profit in that financial year would have been as below:

₹ crore

		Effect on profit before tax and consequential impact on equity before tax
As at March 31, 2025	Increase in interest rate by 50 bps	(-) ₹ 54.62
	Decrease in interest rate by 50 bps	(+) ₹ 54.62
As at March 31, 2024	Increase in interest rate by 50 bps	(-) ₹ 47.49
	Decrease in interest rate by 50 bps	(+) ₹ 47.49

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

43. Financial Instruments (Contd.)

43.4.2 Credit risk management

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including loans and other financial instruments.

₹ crore

	As at March 31, 2025	As at March 31, 2024
Trade receivables	2,455.33	1,582.37
Loans	287.78	4.25
Finance lease receivables	472.96	528.10
Other financial assets	226.01	145.03
Unbilled Revenue	112.86	99.76
Financial Assets Classified as Held for Sale	4.15	4.15
Total	3,559.09	2,363.66

Refer Note 8 for credit risk and other information in respect of trade receivables. Other receivables as stated above are due from the parties under normal course of the business and as such the Company believes exposure to credit risk to be minimal.

The Company has not acquired any credit impaired asset.

43.4.3 Liquidity risk management

The current liabilities of the Company exceeds the current assets. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Having regards to the nature of the business wherein the Company is able to generate fixed cash flows over a period of time and to optimize the cost of funding, the Company, from time to time, funds its long-term investment from short-term sources. The short-term borrowings can be roll forward or, if required, can be refinanced from long term borrowings. Hence, the Company considers the liquidity risk as low.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

₹ crore

	Up to 1 year	1 to 5 years	5+ years	Total	Carrying Amount
March 31, 2025

Other Financial Liabilities	4,616.74	29.93	Nil	4,646.67	2,243.44
Total Non-Derivative Liabilities	18,693.05	13,010.70	12,770.26	44,474.01	31,532.29
Derivatives					
Other Financial Liabilities	24.91	Nil	Nil	24.91	24.91
Total Derivative Liabilities	24.91	Nil	Nil	24.91	24.91

The table has been drawn up based on the undiscounted contractual maturities of the financial liabilities including interest that will be paid on those liabilities upto the maturity of the instruments, ignoring the call and refinancing options available with the Company. The amounts included above for variable interest rate instruments for non-derivative liabilities is subject to change if changes in variable interest rates differ to those estimates of interest rates determined at the end of the reporting period.

The amount included in Note 39 (c) for financial guarantee contracts are the maximum amounts the Company could be forced to settle under respective arrangements for the full guaranteed amount if that amount is claimed by the counterparty to the guarantee. Based on expectations at the end of the reporting period, the Company considers that it is more likely than not that such amount will not be payable under the arrangement. However, this estimate is subject to change depending on the probability of the counterparty claiming under the guarantee which is a function of the likelihood that the financial receivables held by the counterparty which are guaranteed suffer credit losses.

Current Liabilities as per balance sheet and liabilities classified as held for sale.
- b) Total Debt: Long term borrowings (including current maturities of long term borrowings), lease liabilities (current and non current), short term borrowings and interest accrued on these debts.
Total Shareholder's Equity : Issued share capital and other equity.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

44. Financial Ratios (Contd.)

- c) For the purpose of computation, scheduled principal repayment of long term borrowings does not include prepayments (including prepayment by exercise of call/put option).
- d) Average Shareholders Equity: Issued share capital and other equity.
- e) Net credit purchases comprise of (a) cost of power purchased (b) cost of fuel (c) Transmission charges (d) Raw material consumed and construction cost and (e) Other expenses excluding (i) Bad debts (including provision); (ii) Net loss on foreign exchange; (iii) CSR expenses and (iv) Transfer to contingency reserve (v) Impairment of Non-current Investments in Subsidiaries and Joint Ventures (Net).
- f) Working Capital:
 - i) Current Assets as per balance sheet, assets held for sale and current portion of regulatory asset.
 - ii) Current Liabilities as per balance sheet (excluding current maturities of long term borrowings and lease liability and interest accrued on long-term borrowings) and liabilities classified as held for sale.
- g) Interest Income: Interest on bank deposits, Interest on non-current investments and Interest on loans given.

45. Segment Reporting

Information reported to the Chief Operating Decision Maker ('CODM') for the purpose of resource allocation and assessment of segment performance focuses on business segment which comprises of Thermal and Hydro, Transmission and Distribution and Others. The Company's Chief Operating Decision Maker is the Chief Executive Officer and Managing Director.

Specifically, the Company's reportable segments under Ind AS are as follows:

Thermal and Hydro: Comprises of generation of Thermal and Hydro power from hydroelectric sources and thermal sources (coal, gas and oil) from plants owned and operated under lease arrangement and related ancillary services.

Transmission and Distribution: Comprises of transmission and distribution network, sale of power to retail customers through distribution network and related ancillary services.

Others: Comprises of project management contracts/infrastructure management services, property development and lease rent of oil tanks.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of associated revenue/assets of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

47. Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

48. Audit Trail

During the year, the Company has migrated from SAP ECC (legacy accounting software) to an upgraded version (SAP S/4 Hana) on December 23, 2024. The Company has used these accounting softwares for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the upgraded and the legacy accounting software, except that audit trail feature was not enabled for direct changes to data in the legacy accounting software when using certain access rights during the period from April 1, 2024 to October 17, 2024. However stringent control procedures were implemented to effectively restrict direct changes to data during this period. These procedures included thorough reviews of logs and reconciliation of datasets and during the financial year no direct changes were made that impacted financial records. Post October, 2024, the audit trail feature is enabled at the database level. Further no instance of audit trail feature being tampered with, was noted in respect of the accounting softwares. Additionally, the audit trail of previous year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the previous year.

49. The Code on Social Security, 2020

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

50. Other Statutory information

- (i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- (ii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (iii) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (iv) The Company have neither received nor given any fund from or to any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (v) The Company is in compliance with the number of layers prescribed under clause (87) of section 2 of the Companies Act, 2013 read with the Companies (Restriction on number of Layers) Rules, 2017 (as amended).
- (vi) The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income-tax Act, 1961).
- (vii) The Company has not been declared as wilful defaulter by any bank or financial institution or other lender.
- (viii) The quarterly returns or statements of Current assets filed by the Company with the banks or financial institutions are in agreement with the books of accounts.

51. Significant Events after the Reporting Period

There were no significant adjusting events that occurred subsequent to the reporting period other than the events disclosed in the relevant notes.

52. Approval of Standalone Financial Statements

The Standalone Financial Statements were approved for issue by the Board of Directors on May 14, 2025.

INDEPENDENT AUDITOR'S REPORT

To the Members of The Tata Power Company Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of The Tata Power Company Limited (hereinafter referred to as “the Holding Company”), its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) its associates and joint ventures comprising of the consolidated Balance sheet as at March 31, 2025, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and joint ventures, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and joint ventures as at March 31, 2025, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act.

Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements’ section of our report. We are independent of the Group, associates, joint ventures in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
Management assessment of appropriateness of Going Concern assumptions (as described in Note 44.4.3 of the consolidated financial statements)	
The Group has current liabilities of ₹ 45,269.52 crore and current assets of ₹ 28,756.65 crore as at March 31, 2025.	Our audit procedures and procedures performed by component auditors, included the following:
Current liabilities exceed current assets as at the year end. Given the nature of its business i.e. contracted long term power supply agreements and composition of cost-plus contracts leading to stability of cashflows, the Group uses short-term borrowings to reduce its borrowing costs.	Obtaining an understanding of the process which includes approval of annual business plan, approach and assumptions considered in preparation of cash flow projections, raising short term borrowings and review of management reporting;

Key audit matters	How our audit addressed the key audit matter
Management has made an assessment of the Group's ability to continue as a Going Concern as required by Ind AS 1 Presentation of Financial Statements considering all the available information.	• Testing the reasonableness of the inputs assumptions (including operating cashflows, debt and interest repayments etc) used in the cash flow forecast against historical performance, and current emerging business trends affecting the business and industry;
Going Concern assessment has been identified as a key audit matter considering the significant judgements and estimates involved in the assessment and its dependence upon management's ability to complete the planned divestments, raising long term capital and / or successful refinancing.	• Verified the supporting documents underlying the cash flow projections. • Verified the sanction letters for unutilised limit available for long-term borrowing/ short term borrowings as considered in the cashflow assumption • Performed sensitivity analysis on key assumptions like operating cashflows to determine their impact on projections of future cashflows • Assessing and evaluating the Group's capability to meet its current requirements which are less than one year via existing access to funds, unused credit facilities and its ability to refinance its short-term obligation based on the past trends, credit ratings, analysis of solvency and liquidity ratios including its ability to generate cash flows and access to capital; • Assessed the disclosures made by the Group in this regard.
Revenue recognition and accrual of regulatory deferrals (as described in Note 20, 32 and 41(A) and 41(B)(b) of the consolidated financial statements).	
Regulated generation, transmission and distribution business of the Group:	Our audit procedures and procedures performed by component auditors included the following:
Tariff is determined by the regulator on cost plus return on equity basis wherein the cost is subject to prudential norms. The Group invoices its customers on the basis of pre-approved tariff which is based on budget and is subject to true up.	• Read the Group's accounting policies with respect to accrual of regulatory deferrals and assessing its compliance with Ind AS 114 "Regulatory Deferral Accounts" and Ind AS 115 "Revenue from Contract with Customers" and relevant provisions of the Electricity Act 2003 and the rules issued thereunder.
The Group recognizes revenue as the amount invoiced to customers based on pre-approved tariff rates agreed with the regulator. As the Group is entitled to a fixed return on equity, the difference between revenue recognized and entitlement as per the regulation is recognized as regulatory assets / liabilities. The Group has recognized ₹ 2,252.10 crore for generation and transmission business and ₹ 7,024.87 crore for distribution business as accruals as at March 31, 2025.	• Performing test of controls over revenue recognition and accrual of regulatory deferrals through inspection of evidence of performance of these controls.
Accruals are determined based on tariff regulations, past tariff orders, company's assessment of disputed claims and are subject to verification and approval by the regulators and outcome of ongoing legal proceedings. Further the costs incurred are subject to prudential checks and prescribed norms.	Performing substantive audit procedures including: • Read the executed PPAs with the respective customer, the tariff regulations issued by the regulators including the tariff orders, orders issued by the relevant authorities at various stages and evaluated the relevant clauses to understand management's assessment of the Group's right vis-a-vis the customers. • Evaluating the key assumptions used by the Group by comparing it with prior years, past precedents and the legal opinion obtained by the management.

INDEPENDENT AUDITOR'S REPORT

Key audit matters	How our audit addressed the key audit matter
Significant judgements are made in determining the accruals including interpretation of tariff regulations. Some of the claims made by the Group has been disallowed by the Regulators which has been challenged by the Group and the matters are pending with various authorities. As at March 31, 2025, the total outstanding receivable related to these litigations amount to ₹ 2,922.19 crore. Mundra power generation plant: The Group sells power to customers in accordance with the long-term Power Purchase Agreement (PPA) entered into with them. As per the PPA, the Group's entitlement to capacity revenue is dependent on availability declared. Accordingly, the Group accrues capacity revenue based on the actual declared capacity. During the current year and previous year, the Group has supplied power as per the directions issued by Ministry of Power (MoP) under Section 11 of the Electricity Act, 2003 for the notified period. Accordingly, the Group has recognized revenue based on the MoP Directions, the related CERC orders for determination of tariff and legal opinion for disputed matters. Of the total revenue recognized by the Group during the notified period, Rs. 1,306 crore pertaining to current year is disputed by the customers. Revenue recognition and accrual of regulatory deferrals is a key audit matter considering the significance of the amount, interpretation of clauses in PPA, tariff regulations, tariff orders including management assessments of the probability of certain disputed cases. Hence, significant judgements are involved in the determination of revenue and regulatory accruals.	- Considering the independence, objectivity and competence of management's expert. - Assessing management's evaluation of the likely outcome of the key disputed claims unapproved by the regulators based on past precedents and / or advice of management's legal/regulatory expert. - Assessing the impact recognized by the Group in respect of tariff orders received during the year and the revenue recognized based on ongoing litigations. - Reading the legal opinion obtained by the management for assessing the Group's right with respect to claims with customers and power supply to customers. - Assessing the disclosures in accordance with the requirements of Ind AS 114 "Regulatory Deferral Accounts" and Ind AS 115 "Revenue from Contract with Customers".
Impairment of Assets (as described in Note 4, 7, 8 and 19 of the consolidated financial statements)	
As per the requirements of Ind AS 36, the Group tests the Goodwill acquired in business combination for impairment annually. For other assets, the Group assesses at the end of every reporting period, whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset or CGU. The determination of recoverable amount, being the higher of fair value less costs to sell and value-in-use involves significant estimates, assumptions and judgements of the long-term financial projections.	Our audit procedures and procedures performed by component auditors, included the following: - Read the Group's accounting policies with respect to impairment in accordance with Ind AS 36 "Impairment of assets". - Performing test of controls over key financial controls related to accounting, valuation and recoverability of assets through inspection of evidence. Performing substantive audit procedures including: - Evaluating management's process of identification of CGUs for impairment assessment.

Key audit matters	How our audit addressed the key audit matter
The Group is carrying Goodwill of ₹ 1,535.18 crore relating to acquisition of renewable energy businesses. The Group is also carrying impairment provision amounting to ₹ 1,222.36 crore with respect to Mundra CGU (comprising Mundra power plant, investment in companies owning coal mines and related infrastructure). During the year, the Group has reassessed its impairment assessment with respect to Mundra CGU and no additional impairment provisions has been recognized. Further, Group has reassessed the recoverable value of Goodwill relating to acquisition of renewable energy businesses and recognized impairment amounting to ₹ 106.00 crore. Impairment of assets is a key audit matter considering the significance of the carrying value, estimations and the significant judgements involved in the identification of CGUs and in determining recoverable value of CGU.	• Obtaining the management's impairment assessment. • Evaluating the key assumptions including projected generation, coal prices, exchange rate, energy prices post power purchase agreement period and weighted average cost of capital by comparing them with prior years and external data, where available. • Obtaining and evaluating the sensitivity analysis. Assessing the disclosures in accordance with the requirements of Ind AS 36 "Impairment of assets".
Receivables related to Group's distribution business in Odisha (as described in Note 9 of the consolidated financial statements)	
The Odisha Discoms ('Discoms') have outstanding trade receivables of ₹ 2,613.49 crore as at March 31, 2025, including overdue/ aged receivables. Discoms supplies electricity to various types of customers including individual customers with wide ranging characteristics in the different region of Odisha. There exists inherent exposure to credit risk for these customers. Since the business was recently acquired by the Group, limited past experiences are available to estimate credit loss allowance. Discoms have recognized Expected Credit Loss (ECL) allowance on trade receivables using its best estimate considering various factors including past payment behavior and categorization of customers into various risk profile. Based on the above mechanism and using its best estimate, during the year, the Discoms have recognized ECL provision of ₹ 1,441.01 crore (March 31, 2024: ₹ 1,038.91 crore). The appropriateness of the provision for ECL is subjective due to significant judgement and estimation involved in determining the provision amount. Due to the significance of trade receivables and the related estimation uncertainty this is considered to be a key audit matter.	Our audit procedures and procedures performed by component auditors, included the following: • Obtaining an understanding of the process and testing the internal controls associated with the management's assessment of determining loss allowance for trade receivables including relevant provisions of the Electricity Act 2003 and the rules issued thereunder; • Evaluating management's assessment of recoverability of the outstanding receivables including recoverability of overdue / aged receivables through inquiry with management, and analysis of recent collection trends in respect of receivables particularly aged and pre-acquisition receivables. • Evaluating management's assumption and judgment relating to collection considering business environment in which the Group operates and rights available with the Group to recover amount due from customers for estimating the amount of ECL allowance. • Evaluating management's continuous assessment of the assumptions used in the credit loss provision computation. These considerations include whether there are regular receipts from the customers and Discoms past collection history. • Assessing the disclosures in the financial statements. • Obtaining necessary management representation.

INDEPENDENT AUDITOR'S REPORT

Key audit matters	How our audit addressed the key audit matter
Revenue recognition – Group's accounting for Engineering Procurement and Construction (EPC) contracts – (as described in note 32 of the consolidated financial statements)	
The Group's revenue is recognized from Engineering Procurement and Construction (EPC) contracts. Due to the nature of the contracts, revenue is recognized based on percentage of completion method which is determined based on proportion of contract costs incurred to date compared to estimated total contract costs, which involves significant judgments including estimate of future costs, revision to original estimates. Accuracy of revenues, onerous obligations and profits may deviate significantly during project execution on account of change in judgements and estimates. We identified revenue recognition from such contracts as a key audit matter because the estimation of total revenue and total cost to complete the contract is inherently subjective, complex and require significant judgment. The same may get subsequently changed due to change in prevailing circumstances, assumptions, contract variations, etc., and could result in significant variance in the revenue and profit or loss from contract for the reporting period.	Our audit procedures included: • We considered the Company's accounting policies with respect to revenue in accordance with Ind AS 115 "Revenue from Contracts with Customers" • We tested controls over the contract revenue and cost estimation process through the combination of procedures through inquiry, inspection of evidence of performance of these controls. • We selected a sample of contracts to test, using a risk-based criteria's which included individual contracts with significant revenue recognized during the year, significant accrued value of work done balances held at the year-end, or low profit margins/no profit margins. • We verified underlying documents such as original contract, and its amendments, key contract terms and milestones, etc. for verifying the estimation of contract revenue and costs and/ or any change in such estimation. • We assessed management's estimates by comparing estimated cost with actual costs and discussion on the project specific considerations. We evaluated the disclosure of revenue in accordance with Ind AS 115 'Revenue from contracts with customers' in Note 32, to the consolidated financial statements.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates and joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended including the relevant provisions of Electricity Act 2003 and the rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters,

INDEPENDENT AUDITOR'S REPORT

the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with Governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statements and other financial information, in respect of 47 subsidiaries, whose financial statements include total assets of ₹ 23,256.49 crore as at March 31, 2025, and total revenues of ₹ 11,779.45 crore and net cash inflows of ₹ 457.80 crore for the year ended on that date. Those financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated financial statements also include the Group's share of net profit of ₹ 495.57 crore for the year ended March 31, 2025, as considered in the consolidated financial statements, in respect of 7 associates and joint ventures, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, joint ventures and joint operations and associates, is based solely on the report(s) of such other auditors.

Certain of these subsidiaries, associates and joint ventures are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles

generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries, associates and joint ventures located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries, associates and joint ventures located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

(b) The accompanying consolidated financial statements include unaudited financial statements and other unaudited financial information in respect of Nil subsidiaries, whose financial statements and other financial information reflect total assets of ₹ Nil crore as at March 31, 2025, and total revenues of ₹ Nil crore and net cash outflows / (inflows) of ₹ Nil crore for the year ended on that date. Those unaudited financial statements and other unaudited financial information have been furnished to us by the management. The consolidated financial statements also include the Group's share of net loss of ₹ 0.11 crore for the year ended March 31, 2025, as considered in the consolidated financial statements, in respect of 8 associates and joint ventures, whose financial statements, other financial information have not been audited and whose unaudited financial statements, other unaudited financial information have been furnished to us by the Management. Our opinion, in so far as it relates amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries, joint ventures and associates, is based solely on such unaudited financial statements and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, [based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, associate companies and joint ventures companies, incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph] we give in the "Annexure 1" a statement on the matters specified in paragraph 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associates and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We / the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors except for the matter stated in the paragraph (i)(vi) below on reporting under Rule 11(g);
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended including the relevant provisions of the Electricity Act 2003 and the rules prescribed thereunder;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies, associate companies and joint ventures, none of the directors of the Group's companies, its associates and joint ventures, incorporated in India, is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (i)(vi) below on reporting under Rule 11(g).
 - (g) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, associate companies and joint ventures and the operating effectiveness of such controls, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of such subsidiary companies, associate companies and joint ventures companies, incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph, refer to our separate Report in "Annexure 2" to this report;
 - (h) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, associates and joint ventures, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Holding Company, its subsidiaries, associates and joint ventures incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries,

INDEPENDENT AUDITOR'S REPORT

associates and joint ventures, as noted in the 'Other matter' paragraph:

- i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, its associates and joint ventures in its consolidated financial statements – Refer Note 40 and 41 to the consolidated financial statements;
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer (a) Note 12 and 27 to the consolidated financial statements in respect of such items as it relates to the Group, its associates and joint ventures and (b) the Group's share of net profit / loss in respect of its associates and joint ventures;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries, associates and joint ventures, incorporated in India during the year ended March 31, 2025.
- iv. a) The respective managements of the Holding Company and its subsidiaries, associate and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, associate and joint ventures respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds by the Holding Company or any of such subsidiaries, associate and joint ventures to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries, associate and joint

ventures ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The respective managements of the Holding Company and its subsidiaries, associate and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, associate and joint ventures respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries, associate and joint ventures from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries, associate and joint ventures shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the [subsidiaries, associate and joint ventures/ joint operations] which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v). The final dividend paid by the Holding Company, its subsidiaries, associate and joint venture companies incorporated in India during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 22 to the consolidated financial statements, the respective Board of Directors of the Holding Company, its subsidiaries, associate and joint venture companies, incorporated in India have proposed final dividend for the year which is subject to the approval of the members of the respective companies at the respective ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend

- vi) The Holding Company its 2 joint ventures and its few subsidiaries have migrated to an upgraded version of the accounting software from its legacy accounting software on December 23, 2024. Based on our examination which included test checks, and that performed by the respective auditors of the subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, except for the instances disclosed in Note 52 to the consolidated financial statements,

the Holding company, Subsidiaries, associate, and joint ventures have used the accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit, we and respective auditors of the above referred Subsidiaries, associates and joint ventures did not come across any instance of audit trail being tampered with, in respect of accounting software where the audit trail has been enabled.

INDEPENDENT AUDITOR'S REPORT

Annexure 2 to the Independent Auditor's Report of even date on the consolidated Financial Statements of The Tata Power Company Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of The Tata Power Company Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, its associates and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, its associates and joint ventures, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matter

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to these 47 subsidiaries and 2 associates, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and associates incorporated in India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. Corporate Information:

The Tata Power Company Limited (the 'Company' or 'Parent Company' or 'Holding Company') (CIN: L28920MH1919PLC000567) is a public limited company domiciled and incorporated in India under the Indian Companies Act, 1913. The registered office of the Holding Company is located at Bombay House, 24, Homi Mody Street, Mumbai 400 001 India. The Holding Company email address is tatapower@tatapower.com and contact number is (91 22) 6665 8282. The Holding Company is listed on the Bombay Stock Exchange of India Limited (BSE) and the National Stock Exchange of India Limited (NSE). The principal business of the Group is generation, transmission, distribution and trading of electricity.

The Company together with its subsidiaries (collectively referred to as 'the Group'), joint ventures and associates is one of India's largest integrated power companies with an international presence. The Group together with its joint venture companies has an installed gross generation capacity of 15,733 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. The Group has developed the country's first 4,150 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 6,873 MW. Its international presence includes strategic investments in Indonesia, Singapore, Zambia, Georgia and Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives the Group is poised for multi-fold growth and is committed to 'lighting up lives' for generations to come.

2. Material Accounting Policies:

2.1 Statement of compliance

The Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with section 133 and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (as amended from time to time) including the relevant provisions of the Electricity Act, 2003 and the rules issued thereunder.

2.2 Basis of preparation and presentation

The Consolidated Financial Statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Derivative financial instruments,
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).
- Employee benefit expenses (Refer Note 29 for accounting policy)
- Contingent consideration on sale and purchase of business

The Group has prepared the financial statements on the basis that it will continue to operate as a going concern. The consolidated financial statements provide comparative information in respect of the previous period.

The Consolidated Financial Statements are presented in Indian Rupees (₹) and all amounts are in Crore unless otherwise stated.

2.3 Basis of Consolidation:

The Group consolidates all entities which are controlled by it. The Consolidated Financial Statements comprise the financial statements of the Company, its subsidiaries, joint ventures and associates. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. The subsidiaries are consolidated from the date control commences until the date control ceases.

2.3.1 Subsidiaries

The Consolidated Financial Statements of the Group companies are consolidated on a line-by-line basis and intra-group balances and transactions including unrealised gain/loss from such transactions are eliminated upon

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2. Material Accounting Policies (Contd.)

consolidation. These Consolidated Financial Statements are prepared by applying uniform accounting policies in use at the Group. Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interest having a deficit balance.

Changes in the Group's holding that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Group's holding and the non-controlling interests are adjusted to reflect the changes in their relative holding. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

2.3.2 Joint Ventures and Associates

Joint Ventures are entities over which the Group has joint control. Associates are entities over which the Group has significant influence but not control. Investments in Joint Ventures and Associates are accounted for using the equity method of accounting. The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in Joint Ventures and Associates includes goodwill identified on acquisition. (Refer Note 8a).

2.4 Business Combinations

The Group accounts for its business combinations under acquisition method of accounting. Acquisition-related costs are expensed in the periods in which the costs are incurred and the services are received, with the exception of the costs of issuing debt or equity securities that are recognised in accordance with Ind AS 32 and Ind AS 109. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

Purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

The Group assessed call option and put option as per clause of shareholding agreement with non-controlling shareholders. Cases where call or put option exists for the Group at fair market value, non-controlling shareholders are classified under 'Equity'. Cases where call or put option exists at face value, non-controlling shareholders are classified under 'Other financial liabilities' in the Consolidated Financial Statements.

Business combinations arising from transfers of interests in entities that are under the common control are accounted at historical costs. The difference between any consideration given and the aggregate historical carrying amount of assets and liabilities of the acquired entity are recorded in shareholders' equity.

In case of bargain purchase, before recognising gain in respect thereof, the Group determines whether there exists clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. Thereafter, the Group reassesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and recognizes any additional assets or liabilities that are identified in that reassessment. The Group then reviews the procedures used to measure the amount that Ind AS requires for the purposes of calculating the bargain purchase. If the gain remains after this reassessment and review, the Group recognises it in other comprehensive income and accumulates the same in equity as capital reserve. This gain is attributed to the acquirer. If there does not exist clear evidence of the underlying reasons for classifying the business combination as a bargain purchase, the Group recognises the gain, after reassessing and reviewing, directly in equity as capital reserve.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2. Material Accounting Policies (Contd.)

2.5 Goodwill

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amount to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in Other Comprehensive Income (OCI) and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

2.6 Details of the Group's subsidiaries considered in the preparation of the Consolidated Financial Statements are as follows:

- 1) During the year, Subsidiaries Walwhan Renewable Energy Limited (including its 19 subsidiaries) and TP Wind Power Limited with an appointed date of April 1, 2022 and Tata Power Solar Systems Limited and Chirasthaayee Saurya Limited with an appointed date of April 1, 2023 were merged with Tata Power Renewable Energy Limited, subsidiary of the Holding Company under Section 230 to 232 of the Companies Act, 2013
- 2) The Group has a call option to buy shares from the captive consumers at the face value of the shares. Accordingly, non controlling interest has not been considered for the purpose of consolidations.
- 3) Odisha discoms

3. Other Material Accounting Policies, critical accounting estimates and judgements

3.1 Foreign Currencies

The Group's Consolidated Financial Statements are presented in Indian Rupee (₹), which is also the parent company's functional currency. For each entity, the Group determines the functional currency and items included in the financial statements of each entity are measured using that functional currency.

Transactions in foreign currencies are initially recorded by the Group's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Group uses an average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gains or losses arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gains or losses on the change in fair value of the item (i.e., translation differences on items whose fair value gains or losses is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

The statement of profit & loss and financial position of foreign operations (none of which has the currency of a hyper-inflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency of parent as follows:

- a) Assets and liabilities are translated at the closing rate at the date of the Consolidated Balance sheet
- b) Income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions), and
- c) All resulting exchange differences are recognised in Other Comprehensive Income (OCI).

On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognised in profit and loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

3.2 Current versus non-current classification

The Group presents assets and liabilities in the Consolidated Balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- expected to be realised or intended to be sold or consumed in normal operating cycle,
- held primarily for the purpose of trading,
- expected to be realised within twelve months after the reporting period, or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in normal operating cycle,
- it is held primarily for the purpose of trading,
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.3 Warranties

Provisions for the expected cost of warranty obligations under local sale of goods legislation are recognised at the date of sale of the relevant products, at the Group's best estimate of the expenditure required to settle the Group's obligation. The initial estimate of warranty related costs is revised annually.

3.4 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in Consolidated Statement of Profit and Loss.

Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expenses over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

3.5 Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or FVTPL or FVTOCI, depending on the classification of the financial assets.

3.5.1 Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

3.5.2 Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Group makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Consolidated Statement of Profit and Loss on sale of the investments.

3.5.3 Financial Assets at Fair value through Profit or Loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at FVTOCI.

3.5.4 Investment in Joint ventures and Associates

Investment in joint ventures and associates are accounted using equity method less impairment.

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Impairment of investments

The Group reviews its carrying value of investments carried at cost, amortised cost or equity method annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the Consolidated Statement of Profit or Loss.

When an impairment loss subsequently reverses, the carrying amount of the Investment is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the cost of the Investment. A reversal of an impairment loss is recognised immediately in Consolidated Statement of Profit or Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

3.5.5 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- the right to receive cash flows from the asset have expired, or
- the Group has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the Group has transferred substantially all the risks and rewards of the asset, or
 - (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its right to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

3.5.6 Impairment of Financial Assets

The Group assesses at each date of balance sheet whether a financial asset or a Group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.6 Financial Liabilities and Equity Instruments

3.6.1 Classification as Debt or Equity

Debt and equity instruments issued by a Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

3.6.2 Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Group entity are recognised at the proceeds received, net of direct issue costs.

3.6.3 Financial Liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Gains and losses are recognised in Consolidated Statement of Profit and Loss when the liabilities are derecognised as well as through the effective interest rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

Financial liabilities measured at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in the Consolidated Statement of Profit and Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

3.6.4 Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

3.6.5 Financial Guarantee Contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 115.

3.7 Derivative Financial Instruments and Hedge Accounting

The Group enters into a variety of derivative financial instruments such as forward contracts, options contracts and interest rate swaps, to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts and cross currency swaps.

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

The purchase contracts that meet the definition of a derivative under Ind AS 109 are recognised in the Consolidated Statement of Profit and Loss. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Consolidated Statement of Profit and Loss except for the effective portion of cash flow hedges.

The Group adopts hedge accounting for forward, interest rate and commodity contracts wherever possible. At the inception of each hedge, there is a formal, documented designation of the hedging relationship. This documentation includes, inter alia, items such as identification of the hedged item transaction and nature of the risk being hedged. At inception, each hedge is expected to be highly effective in achieving an offset of changes in fair value or cash flows attributable to the hedged risk. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at the inception and on an ongoing basis. The ineffective portion of designated hedges is recognised immediately in the Consolidated Statement of Profit and Loss.

