

Report on Corporate Governance

Further pursuant to SEBI Circular dated January 30, 2026, SEBI has done away with the requirement of issuance of Letters of Confirmation ("LOC") with effect from April 02, 2026 to give direct credit of securities in dematerialisation account of the Shareholder. Any LOC issued before April 02, 2026, may be submitted by the investors to DP for dematerialisation within the specified timeline i.e. 120 days from the date of issuance of LOC.

13. Other disclosures

a) Related Party Transactions

The Company has formulated Related Party Transaction Policy, which is in compliance with provisions of the Act and the Listing Regulations. The Policy can be accessed on the website of the Company at the web link: <https://www.torrentpower.com/public/pdf/investors/TPL%20RPT%20Policy.pdf>

During the year, the Company did not enter into any transaction with related parties which were material in nature as defined in the Listing Regulations. All the related party contracts/arrangements and transactions entered into by the Company were put forth for the approval of the Audit Committee and the Board, as applicable, in compliance with the said Policy. The Company has not entered into any transactions, which requires approval of the Members.

Statement of quarterly related party transactions was presented to the Audit Committee for its review on quarterly basis, specifying the nature, value and terms and conditions of the transactions. The particulars of contracts/arrangements and transactions entered into by the Company with related parties are set out in the Notes to the Financial Statements forming part of this Integrated Annual Report.

b) Prevention of Insider Trading

The Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons ("Insider Trading Code") is aimed to prevent any insider trading and applicable to all the designated persons who are expected to have access to the unpublished price sensitive information relating to the Company.

The Company lays down the guidelines, which advises them on procedures to be followed and disclosures to be made, while dealing in shares of the Company. The Company has also adopted the Policy for determination of legitimate purposes which forms part of Fair Disclosure Code. The copies of the Insider Trading Code and Fair Disclosure Code are available on the Website of the Company at <https://www.torrentpower.com/public/pdf/investors/Code%20of%20Conduct%20to%20Regulate%20Monitor%20and%20Report%20Trading%20by%20Designated%20Persons.pdf>.

The Audit Committee reviews cases of non-compliances, if any and the said non-compliances are promptly intimated to the Stock Exchanges in the prescribed format.

c) Legal Compliances

The Company has formalised a system to track, monitor and document legal compliances applicable to the Company. The Board quarterly reviews compliance reports (of all the laws applicable to the Company), prepared by the management. There have been no material regulatory non-compliances or penalties imposed by stock exchanges or statutory authorities during the last three years.

d) Code of Conduct

The Code of Conduct for the Directors and Senior Management of the Company has been laid down by the Board and the same is posted on the website of the Company at <https://www.torrentpower.com/public/pdf/investors/Code%20of%20Business%20Conduct.pdf>.

A declaration signed by the Vice Chairman & Managing Director affirming the compliance with the Code of Conduct by the Board Members and Senior Management Personnel of the Company is annexed herewith as annexure to this report.

e) Vigil Mechanism/Whistle Blower Policy

The Board has adopted Vigil Mechanism/Whistle Blower Policy for the Company, under which the Company has institutionalised a mechanism for the stakeholders to disclose their concerns and grievances on unethical behaviour and improper/illegal practices and wrongful conduct and instances of leak or suspected leak of Unpublished

Report on Corporate Governance

Price Sensitive Information ("UPSI") taking place in the Company for appropriate action.

The Policy is available on the website of the Company at https://www.torrentpower.com/public/pdf/investors/Whistleblowerpolicy_20250221184147.pdf

During the year, functioning of the Vigil Mechanism was reviewed by the Audit Committee on quarterly basis. No employee intending to report under Vigil Mechanism was denied access to the Audit Committee.

During the year, one case was reported under Vigil Mechanism which was closed and no pending case as at the end of the year.

f) Compliance with all the mandatory requirements of Corporate Governance

The Company has complied with all the mandatory requirements of Corporate Governance applicable to the Company.

g) Reconciliation of Share Capital Audit

A qualified Practicing Company Secretary carried out a reconciliation of Share Capital Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. The Secretarial Audit confirms that the total issued/paid-up capital of the Company is in agreement with the total number of shares in physical form and the total number of dematerialised shares held with NSDL and CDSL.

h) Material Subsidiary Policy

The Company has formulated a Policy for determining "Material Subsidiary" and same is available on Company's website at https://www.torrentpower.com/public/pdf/investors/PolicyfordeterminationofMaterialSubsidiaries_20250221183959.pdf

i) Details of material subsidiary

January 27, 2025. The Company is also compliant with other requirements of Regulation 24 of the SEBI Listing Regulations with regards to its subsidiary companies.

j) Utilisation of funds raised through Preferential Allotment or Qualified Institutions Placement

During the year under review, the Company did not raise any funds through preferential allotment or qualified institutions placement as specified under Regulation 32(7A) of the Listing Regulations. However, during the year under review, the Company has issued NCDs on private placement basis, listed on debt market segment of National Stock Exchange Limited. The Company affirms that there has been no deviation or variation in utilisation of proceeds of the listed NCDs of the Company.