When hedge accounting is applied:

- for fair value hedges of recognised assets and liabilities, changes in fair value of the hedged assets and liabilities attributable to the risk being hedged, are recognised in the Consolidated Statement of Profit and Loss and compensate for the effective portion of symmetrical changes in the fair value of the derivatives.
- for cash flow hedges, the effective portion of the change in the fair value of the derivative is recognised directly in other comprehensive income and the ineffective portion is recognised in the Consolidated Statement of Profit and Loss. If the cash flow hedge of a firm commitment or forecasted transaction results in the recognition of a non-financial asset or liability, then, at the time the asset or liability is recognised, the associated gains or losses on the derivative that had previously been recognised in equity are included in the initial measurement of the asset or liability. For hedges that do not result in the recognition of a non-financial asset or a liability, amounts deferred in equity are recognised in the Consolidated Statement of Profit and

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

Loss in the same period in which the hedged item affects the Consolidated Statement of Profit and Loss. In cases where hedge accounting is not applied, changes in the fair value of derivatives are recognised in the Consolidated Statement of Profit and Loss as and when they arise.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. At that time, any cumulative gain or loss on the hedging instrument recognised in equity is retained in equity until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in equity is transferred to the Consolidated Statement of Profit and Loss for the period.

3.8 Reclassification of Financial Assets and Liabilities

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

3.9 Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.10 Government Grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grant will be received.

Government grants relating to income are determined and recognised in the Consolidated Statement of Profit and Loss over the period necessary to match them with the cost that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are reduced from the cost of the assets.

The benefit of a Government loan at a below market rate of interest is treated as a Government grant, measured as the difference between proceeds received and the fair value of loan based on prevailing market interest rates. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

3.11 Dividend Distribution to Equity Shareholders of the Parent Company

The Parent Company recognises a liability to make dividend distributions to its equity holders when the distribution is authorised and the distribution is no longer at its discretion. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity. In case of Interim Dividend, the liability is recognised on its declaration by the Board of Directors.

3.12 Service Concession Arrangements (SCA)

Service Concession Arrangements (SCA) refers to an arrangement between the grantor (a public sector entity) and the operator (a private sector entity) to provide services that give the public access to major economic and social facilities utilising private sector funds and expertise.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3. Other Material Accounting Policies, critical accounting estimates and judgements (Contd.)

With respect to SCA, revenue and costs are allocated between those relating to construction services and those relating to operation and maintenance services, and accounted for separately. The infrastructure used in a concession are classified as an intangible asset or a financial asset, depending on the nature of the payment entitlements under the SCA. When the Company has an unconditional right to receive cash or another financial asset from or at the direction of the grantor, such right is recognised as a financial asset and is subsequently measured at amortised cost. When the demand risk is with the Group and it has right to charge the user for use of facility, the right is recognised as an intangible asset and is subsequently measured at cost less accumulated amortisation and impairment losses. The intangible assets are amortised over a period of service concession arrangements.

3.13 Acceptances

The Group enters into deferred payment arrangements (acceptances) whereby lenders such as banks and other financial institutions make payments to supplier's banks for purchases made by the group. The banks and financial institutions are subsequently repaid by the Group at a later date providing working capital benefits. These arrangements are in the nature of credit extended in normal operating cycle and these are recognised as Acceptances. Interest borne by the Group on such arrangements is accounted as finance cost. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Payments made by banks and financial institutions to the operating vendors are treated as a non-cash item and settlement of operational acceptances by the Group is treated as cash flows from operating activity reflecting the substance of the payment.

3.14 Critical Accounting Estimates and Judgements

In the application of the Group's accounting policies, the Management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Consolidated Financial Statements.

The areas involving critical estimates or judgements are:

Estimates and judgements used for impairment assessment of certain cash generating units (CGU) - (Refer Note 4 & 8)

Estimation and judgements for impairment assessment of goodwill - (Refer Note 7a)

Estimations used for impairment assessment of investments - (Refer Note 8)

Estimation of defined benefit obligation - (Refer Note 29)

Estimates related to accrual of regulatory deferrals and revenue recognition including EPC Revenue- (Refer Note 20 and Note 32)

Estimations used for determination of tax expenses and tax balances - (Refer Note 14a, 14b and Note 38)

Estimates and judgements related to the assessment of liquidity risk - (Refer Note 44.4.3)

Judgement to estimate the amount of provision required or to determine required disclosure related to litigation and claims against the Group - (Refer Note 40 and Note 41)

Estimates and judgement are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

3.15 Refer note 4, 5, 6, 7a, 7b, 11, 14, 16, 18a, 19a, 20, 22, 25, 29, 32, 33, 35, 36, 38a, 40 and 42 for material accounting policies of respective captions

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

4. Property, Plant and Equipment

Accounting Policy

'Property, plant and equipment is stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price (net of trade discount and rebates) and any directly attributable cost of bringing the asset to its working condition for its intended use and for qualifying assets, borrowing costs capitalised in accordance with Ind AS 23. Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the Consolidated Statement of Profit and Loss as incurred.

Depreciation

Depreciation commences when an asset is ready for its intended use. Freehold land and assets held for sale are not depreciated.

Regulated Assets:

Depreciation on Property, plant and equipment in respect of regulated business of the Group covered under Part B of Schedule II of the Companies Act, 2013, has been provided on the straight line method at the rates specified in tariff regulations notified by the respective State Electricity Regulatory Commission ('Regulator').

Depreciation on the replaced asset has been calculated using the straight-line method, based on management's assessment of its useful life.

Non-Regulated Assets:

Depreciation is recognised on the cost of assets (other than freehold land and properties under construction) less their residual values over their estimated useful lives, using the straight-line method.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The Group, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Estimated useful lives of the Regulated and Non Regulated assets are as follows:

Type of asset	Useful lives
Hydraulic Works	40 years
Buildings-Plant	3 to 60 years
Buildings-Others	3 to 60 years
Coal Jetty	25 years
Railway Sidings, Roads, Crossings, etc.	5 to 40 years
Plant and Equipments (excluding Computers and Data Processing units)	2 to 40 years
Plant and Equipments (Computers and Data Processing units)	3 to 7 years
Transmission Lines, Cable Network, etc.	5 to 40 years
Furniture and Fixtures	5 to 16 years
Office Equipments	3 to 20 years
Motor Cars	5 to 15 years
Motor Lorries, Launches, Barges etc.	25 to 40 years
Helicopters	25 years

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

4. Property, Plant and Equipment (Contd.)

Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Consolidated Statement of Profit and Loss.

Impairment of Property, Plant and Equipment and Other Intangible assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of or Group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future post tax cash flows are discounted to their present value using a appropriate discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Group basis its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover the PPA period. To estimate Cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the market in which the asset is used.

Impairment losses of Property, Plant and Equipment and Other Intangible Assets are recognised in the Consolidated Statement of Profit and Loss.

Notes :

- (i) The Group is carrying an impairment provision of ₹ 351.97 crore (March 31, 2024 ₹ 349.59 crore), the details are as under
- (a) ₹ 308.18 crore (March 31, 2024 ₹ 308.18 crore) against the carrying value of the Mundra power generation plant. [Refer Note 8 b.(i)].
- (b) During the earlier years, the group had recorded an impairment charge of ₹ 100 crore in respect of Unit 6 generating station (Generation - Thermal and Hydro Segment) located at Trombay. During the previous year, the Group had sold certain assets and consequently gain of ₹ 90.96 crore has been recognised as Other income in the Consolidated Financial Statements after adjusting the impairment provision amounting to ₹ 58.59 crore. Also, during the current year the Group has sold certain assets and adjusted the impairment provision amounting to ₹ 55.62 crore.
- (c) The Group has an operating portfolio of 5.54 GW of solar and wind plants and while the Group continues to derive economic benefits from these plants, the carrying value of assets relating to few plants was no longer fully recoverable over its balance Power Purchase Agreement (PPA) period. Accordingly, Group has recorded a charge amounting to ₹ 38 crore as exceptional item.
- (ii) Refer Note 24 and 31 for charge created on Property, Plant and Equipment.
- (iii) Includes gain on fair valuation of land which is not available for distribution amounting to ₹ 227.03 crore (March 31, 2024 ₹ 227.03 crore).
- (iv) During the previous year, in accordance with the provisions outlined in the Master Circular on 'Gati Shakti Multi-modal Cargo Terminal (GCT) Policy' as notified on December 15, 2021, the ownership of all cargo terminals that were under approval or being constructed by eligible terminal operators at their cost shall belong to the Railways. Therefore, the Group, having given an undertaking in to abide by all provisions of the aforementioned Master Circular, is bound by the stipulations therein. The Group's railway infrastructure-related assets were under approval on the date of the Master Circular and were capitalized upon being ready to be put to use during prior years. Depreciation on these assets has been charged based on rates and methodologies specified in the Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2019, as required by Schedule II of the Companies Act, 2013. The Central Electricity Regulatory Commission (CERC), in its order dated January 20, 2024, has permitted the company to sign an agreement with the Indian Railways and transfer ownership rights of its infrastructure, including the track, signalling equipment, and overhead electrification (OHE), to the Indian Railways. As the Group will continue to obtain future economic benefits from the cost of such transferred assets, their carrying values have now been allocated to other major items of Property, Plant, and Equipment as enabling assets, in accordance with Indian Accounting Standard (IndAS) 16 'Property, Plant and Equipment'.
- (v) One of the subsidiary i.e. TP Solar Ltd is eligible for 25% grant on the eligible assets capitalised at Tirunelveli district, Tamil Nadu of upto ₹ 950 crore and the grant shall be disbursed in equal instalments over 6 years. Accordingly the subsidiary has recognised grant of ₹ 949.99 crore (March 31, 2024 ₹ 194.06 crore) and adjusted to the cost of assets. The Subsidiary has made assessment of the eligible grant and is of the view that there is reasonable assurance that the subsidiary will comply with the conditions attached to them and that the grants will be received. Accordingly, the subsidiary has recognised government grant upon capitalisation of the corresponding assets. The subsidiary is in the process of making necessary application for government grant, which is expected to be completed in the ensuing period.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

5. Right of Use Assets - ('ROU')

Accounting Policy

The Group recognises right of use assets at cost at the commencement date of the lease. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and estimate of costs to dismantle. After the commencement date, ROU assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated remaining useful lives of the assets, as follows:

- Leasehold Land including sub-surface right - 1 to 99 years
- Plant and Equipment - 2 to 10 years
- Building - 2 to 10 years
- Port and Intake channel - 40 years
- Ships - 12 to 13 years

Total	8,667.06	2,257.41	493.81	143.03	11,561.31

Note:

- In case of Odisha Discoms, CWIP ageing has been determined from the date of acquisition of businesses by the Group.
- There is no material project whose completion is overdue or has exceeded its costs compared to its original plan except Fuel Gas Desulfurisation project at Mundra and Jojobera plant amounting to ₹ 1,972.66 crore (March 31, 2024 ₹ 1,533.38 crore) which is expected to be completed in 1 year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

7 a Goodwill

	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore
Cost		
Opening Balance	1,757.46	1,858.31
Impairment during the year (refer note below)	(106.00)	(100.85)
Closing Balance	1,651.46	1,757.46
Goodwill generated on account of the following acquisitions over the years		
Renewables Segment		
Tata Power Renewable Energy Ltd.*	1,429.18	1,535.18
Transmission and Distribution Segment		
Tata Power Delhi Distribution Ltd.	5.54	5.54
TP Central Odisha Distribution Ltd.	25.50	25.50
TP Western Odisha Distribution Ltd.	102.00	102.00
TP Southern Odisha Distribution Ltd.	25.50	25.50
TP Northern Odisha Distribution Ltd.	63.74	63.74
	1,651.46	1,757.46

*Goodwill belong to erstwhile Walwhan Renewable Energy Ltd. ₹ 1,416.08 Cr and TP Wind Power Ltd. ₹ 13.10 which has been merged in current year with its holding company Tata Power Renewable Energy Ltd.

Note: Impairment assessment of Goodwill

In accordance with IND AS 36 "Impairment of Assets", the Group performed impairment testing of Goodwill assigned to each Cash Generating Unit (CGU) as at March 31, 2025 applying value in use approach across all the CGUs i.e. using cash flow projections based on financial budgets covering contracted power sale agreements with procurers (15 to 25 years) considering a discount rate mentioned below. The Group has used financial projections for 15 to 25 years as the tariff rates are fixed as per the Power Purchase Agreements (PPAs).

During the current year, based on annual impairment assessment required by IND AS 36, the management has assessed the carrying amount of goodwill amounting to ₹ 1,429.18 crore (net of impairment considered in earlier year of ₹ 112.80 crore) recognised by the Group in previous business combination transactions involving acquisition of renewable power plants. These renewable power plants were acquired by the Group during the year 2016-17 and while the Group continues to derive the economic benefits from these plants the estimated value in use was less than their respective carrying amount and hence impairment provision of ₹ 106.00 crore has been disclosed as an exceptional item. Management believes that any reasonably possible change in the key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the goodwill.

The key assumptions used in the value in use calculations are as follows:

Operation & Maintenance cost inflation	Escalation of 4% (March 31, 2024: 4%)
Continuity of PPA	Most of the projects have an aligned and secured Power Purchase Agreement (PPA) of 25 years, which would be majority of estimated life of respective plant. The PPAs guarantee steady cash flow to the Group through fixed tariff over the useful life of assets.
Discount Rate	8.39% p.a. to 8.84% p.a. (March 31, 2024: 10.69% to 11.21% p.a.) Pre-tax Discount rate has been derived based on current cost of borrowing and equity rate of return in line with the current market expectations.
Plant Load Factor (PLF)	Plant load factor is estimated for each CGU based on past trend of PLF and expected PLF in future years.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

7 b Other Intangible Assets

Accounting Policy

Intangible Assets acquired separately

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses if any.

Internally generated intangibles

Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

Subsequent Costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Derecognition of Intangible Assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in Consolidated Statement of Profit and Loss when the asset is derecognised.

Amortisation of Intangible Assets

Intangible assets with finite lives are amortised over the useful economic life on straight line basis and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life is reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Consolidated Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Accounting policy related to impairment has been disclosed in Note 4

Estimated useful lives of the Intangible Assets are as follows:

Type of asset	Useful lives
Copyrights, patents, other intellectual property rights, services and operating rights	5 to 20 years
Customer Contracts acquired under business combination	22 to 25 years
Computer Software	3 to 6 years
Rights to Transmission Line	25 years
Power Distribution Rights	20 years

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

8 b Investments accounted for using the Equity Method

- i) The Group has in accordance with Ind AS 36 – “Impairment of Assets”, carried out impairment assessment of its Mundra Ultra Mega Power Project (UMPP), along with investments in Indonesian mining companies PT Kaltim Prima Coal (KPC) and PT Baramulti Suksessarana TBK (BSSR) and related entities engaged in providing services to these businesses.

All these investments and assets of UMPP constitute a single cash generating unit (Mundra CGU) and form part of same segment due to interdependency of cash flows. There were significant losses being incurred in UMPP in coal prices due to change in Indonesian laws which is offset by the profits earned by the mining companies.

The Group has performed the impairment reassessment and determined the value in use based on estimated cash flow projections over the life of the assets included in CGU. The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group’s CGUs to which the individual assets are allocated.

For Mundra power plant, future cash flows is estimated based on remaining period of long term power purchase agreement (PPA) and thereafter based on management’s estimate on tariff and other assumptions. Cash flow projection of mines are derived based on estimated coal production considering renewal of license for operating the Mines. The License for operating mines was renewed for 10 years with an option of renewal of further period of 10 years with Government of Indonesia. In the past, the Group has recognised net impairment of ₹ 1,222.36 crore against carrying value of Mundra CGU which consists of impairment of investments of ₹ 911.42 crore, Property, Plant and Equipment ₹ 308.18 crore and impairment of Other Intangible Assets ₹ 2.76 crore.

A reassessment of the assumptions used in estimating the value in use of CGU, combined with the significant impact of unwinding of a year’s discount on the cash flows, would result in a reversal of ₹ 1,222.36 crore of provision for impairment. The Group believes that the reversal of impairment has not resulted from any significant improvement in the estimated service potential of the concerned CGU and hence the Group has not recognised the reversal of impairment.

Key assumptions used for value in use calculation include coal prices, energy prices post the PPA period, discount rates and exchange rates. Short term coal prices and energy prices used in three to five years projections are based on market survey and expert analysis report. Afterwards increase in cost of coal and exchange rates are considered based on long term historical trend. Further, the management strongly believes that mining licenses will be renewed after post expiry for a further period of 10 years by Government of Indonesia. Discount rate represents the current market assessment of the risk specific to CGU taking into consideration the time value of money. Pre-tax discount rate used in the calculation of value in use of investment in power plant is 10.56 % p.a. (March 31, 2024: 10.50% p.a.) and investment in coal mines and related infrastructure companies is 12.30% p.a. (March 31, 2024: 11.85% p.a.)

- ii) During the previous year, Far Eastern Natural Resources LLC , a Subsidiary of the Group was liquidated on November 22, 2023 and accordingly the necessary adjustments were considered in the Consolidated Financial Statements. There was no significant impact of the same on the Consolidated Financial Statements.
- iii) During the year, Tata Projects Ltd., an associate of the Holding Company, issued equity shares to other investors resulting into a dilution of the Group’s interest by 8.11% (March 31, 2024: 16.97%). Accordingly, gain on dilution of ₹ 161.95 crore (March 31, 2024: ₹ 234.68) crore has been recognized as exceptional item in the Consolidated Financial Statements.
- iv) Tata Projects Limited (Tata Projects), an associate of the Group, along with certain employees / ex-employee of Tata Projects and a Public Sector Utility (PSU) official has been arraigned in a Supplementary Final Report filed by the law enforcement agency in the Panchkula court in February 2025, concerning certain projects where Tata Projects is one of the EPC contractor for the PSU. Tata Projects is currently reviewing and evaluating the report in consultation with its legal experts to determine the next steps, however the operations of the associate were not impacted in any manner including its ongoing EPC contracts with the PSU during the period gone by. The Group has assessed that this does not have any material impact on the consolidated financial statements for the year ended March 31, 2025.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

8 c Other Investments (Contd.)

Notes:

1. The Group holds 12.67 crore shares of Tata Teleservices (Maharashtra) Limited ("TTML") designated as fair value through OCI which is carried out at each balance sheet date basis the quoted price. During the earlier year, quoted price of TTML has witnessed significant fluctuation and management believes that the quoted price did not represent the fair value of TTML shares since it has accumulated losses and negative net worth and on a conservative basis, the management has not recognized fair value gain in OCI after September 30, 2021. However, during the current year considering the market conditions have got stabilized and the price has become more reliable and represents the fair value, the Group has resumed the fair valuation of the investment effective from March 31, 2025 and recognised a gain of ₹ 265.34 crore in Other Comprehensive Income.
2. Investments at Fair Value through Other Comprehensive Income (FVTOCI) reflect investment in quoted and unquoted equity securities. These equity shares are designated as FVTOCI as they are not held for trading purpose and are not in similar line of business as the Group. Thus, disclosing their fair value fluctuation in profit or loss will not reflect the purpose of holding.
3. The cost of these investments approximate their fair value because there is a wide range of possible fair value measurements and the cost represents the best estimate of fair value within that range.

Less: Allowance for expected credit losses	1,963.70	1,503.36
Total	5,709.78	7,401.69

Notes:

- The Group holds security deposits and Letter of Credit of ₹ 465.26 crore (March 31, 2024 - ₹ 672.60 crore).
- The carrying amount of trade receivable does not include receivables of ₹ 2,049.64 crore (March 31, 2024: ₹1,498.35 crore) which are subject to a factoring arrangement. Under this arrangement, the Group has transferred the relevant receivables to the factoring agent in exchange for cash on non recourse basis. The Group, therefore, has derecognised the said receivables under the said arrangement. Amount received from such customers not transferred to factoring agent is disclosed as financial liability (Refer Note 27a).
- There are no outstanding receivables due from directors or other officers of the group.

9.1 Trade Receivables

The Group has used a practical expedient for computing the Expected Credit Loss ('ECL') allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience of Holding Company and respective subsidiaries and adjusted for forward looking information. The ECL allowance is based on the ageing of the receivables and has been calculated and applied at the respective entity level of the Group as per the relevant provisions of the Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024.

The ECL provision as at March 31, 2025, is more than the minimum provisioning required as per Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024.

In case of Odisha Discoms, the management believes that collection data related to pre-acquisition period is not relevant to assess ECL allowance on receivables in the post-acquisition period. In this scenario, the Group has recognised Expected Credit Loss (ECL) allowance on trade receivables using its best estimate considering among other aspects factors such as segregation between government and non-government consumers, security deposit available, outcome of the Company's effort to reach consumers, their most recent payment behaviour as well as the fact that electricity is an essential commodity and regulations will require consumers to clear old dues to get continuous supply of electricity.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

9. Trade Receivables (Contd.)

Post-acquisition of Odisha Discoms, the Group's endeavour has been to reduce AT&C losses, reducing provisional billing and improving collection through better reach to consumers. In the process, the Group has faced several challenges including Covid waves, Cyclones and delays in appointment/ working of metering, billing and collection (MBC) agencies for reasons beyond control of the Group. The Group has successfully dealt with these challenges. It is continuously working toward reducing provisional billing and improving overall collection efficiency by changing payment behaviour of consumer. The Group is confident it will be able to collect most of the outstanding receivables as it increases its reach to the consumers and also considering that electricity is an essential commodity for all consumers. Accordingly, the management believes the above ECL allowance reflects best estimate and is appropriate as per Ind AS 109 – Financial Instruments.

11. Finance Lease Receivable - At Amortised Cost

(Unsecured unless otherwise stated)

Accounting Policy

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee. All other leases are classified as operating lease. Amount due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease. The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term.

	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore
Finance Lease Receivable - Non-current	526.98	561.66

Total	601.45	627.58

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

11. Finance Lease Receivable – At Amortised Cost (Contd.)

11.1 Leasing Arrangements

- (i) The Group has entered into Power Purchase Agreement (PPA) with a customer for its assets located at Jojobera. The PPA relate to 30 years of take or pay agreements with the customer to supply electricity at a fixed plus variable charge. The customer, during the term of the PPAs has a right to purchase the assets and at the end of the contract is obligated to purchase same on the basis of the valuation to be determined as per the PPAs. The Group has recognised an amount of ₹ 64.36 crore (March 31, 2024 ₹ 79.03 crore) as income for finance lease during the year ended March 31, 2025.
- (ii) The Group has entered into arrangements with customer for leasing of Plant and Equipments. The arrangements is for 10 to 15 years to operate, maintain, and manage the equipment at fixed monthly lease rent payment. The Group has recognized an amount of ₹ 0.56 Crore (March 31, 2024 ₹ 0.44) as income for finance lease during the year ended March 31, 2025.
- (iii) The Group has entered into Power Purchase Agreements (PPA) with various customers for its rooftop solar assets located across various locations. As this arrangement is dependent on the use of a specific asset and conveys a right to use on the customer, it qualifies as a lease. Some of these are long tenor PPAs spread over a major part of the economic life of the asset. Accordingly, such arrangements have been categorized as a finance lease. The Group has recognised an amount of ₹ 10.16 crore (March 31, 2024 ₹ 10.97 crore) as income for finance lease during the year ended March 31, 2025.
- (iv) The Group has entered into arrangement with a customer for providing Infrastructure facilities and chargers for public transport utilities. The arrangement is for the period of 10 years for providing and maintaining infrastructure facility at a fixed charge. The Group has recognised an amount of ₹ 6.05 crore (March 31, 2024 ₹ 7.81 crore) as income for finance lease during the year ended March 31, 2025.

11.2 Amount receivable under Finance Lease

Particulars	Minimum Lease Payments as at March 31, 2025	Minimum Lease Payments as at March 31, 2024
	₹ crore	₹ crore
Less than a year	135.84	138.24
One to two years	132.19	131.88
Two to three years	100.57	129.27
Three to four years	99.17	97.06
Four to five years	98.86	96.98
Total (A)	566.63	593.43
More than five years (B)	356.02	419.66
Total (A+B)	922.65	1,013.09
Less - Unearned finance income	321.20	385.51
Present Value of Minimum Lease Payments Receivable	601.45	627.58

The interest rate inherent in the leases is constant in the contract for the entire lease term. The average effective interest rate inherent in the lease is approximately in the range of 8.00% to 16.00% per annum (as of March 31, 2024 - 8.00% to 16.00% per annum)

Lessor – Operating Lease

The Group has entered into operating leases for some of its building, plant and machinery and other equipments. These typically have lease terms of between 1 and 10 years. The Group has recognized an amount of ₹ 42.21 crore (March 31, 2024 - ₹ 27.13 crore) as rental income for operating lease during the year ended March 31, 2025.

14. Deferred Tax

Accounting Policy

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

14. Deferred Tax (Contd.)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

For operations carried out under tax holiday period (Section 80IA of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been recorded for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax related to items recognised outside profit or loss is recognised either in other comprehensive income or in equity. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised. The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

In the situations where one or more units of the Group are entitled to a tax holiday under the tax law, no deferred tax (asset or liability) is recognised in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned unit's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognised in the year in which the temporary differences originate. However, the Group restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

The Group recognises deferred tax liability for all taxable temporary differences, except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Note:

- In respect of plant at Tirunelveli, the Group is eligible for 1.8% turnover based subsidy on the annual turnover for a period of five years subject to fulfillment of certain conditions.

The Group has made assessment of the eligible turnover based subsidy and is of the view that there is reasonable assurance that the Group will comply with the conditions attaching to them and that the turnover based subsidy will be received. Accordingly, the Group has recognised government grant amounting to ₹ 93.01 crore (March 31, 2024: ₹ Nil) crore upon recognition of the revenue.

The Group is in the process of making necessary application for government grant, which is expected to be completed in the ensuing period.

16. Inventories

Accounting Policy

Inventories are stated at the lower of cost and net realisable value (NRV). Cost of inventory includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs of inventories are determined on weighted average basis.

Raw materials, land and stores and spares: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Finished goods and work in progress cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. NRV represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Unserviceable/damaged stores and spares are identified and written down based on technical evaluation.

Property acquired or being constructed for sale in the ordinary course of business, rather than to be held for rental or capital appreciation, is held as inventory property and is measured at the lower of cost and NRV. Principally, this is residential property that the Group develops and intends to sell before, or on completion of, development. Cost incurred in bringing each property to its present location and condition includes:

- Freehold and leasehold rights for land
- Amounts paid to contractors for development
- Planning and design costs, costs of site preparation, professional fees for legal services, property transfer taxes, development overheads and other related costs

NRV is the estimated selling price in the ordinary course of the business, based on market prices at the reporting date, less estimated costs of completion and the estimated costs necessary to make the sale. When an inventory property is sold, the carrying amount of the property is recognised as an expense in the period in which the related revenue is

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

16. Inventories (Contd.)

recognised. The carrying amount of inventory property recognised in profit or loss is determined with reference to the directly attributable costs incurred on the property sold and an allocation of any other related costs based on the relative size of the inventory property sold.

	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore

(e) Loose Tools	1.55	1.83
(f) Others		
Property under Development (Refer Note 3 below)	555.59	447.75
Total	4,571.82	4,419.63

Notes:

- The Group has recognised ₹ 0.05 crore (March 31, 2024 ₹ 0.64 crore) as an expense for the write down of unserviceable stores and spares and fuel inventory.
- Refer Note 24 and Note 31 for charge created on Inventories.
- During the year, the Group has completed the Slum Rehabilitation Authority (SRA) project activities on its piece of land and has obtained the occupancy certificate for the SRA project subsequent to the year end. Considering the management has obtained prior approval from the Board for the construction of building comprising of flats intended for sale upon completion of the SRA project activities, the costs incurred in relation to the SRA project has been classified as "Property Under Development" under Inventory.

Note:

Balances with banks held as margin money deposits against guarantees, consumer security deposits, consumer contribution for work under progress and short term borrowings.

19a. Assets Classified as Held For Sale

Accounting Policy

Non-current assets or disposal group are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset or disposal Group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset or disposal Group and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification. As at each balance sheet date, the management reviews the appropriateness of such classification

Non-current assets or disposal group classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

The Group treats sale/ distribution of the asset or disposal Group to be highly probable when:

- the appropriate level of management is committed to a plan to sell the asset (or disposal Group),
- an active program to locate a buyer and complete the plan has been initiated (if applicable),
- the asset (or disposal Group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- the sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Property, plant and equipment and intangible assets once classified as held for sale/distribution to owners are not depreciated or amortised.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

19 a. Assets Classified as Held For Sale (Contd.)

Notes:

- (i) During the earlier years, the following land has been classified to as assets held for sale:
- (a) Land at Naraj Marthapur ₹ Nil (March 31, 2024 - ₹ 84.58 crore (net of impairment loss of ₹ 37.00 crore)). During the year the Company has transferred the Land for a consideration amounting to ₹ 101.14 crore.
 - (b) Leasehold Land at Dehrand ₹ 215.56 crore (net of accumulated depreciation of ₹ 10.09 crore) [March 31, 2024 - ₹ 215.56 crore (net of accumulated depreciation of ₹ 10.09 crore)]. During the earlier years, the Group had received an advance of ₹ 113.56 crore (March 31, 2024 - ₹ 113.56 crore) against sale.
 - (c) Dewas rooftop in Madhya Pradesh ₹ Nil crore (March 31, 2024 - ₹ 3.51 crore)
- (ii) The following plant and equipment has been classified to assets held for sale:-
- (a) Rithala power generation plant ₹ 20.04 crore (net of impairment loss of ₹ 143.96 crore) (March 31, 2024 - ₹ 20.04 crore).

On August 31, 2017 the DERC issued the Order fixing the operational norms as specified in the DERC MYT Regulations, 2007 and allowed capital cost of the plant at ₹ 197.70 crore against ₹ 302.39 crore as per financial books of accounts. Further, the DERC has recognised tariff of the plant for 6 years (project life) from the date of commercial operation (COD) in combined cycle mode upto March 31, 2018 as against 15 years, being the life of the plant.

Further, DERC has issued Tariff Order dated November 11, 2019 for Rithala Power Plant and allowed depreciation for 6 years only. Aggrieved by the said order of lower allowance of depreciation, the Company has challenged the order before APTEL for balance depreciation along with other associated claims i.e. interest on debt, return on equity (RoE) etc. Further, favourable judgement was pronounced by APTEL on February 10, 2025 by allowing the recovery of entire capital cost. The impact of the said orders shall be allowed by DERC in the ensuing Tariff Order.

As required by Ind AS 105 "Non-current Assets Held for Sale and Discontinued Operations" the asset has been classified under the head "Assets Held for Sale" and the remaining written down value (WDV) net of fair value of plant has been shown as recoverable from future tariff on the basis of management evaluation supported by legal opinion with the condition that the net sale/scrap proceeds for Rithala Power Plant after recovering the 10% salvage value shall be offered in ARR.

- (iii) (a) In the earlier years, the Group had signed definitive agreements for sale of PT Arutmin Indonesia and its associated infrastructure (including infrastructure in other Joint Venture Companies) and trading companies for sale consideration of USD 397.32 million (post closing adjustments). During the year ended March 31, 2024, the Group has completed sale and has derecognized corresponding assets and liabilities including Goodwill allocated to Arutmin mines. Consequently, gain amounting to ₹ 139.53 crore has been disclosed as exceptional item as at March 31, 2024.
- (b) In the previous years, the Group decided to divest its investment in Itezhi Tezhi Power Corporation ('ITPC') of ₹ 713.80 crore (March 31, 2024 - ₹ 696.62 crore) and other receivables from ITPC of ₹ 4.15 crore (March 31, 2024 - ₹ 4.15 crore). Accordingly, the said investment along with other receivables has been classified as held for sale.
- (c) The Group holds investments in Adjaristsqali Netherlands B.V. (ABV) (a Joint Venture of the Group) operating 187 MW hydro power plant in Georgia. In earlier year, the Group has decided to divest its investment in ABV and accordingly the said investment along with perpetual securities has been classified as held for sale. The net investment value in ABV including perpetual securities after impairment provision is ₹ 191.66 crore as on March 31, 2025 (March 31, 2024 - ₹ 176.53 crore).

The Group has performed the recoverability assessment and determined the value in use based on estimated cash flow projections over the life of the assets included in CGU. Projected cash flows include cash flow projections approved by management covering 3 years and the cash flows beyond that has been projected based on the long term forecast.

The following key assumptions were used for performing the valuation:

- Tariff post PPA period of 15 years.
- A pre-tax discount rate of 8.02 % p.a was applied

19 b. Liabilities directly associated with Assets Classified as Held For Sale

	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore
Advance received for land classified as held for sale	113.56	113.56
Total	113.56	113.56

The Group has received an advance of ₹ 113.56 crore towards the sale of Dehrand land having net book value of ₹ 215.56 crore (March 31, 2024 - ₹ 215.56 crore).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

20. Regulatory Deferral Account

Accounting Policy

The Group determines revenue gaps (i.e. surplus/shortfall in actual returns over returns entitled) in respect of its regulated distribution operations in accordance with the provisions of Ind AS 114 "Regulatory Deferral Accounts" read with the Guidance Note on Rate Regulated Activities issued by ICAI and based on the principles laid down under the relevant Tariff Regulations/Tariff Orders notified by the Electricity Regulatory Commission (Regulator) and the actual or expected actions of the regulator under the applicable regulatory framework. Appropriate adjustments in respect of such revenue gaps are made in the regulatory deferral account of the respective year for the amounts which are reasonably determinable and no significant uncertainty exists in such determination. These adjustments/accruals representing revenue gaps along with carrying cost are carried forward as Regulatory deferral accounts debit/credit balances (Regulatory Assets/Regulatory Liabilities) as the case may be in the Consolidated Financial Statements, which would be recovered/refunded through future billing based on future tariff determination by the regulator in accordance with the electricity regulations. The Group presents separate line items in the Consolidated Balance Sheet for:

- i. the total of all regulatory deferral account debit balances; and
- ii. the total of all regulatory deferral account credit balances.

A separate line item is presented in the Consolidated Statement of Profit and Loss for the net movement in regulatory deferral account and deferred tax recoverable payable.

	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore
Regulatory Deferral Account - Liability		
Regulatory Liabilities - Non- Current	Nil	510.00
Regulatory Liabilities - Current	138.74	206.42
Total	138.74	716.42
Regulatory Deferral Account - Assets		
Regulatory Assets - Non -Current	4,372.44	4,249.66
Regulatory Assets -Current	2,791.17	4,049.00
Total	7,163.61	8,298.66
Net Regulatory Assets/(Liabilities)	7,024.87	7,582.24

Rate Regulated Activities

- (i) As per the Ind AS-114 'Regulatory Deferral Accounts', the business of electricity distribution is a Rate Regulated activity wherein the regulators determine Tariff to be charged to consumers based on prevailing regulations in place.

The Group is governed by the tariff regulations and tariff orders issued by Regulatory Commissions in Maharashtra, Delhi and Odisha. These regulations determine tariff in a manner wherein the Group can recover its fixed and variable costs including fixed rate of return on approved equity base, from its consumers. The Group determines the Revenue, Regulatory Assets and Liabilities as per the terms and conditions specified in these Regulations.

- (ii) Risks associated with future recovery/reversal of regulatory deferral account balances:
 - (a) demand risk due to changes in consumer attitudes, the availability of alternative sources of supply
 - (b) regulatory risk on account of changes in regulations and submission or approval of a rate-setting application or the entity's assessment of the expected future regulatory actions
 - (c) other risks including market risks, if any

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

20. Regulatory Deferral Account (Contd.)

(iii) Reconciliation of Regulatory Assets/Liabilities of distribution business as per Rate Regulated Activities as on March 31, 2025, is as follows:

		For the year ended March 31, 2025	For the year ended March 31, 2024
		₹ crore	₹ crore
Opening Regulatory Assets (Net of Liabilities)	(A)	7,582.24	7,198.09
Regulatory Deferral Balances (net) during the year			
(i) Power Purchase Cost		23,665.63	23,409.92
(ii) Other expenses as per the terms of Tariff Regulations including Return On Equity, PFC Interest reversal		10,073.27	8,704.60
(iii) Billed during the year as per approved Tariff		(35,079.96)	(32,058.28)
(iv) Net movement in Regulatory Deferral Balances in respect of earlier years		493.49	7.34

Recovery from/(Payable to) Group's Generation Business	(G)	Nil	(21.78)
Other Regulatory Adjustment	(H)	53.78	Nil
Closing Regulatory Asset (Net of Liabilities)	(A+D+E+F+G+H)	7,024.87	7,582.24

Notes:

- During the year, Delhi Electricity Regulatory Commission ("DERC") has passed a tariff true-up order upto FY20-21 in respect of Tata Power Delhi Distribution Limited, a subsidiary company. Accordingly, Group has recognised regulatory deferral assets amounting to ₹ 472 crore and recognised consequential tax expense of ₹ 139 crore in the Consolidated Financial Statement for the year ended March 31, 2025.
- During the year, the Ministry of Power (MOP) has issued Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024 ('the Notification') under the Electricity Act, 2003 which is applicable prospectively from October 14, 2024. The Company is of the view, supported by a legal opinion, that Rule 4 of the Notification has no impact on the recognition of regulatory deferral account balances ('RDA'). On April 8, 2025, the MOP has issued a draft amendment and sought comments on said Rule 4 proposing accounting for RDA as per applicable accounting standards and guidance note on accounting for Rate regulated entities. It further suggests impairment criteria basis age of RDA effective from April 1, 2025. Accordingly, the Group believes there is no impact of the said rule 4 and the proposed amendment on the accounting of RDA as at March 31, 2025.

Notes:

1. Includes gain on fair valuation of land which is not available for distribution ₹ 227.03 crore (March 31, 2024 - ₹ 227.03 crore).
2. The shareholders of the Holding Company in their meeting held on July 16, 2024 approved final dividend of ₹ 2.00 per share aggregating to ₹ 639.07 crore for the financial year 2023-24. The said dividend was paid to the holders of fully paid equity shares on July 18, 2024.
3. The Board of Directors at its meeting held on May 14, 2025 proposed a dividend of ₹ 2.25 per equity share subject to the approval of the shareholders in the upcoming annual general meeting and has not been included as a liability in the Consolidated Financial Statements. The proposed equity dividend is payable to all holders of fully paid equity shares. The total estimated equity dividend to be paid is ₹ 718.95 crore.

Nature and purpose of reserves:

General Reserve

The Group created a General Reserve in earlier years pursuant to the provisions of the erstwhile Companies Act, 1956 wherein certain percentage of profits were required to be transferred to General Reserve before declaring dividends. As per Companies Act 2013, the requirement to transfer profits to General Reserve is not mandatory. General reserve represents appropriation of retained earnings and are available for distribution to shareholders.

Securities Premium

Securities Premium is used to record the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

Debenture Redemption Reserve

The Group was required to create a Debenture Redemption Reserve out of the profits which are available for payment of dividend for the purpose of redemption of debentures. Pursuant to Companies (Share Capital and Debentures) Amendment Rules, 2019 dated August 16, 2019, the Group is not creating additional debenture redemption reserve (DRR) from the effective date of amendment. DRR created till previous years will be transferred to retained earnings on redemption of debentures.

Capital Redemption Reserve

Capital Redemption Reserve represents amounts set aside on redemption of preference shares.

Capital Reserve

Capital Reserve consists of forfeiture of the amount received from Tata Sons Pvt. Ltd. on preferential allotment of convertible warrants in the Group, on the lapse of the period to exercise right to convert the said warrants and on forfeiture of amounts paid on Debentures.

Statutory Reserve

Statutory Reserve consists of Special Appropriation towards Project Cost, Development Reserve and Investment Allowance Reserve.

Special appropriation to project cost - Due to high capital investment required for the expansion in the electricity industry, the Maharashtra State Government had permitted part of the capital cost of approved projects to be collected through the electricity tariff and held as a special appropriation.

Development Reserve / Investment Allowance Reserve - Until 1978, the Companies made appropriations to a Development Reserve and an Investment Allowance Reserve as required by the Income Tax Act, 1956. New appropriations to these reserves are no longer required due to changes in Indian law.

Share Based Payments Reserve

The share options-based payment reserve is used to recognise the grant date fair value of options issued to employees under Employee stock option plan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

22. Other Equity (Contd.)

Retained Earnings

Retained Earnings are the profits/losses of the Group earned/incurred till date net of appropriations.

Equity Instruments through Other Comprehensive Income

This reserve represents the cumulative gains and losses arising on revaluation of equity instruments measured at fair value through other comprehensive income, net of amounts reclassified to retained earnings when those equity instruments are disposed off.

Foreign Currency Translation Reserve

Exchange differences relating to the translation of the results and net assets of the Group's foreign operations from their functional currencies to the Group's presentation currency (i.e. ₹) are recognised directly in other comprehensive income and accumulated in the foreign currency translation reserve.

Effective Portion of Cash Flow Hedge

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. The cumulative gain or loss arising on changes in fair value of the designated portion of the hedging instruments that are recognised and accumulated under the heading of cash flow hedging reserve will be reclassified to profit or loss only when the hedged transaction affects the profit or loss, or included as a basis adjustment to the non-financial hedged item.

Equity Component of Financial Instruments

Equity Component of Financial Instruments represents the difference between the liability portion (determined using effective interest method) and the issued amount of non convertible debentures issued by one of the Associate of the Group.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

25. Lease Liabilities

Accounting Policy

At inception of contract, the Group assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At inception or on reassessment of a contract that contains a lease component, the Group allocates consideration in the contract to each lease component on the basis of their relative standalone price.

As a lessee

i) Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date if the discount rate implicit in the lease is not readily determinable.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. The carrying amount is remeasured when there is a change in future lease payments arising from a change in index or rate. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

ii) Short term leases and leases of low value of assets

The Group applies the short-term lease recognition exemption to its short-term leases. It also applies the lease of low-value assets recognition exemption that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Leasing arrangement as Lessee

The Group has lease contracts for various items of plant, machinery, land, vehicles and other equipment used in its operations. Leases of lands including sub-surface rights generally have lease terms between 2 years and 95 years, while plant and machinery, motor vehicles and other equipment generally have lease terms 3 years and 40 years.

* Includes provision for expenses, where invoices not received.

Note

- In line with the recent opinion issued by the Expert Advisory Committee (EAC) of the Institute of Chartered Accountants of India (ICAI) on the "Classification and Presentation of Accrued Wages and Salaries to Employees", the Company has concluded that presenting such amounts under 'Payable to Employees', within 'Other Financial Liabilities- Current', results in improved presentation and better reflects the nature of these obligations. Accordingly, amounts aggregating to ₹ 545.15 crore as at March 31, 2024, previously classified under 'Trade Payables', have been reclassified under Note 27a 'Other Financial Liabilities- Current'. Both line items form part of the main heading 'Financial Liabilities'.

The above changes do not impact recognition and measurement of items in the financial statements, and, consequentially, there is no impact on total equity and/ or profit (loss) for the current or any of the earlier periods. Nor there is any material impact on presentation of cash flow statement. Considering the nature of changes, the management believes that they do not have any material impact on the balance sheet at the beginning of the comparative period and, therefore, there is no need for separate presentation of third balance sheet.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Other Deposit from Government	113.91	Nil
Others	436.69	477.30
	12,427.03	10,984.79

Notes:

- From the amount deposited in Investor Education and Protection Fund there are amount aggregating to ₹ 0.24 crore (March 31, 2024 - ₹ 0.24 crore) in respect of which disputes are currently ongoing.
- Based on review of commonly prevailing practices and to align with Expert Advisory opinion issued on classification of security deposits from customers, Group has reclassified security deposits from Electricity Consumers for a subsidiary earlier presented as non-current financial liability to current financial liability. Prior year comparative amounting to ₹ 960.70 crore have been accordingly reclassified. The management believes that the reclassification does not have any material impact on information presented in the balance sheet March 31, 2024.

27 b Acceptances

The Group has reassessed certain disclosures to provide users with a clearer assessment of the impact on liabilities, cash flows, and liquidity risks. Accordingly, interest-bearing short-term acceptances, term acceptances amounting to ₹ 5,129.93 crore (March 31, 2024 - ₹ 5,317.22 crore), in the nature of trade credits availed from banks and financial institutions for payments to coal suppliers, have been reclassified from 'other financial liabilities' and disclosed as a separate line under financial liabilities.

	₹ crore	₹ crore
Current		
Income Tax Payable	208.20	291.54
Total	208.20	291.54

29. Provisions

Accounting Policy

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Present obligations arising under onerous contracts are recognised and measured as provisions with charge to Consolidated Statement of Profit and Loss. An onerous contract is considered to exist where the Group has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract. Before a separate provision for an onerous contract is established, the Group recognises any impairment loss that has occurred on assets dedicated to that contract

Restructuring provisions are recognised only when the Group has a constructive obligation, which is when:

- a detailed formal plan identifies the business or part of the business concerned, the location and number of employees affected, a detailed estimate of the associated costs, and the timeline; and
- the employees affected have been notified of the plan's main features.

Defined contribution plans

The Group participates in a number of defined contribution plans on behalf of relevant personnel. Any expense recognised in relation to these schemes represents the value of contributions payable during the period by the Group at rates specified by the rules of those plans. The only amounts included in the consolidated balance sheet are those relating to the prior months contributions that were not due to be paid until after the end of the reporting period.

Defined benefits plans

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Consolidated Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in the Consolidated Statement of Profit and Loss on the earlier of:

- the date of the plan amendment or curtailment, and
- the date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the Consolidated Statement of Profit and Loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

29. Provisions (Contd.)

rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

Current and other non-current employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of current employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other non-current employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

Notes:

1. The provision for warranty claims represents estimated warranty liability for the products sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures.
2. The provision for losses includes provision for estimated losses on onerous contracts and provision for litigation recognised.
3. During the year, pursuant to the merger of 23 renewable group companies with Tata Power Renewable Energy Limited has estimated the impact of stamp duty payable and recognised provision amounting to ₹ 140 crore, the same is disclosed as an exceptional item in the Consolidated Financial Statement (also refer note 2.6(1)).

Employee Benefit Plans

1. Defined Contribution plan

Provident fund

The Group provide provident fund benefits for eligible employees as per applicable regulations wherein employees of the holding Company/subsidiaries make monthly contributions at a specified percentage of the eligible employees' salary. Contributions under such schemes are made either to a provident fund set up as an irrevocable trust by the holding Company/subsidiaries to manage the investments and distribute the amounts entitled to employees or to state managed funds. Benefits provided under plans wherein contributions are made to state managed funds and the Group do not have a future obligation to make good short fall if any, are treated as a defined contribution plan.

Superannuation fund

The Group have a superannuation plan for the benefit of its employees. Employees who are members of the superannuation plan are entitled to benefits depending on the years of service and salary drawn. Separate irrevocable trusts are maintained for employees covered and entitled to benefits. Group contribute up to 15% of the eligible employees' salary to the trust every year. Such contributions are recognised as an expense as and when incurred. The Group do not have any further obligations beyond this contribution.

2. Defined benefit plans

2.1 The Group operates the following unfunded/funded defined benefit plans:

Funded:

Provident Fund

The Parent Company and some of its Indian subsidiaries makes Provident Fund contributions to defined benefit plans for eligible employees. Under the scheme, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions as specified under the law are paid to the provident fund set up as a trust by the Group. The Group is liable for annual contributions and any shortfall in the fund assets based on the government specified minimum rates of return and recognises such contributions and shortfall, if any, as an expense in the year it is incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

29. Provisions (Contd.)

Pension Fund

The Odisha Distribution Companies have a defined benefit pension plan which is primarily governed by the Odisha Civil Services (Pension) Rules, 1992. The level of benefits, eligibility depends on the date of joining, member's length of service and salary at the retirement date. The pension plan is funded plan. The fund is in the form of a trust and is governed by Trustees appointed by the respective subsidiaries. The Trustees are responsible for the administration of the plan assets and for defining the investment strategy in accordance with the regulations.

The significant assumptions used for the purpose of the actuarial valuations were as follows:

Particulars	As at March 31, 2025	As at March 31, 2024

Unfunded:

Post Employment Medical Benefits

The Group provides certain post-employment health care benefits to superannuated employees at some of its locations. In terms of the plan, the retired employees can avail free medical check-up and medicines at Group's facilities.

Pension (including Director pension)

The Group operates a defined benefit pension plan for some of the employees who have completed 15 years of continuous service. The plan provides benefits to members in the form of a pre-determined lumpsum payment on retirement. Executive Director, on retirement, is entitled to pension payable for life including HRA benefit. The level of benefit is approved by the Board of Directors of the Group from time to time.

Ex-Gratia Death Benefit

The Group has a defined benefit plan granting ex-gratia in case of death during service. The benefit consists of a pre-determined lumpsum amount along with a sum determined based on the last drawn basic salary per month and the length of service.

Retirement Gift

The Group has a defined benefit plan granting a pre-determined sum as retirement gift on superannuation of an employee.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

29. Provisions (Contd.)

Funded/Unfunded:

Gratuity

The Group has a defined benefit gratuity plan. The gratuity plan is primarily governed by the Payment of Gratuity Act, 1972. The gratuity plan of the Odisha Distribution Companies is governed by the Odisha Civil Services (Pension) Rules, 1992 and the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The level of benefits provided depends on the member's length of service and salary at the retirement date. The gratuity plan is a combination of funded plan and unfunded plan for various companies in the Group. In case of funded plan, the fund has the form of a trust and is governed by Trustees appointed by the Group. The Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy in accordance with the trust regulations.

2.2 The principal assumptions used for the purposes of the actuarial valuations for funded and unfunded plan were as follows:

Valuation as at	As at March 31, 2025	As at March 31, 2024
Discount Rate	6.7% to 6.84% p.a.	7% to 7.3% p.a.

2.7 Pre-acquisition liabilities of employees transferred from erstwhile CESU WESCO, SOUTHCO and NESCO (Odisha discoms):

The Group has acquired the electricity distribution business of Odisha discoms utilities in financial year 2020-21 and 2021-22. As a part of Business transfer, all the employees of the undertaking were transferred to the group effective from date of acquisition on a continuity of service conditions. Previously retired employees as well as continuing employees of respective utilities transferred to the group are entitled to pension and/or gratuity plan which are managed by separate trusts who are responsible for the disbursement of pension and gratuity to the beneficiaries. Liabilities of these trusts determined on an actuarial basis exceed assets available with them. Based on terms of the Vesting Order as modified by the Carve Out Order, these liabilities are treated in two parts.

2.8 Liabilities for past employees and acquisition date liabilities of existing employees

The Vesting Order as modified by the Carve Out order states that for entire liabilities toward pension, gratuity and leave encashment of past employees and acquisition date liabilities of existing employees, the group responsibility is limited only to remitting fixed amount requested by the respective Trusts and recovered by it from consumers as a part of ARR for disbursement to the beneficiaries covered under the Trusts. Given below are details of Trusts' total accrued liabilities in respect of these obligations not transferred to the group at this stage.

As at March 31, 2025

₹ crore

Particular	Pension	Gratuity	Leave	Total
Total liability of all employees	6,506.32	371.32	601.95	7,479.59
Total liabilities in respect of obligation not transferred to the Group				
Total liabilities of past employees	4,317.13	Nil	Nil	4,317.13

Amount paid/payable towards liabilities in respect of obligation transferred to the Group	18.90	16.68	9.92	45.50
Total	521.80	37.42	32.64	591.86

Post acquisition date liabilities of existing employees :

The Group has assessed that post transfer of business, these plans as defined benefit plans and has accordingly recognized incremental liability in respect of existing employees on the acquisition date in the financial statements. Necessary disclosures in respect of these liabilities, along with other defined benefit plans of the Group, is included in this note.

2.9 Sensitivity analysis

The sensitivity of the defined benefit obligations to changes in the weighted principal assumptions is:

Particulars	Change in assumption		Increase in assumption		Decrease in assumption	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
			Increase/(Decrease) in defined benefit obligation		Increase/(Decrease) in defined benefit obligation	
			₹ crore	₹ crore	₹ crore	₹ crore
Discount rate	0.5% to 1%	0.5% to 1%	(225.64)	(177.94)	248.31	206.97
Salary/Pension growth rate	0.5% to 1%	0.5% to 1%	114.52	99.00	(109.54)	(60.71)
Mortality rates	1 year	1 year	(6.38)	(6.18)	6.51	6.29
Healthcare cost	0.5% to 5%	0.5% to 5%	6.37	5.31	(5.63)	(4.74)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

29. Provisions (Contd.)

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Consolidated Balance Sheet.

The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

These plans typically expose the Group to actuarial risks such as: Investment Risk, Interest Risk, Longevity Risk and Salary Risk.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.
Interest Risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

2.10 The expected maturity analysis of undiscounted defined benefit obligation (Funded and Unfunded) is as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
	₹ crore	₹ crore
Within 1 year	274.76	250.81
Between 1 - 2 years	334.87	300.95
Between 2 - 3 years	384.47	315.48
Between 3 - 4 years	337.88	343.60
Between 4 - 5 years	377.65	320.73
Beyond 5 years	1,700.59	1,599.34

The weighted average duration of:	As at March 31, 2025	As at March 31, 2024
Provident Fund	7.5 Years to 8 Years	8 Years
Gratuity Fund	7.4 Years to 10 Years	7.4 Years to 10 Years

2.11 Risk exposure:

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility:

The plan liabilities are calculated using a discount rate set with reference to government bond yield. If plan assets underperform this yield, it will result in deficit. These are subject to interest rate risk.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

29. Provisions (Contd.)

Inflation rate risk:

Higher than expected increase in salary and medical cost will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligations is not straight forward and depends upon the combination of salary increase, discount rate and vesting criterion.

2.12 Major categories of plan assets:

Plan assets are funded with the trust set up by the Group. The Insurer trust invests the funds in various financial instruments. Major categories of plan assets are as follows:

Particulars	Provident Fund		Gratuity		Pension	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
	%	%	%	%	%	%
Quoted Equity Instruments	10%	10%	4%	6%	1%	1%
Debt and Other Instruments	47%	43%	24%	38%	37%	42%
Government Securities*	44%	47%	72%	56%	62%	57%

*including Schemes of insurance - conventional products

Note:

Security

Short-term Loans and Buyer's Line of Credit availed by various entities of the Group are secured by a charge on immovable property of certain entities, both present and future and are also secured by way of charge on tangible and intangible assets, current assets, receivables and stores and spares, uncalled capital receivables, rights under project documents, project cash flows, pledge of shares and monies receivable of the respective entities. Range of interest rates is 4.50 % p.a. to 10.90 % p.a.

Current borrowings secured against current assets

The quarterly returns or statements of current assets filed by the Group with the banks or financial institutions are in agreement with the books of accounts.

32. Revenue recognition

Accounting Policy

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Description of performance obligations are as follows:

(i) Sale of Power - Generation

Revenue from sale of power is recognised (net of cash discount) over time for each unit of electricity delivered.

a) Contract price determined as per tariff regulations

The Group as per the prevalent tariff regulations is required to recover its Annual Revenue Requirement ('ARR') comprising of expenditure on account of fuel cost, operations and maintenance expenses, financing costs, taxes and assured return on regulator approved equity with additional incentive for operational efficiencies. Accordingly, rate per unit is determined using input method based on the Group's efforts

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue recognition (Contd.)

towards the satisfaction of a performance obligation to deliver power. As per tariff regulations, the Group determines ARR and any surplus/shortfall in recovery of the same is accounted as revenue. With corresponding adjustment to recoverable from customer (in case of shortfall) or payable to customer (in case of surplus).

b) Contract Price as per long term agreements

Revenue from sale of power is recognized (net of cash discount, rebate, etc.) when each unit of power is supplied as it best depicts the value to the customer and complete satisfaction of performance obligation. Variable Consideration forming part of the total transaction price, including compensation on account of change in law, is allocated and recognized when the terms of variable payment relate specifically to the Group's efforts to satisfy the performance obligation i.e. in the year of occurrence of event linked to variable consideration.

The transaction price has been adjusted for significant financing component, if any, and the adjustment is accounted as finance cost. The difference between the revenue recognized and amount invoiced has been presented as deferred revenue/unbilled revenue.

(ii) Sale of Power - Generation (Wind and Solar)

Revenue from sale of power is recognised net of cash discount over time for each unit of electricity delivered at the contracted rate. The transaction price is adjusted for significant financing component, if any and the adjustment is accounted as finance cost.

(iii) Transmission of Power

Revenue from transmission of power is recognised net of cash discount over time for transmission of electricity. The Group as per the prevalent tariff regulations is required to recover its Annual Revenue Requirement ('ARR') comprising of expenditure on account of operations and maintenance expenses, financing costs, taxes and assured return on regulator approved equity with additional incentive for operational efficiencies.

Input method is used to recognise revenue based on the Group's efforts or inputs to the satisfaction of a performance obligation to deliver power.

As per tariff regulations, the Group determines ARR and any surplus/shortfall in recovery of the same is accounted as revenue.

(iv) Sale of Power - Distribution

Revenue from sale of power is recognised net of cash discount over time for each unit of electricity delivered at the predetermined rate as per tariff order, including relevant provisions of Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024.

(v) Trading of power

In the arrangements where the Group is acting as an agent, the revenue is recognised on net basis when the units of electricity are delivered to power procurers because this is when the Group transfers control over its services and the customer benefits from the Group's such agency services.

The Group determines its revenue on certain contracts net of power purchase cost based on the following factors:

- another party is primarily responsible for fulfilling the contract as the Group does not have the ability to direct the use of power supplied or obtain benefits from supply of power.
- the Group does not have inventory risk before or after the power has been delivered to customers as the power is directly supplied to customer.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue recognition (Contd.)

- c. the Group has no discretion in establishing the price for supply of power. The Group's consideration in these contracts is only based on the difference between sales price charged to procurer and purchase price given to supplier.

For other contracts which does not qualify the conditions mentioned above, revenue is determined on gross basis.

(vi) Revenue from Construction / Project Related Activity:

Revenue from contracts with customers is recognised when a performance obligation is satisfied by transfer of promised goods or services to a customer. For performance obligation satisfied over time, the revenue is recognized by measuring the progress towards satisfaction of performance obligation.

The Group transfers control of a good or service over time and satisfies a performance obligation and recognises revenue over a period of time if one of the following criteria is met:

- (a) the customer simultaneously consumes the benefit of the Group's performance or
- (b) the customer controls the asset as it is being created/enhanced by the Group's performance or
- (c) there is no alternative use of the asset and the group has either explicit or implicit right of payment considering legal precedents

Fixed price contracts: Contract revenue is recognised at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.

Determination of percentage of completion

The Group uses the proportionate completion method for recognition of revenue, accounting for unbilled revenue / unearned revenue and contract cost thereon for its turnkey contracts. The percentage of completion is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Use of the proportionate completion method requires the Group to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred, the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, which generally coincides with dispatch/delivery of the goods as per the terms agreed with the customers. Revenues from turnkey contracts, which are generally time bound fixed price contracts, are recognised over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognised when probable.

Revenue from maintenance services is ratably recognized over the term of service as per the terms agreed with the customers. For contracts where the aggregate of contract revenue exceeds the progress billing, the surplus is shown as contract asset and termed as "Due from customers".

For contracts where progress billing exceeds the aggregate of contract revenue, the surplus is shown as contract liability and termed as "Due to customers".

The amounts billed to customer so far and are unconditionally due for payment are disclosed in the Balance Sheet as trade receivables.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue recognition (Contd.)

(vii) Sale of Solar Products

Revenue from sale of products is recognised when control of the products is transferred, being when the products are delivered to the customer. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the risks of loss has been transferred, and either the customer has accepted the products in accordance with the sales contract, or the group has objective evidence that all criteria for acceptance have been satisfied. Sale of products include related ancillary services, if any.

(viii) Sale of Electronic Products

The Group's contract with customers for the sale of electronic goods generally include one performance obligation. Revenue from the sale of electronic goods is recognised at the point in time when control of the goods is transferred to the customers, generally on delivery of goods.

(ix) Rendering of Services

Revenue from a contract to provide services is recognised over time based on :

Input method where the extent of progress towards completion is measured based on the ratio of costs incurred to date to the total estimated costs at completion of performance obligation. Revenue, including estimated fees or profits, are recorded proportionally based on measure of progress.

Output method where direct measurements of value to the customer based on survey's of performance completed to date.

Revenue is recognised net of cash discount at the contracted rate.

(x) Sale and Installation of Power Distribution System with Deferred Payment facilities

The Group recognises financial assets, attracting interest, in its balance sheet, in consideration for the services it provides. Such financial assets are recognised in the balance sheet under Financial Assets, in an amount corresponding to the fair value of the infrastructure on first recognition and subsequently at amortised cost. The receivables is settled by means of the customer's payment received. The income calculated on the basis of the effective interest rate is recognised under other operating income.

(xi) Service Concession Arrangements

Revenue related to construction services provided under service concession arrangement is recognised based on the stage of completion of the work performed. Operation and maintenance services revenue with respect to intangible assets is recognised in the period in which the services are provided by the Group. Finance income is recognised using effective interest rate method for financial assets.

(xii) Amortisation of Service Line Contribution

Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Such revenue is recognised over the useful life of the property, plant and equipment.