Report on Corporate Governance

k) Certificate of Practicing Company Secretary

The Company has obtained a certificate from M/s Rajesh Parekh & Co., Practicing Company Secretary, Ahmedabad stating that none of the Directors on the Board of the Company have been debarred/disqualified from being appointed/continuing as Directors of any company, by the SEBI and the Ministry of Corporate Affairs or any such Statutory authority.

l) CEO / CFO Certification

The Vice Chairman & Managing Director and Chief Financial Officer (CFO) of the Company give an annual certificate on financial reporting and internal controls to the Board in terms of Regulation 17(8) of the Listing Regulations. The Vice Chairman & Managing Director and CFO also give quarterly certificate on financial results while placing the financial results before the Board in terms of Regulation 33(2)(a) of the Listing Regulations.

m) Fees paid to Statutory Auditors

During the year, total fees, for all services (including out of pocket expenses and taxes), paid by the Company and its subsidiaries, on a consolidated basis, to the Statutory Auditors - Price Waterhouse Chartered Accountants LLP (012754N/N500016) and to all entities in the network of which Auditor is a part are as under:

	(₹ in Crore)
Audit Fees	2.38
Limited Review services	0.68
Other Services certificates etc.	0.56
Reimbursement of expenses	0.17
Total	3.79*

**Inclusive of Goods and Services Taxes*

n) Protection of Women against Sexual Harassment at Workplace

Pursuant to the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and rules made thereunder, the Company has adopted a "Policy on Protection of Women against Sexual Harassment at Workplace". Pursuant to the said Policy, the Company has formed Internal Complaints Committee with majority women members at each of the Unit/Administrative Office.

During the year, no complaints were filed with the Internal Complaints Committee.

o) Disclosure of certain type of agreements binding listed entities

Pursuant to provisions of Schedule III, Para A, Clause 5A of Listing Regulations, there are no agreement impacting management or control of the Company or imposing any restriction or create any liability upon the Company.

p) Compliance with Corporate Governance

The Company has complied with the Corporate Governance requirements specified in Regulation 17 to 27 and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of the Listing Regulations.

Independent Auditor's Report

To the Members of Torrent Power Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Torrent Power Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's responsibilities for the audit of the standalone financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Independent Auditor's Report

Key audit matter	How our audit addressed the key audit matter
Impairment assessment for Power Plant located at Dahej (Refer to note 42(1) to the standalone financial statements): The carrying amount of Property, Plant and Equipment ("PPE") and Right-of-use assets ("ROU") includes an amount of ₹ 1,114.62 Crore as at March 31, 2026, pertaining to 1,200 MW DGEN Mega Power Project including Transmission Line located at Dahej, India ("DGEN"). DGEN started its commercial operations from November 2014 ("COD") and thereafter has operated only intermittently, including during current financial year. As a result of the above, and given the current economic environment, management has carried out an impairment assessment of DGEN in accordance with Ind AS 36 'Impairment of Assets' and with the help of an external valuer, has measured the recoverable amount based on 'value in use' which requires estimating the discounted cash flow projections over the estimated remaining useful life of the DGEN. Such assessment involved several key assumptions including expected demand of electricity, future prices of fuel, foreign exchange rate, expected tariff rates of electricity and discount rate, which are considered by management based on past trends and current and likely future state of the industry. Based on such assessment, the value in use arrived at by the management is higher than the carrying amount of PPE and ROU pertaining to DGEN and accordingly, no additional impairment is considered necessary as at March 31, 2026. We considered this to be a key audit matter as the carrying value of DGEN at March 31, 2026 is significant to the Company's balance sheet and there is significant judgement and estimation involved in the discounted cash flow (DCF) model used by the management to assess the value in use of DGEN.	Our procedures in relation to management's impairment assessment of DGEN included the following: - Assessed and tested the design and operating effectiveness of the Company's controls over impairment assessment. - Perused the report issued by the external valuer engaged by the management and conducted enquiries with them to understand the assumptions considered by them. - Evaluated independence, competence, capability and objectivity of the external valuer. - Evaluated the reasonableness of cash flow projections used by the Company and the key assumptions underlying the same. - With the involvement of auditor's experts, assessed the reasonableness of the assumptions considered in the discounted cash flow projections for determining value in use. - Enquired with senior management personnel, the justification for the key assumptions underlying the cashflow projections and performed sensitivity analysis on the same, within a reasonably foreseeable range. - Checked the arithmetic accuracy of the computations included in the discounted cash flow projections. - Assessed the adequacy of disclosure in the standalone financial statements.