(xiii) Delayed Payment Charges

Consumers are billed on a monthly basis and are given an interest-free credit period of 30 to 60 days for payment. Wherever applicable, no delayed payment charges ('DPC') is charged for the initial 30 days from the date of receipt of invoice by customers. Thereafter, DPC is charged as per the relevant contract on the outstanding balance. Revenue in respect of delayed payment charges and interest on delayed payments leviable as per the relevant contracts are recognized on actual realization or accrued based on an assessment of certainty of realizations supported by either an acknowledgement from customers or on receipt of favorable order from regulator/authorities.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue recognition (Contd.)

(xiv) Net movement in Regulatory Deferral Balances

In the regulated operations of the Group where tariff recovered from consumers is determined on cost plus return on equity, the Income tax cost is pass through cost and accordingly the Group recognises Regulatory deferral against any Deferred tax expense/ income. The same has now been included in 'Revenue from Operations' in case of Generation and Transmission Divisions and 'Net Movement in Regulatory Deferral Balances' in case of Distribution Division.

There is no significant judgement involved while evaluating the timing as to when customers obtain control of promised goods and services.

	For the year ended March 31, 2025	For the year ended March 31, 2024

	1,860.17	1,560.98
Total	65,478.24	61,448.90

Notes:

- During the previous year, Jharkhand State Electricity Regulatory Commission ('JERC') has published revised Tariff Regulation for control period FY 2022 to 2026 and has also passed true up order for FY 2021-22 and FY 2022-23 in relation to two Jojobera units. The Group has considered the aforesaid revised regulation and true up order and accordingly, recognized additional revenue amounting to ₹ 72.42 Crore pertaining to earlier years.
- The Group is supplying power from the Mundra Power Plant based on the directions of Ministry of Power ('MoP') under Section 11 of the Electricity Act, 2003 since April 16, 2023. Accordingly, the Group has recognised revenue based on the Central Electricity Regulatory Commission ('CERC') Order dated January 3, 2023. Further on April 30, 2025 MoP has extended the term of said direction upto June 30, 2025. (Refer Note 41(B)(b)).
- During the year, the Hon'ble Appellate Tribunal for Electricity (APTEL), vide its order dated October 25, 2024 has allowed the Company's appeal with respect to certain claims related to change in law for Mundra generating plant. Further, APTEL has issued directions to CERC to finalise the computation of the claim. On March 12, 2025 CERC has issued the final order and accordingly the Group has recorded the claim amounting to ₹ 210.01 crore as Revenue from Operations and ₹ 111.85 crore as Other Income. (Refer note 41 (B)(c) .
- During the previous year, the Hon'ble Central Electricity Regulatory Commission (CERC) has passed a favourable order pertaining to past disputes in respect of Maithon Power Limited ("MPL"), a subsidiary company. Accordingly, the Group has accrued an amount of ₹ 102 crore (including ₹ 48 crore in Net Movement in Regulatory Deferral Balances).

Total Revenue from Contract with Customers	64,205.72	60,448.98
Less: Significant Financing Component	(38.89)	(131.70)
Add: Cash Discount/Rebates etc.	575.83	510.74
Total Revenue as per Contracted Price	64,742.66	60,828.02

Transaction Price - Remaining Performance Obligation

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognised as at the end of the reporting period and an explanation as to when the Group expects to recognise these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Group has not disclosed the remaining performance obligation related disclosures for contracts as the revenue recognised corresponds directly with the value to the customer of the entity's performance completed to date.

The aggregate value of performance obligations that are partially unsatisfied as at March 31, 2025, other than those meeting the exclusion criteria mentioned above, is ₹91,025.40 crore (March 31, 2024 - ₹88,229.35 crore). Out of this, the Group expects to recognize revenue of around 21.14% (March 31, 2024 - 14.33%) within the next one year and the remaining thereafter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue from Operations (Contd.)

Revenue Disaggregation

Revenue is disaggregated by type and nature of product or services. The table also includes the reconciliation of the disaggregated revenue with the Group's reportable segment.

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract assets are transferred to receivables when the rights become unconditional.

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the transfer of goods or services, a contract liability is recognised when the actual payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the performance obligation is satisfied.

Significant changes in the contract assets and the contract liabilities balances during the year are as follows:

Movement in Recoverable from consumers and Liabilities towards consumers

Additional Disclosure Statement - Service Concession arrangement

Holding company and several subsidiary companies of the Group have entered into Service Concession Arrangements (SCA) with various statutory authorities. Below are the details of the individual SCAs entered into by each subsidiary:

- The Holding Company has entered into a Service Concession Arrangement with Yamuna International Airport Limited and Tata Projects Limited to perform and fulfil all obligations as an UaaS Contractor and to ensure development and timely completion of dry utilities work and operation and maintenance of the same.
- One of the subsidiary company of the Group, TP Power Plus Ltd has entered into Advanced Metering Infrastructure Service Provider agreement with the Chhattisgarh State Power Distribution Company Limited (CSPDCL) for installation of consumer smart prepaid meters in the state of Chhattisgarh on Design, Build, Own, Operate and Transfer (DBFOOT) basis under Government of India's Revamped Distribution Sector Scheme (RDSS).

Chhattisgarh State Power Distribution Company Limited (CSPDCL) floated a request for tender (RFP) for appointment of advanced metering infrastructure service provider (AMISP) for consumer smart prepaid metering in the state of Chhattisgarh on Design, Build, Own, Operate and Transfer (DBFOOT) basis (RFP/tender No. 02-08/RDSS/CONSU.SM/TS-1946 dated September 22, 2022) under Government of India's Revamped Distribution Sector Scheme (RDSS) Scheme. The Tata Power Company Limited participated in the same and emerged as successful bidder of Package-2 covering Raipur city and Raipur rural areas. As a precondition to the RFP document, TP Power Plus Limited (the Company) was incorporated on August 2, 2023.

As per the arrangement the subsidiary company constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for its entire useful life. The subsidiary company purchases and installs smart meters which are then used by CSPDCL to bill customers of CSPDCL. Accordingly, the smart meters are used to provide

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue from Operations (Contd.)

public service for which the Company is also responsible for its operation and maintenance for a period of 10 years.

- (c) One of the subsidiary company of the Group, TP Jalpura Transmission Limited has entered into a Service Concession Arrangement (SCA) with the Distribution Utilities of Uttar Pradesh to Build, Own, Operate, Maintain and Transfer (BOOT) transmission system. The subsidiary company entered in to the Transmission Service Agreement (TSA) with Pashchimanchal Vidyut Vitaran Nigam Ltd (PVVNL), Madhyanchal Vidyut Vitaran Nigam Ltd (MVVNL), Purvanchal Vidyut Vitaran Nigam Ltd (PuVVNL), Dakshinanchal Vidyut Vitaran Nigam Ltd (DVVNL) and Kanpur Electricity Supply Company Ltd (KESCO), dated April 4, 2024.

As per Article 2.2.1 of TSA, agreement shall continue to be effective in relation to the project until the expiry date i.e. 35 years when it shall automatically terminate. The initial term of transmission license is 25 years which is further extendable up to 35 years. The tariff for transmission charges are approved by Uttar Pradesh Electricity Regulatory Commission via order no. IA-1 in 2079 of 2024 dated November 5, 2024.

The subsidiary company constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for its entire useful life.

- (d) One of the subsidiary company of the Group, TP Bikaner III Neemrana II Transmission Limited has entered into a Service Concession Arrangement (SCA) with Central Transmission Utility of India Limited (CTU), dated December 27, 2023. The subsidiary company is incorporated as a Special Purpose Vehicle to Build, Own, Operate, Maintain and Transfer (BOOT) the Transmission system for evacuation of power from Rajasthan REZ Ph-IV (Part-1) (Bikaner Complex): Part-C.

As per Article 2.2.1 of TSA, agreement shall continue to be effective in relation to the project until the expiry date i.e. 35 years when it shall automatically terminate. The initial term of transmission license is 25 years which is further extendable up to 35 years. The tariff for transmission charges are approved by Central Electricity Regulatory Commission via order no. 23/AT/2024 dated March 30, 2024.

The Company constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for its entire useful life.

- (e) One of the subsidiary company of the Group, TP Paradeep Transmission Limited has entered into Service Concession Arrangement with Central Transmission Utility of India Limited (CTUIL). The subsidiary company is incorporated as a Special Purpose Vehicle to Build, Own, Operate, and Transfer (BOOT) the transmission system under the Eastern Region Expansion Scheme (ERES- XXXIV).

The Company entered into the Transmission Service Agreement with Central Transmission Utility of India (CTU), dated November 6, 2024. As per article 2.2.1. of TSA, agreement shall continue to be effective in relation to the project until the expiry date i.e., 35 years, when it shall automatically terminate. The initial term of transmission license is 25 years which is extendable up to 35 year. The Tariff for transmission charges are approved by Central Electricity Regulatory Commission.

The Company constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for its entire useful life.

- (f) One of the subsidiary company of the Group, TP Gopalpur Transmission Limited has entered into service Concession Arrangement with Central Transmission Utility of India Limited (CTUIL). The subsidiary company is incorporated as a Special Purpose Vehicle to Build, Own, Operate, Maintain and Transfer (BOOT) the transmission system under the Eastern Region Expansion Scheme (ERES- XXXIX).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

32. Revenue from Operations (Contd.)

The company entered into the Transmission Service Agreement with Central Transmission Utility of India (CTU), dated November 14, 2024. As per article 2.2.1. of TSA, agreement shall compliance to be effective in relation to the project until the expiry date i.e., 35 years, when it shall automatically terminate. The initial term of transmission license is 25 years which is extendable up to 35 year. The Tariff for transmission charges are approved by Central Electricity Regulatory Commission.

The Company constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for its entire useful life.

- (g) One of the subsidiary company of the Group, Tata Power Renewable Energy Limited (erstwhile Clen Sustainable Solar Energy Private Limited) has entered into into contract for design, part finance, engineering, manufacture, supply, erection, testing commission and operation and maintenance of Grid Interactive Solar Power Project through Public Private Partnership basis with Maharashtra State Power Generation Company Limited (MAHAGENCO).

The arrangement spans a period of 25 years, starting from the date of commissioning of the solar power plant, as per the agreement with MAHAGENCO. The total capacity of the solar power plant is 50 MW, with the commissioning completed in two phases. The first phase, consisting of 36 MW, was completed on December 19, 2013, and the remaining 14 MW was commissioned by March 31, 2014. After the plant's commissioning, the subsidiary had transferred the project assets to MAHAGENCO as per the agreement's terms.

At the time of commissioning and handover of the project, the subsidiary received ₹ 150 crore. In addition, the subsidiary is entitled to receive annual income based on the terms outlined in the agreement with MAHAGENCO. Throughout the duration of the agreement, the subsidiary is responsible for the operation and maintenance of the solar power plant. This includes ensuring its smooth functioning and performing any necessary overhauls to maintain performance.

- (h) One of the subsidiary company of the Group, Tata Power Ajmer Distribution Limited (TPADL) primarily engaged in the business of supply and distribution of electricity in Ajmer City (City Division I & II), Rajasthan

The Company was set up as a Special Purpose Vehicle (SPV) after Tata Power Company Limited won the Ajmer Vidyut Vitran Nigam Limited (AVVNL) franchisee bid for the Ajmer City, Rajasthan.

AVVNL is a statutory body constituted in the year 1999 from the erstwhile Rajasthan State Electricity Board and has been engaged in distribution of electricity in the eastern part of the State of Rajasthan. In an endeavour to improve operational efficiency of the distribution system and provide quality services to its consumers, Ajmer Discom seeks to bring in management expertise through Public-Private Partnership in distribution of electricity through appointing Input and Investment Based Distribution Franchisee for Ajmer City Circle adhering to open and transparent competitive bidding process. Tata Power Company Limited won the bid and formed a SPV named "TP Ajmer Distribution Limited" (TPADL) and entered into an agreement with AVVNL on April 19, 2017. AVVNL transferred all the right of the distribution assets to TAPDL with effect from July 1, 2017 which also marked the commencement of commercial operations for the Company.

The Company has been set up to operate and maintain the Ajmer City I & II Distribution business on behalf of the Ajmer Vidyut Vitran Nigam Limited (AVVNL), a public company on franchisee basis. As per the Distribution Franchise Agreement (DFA), the Company will operate and maintain the infrastructure for a period of 20 years and is obligated to construct or upgrade the infrastructure used to provide electricity supply to the public. As per the terms of the Distribution Franchisee Agreement (DFA) the Company shall have the right to receive depreciated value of the asset at the end of its term. Accordingly the residual value of the infrastructure constructed or upgraded shall be accounted for as a financial assets initially at fair value and subsequently at amortised cost over the period of the agreement.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

33. Other Income

Accounting Policy

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Consumers are billed on a monthly basis and are given average credit period of 30 to 60 days for payment. No delayed payment charges ('DPC') is charged for the initial 30 days from the date of receipt of invoice by customer. Thereafter, DPC is charged at the rate prescribed by the Power Purchase Agreement on the outstanding balance once the dues are received. Revenue in respect of delayed payment charges and interest on delayed payments leviable as per the relevant contracts are recognised on actual realisation or accrued based on an assessment of certainty of realization supported by either an acknowledgement from customers or on receipt of favourable order from regulatory authorities.

Interest on overdue trade receivables and claims including insurance claims and other claims etc. are accounted when there is a certainty of recovery.

Total	4,372.92	4,036.09

Note:

In relation to acquisition of Odisha Discoms, as per terms of the Vesting Order and the Carve Out Order states that for entire liabilities towards pension, gratuity and compensated absences of employees retired before the acquisition date and acquisition date liabilities of continuing employees on the acquisition date, the Group's responsibility is limited only to remitting fixed amount requested by the respective Trusts and the same shall be allowed to be recovered from consumers on behalf of the respective Trusts for disbursement to the beneficiaries covered under the Trusts. The Group has recognised amount payable to the Trusts for the current year for onward payment of the said liabilities and have as an expense as they fall due.

* Net of recoverable from Joint Ventures ₹ 0.16 crore (March 31, 2024, ₹ 0.03 crore).

Share Based Payments

Accounting policy

The Holding Company has granted employee stock options to the eligible employees of the Group. As per the scheme, on fulfilling of the vesting condition the Holding Company will issue shares to the eligible employees of the Group.

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service and non-market performance conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest. Non-vesting conditions are reflected in the fair value of an award and lead to an immediate expensing of an award unless there are also service and/or performance conditions.

No expense is recognised for awards that do not ultimately vest because non-market performance and/or service conditions have not been met. Where awards include a market or non-vesting condition, the transactions are treated as vested irrespective of whether the market or non-vesting condition is satisfied, provided that all other performance and/or service conditions are satisfied.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

35. Employee Benefits Expense (Contd.)

When the terms of an equity-settled award are modified, the minimum expense recognised is the grant date fair value of the unmodified award, provided the original vesting terms of the award are met. An additional expense, measured as at the date of modification, is recognised for any modification that increases the total fair value of the share-based payment transaction, or is otherwise beneficial to the employee. Where an award is cancelled by the entity or by the counterparty, any remaining element of the fair value of the award is expensed immediately through profit or loss.

Equity-settled share option plan

a) The Tata Power Company Limited – Employee Stock Option Plan 2023

During the previous year, the shareholders of the Holding Company approved 'The Tata Power Company Limited – Employee Stock Option Plan 2023' ('ESOP 2023'/'Plan'). As per the plan, the Holding Company had granted 64,82,940 (Sixty Four Lakh Eighty Two Thousand Nine Hundred and Forty) employee stock options to certain employees of the group at an exercise price of ₹ 249.80 (Rupees Two Hundred Forty Nine and Eighty Paise) per option exercisable into equivalent equity shares of ₹ 1 each subject to fulfilment of vesting conditions.

During the current year, the Group has granted an additional 74,620 (Seventy Four Thousand Six Hundred and Twenty) employee stock options on July 16, 2024 and 35,26,090 (Thirty Five Lakh Twenty Six Thousand and Ninety) options on October 30, 2024 to the eligible employees of the Holding Company and its subsidiaries, at an exercise price of ₹ 439.35 (Rupees Four Hundred Thirty Nine and Thirty Five Paise) and ₹ 425.40 (Rupees Four hundred Twenty Five and Forty Paise) per option respectively exercisable into equivalent equity shares of ₹ 1 each subject to fulfilment of vesting conditions.

The expense recognised for employee services received during the year is shown in the following table:

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore
Expense arising from equity-settled share-based payment transactions	26.90	8.30
Less: Recoverable from Joint Venture	0.16	0.03
Expense recognised in the Consolidated Statement of Profit and Loss	26.74	8.27

Employee Stock Option Plan 2023 - Grant -1

	For the year ended March 31, 2025	For the year ended March 31, 2024
Movements during the year		
Option exercisable at the beginning of the year (Nos.)	61,14,580	Nil
Granted during the year (Nos.)	Nil	64,82,940

The Group has estimated fair value of options using Black Scholes model. The following assumptions were used for calculation of fair value of options granted.

Assumption factor	For the year ended March 31, 2025	For the year ended March 31, 2024
Dividend Yield (%)	0.46%	Nil
Risk free interest rate (%)	6.85%	Nil
Expected life of share option (Years)	4 Years	Nil
Expected volatility (%)	37.82%	Nil
Weighted Average Exercise price (₹ per Share)	439.35	Nil
Weighted Average Fair Value at the measurement date (₹ per Share)	167.53	Nil

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

35. Employee Benefits Expense (Contd.)

Employee Stock Option Plan 2023 - Grant -3

	For the year ended March 31, 2025	For the year ended March 31, 2024
Movements during the year		
Option exercisable at the beginning of the year (Nos.)	Nil	Nil
Granted during the year (Nos.)	35,26,090	Nil
Forfeited during the year (Nos.)	(34,540)	Nil
Exercised during the year (Nos.)	Nil	Nil
Expired during the year (Nos.)	Nil	Nil
Option exercisable at the end of the year (Nos.)	34,91,550	Nil
Market price of share on the date of grant (₹ per Share)	425.40	Nil
Share price for options exercised during the year (₹ per Share)	Not applicable	Nil
Remaining contractual life (Years)	2.58 Years	Nil

The Group has estimated fair value of options using Black Scholes model. The following assumptions were used for calculation of fair value of options granted.

Assumption factor	For the year ended March 31, 2025	For the year ended March 31, 2024
Dividend Yield (%)	0.47%	Nil
Risk free interest rate (%)	6.64%	Nil
Expected life of share option (Years)	4 Years	Nil
Expected volatility (%)	37.26%	Nil
Weighted Average Exercise price (₹ per Share)	425.40	Nil
Weighted Average Fair Value at the measurement date (₹ per Share)	159.28	Nil

The expected volatility reflects the assumption that the historical volatility over a period similar to the life of the options is indicative of future trends, which may not necessarily be the actual outcome.

b) Tata Power Renewable Energy Limited - Employee Stock Option Plan 2024

During the year, the shareholders of the Subsidiary company Tata Power Renewable Energy Limited (TPREL) has approved 'Tata Power Renewable Energy Limited - TPREL Employee Stock Option Scheme 2024' ('ESOP 2024' / 'Scheme'). During the year the Subsidiary company has granted a employee stock options to the Chief Executive Officer (CEO) and Managing Director (MD) subject to fulfillment of vesting conditions.

The expense recognised for employee services received during the year is shown in the following table:

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore
Expense arising from equity-settled share-based payment transactions	0.40	Nil

Option exercisable at the end of the year (Nos.)	228,337	Nil
Share price for options exercised during the year (₹ per Share)	Not applicable	Nil
Remaining contractual life (Years)	2.68 Years	Nil

The Group has estimated fair value of options using Black Scholes model. The following assumptions were used for calculation of fair value of options granted.

Assumption factor	For the year ended March 31, 2025	For the year ended March 31, 2024
Dividend Yield (%)	Nil	Nil
Risk free interest rate (%)	6.78%	Nil
Expected life of share option (Years)	3 to 5 years	Nil
Expected volatility (%)	42.23%	Nil

The expected volatility reflects the assumption that the historical volatility over a period similar to the life of the options is indicative of future trends, which may not necessarily be the actual outcome.

36. Finance Costs

Accounting Policy

Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in Statement of Profit and Loss in the year in which they are incurred.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Note:

1. Donation includes, contribution to Progressive Electoral Trust of ₹ 39.57 crore (March 31, 2024 - Nil).

38. Income taxes

Current Tax

Accounting Policy

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the respective subsidiary companies operates and generates taxable income.

Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(i) Income taxes recognised in Consolidated Statement of Profit and Loss

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore
Current Tax	667.37	871.47
Current Tax in respect of earlier years	5.14	(62.68)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

38. Income taxes (Contd.)

The income tax expense for the year can be reconciled to the accounting profit as follows:

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore
Profit/(Loss) before tax for the year	6,319.62	5,732.02
Income tax expense at tax rates applicable to individual entities (Refer Note 1)	1,563.33	1,624.70
Add/(Less) tax effect on account of :		
Share of profit of associate and joint venture	(199.67)	(296.37)
Deferred tax not recognised on Gain on Dilution of Interest in an Associate	(40.76)	(59.06)
Effect of tax holiday period	(120.26)	(200.89)
Deferred Tax relating to earlier years	5.08	(82.72)
Merger impact current tax provision reversal (Refer note 3)	(310.08)	Nil
Merger impact of deferred tax and Mat credit (Refer note 3)	609.69	Nil
Utilisation of unrecognised unabsorbed depreciation/carryforward losses and Capital losses (Refer Note 2)	(432.25)	(220.27)
Tax on dividend and proposed dividend from subsidiaries, associate and joint ventures (eliminated)	564.98	663.38
Remeasurement of Deferred Tax on account of New Tax Regime (net)	(205.05)	Nil
Exempt Income	Nil	(32.12)
Withholding tax where credit is not available	Nil	66.88
Non deductible expenses	116.07	48.71
Current Tax in respect of earlier years	5.14	(62.68)
Others	(11.97)	2.36
Income tax expense recognised in Consolidated Statement of Profit and Loss	1,544.25	1,451.92

Notes:

- The rate used for calculation of Deferred tax has been considered basis the Standalone financials statements of Parent Company and its respective subsidiaries, being statutory enacted rates at Balance Sheet date.
- During the year, the Holding Company has utilized the unabsorbed business losses on which deferred tax assets was not recognized due to lack of certainty of realization. Consequently, tax expense for the year is lower by ₹ 432.25 crore (March 31, 2024 - ₹ 220.27 crore).
- During the year, pursuant to the merger, Tata Power Renewable Energy Limited has recomputed the tax payable till March 31, 2024 from the respective appointment dates and recognised net tax charge amounting to ₹ 299.61 crore which mainly includes reversal of Minimum Alternate Tax Credit entitlement recognised by the certain Transferor Companies amounting to ₹ 301.20 crore and impact of deferred tax on other temporary differences

(ii) Income tax recognised in Other Comprehensive Income

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore

*Includes the Group's committed capital expenditure by Odisha Discoms until FY 2025-26, as per vesting order terms of their acquisition.

40 Contingent Liabilities

Accounting Policy

In the normal course of business, contingent liabilities arise from litigations and claims. It is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but disclose the same in its Consolidated Financial Statements.

	For the year ended March 31, 2025	For the year ended March 31, 2024
	₹ crore	₹ crore

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

40 Contingent Liabilities (Contd.)

- D) i)** The erstwhile Central Electricity Supply Utility of Orissa (CESU) had filed an application to Regional Provident Fund Commissioner, Bhubaneswar (RPFC) for exemption from applicability of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 for which adjudication is pending. CESU had formed its own trust and deposited the employer and employee's contribution in the said trust @ 10% of the eligible salary. Although the adjudication for exemption was pending, RPFC vide its assessment order dated October 13, 2014 raised a total demand of ₹ 551.62 crore (₹ 279.39 crore dues for non-remittance of Employer and Employee contribution to RPFC and ₹ 272.23 crore as interest) on CESU for the period from November, 1997 to December, 2011. The order also contended that CESU is required to make contribution @12% of the eligible salary instead of 10%. The order of RPFC was challenged by CESU before the Hon'ble High Court. The Hon'ble High Court, on November 18, 2014, directed that the impugned assessment orders shall remain stayed subject to deposit of ₹30 crore by CESU with the RPFC. The order of the Hon'ble High Court was complied with by CESU. The said writ petition is still pending adjudication before the Hon'ble High Court.

Subsequently, after the Company taking over power distribution business from the erstwhile CESU with effect from June 01, 2020, it has continued to deposit Employer and Employee contribution @ 10 % each for the erstwhile employees in the contributory trust as the matter is sub judice. However, on March 3, 2021 RPFC issued a notice for inspection to the Company on the PF issue for the period from January 2012 till May 2020 and for the period from June 1, 2020.

Based on a legal opinion, the Company is of the view that it has a strong case against the demand of ₹ 551.62 crore (November 1997 till December 2011) plus any further demand, if raised by RPFC (January 2012 – May 2020) and accordingly, no provision has been recognized in respect of the same. These cases are for pre TPCODL period and any obligation arising there on will be pass through to the consumers and not have any adverse impact on financial position or financial performance of the Company. Further, substitution application along with amendment application has been filed before the Hon'ble High Court in WP(C) 21995 of 2014. Another, writ petition WP(C) 14687 of 2025 has been filed praying stay on the proceeding initiated for the period January 2012 till May 2020. The matter was listed for hearing on November 11, 2024 and next date of hearing is yet to be fixed.

However, by the meantime, Company has got a calculation done for estimated amount through a third party for differential contribution @ 4% (2% each for employer and employee) between 12% PF contribution applicable in case of EPFO and 10% already deposited in the Trust for the period 2005 to 2020. As per the calculation, an amount of ₹ 65.10 crore including interest has been computed. Out of Rs. 65.10 crore, the amount pertaining to the period 2005 to 2011 is included in the original demand of Rs. 551.62 crore as above. In this matter, the Company is seeking further guidance from hon'ble OERC and Government of Odisha.

Further, a show cause notice for assessment for the post takeover period from (June 01, 2020 to May 31, 2022) was issued for the delayed payment of the contribution of the CESU employees for which the assessed amount of ₹ 8.66 crore u/s 14B for damages and ₹ 4.27 crore interest u/s 7Q of the PF Act (Total amount of ₹ 12.93 crore). Against which an objection has been filed. PF department has filed its reply in last hearing on April 11, 2025 and the Company is in the process of filing rejoinder. Next date of hearing is yet to be fixed.

- ii)** Central Electricity Supply Utility of Orissa (CESU) had entered into agreement with distribution franchisees namely Riverside Utilities Private Limited ('RUPL') and Seaside Utilities Private Limited ('SUPL') on January 30, 2013. As per the terms of agreement, franchisees were responsible for carrying out all commercial activities including certain performance parameters such as reduction of AT&C losses, smart metering, minimum capital expenditure, timely collection etc. However, due to poor performance of RUPL/SUPL and non-compliance of the terms of agreement, erstwhile CESU did not extend the franchisee period. Writ petition was filed by the franchisees before the Hon'ble Orissa High Court for renewal of existing franchise agreements along with total claim of ₹ 403.98 crore (₹ 301.75 crore by RUPL and ₹ 102.23 crore by SUPL). CESU had filed a counter claim of ₹ 598.89 crore (₹ 396.87 crore against RUPL and ₹ 202.02 crore against SUPL). The Hon'ble Orissa High Court vide its order dated March 27, 2019 ordered termination of franchisee agreement and ordered CESU and the franchisees to reconcile the dues. On failure of reconciliation process the High Court vide its order dated February 19, 2021 ordered the CESU (TPCODL) and franchisee to settle the claims by way of arbitration

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

40 Contingent Liabilities (Contd.)

proceedings for which Arbitration Tribunal shall be constituted. In May 2021 the franchisees have presented their claim totalling ₹ 437 crore (approx.), TPCODL has also filed its counter claim amounting ₹ 897.75 crore. The matter is currently pending before Arbitration Tribunal for adjudication.

After completion of pleading and cross examination of witness of both parties, arguments on behalf of both the parties has concluded. Further, the tribunal has allowed the Company to file written note of submission by May 31, 2025.

In SUPL matter, evidence from RUPL has been adopted by both the parties. The schedule for arguments has commenced from April 22, 2025 and will continue on various dates.

Prior to that the Claimants (RUPL and SUPL) have revised their claim and now the actual claim is ₹382.97 crore (₹ 283.69 crore by RUPL and ₹ 99.28 crore by SUPL) which does not include invoices of TPCODL amounting to ₹ 15.37 crore (₹15.25 crore to RUPL and ₹ 0.12 crore to SUPL). RUPL has further placed revised computation which can be declared only after the Tribunal takes cognizance of the same. However, at the same time, TPCODL has taken over the Utility of CESU with a clean balance sheet as per the Vesting Order dated May 26, 2020, these cases are for pre TPCODL period and any obligation arising there on will be pass through in the tariff and not have any adverse impact on financial position or financial performance of the Company.

- E)** In an earlier year, the Group had received Notice of Arbitration (NoA) filed by Kleros Capitals ('Kleros') to commence arbitration in Singapore International Arbitration Centre (SIAC) against the Group. The NoA is served pursuant to alleged breach of various sections of Nondisclosure agreements (NDA) entered by the Group in earlier years and circumvention of Kleros's economic interests in addition to loss of profits.

During the previous year, the Arbitral Tribunal published its Liability Award in the present arbitration. The Tribunal upheld that the Group was in breach of certain clauses of the NDA and of its contractual duty of good faith and confidence. Based on legal opinion obtained, the Group strongly believes that case setup by Kleros was an afterthought and therefore lacks merit. Additionally, Kleros was not able to substantiate its claims and the value of the project on which it proposed to the claim loss of opportunity and negotiating damages and there is strong case for the Group and hence no provision is required in relation to said arbitration award.

- F)** In an earlier year, the Group entered into a coal supply agreement with Adaro International (Singapore) Ltd ("Adaro") for its Trombay plant, requiring it to procure a certain quantity of coal annually. Adaro has claimed damages of USD 106 million for an alleged breach of the agreement by the Group. Against this, the Group has filed a counterclaim for USD 229 million for losses suffered due to the non-supply of coal by Adaro. Both parties have initiated the arbitration process on the matter. The Group has obtained a legal opinion, based on which it does not anticipate any significant financial outflow on claims made by Adaro. Accordingly, no provision has been considered.

It is not practicable for the Group to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgments/decisions pending with various forums/authorities. The Group has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities where applicable, in the Consolidated Financial Statements.

41 Other Disputes, Claims and Settlements

(A) Mumbai Licence Area

- In the earlier years, Maharashtra Electricity Regulatory Commission has disallowed certain costs amounting to ₹ 2,576.37 crore (adjusted upto the current year) (March 31, 2024 ₹ 1,668.63 crore) recoverable from consumers in the tariff true up order. The Group has filed appeal against the said order to Appellate Tribunal for Electricity which is pending for final disposal. The Group believes it has a strong case and accordingly no adjustment is required in the Consolidated Financial Statements.
- In an earlier year, Maharashtra Electricity Regulatory Commission has disallowed carrying cost and other costs amounting to ₹ 269.00 crore (March 31, 2024 ₹ 269.00 crore) which was upheld by the Appellate Tribunal for Electricity (ATE). The Group has filed Special Leave Petition (SLP) against the order of ATE with the Supreme

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

41 Other Disputes, Claims and Settlements (Contd.)

Court which is pending for final disposal. The Group believes it has a strong case and accordingly no adjustment is required in the Consolidated Financial Statements.

(B) Mundra Plant

- a) The Hon'ble Appellate Tribunal for Electricity (APTEL), vide its order dated April 27, 2021 allowed the appeal with respect to certain claims related to change in law for Mundra Power Plant. Accordingly, the Group in earlier years has recognized an income amounting to ₹ 351.79 crore. The Consumer has litigated the said order in the Supreme Court. The Group believes it has a strong case and does not expect any significant reversal of revenue.
- b) The Group has recognised revenue from its Mundra power plant amounting to ₹ 1,306.43 crore (March 31, 2024 ₹ 1,309.89 crore) based on the favourable CERC orders dated September 13, 2022 and January 3, 2023 for the clarification obtained by the Group on determination of tariff as per MoP directions. The procurers have filed an appeal against the said CERC orders passed on in favour of the Group. The Group based on legal opinion believes that it has a good case and accordingly, no impact have been considered in the Financial Statements. Till date, the total revenue recognised related to these litigations amount to ₹ 4,062.11 crore (March 31, 2024 ₹ 2,755.68 crore). As at March 31, 2025, the total outstanding receivables amounts to ₹ 1,616.54 crore (March 31, 2024 ₹ 1,085.97 crore).
- c) The Group has recognised revenue amounting to ₹ 210.01 crore and Other Income amounting to ₹ 111.85 crore based on the favourable CERC and APTEL orders with respect to certain claims related to change in law for Mundra generating plant. The procurers have filed an appeal with the Honourable Supreme Court against the APTEL Order. The Group believes it has a strong case on merits and accordingly has recognized the claim basis the APTEL and CERC orders.

(C) Delhi Licence Area

- a) The liability stated in the opening Balance Sheet of the Group as per the Transfer Scheme as on July 1, 2002 in respect of consumers' security deposit was ₹ 10.00 crore. The Group had engaged an independent agency to validate the sample data in digitized form of consumer security deposit received by the erstwhile DVB from its consumers. As per the validation report submitted by this agency the amount of security deposit received from consumers aggregated to ₹ 66.71 crore. The Group has been advised that as per the Transfer Scheme, the liability in excess of ₹ 10.00 crore towards refund of the opening consumer deposits and interest thereon is not to the account of the Group. Since the GNCTD was of the view that the aforesaid liability is that of the Group, the matter was referred to Delhi Electricity Regulatory Commission (DERC). During the year 2007-08, DERC vide its letter dated April 23, 2007 conveyed its decision to the GNCTD upholding the Group's view. As GNCTD has refused to accept the DERC decision as binding on it, the Group has filed a writ petition in the Hon'ble Delhi High Court and the matter was made regular on October 24, 2011. No stay has been granted by the High Court in the matter for refund of consumer security deposits and payment of interest thereon.

Pending adjudication of the matter in High court, DVB period consumer deposit have been mapped against identifiable consumers and refund is also being processed for eligible customers. However, refund amount of ₹ 11.32 crore which is in excess of migrated CD of ₹ 10.00 crore, has been shown as recoverable from DPCL as supported by DERC letter dated April 23, 2007.

- b) In the True up Order issued on July 19, 2024, the DERC has trued up regulatory deferral account balance up to March 31, 2021, wherein DERC has recognised impact related to truing up of provisional capitalisation, allowance of loss due to early retirement of assets, implementation of Rithala tariff order and effect of various other judgements. Further, in this True up Order, DERC has allowed some of the issues raised by the Group arising out of DERC's True up Order dated September 30, 2021 for FY 2019-20.

There are few disallowances arising from abovementioned True up Order which the Group has challenged in APTEL. In addition, Review petition have been filed before DERC on matters relating to non-allowance of certain claims of the company by DERC. Further, there are continuing disputes related to other matters which have been challenged in APTEL.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

41 Other Disputes, Claims and Settlements (Contd.)

Based on the abovementioned DERC's True up Order dated July 19, 2024 and considering the probable outcome of pending matters, the Group has recognised additional Regulatory deferral account balance of ₹ 427.09 crore (including carrying cost) during the year, comprising the impact of true up orders for FY 19-20 and FY 20-21 and the balance impact of various matters implemented by DERC.

- c) The Group had introduced a Voluntary Separation Scheme (VSS) for its employees in December 2003, in response to which initially 1,798 employees were separated. The early retirement of these employees led to a dispute between the Group and the DVB Employees Terminal Benefit Fund, 2002 ('the Trust') with respect to payout of retirement benefits that these employees were eligible for. The Trust is of the view that its liability to pay retiral benefits arises only on the employee attaining the age of superannuation or on death, whichever is earlier.

The Group filed a writ petition with the Hon'ble Delhi High Court which pronounced its judgement on July 2, 2007 on this issue and provided two options to the Discoms for paying retiral benefits to the Trust. The Group chose the option whereby the Discoms were required to pay to the Trust an 'Additional Contribution' on account of premature payout by the Trust which shall be computed by an Arbitral Tribunal of Actuaries to be appointed within a stipulated period. The matter was further challenged by the Trust before Hon'ble Supreme Court, however, no interim relief has been granted by the Hon'ble Supreme Court. Till date no Arbitral Tribunal of Actuaries has been appointed and therefore, no liability has been recorded based on option chosen by the Group.

While the above referred writ petition was pending, the Group had already advanced ₹ 77.74 crore to the Special Voluntary Retirement Scheme Retirees Terminal Benefit Fund, 2004 Trust (SVRS Trust) for payment of retiral dues to separated employees. In addition to the payment of retiral benefits/residual pension to the SVRS Trust, in pursuant to the order of the Hon'ble Delhi High Court dated July 2, 2007 the Company also paid interest @ 8% per annum, ₹ 8.01 crore in the financial year 2008-09 thereby increasing the total contribution to the SVRS Trust to ₹ 8,575.62 lakhs recorded as recoverable from SVRS Trust. As the Group was entitled to get reimbursement against advanced retiral benefit amount on superannuation age, the Group had recovered/adjusted ₹ 85.54 crore as at March 31, 2025 (as at March 31, 2024 ₹ 85.54 crore), leaving a balance recoverable ₹ 0.22 crore as at March 31, 2025 (as at March 31, 2024 ₹ 0.22 crore) from the SVRS Trust which includes current portion of ₹ 0.02 crore (as at March 31, 2024 NIL).

(D) Odisha Discoms

- a) During the current year, the Group had filed true up petition for FY 2022-23 and FY 2023-24. along with ARR petition for FY 25-26 as per the regulations. After going through due process of tariff determination, the OERC has issued true up order up to FY 2022-23 and ARR for FY 2025-26. In the true up order, the OERC concludes the truing up of expenses of the Company upto FY 2022-23 and stated that truing up for FY 2023-24 could not be finalised in absence of sufficient information and data which will be collected from the Group in due course of time and truing up exercise for the FY 2023-24 would be finalised along with ARR & Tariff determination exercise for the FY 2026-27. Basis the final true-up order till FY 2022-23, Group has recognised a gain of ₹ 43.88 crore during the year

Further in case of TPNODL, The OERC has trued up revenue gap for FY 2022-23, resulting in a lower revenue entitlement of ₹ 12.85 crores vis-à-vis the amount arrived at using actual expenses incurred. The Management has submitted a letter with OERC for review of the above lower revenue entitlement. The management believes that the Company will be able to justify additional expense to the OERC and claim in the next ARR filings.

(E) Renewables

- a) The Group had acquired 21.65 acres of land through registered lease deed for 33 years for setting up a solar power plant in Bihar. During the financial year 2018-19, the lease was treated by the Collector, Gaya as illegal for entering into lease without order of any competent authority, and was cancelled along with recovery of penal rent. The Group filed Writ Petition before the Patna High Court against the said Order. The Patna High Court stayed the operations of the Collectors Order and provided certain time to file the counter affidavit. The Respondent ('State of Bihar') has filed the counter affidavit on February 2019 and now the matter is pending for argument.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

41 Other Disputes, Claims and Settlements (Contd.)

The Group is of the view that it has a good case with likelihood of liability or any loss arising out of the said cancellation being remote. Accordingly, pending settlement of the legal dispute, no adjustment has been made in the Consolidated Financial Statements for the year ended March 31, 2025.

- b) The Group has acquired private land for setting up solar power plants. In certain cases, these acquisitions have been challenged on grounds such as unauthorised encroachment, inadequate compensation, seller not entitled to transact and/or consideration has not been paid to all legal/ beneficial owners. In these cases, the Group has not received any demand for additional payment and these cases are pending at District Court/ High Court Level. The Management believes that the Group has a strong case and outflow of economic resources is not probable.
- c) The Group has certain ongoing litigations with customers of subsidiaries which are pending with various authorities. The total amount under litigation is ₹ 331.24 crore (March 31, 2024: ₹ 324.87 crore). The Management believes that the Group has a strong case and outflow of economic resources is not probable.
- d) The Group has raised claim of late payment surcharges (LPS) on some Discoms as per Power Purchase Agreement. During the year ended March 31, 2025, based on acceptance/realisation from the Discoms, the Group has recognized ₹ 24.23 crores, as Other Income in the Consolidated Financial Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

42. Earnings Per Share (EPS)

Accounting Policy

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the Consolidated Financial Statements by the Board of Directors.

Notes :

- (i) All outstanding balances are unsecured.
- (ii) The Group's principal related parties consist of Tata Sons Pvt. Ltd., its subsidiaries and joint ventures, affiliates and key managerial personnel. The Group's material related party transactions and outstanding balances are with related parties with whom the Group routinely enters into transactions in the ordinary course of business.
- (iii) Includes amount reclassified as held for sale
- (iv) Key Managerial Personnel are entitled to post-employment benefits and other long term employee benefits. Provisions for contribution to gratuity, leave encashment and other defined benefit are determined by actuary on an overall Company basis at the end of each year and, accordingly, have not been considered in the above information. The same is included above on payment basis.
- (v) Commitments with respect to joint venture and associates are disclosed in note 39

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments

This section gives an overview of the significance of financial instruments for the Group and provides additional information on balance sheet items that contain financial instruments. The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset, financial liability and equity instrument are disclosed to the consolidated Ind AS financial statements.

44.1 Fair values

Set out below, is a comparison by class of the carrying amount and fair value of the financial instruments:

	Carrying value		Fair Value	
	March 31, 2025	March 31, 2024	March 31, 2025	March 31, 2024
Financial Assets				
Cash and Cash Equivalents	4,862.47	3,324.34	4,862.47	3,324.34
Other Balances with Banks	6,888.51	5,827.57	6,888.51	5,827.57

Acceptances	5,129.93	5,317.22	5,129.93	5,317.22
Other Financial Liabilities *	12,351.01	11,042.99	12,351.01	11,042.99
Total	84,774.49	75,104.89	84,913.70	75,103.77

* Interest accrued on borrowings has been considered under Fixed / Floating rate borrowings

other than investments accounted using the Equity Method

Certain unquoted investments are not held for trading, instead they are held for medium or long term strategic purpose. Upon the application of Ind AS 109, the Group has chosen to designate these investments in equity instruments as at FVTOCI as the management believe this provides a more meaningful presentation for medium and long- term strategic investments, then reflecting changes in fair value immediately in the Consolidated Statement of Profit and Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

The management assessed that the fair value of cash and cash equivalents, other balances with bank, trade receivables, loans, finance lease receivables, unbilled revenues, trade payables, other financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values.

- Fair value of the quoted bonds, mutual funds, government securities are based on the price quotations near the reporting date. Fair value of the unquoted equity shares have been estimated using a Discounted Cash Flow (DCF) model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility. The probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for those unquoted equity investments.
- The fair value of the FVTOCI financial assets are derived from quoted market price in active markets and unobservable inputs.
- The Group enters into derivative financial instruments with various counterparties, principally banks and financial institutions with investment grade credit ratings. Interest rate swaps, foreign exchange forward and option contracts are valued using valuation techniques, which employs the use of market observable inputs. The most frequently applied valuation techniques include forward pricing and swap models using present value calculations. The models incorporate various inputs including the credit quality of counterparties, foreign exchange spot and forward rates, yield curves of the respective currencies, currency basis spreads between the respective currencies, interest rate curves and forward rate curves of the underlying currency. All derivative contracts are fully collateralized, thereby, eliminating both counterparty and the Group's own non-performance risk. As at March 31, 2025, the marked-to-market value of derivative asset positions is net of a credit valuation adjustment attributable to derivative counterparty default risk.
- The fair value of unquoted instruments, loans from banks and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flow using rates currently available for debt on similar terms, credit risk and remaining maturities.
- The cost of certain unquoted investments approximate their fair value because there is a wide range of possible fair value measurements and the cost represents the best estimate of fair value within that range.

Reconciliation of Level 3 fair value measurement of unquoted equity shares. (Refer Note below)

₹ crore

	Unlisted shares irrevocably designated as at FVTOCI		Unlisted shares carried at FVTPL	
	For the year ended March 31, 2025	For the year ended March 31, 2024	For the year ended March 31, 2025	For the year ended March 31, 2024
Opening balance	630.45	544.88	1.52	1.55
Gain/(Loss)				
- in other comprehensive income	(21.25)	85.57	Nil	Nil
- in profit or loss	Nil	Nil	1.11	(0.03)
Closing balance	609.20	630.45	2.63	1.52

Note:

- a) Unlisted shares irrevocably designated as at FVTOCI includes certain investments whose cost approximates to their fair value because there is a wide range of possible fair value measurements and their cost represents the best estimate of fair value within that range. Such investments have been excluded for quantitative sensitivity analysis as disclosed below.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

- b) All gains and losses included in other comprehensive income relate to unlisted shares held at the end of the reporting period and are reported under "Equity Instruments through Other Comprehensive Income".

The significant unobservable input used in the fair value measurement categorized within Level 3 of the fair value hierarchy together with a quantitative sensitivity analysis as at March 31, 2025 and March 31, 2024 are as shown below:

Description of significant unobservable inputs to valuation:

	Valuation techniques	Significant unobservable inputs	Sensitivity of the input to fair value
Investments in unquoted equity shares	Price of recent transaction (PORT)	Transaction price	5% (March 31, 2024: 5%) increase / (decrease) in the transaction price would result in increase / (decrease) in fair value by ₹ 30.46 crore (March 31, 2024: ₹ 31.52 crore).

The discount for lack of marketability represents the amount that the Group has determined that market participants would take into account when pricing the investments.

44.2 Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Quoted prices in an active market (Level 1): Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. This includes quoted equity instruments, government securities, quoted borrowings (fixed rate) and mutual funds that have quoted price.

Valuation techniques with observable inputs (Level 2): Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This includes derivative financial instruments and unquoted borrowings (fixed and floating rate).

Valuation techniques with significant unobservable inputs (Level 3): Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This includes unquoted equity shares and contingent consideration receivable.

The following table summarizes financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosures are required) :

₹ crore					
Fair value hierarchy as at March 31, 2025					
	Date of valuation	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total

Total		7,284.72	42,682.62	Nil	49,967.34

Note: There has been no transfer between level 1, level 2 and level 3 during the year.

44.3 Capital Management & Gearing Ratio

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximize the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. From time to time, the Group reviews its policy related to dividend payment to shareholders, return capital to shareholders or fresh issue of shares. The Group monitors capital using gearing ratio, which is net debt divided by total capital plus net debt. Net debt includes interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations as detailed in the notes below.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

The Group's capital management is intended to create value for shareholders by facilitating the meeting of its long-term and short-term goals. Its Capital structure consists of net debt (borrowings as detailed in notes below) and total equity.

Gearing ratio

The gearing ratio at the end of the reporting year was as follows:

₹ crore

	As at March 31, 2025	As at March 31, 2024
Debt [Refer Note (i)]	58,740.85	49,953.88
Less: Cash and Bank balances	11,729.52	9,132.62
Net debt	47,011.33	40,821.26
Capital [Refer Note (ii)]	35,840.67	32,355.29
Capital and net debt	82,852.00	73,176.55
Net debt to Total Capital plus net debt ratio (%)	56.74	55.78

- (i) Debt is defined as Non-current borrowings (including current maturities) and Current borrowings (excluding derivative, financial guarantee contracts and contingent considerations) and interest accrued on Non-current and Current borrowings.
- (ii) Capital is defined as Equity share capital and other equity including reserves and surplus.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no significant breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

44.4 Financial risk management objectives and policies

The Group's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, financial guarantee contracts and other financial liabilities. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, cash and cash equivalents, other bank balances, unbilled receivables, finance lease receivables and other financial assets that derive directly from its operations. The Group also holds FVTOCI/FVTPL investments and enters into derivative transactions.

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's senior management is supported by a risk committee that reviews the financial risks and the appropriate financial risk governance framework for the Group. The Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Group's policy that no trading in derivatives for speculative purposes may be undertaken. The risk management policy is approved by the board of directors, which is summarized below.

44.4.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risk: currency risk, interest rate risk and equity price risk. The impact of equity price risk is not material. Financial instruments affected by market risk include loans and borrowings, derivative financial instruments and FVTOCI investments.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

The sensitivity analysis in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

The sensitivity analysis have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and on the basis of hedge designations in place at March 31, 2025. The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

a) Foreign currency risk management

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group is exposed to foreign exchange risk through its operations in international projects and purchase of coal from Indonesia and elsewhere and overseas borrowings. The results of the Group's operations can be affected as the rupee appreciates/depreciates against these currencies. The Group enters into derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures.

When a derivative is entered into for the purpose of being a hedge, the Group negotiates the terms of those derivatives to match the terms of the hedged exposure. For hedges of forecast transactions the derivatives cover the period of exposure from the point the cash flows of the transactions are forecasted up to the point of settlement of the resulting receivable or payable that is denominated in the foreign currency.

The following table analyzes foreign currency assets and liabilities on balance sheet dates:

Foreign Currency Liabilities	As at March 31, 2025		As at March 31, 2024	
	Foreign Currency (In Millions)	₹ crore	Foreign Currency (In Millions)	₹ crore
In USD	1,049.63	8,970.40	936.47	7,810.51

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

(i) Foreign currency sensitivity analysis

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Group's profit before tax and impact on equity is due to changes in the fair value of monetary assets and liabilities as under.

			₹ crore
			Effect on profit before tax and consequential impact on equity before tax
As at March 31, 2025	Rupee depreciate by ₹ 1 against USD		(-) ₹ 104.35
	Rupee appreciate by ₹ 1 against USD		(+) ₹ 104.35
As at March 31, 2024	Rupee depreciate by ₹ 1 against USD		(-) ₹ 93.16
	Rupee appreciate by ₹ 1 against USD		(+) ₹ 93.16

Notes:

- 1) +/- Gain/Loss
- 2) The impact of depreciation/ appreciation of foreign currency other than USD on profit before tax of the Group is not significant.

(ii) Derivative financial instruments

The Group holds derivative financial instruments such as foreign currency forward and option contracts to mitigate the risk of changes in exchange rate on foreign currency exposure. The counterparty for these contracts is generally a Bank or a Financial Institution. These derivative financial instrument are valued based on quoted prices for similar asset and liabilities in active markets or inputs that is directly or indirectly observable in the marketplace.

The following table gives details in respect of outstanding foreign exchange forward and option contracts (includes contract designated for hedge accounting):

Outstanding Contracts	As at March 31, 2025			
	Average strike / purchase price	Foreign Currency (in millions)	Nominal Value in ₹ crore	Fair Value in ₹ crore
Forward contracts				
Buy USD / Sell INR				
< 1 year	87.15	1,092.20	9,518.17	(96.14)
Buy EURO / Sell INR				
< 1 year	92.29	10.18	93.94	0.31
Option contracts				
Buy USD / Sell INR				
< 1 year	86.15	468.89	4,037.59	1.12
Buy USD / Sell INR				
> 1 year	95.38	50.00	476.90	(19.11)
Sell USD / Buy INR				
> 1 year	95.38	50.00	476.90	18.67
Cross currency swaps				
	85.45	160.00	1,367.20	(28.99)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

Outstanding Contracts	As at March 31, 2024			
	Average strike / purchase price	Foreign Currency (in millions)	Nominal Value in ₹ crore	Fair Value in ₹ crore
Forward contracts				
Buy USD / Sell INR				
< 1 year	83.61	1,248.95	10,442.70	(7.41)
Buy EURO / Sell INR				
< 1 year	89.87	59.39	533.71	(2.73)
Option contracts				
Buy USD / Sell INR				
< 1 year	83.88	414.62	3,477.78	9.99
Buy EURO / Sell INR				
< 1 year	Nil	Nil	Nil	Nil

Note: Fair Value in brackets denotes liability.

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Group's profit before tax and impact on equity is due to changes in the fair value of non-designated foreign currency forward and option contracts given as under.

₹ crore		
	Effect on profit before tax and consequential impact on equity before tax	
As at March 31, 2025	Rupee depreciate by ₹ 1 against USD	(+) ₹ 156.11
	Rupee appreciate by ₹ 1 against USD	(-) ₹ 109.22
As at March 31, 2024	Rupee depreciate by ₹ 1 against USD	(+) ₹ 166.36
	Rupee appreciate by ₹ 1 against USD	(-) ₹ 124.90

b. Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group's policy is to keep upto 50% of its borrowings at fixed rates of interest. To manage this, the Group enters into fixed rate loan, Bonds and interest rate swaps, in which it agrees to exchange, at specified intervals, the difference between fixed and variable rate interest amounts calculated by reference to an agreed-upon notional principal amount.

(i) Interest rate sensitivity:

The sensitivity analysis below have been determined based on exposure to interest rates for term loans and debentures at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans and debentures that have floating rates.

If the interest rates had been 50 basis points higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on Group's profit in that financial year would have been as below:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

₹ crore

		Effect on profit before tax and consequential impact on equity before tax
As at March 31, 2025	Increase in interest rate by 50 bps	(-) ₹ 224.36
	Decrease in interest rate by 50 bps	(+) ₹ 224.36
As at March 31, 2024	Increase in interest rate by 50 bps	(-) ₹ 169.23
	Decrease in interest rate by 50 bps	(+) ₹ 169.23

(ii) Equity price risk

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The fair value of some of the Company's investments in equity securities exposes the Company to equity price risks. In general, these securities are not held for trading purposes. These investments are subject to changes in the market price of securities. The fair value of some of the Company's investment in quoted equity securities measured at FVTOCI as of March 31, 2025 and 2024, was ₹ 1,896.05 crores and ₹ 1,647 crores, respectively. A 10% change in prices of these securities held as of March 31, 2025 and 2024, would result in a pre-tax impact of ₹ 18.96 crores and ₹ 16.47 crores on equity, respectively

(iii) Commodity price risk:

The Group's exposure to commodity price is affected by a number of factors including the effect of regulation, the price volatility of coal prices in the market, including imported coal, contract size and length, market condition etc. which is moderated by optimising the procurement under fuel supply agreement and getting compensated under long term power purchase agreements and change in law regulation. In case, the Group anticipates non-availability of coal, the same is mitigated by sourcing imported coal in advance to meet the demand. Its operating / trading activities require the on-going purchase for continuous supply of coal and other commodities. Therefore the Group monitors its purchases closely to optimise the procurement cost.

44.4.2 Credit risk management

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including loans, foreign exchange transactions and other financial instruments.

₹ crore

	As at March 31, 2025	As at March 31, 2024
Trade Receivables	6,932.80	7,674.98
Loans	14.34	13.62
Finance Lease Receivables	601.45	627.58
Other Financial Assets (including derivatives contracts)	2,825.46	2,555.98
Held for Sale Financial Assets	4.15	4.15
Unbilled Revenue	2,737.06	2,552.23
Total	13,115.26	13,428.54

Refer Note 9 for credit risk and other information in respect of trade receivables. Other receivables as stated above are due from the parties under normal course of the business and as such the Group believes exposure to credit risk to be minimal. The Group has not acquired any credit impaired asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

44 Financial Instruments (Contd.)

44.4.3 Liquidity risk management

The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Having regards to the nature of the business wherein the Group is able to generate fixed cash flows over a period of time and to optimize the cost of funding, the Group, from time to time, funds its long-term investment from short-term sources. The short-term borrowings can be roll forward or, if required, can be refinanced from long term borrowings. Hence, the Group considers the liquidity risk as low.

The table below summarizes the maturity profile of the Group's financial liabilities based on contractual undiscounted payments.

	₹ crore				
	Up to 1 year	1 to 5 years	5+ years	Total	Carrying Amount
March 31, 2025					
Non-Derivatives					
Borrowings #	16,095.29	40,534.16	23,491.70	80,121.15	58,740.85
Trade Payables	8,854.55	Nil	Nil	8,854.55	8,854.55
Lease Liabilities	540.44	2,355.87	8,706.24	11,602.56	4,720.24

Notes:

- a Current Assets as per balance sheet, assets held for sale and current portion of regulatory assets
Current Liabilities as per balance sheet, liabilities classified as held for sale and current portion of regulatory liabilities
- b Total Debt: Long term borrowings (including current maturities of long term borrowings), lease liabilities (current and non current), short term borrowings and interest accrued on debts
Total Equity : Issued share capital, other equity and non-controlling interest
- c For the purpose of computation, scheduled principal repayment of long term borrowings does not include prepayments (including prepayment by exercise of call/put option).
- d Cost of Goods Sold: Cost of Fuel, Raw Material Consumed and Construction cost (Including Project Land and Sub-contracting cost), Purchase of Finished Goods and Spares, Decrease/(Increase) in Stock-in-Trade and Work in Progress
- e Net credit purchases comprise of (a) cost of power purchased; (b) cost of fuel; (c) Transmission charges; (d) Raw Material Consumed and Construction cost (Including Project Land and Sub-contracting cost); (e) Purchases of finish goods and spares; (f) Other expenses excluding (i) Bad debts (including provision); (ii) Net loss on foreign exchange; (iii) CSR expenses; (iv) (Profit)/ loss on sale of non- current investments in joint ventures accounted using equity method; (v) Transfer to Statutory Consumer reserve
- f Working Capital:
 - i) Current Assets: as per balance sheet, assets held for sale and current portion of regulatory assets
 - ii) Current Liabilities as per balance sheet (excluding current maturities of long term debt and lease liability and interest accrued on long-term debts), liabilities classified as held for sale and current portion of regulatory liabilities
- g Net Profit: Profit for the year attributable to Owners of the Company (including continuing and discontinuing operation) less interest on perpetual security
- h Shareholder's Equity: Issued share capital and other equity (excluding non-controlling interest)
- i i) Interest Income:
Interest on bank deposits + Interest on non-current investment + Interest on loans given
ii) Dividend Income from:
Associates and Joint Ventures + other equity investments designated as FVTOCI

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

46. Segment Reporting

Information reported to the Chief Operating Decision Maker ('CODM') for the purpose of resource allocation and assessment of segment performance focuses on business segment which comprises of Thermal & Hydro, Renewables, Transmission & Distribution and Others. The Group's chief operating decision maker is the Chief Executive Officer and Managing Director.

Specifically, the Group's reportable segments under Ind AS are as follows:

Thermal & Hydro: Comprises of generation of power from hydroelectric sources and thermal sources (coal, gas and oil) from plants owned and operated under lease arrangement and related ancillary services. It also comprises of coal - mining, trading, shipping and related infra business.

Renewables: Comprises of generation of power from renewable energy sources i.e. wind and solar. It also comprises rooftop solar projects, electric vehicle charging stations, manufacturing of solar cell and module, EPC and maintenance services with respect to solar.

Transmission and Distribution: Comprises of transmission and distribution network, sale of power to retail customers through distribution network and related ancillary services. It also comprises of power trading business.

Others: Comprises of project management contracts/infrastructure management services, property under development and satellite communication.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of associated revenue/assets of the segment and manpower efforts. All other revenue/expenses which are not attributable or allocable to segments have been disclosed as unallocable. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

- 49** Certain documents, information, records and reconciliations for the balances as at the acquisition dates of Odisha Discoms are incomplete and have not been made available to the Group and the same is acknowledged in the Carve out order issued by OERC. The Odisha Discoms are in discussions with the erstwhile management and OERC for the resolution of such matters. Adjustments, if any, will be recognised post completion of such resolution. As per vesting order, any change in the value of assets and liabilities transferred on account of the reconciliation / resolution of said matters and/ or any other matter identified in future will be allowed to be recovered by the Group in the manner specified in the vesting order. Hence, the Group believes that the reconciliation/ resolution of the above matters will not have any impact on the financial position and financial performance of the Group as reflected in the Consolidated Financial Statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

51. Disclosure regarding details of assets created with Government Fund and used by Odisha Discoms

As per last details provided by the Odisha Power Transmission Company Limited (OPTCL), certain assets were created for CESU, WESCO, SOUTHCO and NESCO through different schemes formed by the government and executed by OPTCL. Based on details shared by OPTCL, the carrying amount of such assets as of March 31, 2025 is ₹7,883.22 crore (March 31, 2024: ₹8,203.58 crore) for completed assets and ₹646.35 crore (March 31, 2024: ₹646.35 crore) for work in progress(WIP). These are subject to detailed verification and reconciliation by various authorities.

As per the Vesting Order, the ownership of these assets has not been transferred to the respective subsidiary Company TPCODL, TPWODL, TPSODL and TPNODL; however, it can continue to use these assets for supply of power to the consumer. Since the subsidiary Company is not able to charge any depreciation for these assets in the ARR, the fair value of these assets for the Company at the vesting date is Nil. Details are given below:

₹ crore

Name of scheme	As at March 31, 2025

Further based on documents available through various meetings held with GRIDCO and OPTCL, the Group has submitted government funded assets amounting to ₹17,240.80 crores to the hon'ble OERC and ₹13,070.45 crore has been acknowledged against this in tariff order of FY 2025-26.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

52. Audit Trail

During the year, the Holding Company and its few subsidiaries migrated from SAP ECC (legacy accounting software) to an upgraded version (SAP S/4 Hana) on December 23, 2024. They have used these accounting software's for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the upgraded and the legacy accounting software, except that audit trail feature was not enabled for direct changes to data in the legacy accounting software when using certain access rights during the period from April 1, 2024 to October 17, 2024. Post October 17, 2024, the audit trail feature is enabled at the database level.

In 4 subsidiaries which are in different SAP instance the audit trail for direct data changes in SAP was enabled from June 1, 2024, and in case of 3 subsidiaries CIS applications was enabled from various dates between October and November 2024.