Independent Auditor's Report

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Management Discussion and Analysis, Business Responsibility and Sustainability Report, Report on Corporate Governance, (but does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the additional information excluding those referred above that would be included in the Integrated Report (titled as 'Torrent Power Limited Integrated Annual Report 2025-26'), which is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the additional information, as mentioned above that would be included in the Integrated Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the standalone financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Independent Auditor's Report

Auditor's responsibilities for the audit of the standalone financial statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Report on other legal and regulatory requirements

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 15(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 15(b) above and paragraph 15(h)(vi) below.
 - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 45(A) to the standalone financial statements;
 - ii. The Company has made provision as at March 31, 2026, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts – Refer Note 34 to the standalone financial statements. The Company was not required to recognise a provision as at March 31, 2026 under the applicable law or Indian Accounting standards for material foreseeable losses on long-term derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.

Independent Auditor's Report

- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in Note 46(c) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 46(c) to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The interim dividend declared and paid by the Company during the year is in accordance with Section 123 of the Act to the extent it applies to declaration and payment of interim dividend. Further, as stated in Note 24 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.
 - vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that up to March 02, 2026, audit log of modification at database level did not capture pre-modified values. During the course of performing our procedures, except the aforesaid instances of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior years, has been preserved by the Company as per the statutory requirements for record retention. (Refer Note 69 to the standalone financial statements).
16. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 15(g) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Torrent Power Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Annexure A to Independent Auditor's Report

Referred to in paragraph 15(g) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements as of and for the year ended March 31, 2026

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment of the Company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. As regards underground distribution systems, we have been informed that the same are not physically verifiable.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 4 on Property, Plant and Equipment, Note 5 on Right-of-use assets, Note 6 on Capital work-in- progress and Note 7 on Investment Property to the standalone financial statements, are held in the name of the Company, except for the following:

Description of property	Gross carrying value (₹ in Crore)	Held in the name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in the name of the Company
Freehold Land	3.39	SEC Limited	No	21 years	Amalgamated due to various court orders. Appeal filed against rate valuation.
Freehold Land	2.00	AEC Limited	No	21 years	
Freehold Land	0.11	SEC Limited	No	21 years	Amalgamated due to various court orders. Applications filed and under process of name change.

Freehold Land	0.03	Torrent Power SEC Limited	No	19 years	
Leasehold Land	0.93	AEC Limited	No	21 years	Lease deed is pending to be executed.
Leasehold Land	5.94	SEC Limited	No	21 years	
Leasehold Land	1.47	Torrent Power SEC Limited	No	21 years	
Leasehold Land	11.81	Dholera Industrial City Development Limited	No	7 years 6 months	For executing lease agreement, prior approval of Pricing committee of the State Government is required.
Leasehold Land	53.09	Ahmedabad Municipal Corporation	No	3 years 7 months	

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and Intangible Assets during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or Intangible Assets does not arise.

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

- (e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) [formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)] and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the standalone financial statements, does not arise.
- ii. (a) The physical verification of inventory excluding stocks with third parties has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has been sanctioned working capital limits in excess of ₹ 5 Crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the unaudited books of account. (Also, refer Note 30 to the standalone financial statements).
- iii. (a) The Company has made investments in seven companies and sixteen mutual fund schemes, granted unsecured loans to forty eight companies and three other parties, stood guarantee to five companies and provided security to one company. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans and guarantees to subsidiaries and to parties other than subsidiaries are as per the table given below:

	(₹ in Crore)		
	Guarantees	Security	Loans
Aggregate amount granted/ provided during the year			
- Subsidiaries	9,797.95	9.38	4,667.15
- Others	-	-	39.82
Balance outstanding as at balance sheet date in respect of the above cases			
- Subsidiaries	9,797.95	9.38	3,118.57
- Others	-	-	0.04

(Also, refer Note 56(b) to the standalone financial statements)

- (b) In respect of the aforesaid investments, guarantees, securities and loans, the terms and conditions under which such loans were granted, investments were made, guarantees and securities provided are not prejudicial to the Company's interest. (Also, refer Note 56 to the standalone financial statements)
- (c) In respect of the loans aggregating to ₹ 3,664.47 Crore, the schedule of repayment of principal and payment of interest has been stipulated and the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest as applicable. However, in respect of the loans aggregating to ₹ 1,522.32 Crore, no schedule for repayment of principal has been stipulated by the Company, in the absence of stipulation of repayment terms, we are unable to comment on the regularity of repayment of principal in respect of such loans.
- (d) In respect of the loans, there is no amount which is overdue for more than ninety days.
- (e) There were no loans which have fallen due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans.