In one of the subsidiary, the audit trail feature was not enabled throughout the year for direct changes to specific database tables. However stringent control procedures were implemented to effectively restrict direct changes to data during this period. These procedures included thorough reviews of logs and reconciliation of datasets and during the financial year no direct changes were made that impacted financial records.

Further no instance of audit trail feature being tampered with, was noted in respect of the accounting software. Additionally, the audit trail of previous year has been preserved by the Group as per the statutory requirements for record retention to the extent it was enabled and recorded in the previous year.

53. Other Statutory information

- (i) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.
- (ii) The Group have not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (iii) The Group have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) (other than subsidiaries) with the understanding (whether recorded in writing or otherwise) that the Group shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- iv) 'The Group has not advanced or loaned or invested funds to any person(s) or entity(ies), including foreign entities (Intermediaries) (other than subsidiaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:
 - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or
 - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (v) The Group is in compliance with the number of layers prescribed under clause (87) of section 2 of the Companies Act, 2013 read with the Companies (Restriction on number of Layers) Rules, 2017 (as amended).
- (vi) The Group does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).
- (vii) The quarterly returns or statements of Current assets filed by the Group with the banks or financial institutions are in agreement with the books of accounts.
- (viii) There are no charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (ix) The Group has not been declared wilful defaulter by any bank or financial institution or other lender.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

54. Recent Pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

55. The Code on Social Security, 2020

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

56 Approval of Consolidated Financial Statements

The Consolidated Financial Statements were approved for issue by the Board of Directors on May 14, 2025.

NOTICE

NOTICE IS HEREBY GIVEN THAT THE ONE HUNDRED AND SIXTH ANNUAL GENERAL MEETING OF THE TATA POWER COMPANY LIMITED will be held on **Friday, July 4, 2025 at 2:30 p.m. (IST)** through Video Conferencing/Other Audio Visual Means, to transact the following business:

Ordinary Business

1. To receive, consider and adopt the Audited Standalone Financial Statements of the Company for the financial year ended March 31, 2025, together with the Reports of the Board of Directors and the Auditors thereon.
2. To receive, consider and adopt the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2025, together with the Report of the Auditors thereon.
3. To declare a dividend on Equity Shares for the financial year ended March 31, 2025.
4. To appoint a Director in place of Mr. Saurabh Agrawal (DIN: 02144558), who retires by rotation and being eligible, offers himself for re-appointment.

Special Business

5. **Appointment of Mr. Pramod Agrawal (DIN: 00279727) as a Director and as an Independent Director**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

“RESOLVED that Mr. Pramod Agrawal (DIN: 00279727), who was appointed by the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee as an Additional (Non-Executive, Independent) Director of the Company with effect from April 15, 2025 and who holds office up to the date of this Annual General Meeting of the Company under Section 161(1) of the Companies Act, 2013 (the Act) (including any statutory modification or re-enactment thereof for the time being in force) read with Article 132 of the Articles of Association of the Company and who is eligible for appointment and has consented to act as a Director of the Company and in respect of whom the Company has received a notice in writing from a Member under Section 160(1) of the Act proposing his candidature for the office of Director, be and is hereby appointed as a Director of the Company.

RESOLVED FURTHER that pursuant to the provisions of Sections 149, 150, 152 and other applicable provisions, if any, of the Act (including any statutory modification or re-enactment thereof for the time being in force) read with Schedule IV to the Act, and the Companies (Appointment and Qualification of Directors) Rules, 2014, Regulation 17, 25 and other applicable regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), as amended,

the appointment of Mr. Agrawal, who meets the criteria for independence as provided in Section 149(6) of the Act and the Rules framed thereunder and Regulation 16(1)(b) of the Listing Regulations and who has submitted a declaration to that effect and who is eligible for appointment, as an Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) years commencing from April 15, 2025 up to April 14, 2030, be and is hereby approved.”

6. **Appointment of Secretarial Auditor**

To consider and, if thought fit, to pass the following resolution as an Ordinary Resolution:

“RESOLVED that pursuant to the provisions of Section 204 and other applicable provisions, if any, of the Companies Act, 2013, and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 read with Regulation 24A and other applicable regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (Listing Regulations), [including any statutory modification(s) or re-enactment(s) thereof for the time being in force] and based on recommendation of Audit Committee of Directors and the Board of Directors, M/s Makarand M. Joshi & Co., Practicing Company Secretaries, (Firm registration no. P2009MH007000), be and are hereby appointed as Secretarial Auditor of the Company, to hold office for a term of 5 (five) consecutive years commencing from FY2025-26 to FY2029-30 to undertake Secretarial Audit of the Company, on such remuneration plus applicable taxes, travel and actual out-of-pocket expenses, as may be mutually agreed upon between the Board of Directors of the Company and the Secretarial Auditor from time to time.

RESOLVED FURTHER that the Board of Directors of the Company (including its Committee thereof) be and is hereby authorised to do all such acts, deeds, matters and things as may be necessary, expedient and desirable for the purpose of giving effect to this resolution.”

7. **Ratification of Cost Auditor's Remuneration**

To consider and, if thought fit, to pass the following resolution as an Ordinary Resolution:

“RESOLVED that pursuant to the provisions of Section 148(3) and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, (including any statutory modification or re-enactment thereof for the time being in force), the Company hereby ratifies the remuneration of ₹6,50,000 (Rupees six lakh fifty thousand only) plus applicable taxes, travel and actual

out-of-pocket expenses incurred in connection with the audit, payable to M/s. Sanjay Gupta and Associates (Firm Registration No.000212), who have been appointed by the Board of Directors based on the recommendation of the Audit Committee of Directors, as Cost Auditors of the Company to conduct the audit of cost records maintained by the Company for the FY 2025-26.

RESOLVED FURTHER that the Board of Directors of the Company (including its Committee thereof), be and is hereby authorised to do all acts, deeds, matters and take all such steps as may be necessary, expedient and desirable for the purpose of giving effect to this resolution."

8. **Borrowing limits of the Company**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED that in supersession of Special Resolution No. 15 passed by the Members at the Annual General Meeting of the Company held on August 13, 2014 and pursuant to Section 180(1)(c) and all other applicable provisions, if any, of the Companies Act, 2013 and the rules made thereunder (including any statutory modification or re-enactment thereof for the time being in force) and such other laws, rules as may be applicable from time to time, consent of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the "Board", which term shall be deemed to include any Committee of the Board constituted to exercise its powers, including the powers conferred by this Resolution) for borrowing from time to time, any sum or sums of money, together with the money already borrowed by the Company (apart from temporary Loans obtained or to be obtained from the Company's Bankers in the ordinary course of business) upto ₹ 35,000 crore (Rupees thirty five thousand crore) if the aggregate for the time being of the paid-up capital of the Company, its free reserves and securities premium is less than ₹ 35,000 crore.

RESOLVED FURTHER that the Board of Directors of the Company (including its Committee thereof), be and is hereby authorised to do all acts, deeds, matters and take all such steps as may be necessary, expedient and desirable for the purpose of giving effect to this resolution."

9. **Creation of charges on assets of the Company**

To consider and, if thought fit, to pass the following resolution as a Special Resolution:

"RESOLVED that in supersession of Special Resolution No. 16 passed by the Members at the Annual General Meeting of the Company held on August 13, 2014 and pursuant to Section 180(1)(a) and other applicable

provisions, if any, of the Companies Act, 2013 and the Rules made thereunder, as amended from time to time, consent of the Company be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the 'Board', which term shall be deemed to include any Committee of the Board constituted to exercise its powers, including the powers conferred by this Resolution) to create such charges, mortgages and hypothecations in addition to the existing charges, mortgages and hypothecations created by the Company, on such movable and immovable properties, both present and future, and in such manner as the Board may deem fit, together with the power to take over the management and concern of the Company in certain events, to or in favour of all or any of the financial institutions/banks/insurance companies/other investing agencies/trustees for holders of debentures/bonds/other instruments which may be issued to and subscribed by all or any of the financial institutions/banks/insurance companies/other investing agencies or any other person(s)/bodies corporate by way of private placement or otherwise to secure rupee/foreign currency loans, debentures, bonds or other instruments (hereinafter collectively referred to as 'Loans') provided that the total amount of Loans together with interest thereon at the respective agreed rates, additional interest, compound interest, liquidated damages, commitment charges, premia on pre-payment or on redemption, costs, charges, expenses and all other moneys payable by the Company to the aforesaid parties or any of them under the Agreements/Arrangements entered into/to be entered into by the Company in respect of the said Loans, shall not at any time exceed the limit of ₹43,750 crore (Rupees forty-three thousand seven hundred and fifty crore).

RESOLVED FURTHER that the Board of Directors of the Company (including its Committee thereof), be and is hereby authorised to do all acts, deeds, matters and take all such steps as may be necessary, expedient and desirable for the purpose of giving effect to this resolution."

NOTES:

1. Pursuant to General Circular No.09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs (MCA), Circular dated October 3, 2024 issued by SEBI and such other applicable circulars issued by MCA and SEBI (the Circulars), the Company is convening the 106th Annual General Meeting (AGM) through Video Conferencing (VC)/Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue.

In compliance with the applicable provisions of the Companies Act, 2013 (the Act), the Listing Regulations and MCA Circulars, the 106th AGM of the Company

NOTICE

is being held through VC/OAVM on **Friday, July 4, 2025 at 2:30 p.m. (IST)**. The proceedings of the AGM will be conducted at the Registered Office of the Company at Bombay House, 24, Homi Mody Street, Mumbai - 400 001, which shall be the deemed venue of the AGM.

2. As per the provisions of Clause 3.A.II. of the General Circular No.20/2020 dated May 5, 2020, the matters of Special Business as appearing at Item Nos. 5 to 9 of the accompanying Notice, are considered to be unavoidable by the Board and hence, forms part of this Notice.
3. The Explanatory Statement, pursuant to Section 102 of the Act setting out material facts concerning the business with respect to Item Nos. 5 to 9 above and the details of Directors seeking appointment / re-appointment under Item Nos. 4 and 5 pursuant to Regulation 36(3) of the Listing Regulations and Secretarial Standard - 2 on General Meetings (SS-2), issued by The Institute of Company Secretaries of India are annexed hereto.
4. **PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON ITS BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, THE REQUIREMENT OF PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, THE FACILITY FOR APPOINTMENT OF PROXIES BY MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE, THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE.**
5. **The name of Registrar and Transfer Agent of the Company is changed to MUFG Intime India Private Limited (RTA) from Link Intime India Private Limited, with effect from December 31, 2024.** This is pursuant to acquisition of Link Group by Mitsubishi UFJ Trust & Banking Corporation, by way of scheme of arrangement.
6. In case of joint holders attending the AGM, only such joint holder, who is higher in the order of names, will be entitled to vote.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
8. The Members can join the AGM through VC/OAVM 30 minutes before and 15 minutes after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice. The Members will be able to view the live proceedings on National Securities Depository Limited's (NSDL) e-voting website at www.evoting.nsdl.com. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1,000 Members on a first come first served basis as per the MCA Circulars. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairmen of the Audit Committee of Directors, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
9. In terms of Listing Regulations, relevant MCA Circulars and the SEBI Circulars, the Company is sending this AGM Notice along with the Annual Report for FY25 in electronic form only to those Members whose email addresses are registered with the Company/ RTA/ NSDL and/or Central Depository Services (India) Limited (CDSL), (NSDL and CDSL collectively 'Depositories'). A letter is also being sent to the shareholders whose email addresses are not registered, stating the web-link where the Annual Report is uploaded on website. The Company shall send the physical copy of the Annual Report for FY25 only to those Members who specifically request for the same at investorcomplaints@tatapower.com mentioning their Folio numbers/DP ID and Client ID. The Notice convening the AGM and the Annual Report for FY25 have been uploaded on the website of the Company at www.tatapower.com/investor-relations/annual-reports.aspx, the websites of BSE Limited (BSE) at www.bseindia.com and National Stock Exchange of India Limited (NSE) at www.nseindia.com, on which the equity shares of the Company are listed and on the website of NSDL at www.evoting.nsdl.com.
10. **Record Date and Dividend:** The Record Date for the purpose of payment of dividend for FY25 is **Friday, June 20, 2025**. The dividend of ₹ 2.25 per equity share of ₹ 1 each (225%), if approved by the Members at the AGM, will be paid subject to deduction of tax at source (TDS), on or after **Monday, July 7, 2025** by way of electronic mode as under:
 - i) Shares held in electronic form: To all Beneficial Owners in respect of shares held in dematerialised form as per the data as may be made available by Depositories at the close of business hours on **Friday, June 20, 2025**; and
 - ii) Shares held in physical form: To all those Members holding shares in physical form after giving effect to valid transmission or transposition requests lodged with the Company, whose names stand registered in the Company's Register of Members as Members on the close of business hours on **Friday, June 20, 2025**.

11. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the Members and the Company is required to deduct TDS from dividend paid to the Members at rates prescribed in the Income-Tax Act, 1961 (IT Act). In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, Permanent Account Number (PAN), Category as per the IT Act with their DPs or in case shares are held in physical form, with the Company/ RTA, by sending documents through email by **Thursday, June 19, 2025**. For the detailed process, please visit the website of the Company at www.tatapower.com/tds-on-dividend and also refer to the email communication is being sent to Members in this regard.

12. **Mandatory updation of PAN, KYC, bank details, specimen signature and nomination details prior to processing the payment of dividend:**

Pursuant to SEBI Master Circular dated May 7, 2024 issued to the Registrar and Transfer Agents and SEBI Circular dated November 17, 2023, as amended, SEBI has mandated that, with effect from April 1, 2024, dividend to the security holders holding shares in physical mode shall be paid in electronic mode only and if the folio is KYC Compliant. A folio will be considered as KYC compliant on registration of all details viz. full address with pin code, mobile no., email address, bank details, valid PAN linked to Aadhaar of all holders in the folio, specimen signature, nomination, etc. Relevant FAQs have been published by SEBI in this regard which can viewed at www.sebi.gov.in/sebi_data/faqfiles/sep-2024/1727418250017.pdf.

The forms for updation of PAN, KYC, Bank details and Nomination viz. Forms ISR-1, ISR-2, ISR-3 and SH-13 are available on our website at www.tatapower.com/investor-services-forms. In view of the above, we urge Members holding shares in physical form to submit the required forms duly filled up and signed, along with the supporting documents at the earliest to the Company/ RTA. Towards this, the Company will send letters to the Members holding shares in physical form. Further, Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

13. **Updation of mandate for receiving dividend directly in bank account through Electronic Mode or any other means in a timely manner:** Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, PAN, mandates, nomination, power of attorney, bank details, bank account number, MICR code, IFSC, etc. as under:

Shares held in physical form: Members holding shares in physical form are requested to send the following details/ documents to the Company's RTA, at C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli (West), Mumbai - 400 083, latest by **Thursday, June 19, 2025**:

- Form ISR-1 along with supporting documents. The said form is available on the website of the Company at www.tatapower.com/investor-services-forms and on the website of the RTA at <https://web.in.mpms.mufig.com/KYC-downloads.html>.
- Cancelled cheque in original, bearing the name of the Member or first holder, in case shares are held jointly. In case name of the holder is not available on the cheque, kindly submit the Cancelled cheque in original alongwith Bank attested legible copy of the first page of the Bank Passbook/Bank Statement bearing the names of the account holders, address, same bank account number and type as on the cheque leaf and full address of the bank branch.
- Self-attested copy of the PAN Card of all the holders; and
- Self-attested copy of any document (such as Aadhaar Card, Driving License, Election Identity Card, Passport) in support of the address of the first holder as registered with the Company.

Shares held in electronic form: Members holding shares in electronic form may please note that their bank details as furnished by the respective DPs to the Company will be considered for remittance of dividend as per the applicable regulations of the DPs and the Company will not be able to accede to any direct request from such Members for change/addition/deletion in such bank details. Accordingly, Members holding shares in electronic form are requested to ensure that their Electronic Bank Mandate is updated with their respective DPs latest by **Thursday, June 19, 2025**.

14. Members may please note that SEBI Circular dated January 25, 2022, as amended, has mandated Listed Companies to issue securities in demat form while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal/Exchange of securities certificate; Endorsement; Sub-division/ Splitting of securities certificate; Consolidation of securities certificates/ folios; Transmission and Transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website at www.tatapower.com/investor-services-forms and on the website of the RTA at <https://in.mpms.mufig.com>.

NOTICE

It may be noted that service request can be processed only after the folio is KYC compliant. In terms of Regulation 40(1) of the Listing Regulations, as amended, and SEBI, vide its notification dated January 24, 2022, as amended, has mandated, that all requests for transmission and transposition shall be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.

15. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.
16. **Nomination facility:** In terms of the SEBI Circular dated June 10, 2024, all Members are encouraged in their own interest, to provide choice of nomination by contacting the RTA, if shares are held in physical form or their respective Depository Participant(s), if shares are held in dematerialised form. Members who have not yet registered their nomination, are requested to register the same by submitting Form No. SH-13. If a Member desires to opt-out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or Form SH-14, as the case may be. The said forms can be downloaded from the Company's website at https://www.tatapower.com/investor-services---forms/Form_SH13_-_Nomination_Registration.pdf and on the website of the RTA at <https://web.in.mpms.mufig.com/KYC-downloads.html>. Further, all new Members are mandatorily required to provide the choice of nomination for their demat accounts (except for jointly held demat accounts).
17. Members are requested to note that dividends, if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). Further, the shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members/Claimants are requested to claim their dividends from the Company within the stipulated timeline. The Members whose unclaimed dividends/shares have been transferred to IEPF may claim the same by approaching the Company or RTA for issuance of Entitlement Letter on submission of required documents. The Members may then make an application to the IEPF Authority, in web Form IEPF-5 (available on www.iepf.gov.in) by attaching the Entitlement Letter and other documents. The details of unclaimed dividend transferred to IEPF have been provided in the Report on Corporate Governance forming part of the Annual Report FY25.
18. As per SEBI Circular, Members may note that in case of any dispute against the Company and/or its RTA, can file dispute resolution through the Online Dispute Resolution Portal for disputes arising out of Indian Securities Market (<https://smartodr.in/login>) and the same can be accessed through the Company's website at <https://www.tatapower.com/online-resolution-of-disputes>. Members can use this mechanism only after they have lodged their grievance with the Company and SCORES and are not satisfied with the outcome of the redressal.
19. Members who wish to inspect the Register of Directors and Key Managerial Personnel and their shareholding (as per Section 170 of the Act), the Register of Contracts or Arrangements in which the Directors are interested (as per Section 189 of the Act), and other relevant documents referred to in the Notice or Explanatory Statement, may do so electronically during the AGM. Members may send their requests to investorcomplaints@tatapower.com from their registered email addresses mentioning their name, Folio numbers/DP ID and Client ID.
20. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialised form.
21. **Process for Registration of email addresses:**
 - A. To facilitate Members to receive this Notice along with Annual Report FY25 and to cast their votes electronically, the Company has made special arrangement with RTA for registration of email addresses in terms of the MCA Circulars. Eligible Members who have not submitted the same to RTA, are required to provide their email address to the RTA, **on or before 5:00 p.m. (IST) Friday, June 27, 2025.**
 - B. **Process to be followed for one-time registration of email address (for shares held in physical form or in electronic form) is as follows:**
 - i) Visit the link https://web.in.mpms.mufig.com/EmailReg/Email_Register.html
 - ii) Select the Name of the Company from dropdown: **The Tata Power Company Limited**

- iii) Enter the Folio number or DP ID/Client ID, Shareholder Name, PAN details, Mobile no. and email address. Members are also required to upload a self-attested copy of the PAN Card and address proof viz. Aadhaar card or Passport, etc. Members holding shares in physical form are required to additionally enter one of their share certificate number.
- iv) Enter the One Time Password (OTP) received on mobile no. and email address and submit.
- v) On completing the above process, your request will be accepted and request ID will be generated. Email registered is for limited purpose of sending notice pertaining to the current event.

After successful submission of the email address, NSDL will email a copy of this Notice along with Annual Report FY25 and the e-voting user ID and password. If you are an Individual shareholder holding securities in demat mode, you are requested to refer to the login method explained at Step 1 (A) below i.e. Login method for e-voting for individual shareholders holding securities in demat mode. In case of any queries, Members may write to evoting@nsdl.com.

C. Registration of email address permanently with Company/DP:

Members are requested to register the email address with their concerned DPs, in respect of electronic holding and with the Company/RTA in respect of physical holding, by submitting Form ISR-1 duly filled and signed by the holders.

- 22. Those Members who have already registered their email addresses are requested to keep the same validated with their DPs/Depositories/RTA to enable serving of notices/ documents/Annual Reports and other communications electronically to their email address in future.
- 23. To facilitate faster responses to shareholder queries, the RTA has launched an initiative that requires shareholders to submit their queries or requests only electronically through their website at https://web.in.mpms.mufg.com/helpdesk/Service_Request.html.
- 24. **Process and manner for Members for e-voting is as under:**
 - I. In compliance with the provisions of Section 108 and other applicable provisions of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended, and Regulation 44 of the Listing Regulations and in terms of SEBI Circular dated December 9, 2020 in relation to e-voting facility provided by listed entities, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. The Company has engaged the services of NSDL for facilitating e-voting to enable the Members to cast their votes electronically as well as for e-voting during the AGM. Resolution(s) passed by Members through e-voting is/ are deemed to have been passed as if they have been passed at the AGM.
 - II. Members will be provided with the facility for voting through electronic voting system during the VC/OAVM proceedings at the AGM and Members participating at the AGM, who have not already cast their vote by remote e-voting, will be eligible to exercise their right to vote at the AGM upon announcement by the Chairman at the end of discussion on the resolutions.
 - III. Members who have already cast their vote by remote e-voting prior to the AGM, will also be eligible to participate at the AGM but shall not be entitled to cast their vote again on such resolution(s) for which the Member has already cast the vote through remote e-voting. The remote e-voting module during the AGM shall be disabled by NSDL for voting 15 minutes after the conclusion of the Meeting.
 - IV. Members of the Company holding shares either in physical form or electronic form, as on the cut-off date i.e. **Friday, June 27, 2025**, may cast their vote by remote e-voting. The remote e-voting period commences on **Monday, June 30, 2025 at 9:00 a.m. (IST) and ends on Thursday, July 3, 2025 at 5:00 p.m. (IST)**. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. The voting right of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being **Friday, June 27, 2025**.
 - V. The instructions for Members attending the AGM through VC/OAVM are as under:
 - A. The Members will be provided with a facility to attend the AGM through VC/OAVM provided by NSDL. Members may access the same by following the steps mentioned below for 'Log-in to NSDL e-voting system'. The link for VC/OAVM will be available in 'Member login' where the **'EVEN'** of the Company **133805** will be displayed. After successful

NOTICE

login, the Members will be able to see the link of 'VC/OAVM link' placed under the tab 'Join Meeting' against the name of the Company. On clicking this link, the Members will be able to attend and participate in the proceedings of the AGM through a live webcast of the meeting and submit votes on announcement by the Chairman. Please note that the members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the notice to avoid last minute rush.

- B. Members may join the AGM through laptops, smartphones, tablets and iPads for better experience. Further, Members will be required to allow camera and use Internet with a good speed to avoid any disturbance during the Meeting. Members will need the latest version of Chrome, Safari, Internet Explorer 11, MS Edge or Firefox. Please note that participants connecting from mobile devices or tablets or through laptops connecting via mobile hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is, therefore, recommended to use stable Wi-Fi or LAN connection to avoid any glitches.
- C. Members are encouraged to submit their questions in advance with regard to the financial statements or any other matters to be placed at the AGM, from their registered email address, mentioning their name, DP ID and Client ID number /folio number and mobile number, to reach the Company's email address at investorcomplaints@tatapower.com before 2:30 p.m. (IST) on **Friday, June 27, 2025**. Queries that remain unanswered at the AGM, will be appropriately responded by the Company at the earliest post the conclusion of the AGM.
- D. Members who would like to express their views/ ask questions as a Speaker at the AGM may pre-register themselves by sending a request from their registered email address mentioning their names, DP ID and Client ID/folio number, PAN and mobile number to investorcomplaints@tatapower.com between **Friday, June 27, 2025** (9:00 a.m. IST) and **Monday, June 30, 2025** (5:00 p.m. IST). Only those Members who have pre-registered themselves as Speakers will be allowed to express their views/ask questions during the AGM. The Company

reserves the right to restrict the number of speakers depending on the availability of time for the AGM. Further, the sequence in which the Members will be called upon to speak will be solely determined by the Company.

- E. A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting, as well as voting at the meeting.
- F. Any person holding shares in physical form and non-individual shareholders, who acquire shares and become Members of the Company after the Notice is sent through email and holding shares as of the cut-off date i.e. **Friday, June 27, 2025**, may obtain the login ID and password by sending a request at evoting@nsdl.com. However, if the person is already registered with NSDL for remote e-voting, then the existing user ID and password of the said person can be used for casting vote. If the person forgot his/her password, the same can be reset by using "Forgot User Details Password" or "Physical User Reset Password" option available on <http://www.evoting.nsdl.com> or call on 022-4886 7000. In case of Individual Shareholders holding securities in demat mode who acquire shares of the Company and become Members of the Company after dispatch of the Notice and holding shares as of the cut-off date i.e. **Friday, June 27, 2025** may follow steps mentioned in the Notice of the AGM under "Access to NSDL e-voting system". Other methods for obtaining/ procuring User IDs and passwords for e-voting are provided in the AGM Notice.

The Instructions for Members for Remote E-Voting and joining General Meeting are as under:

The way to vote electronically on NSDL e-voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-voting system

- A. **Login method for e-voting and joining virtual meeting for Individual shareholders holding securities in demat mode**

In terms of SEBI circular dated December 9, 2020, 'e-voting facility provided by Listed Companies', individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email address in their demat accounts in order to access e-voting facility.

Type of Members	Login Method
Individual Shareholders holding securities in demat mode with NSDL	a) For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email address/mobile number and click on login. After successful authentication, you will be able to see e-voting services under Value added services. Click on 'Access to e-voting' under e-voting services and you will be able to see e-voting page. Click on company name or e-voting service provider i.e. NSDL and you will be re-directed to e-voting website of NSDL for casting your vote during the remote e-voting period. b) Existing IDeAS user can visit the e-Services website of NSDL viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the 'Beneficial Owner' icon under 'Login' which is available under 'IDeAS' section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-voting services under Value added services. Click on 'Access to e-voting' under e-voting services and you will be able to see e-voting page. Click on company name or e-voting service provider i.e. NSDL and you will be re-directed to e-voting website of NSDL for casting your vote during the remote e-voting period. c) If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select 'Register Online for IDeAS Portal' or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp d) Visit the e-voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-voting system is launched, click on the icon 'Login' which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen-digit demat account number held with NSDL), Password/ OTP and a Verification Code as shown on the screen. After successful authentication, you will be re-directed to NSDL Depository site wherein you can see e-voting page. Click on company name or 'e-voting service provider i.e. NSDL' and you will be redirected to e-voting website of NSDL for casting your vote during the remote e-voting period. e) Shareholders/Members can also download NSDL Mobile App 'NSDL Speede' facility by scanning the QR code mentioned below for seamless voting experience. NSDL Mobile App is available on    
Individual Shareholders holding securities in demat mode with CDSL	a) Users who have opted for CDSL Easi / Easiest facility, can login through their existing User ID and Password. Option will be made available to reach e-voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon and New System Myeasi Tab and then use your existing Myeasi username and password. b) After successful login the Easi / Easiest user will be able to see the e-voting option for eligible companies where the e-voting is in progress as per the information provided by company. On clicking the e-voting option, the user will be able to see e-voting page of the e-voting service provider for casting your vote during the remote e-voting period. Additionally, there are also links provided to access the system of all e-voting Service Providers, so that the user can visit the e-voting service providers' website directly.

NOTICE

Type of Members	Login Method
	c) If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login and New System Myeasi Tab and then click on registration option.
	d) Alternatively, the user can directly access e-voting page by providing Demat Account Number and PAN from e-voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile and email as recorded in the Demat Account. After successful authentication, user will be able to see the e-voting option where the e-voting is in progress and also able to directly access the system of all e-voting Service Providers.
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-voting facility. Upon logging in, you will be able to see e-voting option. Click on e-voting option, you will be re-directed to NSDL/CDSL Depository site after successful authentication, wherein you can see e-voting feature. Click on company name or e-voting service provider i.e. NSDL and you will be re-directed to e-voting website of NSDL for casting your vote during the remote e-voting period.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL:

Login type	Helpdesk details
NSDL	Email: evoting@nsdl.com / Tel.: 022 - 4886 7000
CDSL	Email: helpdesk.evoting@cdslindia.com / Tel.: 1800-21-09911

B. Login Method for e-voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode:

- Visit the e-voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com> either on a Personal Computer or on a mobile.
- Once the home page of e-voting system is launched, click on the icon 'Login' which is available under 'Shareholder/ Member' section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL e-Services i.e. IDeAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDeAS login. Once you log-in to NSDL e-Services after using your log-in credentials, click on e-voting and you can proceed to Step 2 i.e. Cast your vote electronically.

- Your User ID details are given below :

**Manner of holding shares i.e. Your User ID is:
Demat (NSDL or CDSL) or Physical**

For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****
For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 133805 then user ID is 133805001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - i. If your email address is registered in your demat account or with the company, your 'initial password' is communicated to you on your email address. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii. If your email address is not registered, please follow steps mentioned below in process for those shareholders whose email addresses are not registered.
6. If you are unable to retrieve or have not received the 'Initial password' or have forgotten your password:
 - a) Click on **'Forgot User Details/Password?'** (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **'Physical User Reset Password?'** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP based login for casting the votes on the e-voting system of NSDL.
 7. After entering your password, tick on 'Agree to 'Terms and Conditions' by selecting on the check box.
 8. Now, you will have to click on 'Login' button.
 9. After you click on the 'Login' button, Home page of e-voting will open.
2. Select 'EVEN' of the Company i.e. **133805** for casting your vote during the remote e-voting period and during the General Meeting. For joining virtual meeting, you need to click on 'VC/ OAVM' link placed under 'Join Meeting'.
3. Now you are ready for e-voting as the voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on 'Submit' and also 'Confirm' when prompted.
5. Upon confirmation, the message 'Vote cast successfully' will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

VI. The instructions for Members for e-voting on the day of the AGM are as under:

1. The procedure for e-voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/shareholders, who will be present in the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote on such resolution(s) through e-voting system at the AGM.
3. Members who have voted through remote e-voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-voting on the day of the AGM shall be the same person mentioned for remote e-voting.

Process for those Members whose email addresses are not registered with the Depositories for procuring User ID and password for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode, please provide Folio No., name of shareholder, scanned copy of the share certificate (front and back), self-attested scanned copy of PAN card, self-attested scanned copy of Aadhaar card by email to evoting@nsdl.com
2. In case shares are held in demat mode, please provide DP ID and Client ID (16 digit DP ID + Client ID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, self-attested scanned copy of PAN card, self-attested scanned copy of Aadhaar Card to evoting@nsdl.com. If you are an Individual shareholder holding securities in demat mode, you are requested to refer to the login method explained at Step 1(A) i.e. Login method for e-voting and joining virtual meeting for Individual shareholders holding securities in demat mode.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-voting system.

1. After successful login at Step 1, you will be able to see all the companies 'EVEN' in which you are holding shares and whose voting cycle and General Meeting is in active status.

NOTICE

3. Alternatively shareholder/Members may send a request to evoting@nsdl.com for procuring User ID and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email address correctly in their demat account in order to access e-voting facility.
4. The Board of Directors has appointed Mr. P. N. Parikh (Membership No. FCS 327, CP No. 1228) or failing him, Mr. Mitesh Dhabliwala (Membership No. FCS 8331, CP No. 9511) or failing him, Ms. Sarvari Shah (Membership No. FCS 9697, CP No. 11717) of M/s. Parikh and Associates, Practising Company Secretaries as Scrutinizer to scrutinize the voting at the AGM and remote e-voting process, in a fair and transparent manner.
5. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting (votes cast during the AGM and votes cast prior the AGM) and shall make, not later than two working days from the conclusion of the AGM, a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same and declare the result of the voting forthwith.

General Guidelines for shareholders

1. Institutional Members/Corporate Members (i.e. other than individuals, HUFs, NRIs, etc.) are required to send a scanned copy (PDF/JPG format) of their respective Board or governing body Resolution, Authorisation, etc., authorising their representative to attend the AGM through VC/OAVM on their behalf and to vote through remote e-voting. The said Resolution/Authorisation shall be sent to the Scrutinizer by email to tpcl.scrutinizer@gmail.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUFs, NRIs, etc.) can also upload their Board Resolution/Power of Attorney/Authority Letter, etc. by clicking on "Upload Board Resolution/Authority Letter", etc. displayed under "e-voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on: 022-4886 7000 or send a request to Ms. Pallavi Mhatre, Senior Manager - NSDL or Mr. Amit Vishal, Deputy Vice-President - NSDL at evoting@nsdl.com.
6. The results declared, alongwith the Scrutinizer's Report, shall be placed on the Company's website at <https://www.tatapower.com/annual-general-meeting> and on the website of NSDL www.evoting.nsdl.com and the same shall be communicated to the Stock Exchanges where the equity shares of the Company are listed. The results shall also be displayed on the notice board at the Registered Office of the Company.

Explanatory Statement

As required by Section 102 of the Companies Act, 2013 (the Act), the following Explanatory Statement sets out all material facts relating to the business mentioned under Item Nos. 5 to 9 of the accompanying Notice dated May 14, 2025.

Item no. 5:

Based on the recommendation of the Nomination and Remuneration Committee (NRC), the Board of Directors, at its meeting held on March 19, 2025, appointed Mr. Pramod Agrawal (DIN: 00279727) as an Additional (Non-Executive, Independent) Director of the Company for a term of 5 years commencing from April 15, 2025 to April 14, 2030, not being liable to retire by rotation, subject to approval of the Members by way of Special Resolution.

Pursuant to the provisions of Section 161(1) of the Act, Regulation 17(1C) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) read with Article 132 of the Articles of Association of the Company, Mr. Agrawal holds office only upto the date of the next annual general meeting or for a period of three months from the date of appointment, whichever is earlier.

The Company has, in terms of Section 160(1) of the Act, received in writing a notice from a Member, proposing his candidature for the office of Director. The Company has received following disclosures from Mr. Agrawal (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 (Rules); (ii) Intimation in Form DIR-8 in terms of the Rules, to the effect that he is not disqualified under Section 164 of the Act; (iii) Declaration to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act read with Regulation 16(1)(b) of the Listing Regulations; (iv) Confirmation in terms of Regulation 25(8) of the Listing Regulations that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties and (v) Declaration pursuant to BSE Limited and National Stock Exchange of India Limited Circulars dated June 20, 2018, that he has not been debarred from holding office of a Director by virtue of any order passed by Securities and Exchange Board of India or any other such authority.

Mr. Agrawal has also confirmed that he is in compliance with Rules 6(1) and 6(2) of the Rules, with respect to the registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs.

The NRC has considered his diverse skills, leadership capabilities, expertise in operations, strategy, finance, risk/project management, technical, governance, government/regulatory among others, as being key requirements for this role.

Accordingly, the NRC and Board are of the view that Mr. Agrawal is a person of integrity and possesses the requisite skills and capabilities, fulfils the conditions specified in the Act and the Rules made thereunder read with the provisions of the Listing Regulations, each as amended. Mr. Agrawal is independent of the management of the Company and is not related to any Director or KMP of the Company. Hence, it is desirable and in the interest of the Company to appoint him as an Independent Director.

A brief profile and other details of Mr. Agrawal are annexed to this Notice.

The terms and conditions of appointment of Mr. Agrawal as an Independent Director are uploaded on the website of the Company at www.tatapower.com/t-c-for-appointment-of-id/Terms and Conditions for appointment of Independent Director.pdf and would also be made available for inspection to the Members without any fee, during business hours on working days, upto the date of the Annual General Meeting i.e. Friday, July 4, 2025.

The Board recommends the Special Resolution at Item No. 5 of the accompanying Notice for approval by the Members of the Company.

Other than Mr. Agrawal and/or his relatives, none of the Directors, KMP of the Company or their respective relatives are, in any way, concerned or interested in the Resolution mentioned at Item No. 5 of the accompanying Notice.

Item no. 6:

Pursuant to recent amendments to Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), a listed entity is required to appoint a Secretarial Audit firm for up to two terms of five consecutive years, subject to Members approval at the Annual General Meeting.

In this regard, based on the recommendation of the Audit Committee of Directors, the Board of Directors, at its meeting on May 14, 2025, approved the appointment of M/s. Makarand M. Joshi & Co. (MMJC), Practicing Company Secretaries (Firm Registration No. P2009MH007000), as the Company's Secretarial Auditor for five years commencing from FY2025-26 to FY2029-30, subject to Members' approval, after taking into account the eligibility of the firm's qualification, experience, independent assessment, competency and Company's previous experience based on the evaluation of the quality of audit work done by them in the past.

The Company has received a consent letter from MMJC, confirming their willingness to undertake the Secretarial Audit and issue the Secretarial Audit Report in accordance with Section 204 of the Act along with other applicable provisions, if any, under the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended.

MMJC hereby affirms its compliance with Regulation 24A(1B) of the Listing Regulations in providing services to the Company. Further, MMJC confirms that they hold a valid peer review certificate issued by ICSI and it fulfils all eligibility criteria and has not incurred any disqualifications for appointment, as outlined in the SEBI circular dated December 31, 2024.

MMJC is a leading firm of practicing Company Secretaries with over 25 years of experience in delivering comprehensive professional services across Corporate Laws, SEBI Regulations and FEMA Regulations. Their expertise includes conducting Secretarial Audits, Due Diligence Audits, Compliance Audits etc.

The Board of Directors has approved remuneration of ₹ 4,00,000 plus applicable taxes and out of pocket expenses for FY26 and for subsequent years of the term, such fee

NOTICE

as determined by the Board on recommendation of Audit Committee of Directors in consultation with MMJC. Besides the audit services, the Company would also obtain permitted services which are to be mandatorily received from the Secretarial Auditor under various statutory regulations from time to time, for which MMJC will be remunerated separately on mutually agreed terms. The Board of Directors, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditor.

None of the Directors, Key Managerial Personnel (KMP) and their relatives are, in any way, concerned or interested in the resolution at Item No. 6 of the accompanying Notice.

The Board recommends the Ordinary Resolution at Item No. 6 of the accompanying Notice for approval by the Members of the Company.

Item no. 7:

Pursuant to Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time, the Company is required to have the audit of its cost records conducted by a cost accountant in practice. On the recommendation of the Audit Committee of Directors, the Board of Directors approved the appointment of M/s. Sanjay Gupta and Associates (SGA) (Firm Registration No. 000212) as Cost Auditors of the Company to conduct audit of cost records maintained by the Company for FY26, at a remuneration of ₹ 6,50,000 (Rupees six lakh fifty thousand only) plus applicable taxes, travel and actual out-of-pocket expenses.

In making the decision on the appointment and remuneration of the Cost Auditors, the Audit Committee of Directors considered the Cost Auditors' performance during the previous year(s) in examining and verifying the accuracy of the cost accounting records maintained by the Company.

SGA have furnished a certificate regarding their eligibility for appointment as Cost Auditors of the Company. They have vast experience in the field of cost audit and have conducted the audit of the cost records of the Company for previous years under the provisions of the Act.

Pursuant to Section 148(3) of the Act, approval by the Members is required for the payment of above remuneration to the cost auditor.

None of the Directors and KMP of the Company and their respective relatives are concerned or interested in the Resolution at Item No. 7 of the accompanying Notice.

The Board commends the Ordinary Resolution at Item No. 7 of the accompanying Notice for ratification by the Members of the Company.

Item Nos. 8 and 9:

As per the provisions of Section 180(1)(c) of the Act, the Board of Directors of a company cannot, except with the consent of the Members of the company in a General Meeting, borrow monies, apart from temporary loans obtained from the company's bankers in the ordinary course of business, in excess of the aggregate of the paid-up share capital of the company, its free reserves, and securities premium, that is reserves not set apart for any specific purpose.

At AGM of the Company held on August 13, 2014, Members had by way of a special resolution approved the borrowing limits of the Company under Section 180 (1)(c) to ₹ 27,000 crore and for creation of charges under Section 180(1)(a) up to ₹ 33,750 crore.

The Company has growth plans in clean energy, transmission and distribution, and rooftop business and is in the process of executing various clean and green energy projects across its multiple business clusters such as Pumped Storage Projects (PSP). These projects will entail high capital expenditure, which will need to be financed by both debt and equity. The Company is also required to make extensive investments in transmission projects for Mumbai operations and ramping up its retail customer base in Mumbai License Area. The Company may also be required to support refinancing of foreign currency loans of USD 420 million in its offshore subsidiaries maturing during FY26 and FY27. To meet the financial requirements for future projects as also for meeting other corporate requirements, borrowing limits previously sanctioned by the Members are proposed to be increased to ₹35,000 crore.

The proposed borrowings of the Company may, if necessary, be secured by way of mortgages, charges and hypothecations on the Company's movable/immovable properties, present and future, in favour of the financial institutions/banks/insurance companies/other investing agencies/trustees for the holders of debentures/bonds/other instruments. As the documents to be executed by, with, or in favour of, the lender/parties may contain the power to take over the management and concern of the Company in certain events, it is necessary for the Members to pass a resolution for creation of mortgages, charges and hypothecation to secure such borrowings. Since security to be provided is usually 1.25 times the amount borrowed, it is proposed to seek Members' consent for creation of charges up to ₹43,750 crore.

None of the Directors and KMP of the Company and their respective relatives are concerned or interested in the Resolution at Item Nos. 8 and 9 of the accompanying Notice.

The Board commends the Special Resolution at Item Nos. 8 and 9 of the accompanying Notice for ratification by the Members of the Company.

Independent Assurance Statement

To
The Board of Directors,
The Tata Power Company Limited (Tata Power),
Bombay House, 24, Homi Mody Street,
Mumbai - 400 001, Maharashtra, India

The Tata Power Company Limited (hereafter 'Tata Power') has engaged TUV India Private Limited (TUVI) to conduct independent external assurance of the Non-Financial Information disclosed in their Integrated Report (hereinafter 'the Report'). The report was prepared in reference to the requirements of Global Reporting Initiative (GRI) standards and the requirements of BRSR disclosures. The assurance activity consists of BRSR Core disclosures ([09 attributes as per Annexure I - Format of BRSR Core](#)) following the ([BRSR Core - Framework for assurance and ESG disclosures for value chain](#) stipulated in SEBI circular [SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122, dated 12/07/2023](#) and [Industry Standards on Reporting of BRSR Core, circular SEBI/HO/CFD/CFD-PoD-1/P/CIR/2024/177, dated 20/12/2024](#)) with "Reasonable Assurance" in conjunction with "Limited Assurance" for the [GRI](#) and [09 BRSR principles covering Essential and Leadership Indicators](#). The BRSR is based on the National Guidelines on Responsible Business Conduct (NGRBC), [SEBI circular: SEBI/HO/CFD/CMD-2/P/CIR/2021/562, dated 10/05/2021](#) followed by the [notification number SEBI/LAD-NRO/GN/2023/131, dated 14/06/2023](#) pertaining to BRSR requirement. Integrated Report covers Tata Power's ESG KPIs for the period of 01 April 2024 to 31 March 2025, and the verification was conducted within the reporting boundary during May 2025. This assurance engagement was conducted in reference with BRSR, the terms of our engagement and ISAE 3000 (Revised) requirement.

Management's Responsibility

Tata Power developed the BRSR's content pertaining to the [GRI disclosures, 09 BRSR principles covering Essential and Leadership Indicators](#) including the Core disclosures ([09 attributes as per Annexure I - Format of BRSR Core](#)). Tata Power management is responsible for carrying out the collection, analysis, and disclosure of the information presented in the BRSR (web-based and print), including website maintenance, integrity, and for ensuring its quality and accuracy in reference with the applied criteria stated in the BRSR, such that it's free of intended or unintended material misstatements. Tata Power will be responsible for archiving and reproducing the disclosed data to the stakeholders and regulators upon request.

Scope and Boundary

The scope of work includes the assurance of the following [GRI disclosures, 09 BRSR principles covering Essential and Leadership Indicators](#) and [09 attributes as per Annexure I - Format of BRSR Core](#) disclosed in the BRSR report. The BRSR core requirements encompass essential disclosures pertaining to organization's Environmental, Social and Governance (ESG). In particular, the assurance engagement included the following:

1. Review of General Disclosure, Management & Process and the disclosures against all 09 BRSR principles submitted by Tata Power;
2. Review of [09 attributes as per Annexure I - Format of BRSR Core](#) submitted by Tata Power,
3. Review of the quality of information,
4. Review of evidence (on a random samples) for limited assurance of [GRI disclosures, 09 BRSR principles covering Essential and Leadership Indicators](#) and reasonable assurance of [09 attributes as per Annexure I - Format of BRSR Core](#).

TUVI has verified the below Essential and Leadership Indicators disclosed in the BRSR

Principles	Essential Indicators	Leadership Indicators
Principle 1: Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.	1,2,3,4,5,6,7,8,9	1, 2
Principle 2: Businesses should provide goods and services in a manner that is sustainable and safe.	1,2,3,4	1,2, 3, 4, 5
Principle 3: Businesses should respect and promote the well-being of all employees, including those in their value chains.	1,2,3,4,5,6,7,8,9,10,11,12, 13,14,15	1,2,3,4, 5, 6
Principle 4: Businesses should respect the interests of and be responsive to all its stakeholders.	1,2	1,2,3
Principle 5: Businesses should respect and promote human rights.	1,2,3,4,5,6,7,8,9,10, 11	1,2,3, 4, 5
Principle 6: Businesses should respect and make efforts to protect and restore the environment.	1,2,3,4,5,6,7,8,9,10,11,12, 13	1,2,3,4, 5, 6,7, 8
Principle 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.	1,2	1
Principle 8: Businesses should promote inclusive growth and equitable development.	1,2,3,4, 5	1,2,3, 4, 5, 6
Principle 9: Businesses should engage with and provide value to their consumers in a responsible manner	1,2,3,4,5,6, 7	1,2,3, 4

TUVI has verified the below 09 attributes as per Annexure I - Format of BRSR Core disclosed in the BRSR

Attributes	KPI
Green-house gas (GHG) footprint	Total Scope 1 emissions (with breakup by type) - GHG (CO₂e) Emission in MT - Direct emissions from organization's owned- or controlled sources - Monitored Total Scope 2 emissions in MT - Indirect emissions from the generation of energy that is purchased - Monitored Total Scope 1 and 2 emission intensity per rupee turnover= Total Scope 1 and Scope 2 emissions (MT) / Total Revenue from Operations in INR - Calculated GHG Emission Intensity (Scope 1+2), Total Scope 1 and Scope 2 emissions (MT) / Total Revenue from Operations adjusted for PPP - Calculated GHG Emission Intensity (Scope 1+2), (Total Scope 1 and Scope 2 emissions (MT) / Total output of Product or Services- in terms of Metric tonnes of CO₂ equivalent per kWh (Calculated)
Water footprint	Total water consumption (in kL) - Monitored and estimated Water intensity per rupee of turnover = Total water consumption (kL) / Total Revenue from Operations in INR - Calculated Water consumption intensity - kL / Total Revenue from Operations adjusted for PPP - Calculated Water intensity in terms of physical output- in terms of kL/kWh - Calculated Water Discharge by destination and levels of Treatment (kL) - Calculated based on estimated values
Energy footprint	Total energy consumed in GJ - Measured % of energy consumed from renewable sources - In % terms - Monitored Energy intensity per rupee of turnover = Total energy consumed (GJ)/ Revenue from operations (INR) Energy intensity -GJ adjusted for PPP - Calculated Energy intensity in terms of physical output- GJ/kWh- Calculated
Embracing circularity - details related to waste management by the entity	Plastic waste (A) - Monitored, E-waste (B) - Monitored, Bio-medical waste (C) - Monitored, Construction and demolition waste (D) - Monitored, Battery waste (E) - Monitored, Other Hazardous waste (F) - see the list below Discarded barrels, containers and liners, used oil, spent oil, waste residue containing oil, spent iron exchange resin containing toxic material, chemical sludge from waste water treatment - Monitored Other Non-hazardous waste generated (G) - see the list below Fly ash, bottom ash, pond ash, wood waste, paper and cardboard waste, sludge from wet scrubber, copper cables, MS scrap and non-ferrous scrap, insulation material - Monitored; Total waste generated (A +B + C + D + E + F + G) in MT -Monitored; Waste intensity-MT / Rupee adjusted for PPP - Calculated Waste intensity-MT / Total output of Product or Services (generation in kWh)-Calculated Each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (MT) - Monitored Each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (Intensity), kg of Waste Recycled Recovered /Total Waste generated - Calculated For each category of waste generated, total waste disposed by nature of disposal method (MT)- Monitored
Enhancing Employee Wellbeing and Safety	Spending on measures towards well-being of employees and workers - cost incurred as a % of total revenue of the company - In % terms - Monitored and calculated Details of safety related incidents for employees and workers (including contract-workforce e.g. workers in the company's construction sites) Number of Permanent Disabilities - Monitored Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked) - Monitored No. of fatalities - Monitored
Enabling Gender Diversity in Business	Gross wages paid to females as % of wages paid - In % terms - Calculated Complaints on POSH 1) Total Complaints on Sexual Harassment (POSH) reported - Monitored 2) Complaints on POSH as a % of female employees / workers - Monitored 3) Complaints on POSH upheld - Monitored
Enabling Inclusive Development	Input material sourced from following sources as % of total purchases - Directly sourced from MSMEs/ small producers and from within India - In % terms - As % of total purchases by value - Monitored Job creation in smaller towns - Wages paid to persons employed in smaller towns (permanent or non-permanent /on contract) as % of total wage cost - In % terms - As % of total wage cost - Monitored
Fairness in Engaging with Customers and Suppliers	Instances involving loss / breach of data of customers as a percentage of total data breaches or cyber security events - In % terms - Monitored Number of days of accounts payable - (Accounts payable *365) / Cost of goods/services procured - Calculated
Open-ness of business	Concentration of purchases & sales done with trading houses, dealers, and related parties Loans and advances & investments 1) Purchases from trading houses as % of total purchases 2) Number of trading houses where purchases are made from 3) Purchases from top 10 trading houses as % of total purchases from trading houses 1) Sales to dealers / distributors as % of total sales 2) Number of dealers / distributors to whom sales are made

www.tuv-nord.com/in

with related parties	3) Sales to top 10 dealers / distributors as % of total sales to dealers / distributors
	Share of RPTs (as respective %age) - Calculated
	Purchases, Sales, Loans & advances, Investments - Calculated

- The reporting boundaries for the above attributes include following business clusters;
- i. **Conventional Generation:** Includes five thermal plants (Mundra, Trombay, Maithon, Jojobera and Prayagraj), four thermal/ WHRB/BFG/COG plants (IEL-Unit #5, IEL-Kalinganagar, IEL-PH#6 and Haldia) and three hydro plants (Bhira, Bhivpuri, Khopoli)
 - ii. **Renewables Cluster:** Includes GenCo, EPC, Manufacturing (Bengaluru and TP Solar), Solar Rooftop & EV Chargers (Public, Bus and Home),
 - iii. **Transmission and Distribution Cluster:** Includes Mumbai (T&D) with Home Automation, TPDDL, TPADL, TPTCL and Odisha Discoms (TPCODL, TPWODL, TPNODL, TPSODL) along with three transmission assets (PTL, SEUPPTCL, NRSS XXXVI)

An on-site and online verification was conducted between 05 to 07 May 2025.

Onsite Verification

- i. Tata Power Trombay Thermal Power Plant, Mumbai: 05 to 07 May 2025,

Online Verification

- i. Tata Power, Corporate Office: 08 May 2025,
- ii. Tata Power, Tata Power Sahar Receiving Station, Mumbai: 09 May 2025,

The assurance activities were carried out together with a desk review as per reporting boundary.

Limitations

TUVI did not perform any assurance procedures on the prospective information disclosed in the Report, including targets, expectations, and ambitions. Consequently, TUVI draws no conclusion on the prospective information. During the assurance process, TUVI did not come across any limitation to the agreed scope of the assurance engagement. TUVI did not verify any ESG goals and claim through this assignment. TUVI verified data on a sample basis; the responsibility for the authenticity of data entirely lies with Tata Power. Any dependence of person or third party may place on the BRSR Report is entirely at its own risk. TUVI has taken reference of the financial figures from the audited financial reports. Tata Power will be responsible for the appropriate application of the financial data. The application of this assurance statement is limited w.r.t [SEBI circular SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122, dated Jul 12, 2023 and Industry Standards on Reporting of BRSR Core, circular SEBI/HO/CFD/CFD-PoD-1/P/CIR/2024/177, dated 20/12/2024](#). This assurance statement does not endorse any environmental and social claims (related to the product, manufacturing process, packaging, disposal of product etc.) as well as advertisements by the reporting organization. TUVI does not permit use of this statement for Greenwashing or misleading claims. The reporting Organization is responsible for ensuring adherence to relevant laws.

Our Responsibility

TUVI's responsibility in relation to this engagement is to perform a limited level of BRSR assurance for [GRI 2021, 09 BRSR principles covering Essential and Leadership Indicators](#) and reasonable level of assurance for [09 attributes as per Annexure I - Format of BRSR Core](#) and to express a conclusion based on the work performed. Our engagement did not include an assessment of the adequacy or the effectiveness of Tata Power's strategy, management of ESG-related issues or the sufficiency of the Report against BRSR reporting principles, other than those mentioned in the scope of the assurance. TUVI's responsibility regarding this verification is in reference to the agreed scope of work, which includes assurance of non-financial quantitative and qualitative information disclosed by Tata Power. Reporting Organization is responsible for archiving the related data for a reasonable time period. The intended users of this assurance statement are the management of 'Tata Power'. The data is verified on a sample basis, the responsibility for the authenticity of data lies with the reporting organization. TUVI expressly disclaims any liability or co-responsibility 1) for any decision a person or entity would make based on this assurance statement and 2) for any damages in case of erroneous data is reported. This assurance engagement is based on the assumption that the data and information provided to TUVI by Tata Power are complete and true.

Verification Methodology

During the assurance engagement, TUVI adopted a risk-based approach, focusing on verification efforts with respect to disclosures. TUVI has verified the disclosures and assessed the robustness of the underlying data management system, information flows, and controls. In doing so:

- a) TUVI examined and reviewed the documents, data, and other information made available by Tata Power for non-financial [GRI 2021, 09 BRSR principles covering Essential and Leadership Indicators](#) and [09 attributes as per Annexure I - Format of BRSR Core](#) (non-financial disclosures)
- b) TUVI conducted interviews with key representatives, including data owners and decision-makers from different functions of Tata Power
- c) TUVI performed sample-based reviews of the mechanisms for implementing the sustainability-related policies and data management (qualitative and qualitative)
- d) TUVI reviewed the adherence to reporting requirements of "BRSR" and "GRI".

Adherence to the principles of Stakeholder inclusiveness, Materiality, Responsiveness, Completeness, Neutrality, Relevance, Sustainability context, Accuracy, Reliability, Comparability, Clarity and Timeliness; as prescribed in the GRI Standards and applied assurance standards;

www.tuv-nord.com/in

During the assurance engagement, TUVI adopted a risk-based approach, focused on verification efforts on the issues of high material relevance to Tata Power business and its stakeholders. TUVI has verified the statements and claims made in the Report and assessed the robustness of the underlying data management system, information flows and controls. In doing so:

- 1) TUVI reviewed the approach adopted by Tata Power for the stakeholder engagement and materiality determination process. TUVI conducted the interviews of internal stakeholder engagement to verify the qualitative statements made in the Report;
- 2) TUVI verified the ESG-related statements and claims made in the Report and assessed the robustness of the data management system, information flow and controls;
- 3) TUVI examined and reviewed the documents, data and other information made available by Tata Power Limited for the reported disclosures including the disclosure on Management Approach and performance disclosures;
- 4) TUVI conducted interviews with key representatives including data owners and decision-makers from different functions of the Tata Power during the remote assessments
- 5) TUVI performed sample-based reviews of the mechanisms for implementing the ESG related policies, as described in Tata Power Report;
- 6) TUVI verified sample-based checks of the processes for generating, gathering and managing the quantitative data and qualitative information included in the Report for the reporting period.

Opportunities for Improvement

The following are the opportunities for improvement reported to Tata Power. However, they are generally consistent with Tata Power management's objectives and programs. Tata Power already identified below topics and Assurance team endorse the same to achieve the Sustainable Goals of organization.

- i. Tata Power can perform the materiality test to reassess if there are any new material topics for the disclosure
- ii. Tata Power may strengthen its internal reporting by opting a smart cloud-based data management system and complement the same with periodic internal data and performance reviews,
- iii. Tata Power may encourage to monitor the chain of custody for suppliers who are not directly recycling the non-hazardous waste,
- iv. The results of the LCA study can be shared to upgrade knowledge of the end users and to sensitize them towards advantages of installing solar panel.

Conflict of Interest

In the context of BRSR requirements set by SEBI, addressing conflict of interest is crucial to maintain high integrity and independence of assurance engagements. As per SEBI guidelines, assurance providers need to disclose any potential conflict of interest that could compromise the independence or neutrality of their assessments. TUVI diligently identifies any relationships, affiliations, or financial interests that could potentially cause conflict of interest. We proactively implement measures to mitigate or manage these conflicts, ensuring independence and impartiality in our assurance engagements. We provide clear and transparent disclosures about any identified conflicts of interest in our assurance statement. We recognize that failure to address conflict of interest adequately could undermine the credibility of the assurance process and the reliability of the reported information. Therefore, we strictly adhere to SEBI guidelines and take necessary measures to avoid, disclose, or mitigate conflicts of interest effectively.

Our Conclusion

BRSR Disclosures

In our opinion, based on the scope of this assurance engagement, the disclosures on BRSR Principle disclosures and BRSR Core attributes in the BRSR report along with the referenced information to provides a fair representation, which meets the general content and quality requirements of the BRSR. TUVI confirms its competency to conduct the assurance engagement for the BRSR as per SEBI guidelines. Our team possesses expertise in ESG verification, assurance methodologies, and regulatory frameworks. We ensure independence, employ robust methodologies, and maintain continuous improvement to deliver reliable assessments.

Disclosures: TUVI is of the opinion that the reported disclosures generally meet the BRSR requirements. Tata Power refers to general disclosure to report contextual information about Tata Power, while the Management & Process disclosures the management approach for each disclosure ([09 BRSR principles covering Essential and Leadership Indicators and 09 attributes as per Annexure I - Format of BRSR Core](#)).

Limited Assurance Conclusion for [09 BRSR principles covering Essential and Leadership Indicators](#): Based on the procedures we have performed; nothing has come to our attention that causes us to believe that the information subject to the limited assurance engagement was not prepared in all material respects. TUVI found the information to be reliable in all principles, with regards to the reporting criteria of the BRSR.

Reasonable Assurance for [09 attributes as per Annexure I - Format of BRSR Core](#): As per SEBI reasonable assurance requirements including scope of Assurance, Assurance methodologies (risk-based approach and data validation techniques), mitigating conflicts of interests, documentation on evidence and communication on findings, TUVI can effectively validate the accuracy and reliability of the information presented in the BRSR, instilling confidence in stakeholders and promoting transparency and credibility in ESG reporting practices.

www.tuv-nord.com/in

BRSR complies with the below requirements

- a) Governance, leadership and oversight: The messages of top management, the business model to promote inclusive growth and equitable development, action and strategies, focus on services, risk management, protection and restoration of environment, and priorities are disclosed appropriately.
- b) Connectivity of information: Tata Power discloses [09 BRSR principles covering Essential and Leadership Indicators](#) and [09 attributes as per Annexure I - Format of BRSR Core](#) and their inter-relatedness and dependencies with factors that affect the organization's ability to create value over time.
- c) Stakeholder responsiveness: The Report covers mechanisms of communication with key stakeholders to identify major concerns to derive and prioritize the short, medium and long-term strategies. The Report provides insights into the organization's relationships (nature and quality) with its key stakeholders. In addition, the Report provides a fair representation of the extent to which the organization understands, takes into account and responds to the legitimate needs and interests of key stakeholders.
- d) Materiality: The material issues within 9 attributes and corresponding KPI as per BRSR requirement are reported properly.
- e) Conciseness: The Report reproduces the requisite information and communicates clear information in as few words as possible. The disclosures are expressed briefly and to the point sentences, graphs, pictorial, tabular representation is applied. At the same time, due care is taken to maintain continuity of information flow in the BRSR.
- f) Reliability and completeness: Tata Power has established internal data aggregation and evaluation systems to derive the performance. Tata Power confirms that, all data provided to TUVI, has been passed through internal checks. The majority of the data and information was verified by TUVI's assurance team (on sample basis) during the verification and found to be fairly accurate. All data, is reported transparently, in a neutral tone and without material error.
- g) Consistency and comparability: The information presented in the BRSR is on yearly basis, and finds the same as reliable and complete manner. Thus, the principle of consistency and comparability is established.

GRI Disclosures

In our opinion, based on the scope of this assurance engagement, the "disclosures on ESG performance" and reference information provide a fair representation of the material topics, related strategies, and meets the general content and quality requirements of the GRI Standards.