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

- (f) Following loans were granted during the year, including to promoters/related parties under Section 2(76), which are repayable on demand or where no schedule for repayment of principal and payment of interest has been stipulated by the Company.

	(₹ in Crore)		
	All Parties	Promoters	Related Parties
Aggregate of loans			
- Repayable on demand (A)	209.15	-	209.15
- Agreement does not specify any terms or period of repayment (B)	704.34	-	704.34
Total (A+B)	913.49	-	913.49
Percentage of loans to the total loans	19.41%	-	19.41%

(Also, refer Note 56 to the standalone financial statements)

- iv. In our opinion, the Company has complied with the provisions of Section 185 and sub-section (1) of Section 186 of the Act in respect of the loans and investments made and guarantees and security provided by it. The provisions of sub-sections (2) to (11) of Section 186 are not applicable to the Company as it is engaged in the business of providing infrastructural facilities as referred to in Schedule VI to the Act.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under. Accordingly, the reporting under clause 3(v) of the Order is not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its certain products. We have broadly reviewed the books of account maintained by the Company pursuant to the said requirement, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) In our opinion, except for dues in respect of Property Tax, the Company is regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, goods and services tax and other statutory dues, as applicable, with the appropriate authorities. The extent of the arrears of statutory dues outstanding as at March 31, 2026, for a period of more than six months from the date they became payable are as follows:

Name of the statute	Nature of dues	Amount (₹ in Crore)	Period to which the amount relates (Financial year)	Due date	Date of Payment	Remarks, if any
The Gujarat Provincial Municipal Corporation Act, 1949	Property Tax	1.97	2023-24 to 2025-26	August 2, 2025	Unpaid	The Company has filed a representation to Additional Chief secretary - Energy and Petrochemical Department, Government of Gujarat for Waiver
		2.83	2023-24 to 2025-26	July 29, 2025		
		1.16	2023-24 to 2025-26	July 22, 2025		
		2.61	2023-24 to 2025-26	August 14, 2025		
		2.93	2023-24 to 2025-26	August 29, 2025		
		4.98	2023-24 to 2025-26	July 24, 2025		
		1.24	2023-24 to 2025-26	August 14, 2025		

Also, refer Note 45(A)(1) to the standalone financial statements regarding management's assessment on certain matters relating to provident fund.

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

- (b) There are no statutory dues of employees' state insurance, income tax, duty of excise and cess which have not been deposited on account of any dispute. The particulars of other statutory dues referred to in sub-clause (a) as at March 31, 2026 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount Involved (₹ in Crore)	Amount Unpaid (₹ in Crore)	Period to which the amount relates (Financial year)	Forum where the dispute is pending
Customs Act, 1962	Custom duty	37.00	18.50	2012-13	Central Excise and Service Tax Appellate Tribunal
Kerala General, Sales Tax Act, 1963	Sales Tax on Works Contracts	0.20	0.20	2001-02	Sales Tax Appellate Tribunal
Andhra Pradesh General Sales Tax, Act, 1957	Sales Tax on Works Contracts	0.29	0.29	1993-94 & 1994-95	High court for the State of Telangana
Tamil Nadu General Sales Tax Act, 1959	Sales Tax on Works Contracts	0.47	0.47	1989-90 & 1990-91	Asst. Commissioner of Commercial Tax
Gujarat Value Added Tax Act, 2003	Value Added Tax	6.99	2.41	2007-08 to 2010-11	Gujarat Value Added Tax Tribunal
Gujarat Stamp Act, 1958	Stamp Duty	35.10	35.10	2009-10	High Court of Gujarat
Maharashtra Stamp Act, 1958	Stamp Duty	1.01	0.76	2006 and 2016	High Court Bombay
Gujarat Stamp Act, 1958	Stamp Duty	0.26	0.26	2006-07	Deputy Collector, Stamp Duty Valuation Department, Surat
Finance Act, 1994	Service tax	0.49	0.49	2014-15 & 2016-17	Central Excise and Service Tax Appellate Tribunal
Central Goods and Services Tax Act, 2017	Goods and Services Tax	23.18	11.91	July 2017 to December 2019	Commissioner Appeals (CGST)
Central Goods and Services Tax Act, 2017	Goods and Services Tax	189.42	189.42	April 2019 to October 2024	Additional Commissioner (CGST & CE), Agra
Employees' Provident Fund & Miscellaneous Provisions Act, 1952	Provident Fund	0.36	0.23	Oct 2011 to Aug 2015	EPF Appellate Tribunal, Ahmedabad
The Gujarat Provincial Municipal Corporation Act, 1949	Property Tax	8.26	8.26	2009-10 to 2025-26	Municipal Corporations
The Uttar Pradesh Municipal Corporation (Property Tax) (Second amendment) Rules 2013	Property Tax	5.80	5.80	FY 2010-11 to FY 2025-26	Small Case Court, Agra