Tata Power appropriately discloses the KPI's and actions that focus on the creation of value over the short, medium and long term. The selected KPI's disclosures by Tata Power are fairly represented. On the basis of the procedures we have performed, nothing has come to our attention that causes us to believe that the information subject to the limited level of assurance engagement was not prepared, in identified ESG information is not reliable in all material respects, with regards to the reporting criteria.

TUVI did not perform any assurance of procedures on the prospective information, such as targets, expectations, and ambitions, disclosed in the ESG information. Consequently, TUVI draws no conclusion on the prospective information. This assurance statement has been prepared in reference with the terms of our engagement.

Disclosures: TUVI is of the opinion that the reported disclosures generally meet the GRI Standards reporting requirements. Tata Power refers to general disclosure to Report contextual information about Tata Power, while the 'Management Approach' is discussed to Report the management approach for each material topic.

Universal Standard: Tata Power followed GRI 1: Foundation 2021: Requirements and principles for using the GRI Standards; GRI 2: General Disclosures 2021: Disclosures about the reporting organization. General Disclosures were followed when reporting information about an organization's profile, strategy, ethics and integrity, governance, stakeholder engagement practices, and reporting process. and GRI 3: Material Topics 2021: Disclosures and guidance about the organization's material topics. GRI3 was selected for Management's Approach on reporting information about how an organization manages a material topic.

TUVI is of the opinion that this report has been prepared in reference with the GRI Standards.

Topic Specific Standard: 300 series (Environmental topics), and 400 series (Social topics); These Topic- specific Standards were used to Report information on the organization's impacts related to environmental and social topics. TUVI is of the opinion that the reported material topics and Topic-specific Standards that Tata Power used to prepare its Report are appropriately identified and addressed.

Limited Assurance Conclusion: Based on the procedures we have performed; nothing has come to our attention that causes us to believe that the information subject to the limited assurance engagement was not prepared in all material respects. TUVI found the ESG information to be reliable in all principles, with regards to the reporting criteria of the GRI Standards.

Evaluation of the adherence to adherence with contemporary Principles

Stakeholder Inclusiveness: Stakeholder identification and engagement has been carried out by Tata Power on a periodic basis to bring out key stakeholder concerns as material topics of significant stakeholders. In our view, the Report meets the requirements.

Sustainability Context: Tata Power established the relationship between ESG and organizational strategy within the Report, as well as the context in which disclosures are made. In our view, the Report meets the requirements with regards to the ESG Context.

www.tuv-nord.com/in

TÜV®

TUVNORDGROUP

Materiality: The materiality assessment process has been carried out, based on the requirements of the GRI Standards, considering topics that are internal and external to the Tata Power's range of businesses. The Report fairly brings out the aspects and topics (KPI's), and its respective boundaries of the diverse operations of Tata Power. In our view, the Report meets the requirements.

Responsiveness: TUVI believes that the responses to the material aspects are fairly articulated in the report, i.e. disclosures on Tata Power policies and management systems including governance. In our view, the Report meets the requirements.

Impact: Tata Power communicates its ESG performance through regular, transparent internal and external reporting throughout the year, aligned with BRSR, GRI as part of its policy framework that include POSH, ESG, Tata Code of Conduct, Whistle Blower Policy etc. (<https://www.tatapower.com/our-legacy/resource-center>). Tata Power Reports on ESG performance to Board of Directors, who oversees and monitors the implementation and performance of objectives, as well as progress against goals and targets for addressing ESG related issues. Tata Power completed the process of establishing contemporary goals and targets against which performance will be monitored and disclosed periodically.

Completeness: The Report has fairly disclosed the selected non-financial KPI's, as per GRI Standards. In our view, the Report meets the requirements.

Reporting Principles for defining report quality: The majority of the data and information was verified by TUVI's assurance team during the remote assessment and found to be fairly accurate. The disclosures related to ESG issues and performances are reported in a balanced manner and are clear in terms of content and presentation. In our view, the Report meets the requirements

Reliability: The majority of the data and information was verified by TUVI's assurance team and found to be fairly accurate. Some inaccuracies in the data identified during the verification process were found to be attributable to transcription, interpretation and aggregation errors and these errors have been corrected. Therefore, in reference with the GRI Standards and limited level assurance engagement, TUVI concludes that the ESG data and information presented in the Report is fairly reliable and acceptable. In our view, the Report meets the requirements.

Neutrality: The disclosures related to ESG issues and performance are reported in a neutral tone, in terms of content and presentation. In our view, the Report meets the requirements.

Independence and Code of Conduct: TUVI follows IESBA (International Ethics Standards Board for Accountants) Code which, adopts a threats and safeguards approach to independence. We recognize the importance of maintaining independence in our engagements and actively manage threats such as self-interest, self-review, advocacy, and familiarity. The assessment team was safeguarded from any type of intimidation. By adhering to these principles, we uphold the trust and confidence of our clients and stakeholders. In line with the requirements of the SEBI [circular SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122, dated 12/07/2023](#) and [Industry Standards on Reporting of BRSR Core, circular SEBI/HO/CFD/CFD-PoD-1/P/CIR/2024/177, dated 20/12/2024](#).

TUVI solely focuses on delivering verification and assurance services and does not engage in the sale of service or the provision of any non-audit/non-assurance services, including consulting.

Quality control: The assurance team complies with quality control standards, ensuring that the engagement partner possesses requisite expertise and the assigned team collectively has the necessary competence to perform engagements in reference with standards and regulations. Assurance team follows the fundamental principles of integrity, objectivity, professional competence, due care, confidentiality and professional behaviour. In accordance with International Standard on Quality Control, TUVI maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our Assurance Team and Independence

TUVI is an independent, neutral third-party providing ESG Assurance services with qualified environmental and social specialists. TUVI states its independence and impartiality and confirms that there is "no conflict of interest" with regard to this assurance engagement. In the reporting year, TUVI did not work with Tata Power on any engagement that could compromise the independence or impartiality of our findings, conclusions, and observations. TUVI was not involved in the preparation of any content or data included in the BRSR, with the exception of this assurance statement. TUVI maintains complete impartiality towards any individuals interviewed during the assurance engagement.

GRI INDEX

GRI Code	Indicator	Response/Page
2-1	Organizational Details	15, 299
2-2	Entities included in the organization's sustainability reporting	299, 301
23	Reporting period	299
	Restatements of information	
	Restatement and the effect of any restatements of information given in previous reports, and the reasons for such restatements	NA
2-5	External assurance	299, 686-691
2-6	Activities, value chain and other business relationships	9, 10-11, 299
2-7	Employees	127, 300
2-8	Workers who are not employees	128, 300
	a. report the total number of workers who are not employees and whose work is controlled by the organization and describe: i. the most common types of worker and their contractual relationship with the organization; ii. the type of work they perform;	
	b. describe the methodologies and assumptions used to compile the data, including whether the number of workers who are not employees is reported: i. in head count, full-time equivalent (FTE), or using another methodology; ii. at the end of the reporting period, as an average across the reporting period, or using another methodology;	
	c. describe significant fluctuations in the number of workers who are not employees during the reporting period and between reporting periods.	
2-9	Governance structure and composition	82-86
	describe its governance structure, including committees of the highest governance body;	
	a. list the committees of the highest governance body that are responsible for decision-making on and overseeing the management of the organization's impacts on the economy, environment, and people;	
	b. describe the composition of the highest governance body and its committees by: i. executive and non-executive members; ii. independence; iii. tenure of members on the governance body; iv. number of other significant positions and commitments held by each member, and the nature of the commitments; v. gender; vi. under-represented social groups; vii. competencies relevant to the impacts of the organization; viii. stakeholder representation	
2-10	Nomination and selection of the highest governance body	84-85, 205-207
	a. describe the nomination and selection processes for the highest governance body and its committees;	
	b. describe the criteria used for nominating and selecting highest governance body members, including whether and how the following are taken into consideration: i. views of stakeholders (including shareholders); ii. diversity; iii. independence; iv. competencies relevant to the impacts of the organization	
2-11	Chair of the highest governance body	84-85
	a. report whether the chair of the highest governance body is also a senior executive in the organization.	
	b. if the chair is also a senior executive, explain their function within the organization's management, the reasons for this arrangement, and how conflicts of interest are prevented and mitigated.	

GRI Code	Indicator	Response/Page
2-12	Role of the highest governance body in overseeing the management of impacts	82
	a. describe the role of the highest governance body and of senior executives in developing, approving, and updating the organization's purpose, value or mission statements, strategies, policies, and goals related to sustainable development; b. describe the role of the highest governance body in overseeing the organization's due diligence and other processes to identify and manage the organization's impacts on the economy, environment, and people, including: i. whether and how the highest governance body engages with stakeholders to support these processes; ii. how the highest governance body considers the outcomes of these processes; c. describe the role of the highest governance body in reviewing the effectiveness of the organization's processes as described in 2-12-b, and report the frequency of this review	
2-13	Delegation of responsibility for managing impacts	82, 83
	a. describe how the highest governance body delegates responsibility for managing the organization's impacts on the economy, environment, and people, including: i. whether it has appointed any senior executives with responsibility for the management of impacts; ii. whether it has delegated responsibility for the management of impacts to other employees; iii. describe the process and frequency for senior executives or other employees to report back to the highest governance body on the management of the organization's impacts on the economy, environment, and people	
2-14	Role of the highest governance body in sustainability reporting	1, 84-85
	a. report whether the highest governance body is responsible for reviewing and approving the reported information, including the organization's material topics, and if so, describe the process for reviewing and approving the information. b. if the highest governance body is not responsible for reviewing and approving the reported information, including the organization's material topics, explain the reason for this	
2-15	Conflicts of interest	265, 310
	a. Processes for the highest governance body to ensure conflicts of interest are avoided and managed. b. Whether conflicts of interest are disclosed to stakeholders, including, at a minimum, conflicts of interest relating to: i. Cross-board membership; ii. Cross-shareholding with suppliers and other stakeholders; iii. Existence of controlling shareholder; iv. Related party disclosures	
2-16	Communicating critical concerns	90
	a. Process for communicating critical concerns to the highest governance body. b. Nature and total number of critical concerns i. Total number and nature of critical concerns that were communicated to the highest governance body. ii. Mechanism(s) used to address and resolve critical concerns."	
2-17	Collective knowledge of highest governance body	267
	a. Measures taken to develop and enhance the highest governance body's collective knowledge of economic, environmental, and social topics.	
2-18	Evaluating the highest governance body's performance	195
	a. Processes for evaluating the highest governance body's performance with respect to governance of economic, environmental, and social topics. b. Whether such evaluation is independent or a self-assessment, and its frequency. c. Actions taken in response to evaluation of the highest governance body's performance including changes to the composition of the highest governance body and organizational practices.	

GRI Code	Indicator	Response/Page
2-19	Remuneration policies	206-207
	a. describe the remuneration policies for members of the highest governance body and senior executives, including: i. Fixed pay and variable pay, including performance-based pay, equity-based pay, bonuses, and deferred or vested shares; ii. Sign-on bonuses or recruitment incentive payments; iii. Termination payments; iv. Clawbacks; v. Retirement benefits, including the difference between benefit schemes and contribution rates for the highest governance body, senior executives, and all other employees. b. How performance criteria in the remuneration policies relate to the highest governance body's and senior executives' objectives for economic, environmental, and social topics. When compiling the information specified in Disclosure 102-35, the reporting organization should, if termination payments are used, explain whether: 1) notice periods for governance body members and senior executives are different from those for other employees; 2) termination payments for governance body members and senior executives are different from those for other employees; 3) any payments other than those related to the notice period are paid to departing governance body members and senior executives; 4) any mitigation clauses are included in the termination arrangements.	
2-20	Process for determining remuneration	206-207
	a. describe the process for designing its remuneration policies and for determining remuneration, including: i. whether independent highest governance body members or an independent remuneration committee oversees the process for determining remuneration; ii. how the views of stakeholders (including shareholders) regarding remuneration are sought and taken into consideration; iii. whether remuneration consultants are involved in determining remuneration and, if so, whether they are independent of the organization, its highest governance body and senior executives; b. report the results of votes of stakeholders (including shareholders) on remuneration policies and proposals, if applicable.	
2-21	Annual total compensation ratio	222
	a. Ratio of the annual total compensation for the organization's highest-paid individual in each country of significant operations to the median annual total compensation for all employees (excluding the highest-paid individual) in the same country. b. Ratio of the percentage increase in annual total compensation for the organization's highest-paid individual in each country of significant operations to the median percentage increase in annual total compensation for all employees (excluding the highest-paid individual) in the same country	
2-22	Statement on sustainable development strategy	19, 80-81
	Present a statement from the highest governance body or most senior executive of the organization about the relevance of sustainable development to the organization and its strategy for contributing to sustainable development	

GRI Code	Indicator	Response/Page
2-23	Policy commitments	82, 83, 306, 307
	a. describe its policy commitments for responsible business conduct, including: i. the authoritative intergovernmental instruments that the commitments reference; ii. whether the commitments stipulate conducting due diligence; iii. whether the commitments stipulate applying the precautionary principle; iv. whether the commitments stipulate respecting human rights; b. describe its specific policy commitment to respect human rights, including: i. the internationally recognized human rights that the commitment covers; ii. the categories of stakeholders, including at-risk or vulnerable groups, that the organization gives particular attention to in the commitment; c. provide links to the policy commitments if publicly available, or, if the policy commitments are not publicly available, explain the reason for this; d. report the level at which each of the policy commitments was approved within the organization, including whether this is the most senior level; e. report the extent to which the policy commitments apply to the organization's activities and to its business relationships; f. describe how the policy commitments are communicated to workers, business partners, and other relevant parties.	
2-24	Embedding policy commitments	82, 83, 306, 307
	a. describe how it embeds each of its policy commitments for responsible business conduct throughout its activities and business relationships, including: i. how it allocates responsibility to implement the commitments across different levels within the organization; ii. how it integrates the commitments into organizational strategies, operational policies, and operational procedures; iii. how it implements its commitments with and through its business relationships; iv. training that the organization provides on implementing the commitments.	
2-25	Processes to remediate negative impacts	62-63, 274, 63-64, 291-292, 303-305
	a. describe commitments to provide for or cooperate in the remediation of negative impacts that the organization identifies it has caused or contributed to; b. describe approach to identify and address grievances, including the grievance mechanisms that the organization has established or participates in; c. describe other processes by which the organization provides for or cooperates in the remediation of negative impacts that it identifies it has caused or contributed to; d. describe how the stakeholders who are the intended users of the grievance mechanisms are involved in the design, review, operation, and improvement of these mechanisms; e. describe how the organization tracks the effectiveness of the grievance mechanisms and other remediation processes, and report examples of their effectiveness, including stakeholder feedback.	
2-26	Mechanisms for seeking advice and raising concerns	286, 302, 323
	The organization shall: a. describe the mechanisms for individuals to: i. seek advice on implementing the organization's policies and practices for responsible business conduct; ii. raise concerns about the organization's business conduct.	
2-27	Compliance with laws and regulations	82-83, 309, 310
	a. report the total number of significant instances of non-compliance with laws and regulations during the reporting period, and a breakdown of this total by: i. instances for which fines were incurred; ii. instances for which non-monetary sanctions were incurred; b. report the total number and the monetary value of fines for instances of noncompliance with laws and regulations that were paid during the reporting period, and a breakdown of this total by: i. fines for instances of non-compliance with laws and regulations that occurred in the current reporting period; ii. fines for instances of non-compliance with laws and regulations that occurred in previous reporting periods; c. describe the significant instances of non-compliance d. describe how it has determined significant instances of non-compliance	

GRI Code	Indicator	Response/Page
2-28	Membership associations The organization shall report industry associations, other membership associations, and national or international advocacy organizations in which it participates in a significant role.	335, 692
2-29	Approach to stakeholder engagement The organization shall: a. describe its approach to engaging with stakeholders, including: i. the categories of stakeholders it engages with, and how they are identified; ii. the purpose of the stakeholder engagement; iii. how the organization seeks to ensure meaningful engagement with stakeholders.	100-101
2-30	Collective bargaining agreements The organization shall: a. report the percentage of total employees covered by collective bargaining agreements; b. for employees not covered by collective bargaining agreements, report whether the organization determines their working conditions and terms of employment based on collective bargaining agreements that cover its other employees or based on collective bargaining agreements from other organizations	100, 128
3-1	Process to determine material topics	57
3-2	List of material topics	58-61

	417-1	Requirements for product and service information and labeling	120
	417-2	Incidents of non-compliance concerning product and service information and labeling	83
GRI 418: CUSTOMER PRIVACY 2016	3-3	Management of material topics	120
	418-1	Substantiated complaints concerning breaches of customer privacy and losses of customer data	340, 341

ANNEXURE

Annexure 1 - List of Memberships

The Tata Power Company Limited – Memberships

Indian Energy Exchange Limited	Bombay Chamber of Commerce and Industry	India Energy Forum
National Safety Council	Confederation of Indian Industry	Association of Power Producers
Committee for International Council on Large Electric Systems (CIGRE)	Electrical Research & Development Association	Central Power Research Institute
Associated Chambers of Commerce and Industry (ASSOCHAM)	National Solar Energy Federation of India (NSEFI)	Solar Power Developers Association (SPDA)
Federation of Indian Chamber of Commerce & Industry (FICCI)	All India Discoms Association (AIDA)	Central Board of Irrigation & Power (CBIP)

Annexure 2 - List of Subsidiaries

The Tata Power Company Limited - Domestic Subsidiaries

Tata Power Renewable Energy Limited	Tata Power Trading Company Limited	Tata Power Green Energy Limited
Nelco Limited	Maithon Power Limited	Tata Power Solar Systems Limited *
TP Renewable Microgrid Limited	Tata Power Delhi Distribution Limited	NDPL Infra Limited
Tata Power Transmission Company Limited (formerly known as Tata Power Jamshedpur Distribution Limited)	Supa Windfarm Limited	Poolavadi Windfarm Limited
Nivade Windfarm Limited	TP Wind Power Limited *	TP Solar Limited
TP Kirnali Limited	Walwhan Renewable Energy Limited *	Walwhan Urja Anjar Limited *
Walwhan Solar AP Limited *	Walwhan Solar Raj Limited *	Northwest Energy Private Limited *

WBCSD	World Business Council for Sustainable Development
WC	Working Capital
WEO	World Economic Outlook
WILP	Work Integrated Learning Programme
WREL	Walwhan Renewable Energy Limited
ABCs	Aerial Bundled Cables
ARRE	Accelerate Reduction in Repeat Events
ASD	Autism Spectrum Disorder
AWS	Amazon Web Service
BAPs	Biodiversity Action Plans
BIRAC	Biotechnology Industry Research Assistance Council

Short form	Particulars
BMPs	Biodiversity Management Plans
BRF	Biodiversity Risk Filter
C&I	Commercial and Industrial
CaaS	Cooling-as-a-Service
CAPA	Corrective and Preventive Actions
CDP	Child Development and Pedagogy
CEE	Centre for Environment Education
CEI	Community Engagement Index
CHRO	Chief Human Resource Officer
CII-IBBI	Confederation of Indian Industry's India Business & Biodiversity Initiative
CM&SO	Chief Marketing and Sales Officer
ENCORE	Exploring Natural Capital Opportunities, Risks and Exposure
ETP	Effluent Treatment Plant
FGD	Flue Gas Desulphurisation
FPO	Farmer Producer Organizations
FY	Financial Year
MMTPA	Million Metric Tonnes Per Annum
MSJE	Ministry of Social Justice and Empowerment
NITI	National Institution for Transforming India
ONE	Oneness, Nurture, Empower
PwD	Persons with Disabilities
RMS	Risk Management System
RTC GC	Real-Time-Control Grid Connection
RWH	Rainwater Harvesting
SA	Social Accountability
SASE	Secure Access Service Edge
SCALE	Safety, Care, Agility, Learning, and Ethics
SCOD	Scheduled Commercial Operation Date
SIF	Serious Injuries and Fatalities
SITs	Strengthened Site Implementation Teams
SMNRs	Small Modular Nuclear Reactors Generation
SSF	Slow Sand Filter
STEM	Science Technology Engineering Mathematics
TAAP	Tata Affirmative Action Policy
TACO	Transfusion-Associated Circulatory Overload
TNFD	Task Force on Nature Related Financial Disclosures
UNGC	UN Global Compact
UNSDG	The United Nations Sustainable Development Goals
V2G	Vehicle-to-Grid
VAPT	Vulnerability Assessment and Penetration Testing
VAS	Value Added Service
VGF	Viability Gap Funding
WSO	World Safety Organisation
WWF	World Wide Fund for Nature
ICQC	International Conversion on Quality Control
AA	Affirmative Action

Short form	Particulars
ABCI	Association of Business Communicators of India
ABP	Annual Business Plan
AC	Air Conditioner
AI	Artificial Intelligence
ALMM	Approved List of Models and Manufacturers
AMP	Aspire-Motivate-Perform
APC	Auxiliary Power Consumption
APCD	Air Pollution and Control Devices
APSCCs	Andhra Pradesh State Civil Supplies Corporation Limited
AR	Augmented Reality
ASSOCHAM	Associated Chambers of Commerce and Industry of India
AT&C	Aggregate Technical and Commercial
AYLP	Achieving Young Leadership Potential
B2B	Business to Business
B2C	Business-to-Customer
BA	Business Associates
BCDMP	Business Continuity and Disaster Management Plan
BCP	Business Continuity Plan
BDR	Business Development Representative
BEE	Bureau of Energy Efficiency
BESS	Battery Electric Storage Solutions
BFG	Blast Furnace Gas
BNEF	Bloomberg New Energy Finance
BOT	Robot
BRSR	Business Responsibility and Sustainability Report
BYOD	Bring Your Own Device
CADRRE	Centre for Autism and other Disabilities Rehabilitation Research and Education
CCUS	Carbon, Capture, Utilisation and Storage
CEA	Central Electricity Authority
CEIIC	Clean Energy International Incubation Centre
CEO	Chief Executive Officer
CERT	Computer Emergency Response Team
CESU	Central Electricity Supply Utility of Odisha
CFO	Chief Financial Officer
CHP	Coal Handling Plant
CII	Confederation of Indian Industries
ckm	Circuit kilometer
CMS	Compliance Management System
CNG	Compressed Natural Gas
CO ₂	Carbon Dioxide
COG	Coke Oven Gas
CPO	Charging Point Operators
Cr	Crore
CRC	Customer Relation Centre
CRM	Customer Relationship Management

Short form	Particulars
CRMC	Cluster Risk Management Committees
CSA	Control Self-Assessment
CSAT	Customer Satisfaction
CSR	Corporate Social Responsibility
CSRD	Consumer Services Ratings of Discoms
CTU	Central Transmission Utility
D&IT	Digitalization & Information Technology
DAM	Day Ahead Market
DC	Direct Current
DCR	Domestic Content Requirement
DEI	Diversity, Equity, and Inclusion
DER	Distributed Energy Resources
DISCOM	Distribution Company
DMS	Data Management System
DMZ	Demilitarized Zone
DPR	Detailed Project Report
DSM	Demand Side Management
DT	Distribution Transformer
EAAS	Energy-as-a-Service
EBITDA	Earning before Interest, Tax, Depreciation & Amortisation
ECL	Expected credit Losses
EDD	Environmental Due Diligence
ELP	Emerging Leaders Program
EMI	Equated Monthly Installment
EPC	Engineering, Procurement and Construction
ERM	Enterprise Risk Management
ERP	Enterprise Resource Planning
ESCO	Energy Services Company
ESG	Environment, Social and Governance
ET	Energy Transition
EV	Electric Vehicle
F&B	Food and Beverage Service
FAME II	Faster Adoption and Manufacturing of Hybrid and Electric Vehicles
FC	Financial Controller
FDA	Food and Drug Administration
FENR	Far Eastern Natural Resources LLC
FGD	Flue-Gas Desulphurisation
FICCI	Federation of Indian Chambers of Commerce and Industry
GCCs	Global Capability Centers
GDAM	Green Day ahead Market
GDP	Gross Domestic Product
GHG	Greenhouse Gas
GIS	Geographic Information System
GJ	Gigajoule
GPS	Global Positioning System

Short form	Particulars
GRI	Global Reporting Initiative
GVA	Gross Value Added.
GW	Gigawatt
GWP	Gigawatt peak
H ₂	Hydrogen Gas
HPO	Hydro Power Obligation
HR	Human Resource
HRONE	Integrated HR management services platform
HSD	High Speed Diesel
HVDC	High Voltage Direct Current
ICAI	Institute of Chartered Accountants of India
ICRA	Investment Information and Credit Rating Agency
IEL	Industrial Energy Limited
IFC	Internal Financial Controls
IFRS	International financial Reporting Standard
IGBC	Indian Green Building Council
IHCL	Indian Hotels Company Limited
IIM	Indian Institute of Management
IIT	Indian Institute of Technology
ILO	International Labour Organization
INR	Indian rupee
IOT	Internet of Things
ISMS	Information Security Management System
ISO	International Organization for Standardization
IT	Information Technology
ITIs	Industrial Training Institutes
IUCN	International Union for Conservation of Nature
IUPK	An Indonesian mining business permit
IVRS	Interactive Voice Response System
JSA	Job Safety Assessment
JV	Joint Venture
KPC	PT Kaltim Prima Coal
KPI	Key Performance Indicator
KWH	Kilowatt hour
KYEC	Know Your Energy Consumption
LAN	Local area network
LC	Letter of credit
LED	Light Emitting Diode
MBC	Most Backward Classes
MC	Manufactured Capital
MD	Managing Director
ML	Machine Language
mn	Millions
MoEF	Ministry of Environment and Forests
MOEFCC	Ministry of Environment, Forest and Climate Change
MOP	Ministry of Power
MORTH	Ministry of Road Transport and Highways

Short form	Particulars
MPL	Maithon Power Limited
MSEDCL	Maharashtra State Electricity Distribution Company Limited
MSME	Micro, Small and Medium Enterprises
MT	Metric Tonne
MU	Million Unit
MU	Main Unit
MWP	MegaWatt-Peak
NAAI	National Abilympic Association of India
NBFCS	Non-Banking Financial Company
NC	Natural Capital
NCIIPC	National Critical Information Infrastructure Protection Centre
NCVET	National Council for Vocational Education and Training
NELCO	Nelco Limited
NEP	National Electricity Plan
NESCO	North Eastern Electricity Supply Company of Odisha
NGO	Non-Governmental Organisation
NGRBC	National Guidelines for Responsible Business Conduct
NHAI	National Highway Authority of India
NIEPID	National Institute for the Empowerment of Persons with Intellectual Disabilities
NIST	National Institute of Standards and Technology
NOX	Nitrogen Oxide
NSQF	National Skills Qualification Framework
NTPC	National Thermal Power Corporation
O&M	Operation and Maintenance
OCR	Optical Character Recognition
OEMS	Original Equipment Manufacturers
OHS	Occupational Health and Safety
OLA	Operational Level Agreement
OPD	Out-Patient Department
OPTCL	Odisha Power Transmission Corporation Limited
PAT	Profit after Tax
PDS	Public Distribution System
PERC	Passivated Emitter and Rear Contact
PIB	Press Information Bureau
PM	Particulate Matter
PMSGY	Pradhan Mantri Surya Ghar Muft bijli Yojana
POSH	Prevention of Sexual Harassment
PPA	Power Purchase Agreement
PPE	Personal Protective Equipment
PPGCL	Prayagraj Power Generation Company Limited
PPP	Public Private Partnership
PSCC	Power System Control Center
PSP	Pumped Hydro Storage Project
PSU	Public Sector Undertaking
PTL	Powerlinks Transmission Limited

Short form	Particulars
PV	Solar Photovoltaic
R&D	Research and Development
RCM	Reliability Centred Maintenance
RDSS	Revamped Distribution Sector Scheme
RE	Renewables Energy
RFID	Radio Frequency Identification
RMC	Risk Management Committee
RMCI	Risk Mitigation Completion Index
ROE	Return on Equity
RPO	Renewable Purchase Obligation
RSCM	Responsible Supply Chain Management
RTC	Round-the-clock power
RTC	Real-Time-Control
RTM	Real-Time Market Prices
RTU	Remote Terminal Unit
S&P	Standard & Poor's
SAP-EHSM	SAP Environment Health and Safety Management
SASB	Sustainability Accounting Standards Board
SBO	Strategic Business Objectives
SBTI	Science Based Targets Initiatives
SC	Scheduled Caste
SCADA	Supervisory Controlled and Data Acquisition
SDGS	United Nations Sustainable Development Goals
SEBI	Securities and Exchange Board of India
SECI	Solar Energy Corporation of India
SHG	Self-Help Groups
SHR	Station Heat Rate
SKU	Stock Keeping Unit
SLDP	Senior Leaders' Development Program
SMBB	Super Multi Busbar
SMR	Small Modular Reactors
SOC	Security Operations Centre
SOP	Standard Operating Practices
SOUTHCO	Southern Electricity Supply Company of Odisha Ltd
SOX	Sulphur oxides
SPG	Special Protection Group
SPJIMR	S.P. Jain Institute of Management & Research
SPM	Suspended Particulate Matter
SPOCs	Single Point of Contact
ST	Scheduled Tribe
T&D	Transmission & Distribution
TBCB	Tariff Based Competitive Bidding
TCFD	Task Force on Climate related Financial Disclosure
TCOC	Tata Code of Conduct
TCS	Tata Consultancy Services Limited
TERPL	Trust Energy Resources Pte Limited
TMTC	Tata Management Training Centre

Short form	Particulars
TOPCON	Type Technology of Tunnel Oxide Passivated Contacts
TPADL	TP Ajmer Distribution Limited
TPCDT	Tata Power Community Development Trust
TPCL	The Tata Power Company Limited
TPCODL	TP Central Odisha Distribution Limited
TPDDL	Tata Power Delhi Distribution Limited
TPIPL	Tata Power International Pte Limited
TPNODL	TP Northern Odisha Distribution Limited
TPREL	Tata Power Renewable Energy Limited
TPRMGL	TP Renewable Microgrid Limited
TPSDI	Tata Power Skill Development Institute
TPTCL	Tata Power Trading Company Limited
TPWODL	TP Western Odisha Distribution Limited
TQM	Total Quality Management
UN	United Nations
UNDP	United Nations Development Programme
URL	Uniform Resource Locator
USB	Universal Serial Bus
USD	United States Dollar
UT	Union Territory
UTS	Unreserved Ticketing System
VR	Virtual Reality
WAN	Wide area network
WBS	Work Breakdown Structure
WESCO	Western Electricity Supply Company of Orissa Ltd
ZLD	Zero Liquid Discharge

SUSTAINABLE
IS ATTAINABLE

Lighting a
BILLION SMILES,
Now and
FOREVER.