The above table does not include matters which have been decided in favour of the Company although the department have preferred appeal at higher level.

- viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961.
- ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, the term loans have been applied for the purposes for which they were obtained. (Also, refer Note 26 to the standalone financial statements)

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed by us, as statutory auditors, with the Central Government. Further, no such report has been filed by any other auditor appointed by the Company under the Act. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, the Company has received whistle-blower complaint during the year, which have been considered by us for any bearing on our audit and reporting under this clause.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the standalone financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with the directors. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

Annexure B to Independent Auditor's Report

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the standalone financial statements for the year ended March 31, 2026

- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, the additional reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) In our opinion, the Group [as defined in the Reserve Bank of India (Core Investment Companies) Directions, 2025] has one CICs as part of the Group.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. (a) The Company does not have any amount remaining unspent under sub-section (5) of Section 135 of the Act as at balance sheet date in respect of "other than ongoing projects" of Corporate Social Responsibility. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable to the Company.
- (b) The Company has transferred the amount of Corporate Social Responsibility remaining unspent under sub-section (5) of Section 135 of the Act pursuant to ongoing projects to a special account in compliance with the provision of sub-section (6) of Section 135 of the Act. (Also, refer Note 51 to the standalone financial statements)
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

Proceeds from sale of non-current investments		-	2.86
Loans to related parties [Refer note 56]		(4,667.15)	(5,165.02)
Repayment of loans from related parties [Refer note 56]		5,190.14	2,677.89
Investments in bank deposits (original maturity more than three months)		(85.95)	(57.04)
Redemption in bank deposits (original maturity more than three months)		116.77	33.19
Interest received		469.80	404.43
Proceeds from / (purchase of) current investments (net)		(257.55)	179.13
Dividend received from non-current investments		20.52	21.44
Rent income from investment property		1.28	1.28
Net cash used in investing activities		(4,762.16)	(2,880.16)

Standalone Statement of Cash Flows

for the year ended March 31, 2026

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Cash flow from financing activities		
Proceeds from issue of equity share capital including securities premium (net of expenses) [Refer footnote 2 of note 24]	-	3,439.77
Proceeds from long-term borrowings	3,064.00	364.00
Proceeds from short-term borrowings	197.30	800.00
Repayment of long-term borrowings	(920.10)	(753.31)
Prepayment of long-term borrowings	-	(2,838.95)
Repayment of short-term borrowings	(397.30)	(890.02)
Repayment of Accelerated Power Development and Reform Programme (APDRP) loan	(1.53)	(3.82)
Receipt of contribution from consumers	194.88	235.05
Dividend paid	(1,007.81)	(897.71)
Principal elements of lease payments	(8.58)	(8.42)
Finance costs paid	(709.76)	(884.85)
Net cash generated from / (used in) financing activities	411.10	(1,438.26)
Net (decrease) / increase in cash and cash equivalents	342.97	(40.51)
Cash and cash equivalents as at beginning of the year	222.42	263.66
Cash and cash equivalents transferred pursuant to scheme of arrangement [Refer note 60]	-	(0.73)
Cash and cash equivalents as at end of the year	565.39	222.42

Footnotes:

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
1 Cash and cash equivalents as at end of the year:		
Balances with banks		
Balance in current accounts	313.16	219.52
Balance in fixed deposit accounts (original maturity for less than three months)	250.00	-
Cheques on hand	1.54	1.34
Cash on hand	0.69	1.56
	565.39	222.42

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
2 Non-cash investing activities		
Acquisition of Right-of-use assets	0.09	0.32
Increase in investment in equity instruments due to fair valuation of corporate guarantees	32.23	26.35
	32.32	26.67

3	Cash flow from operating activities includes ₹ 51.34 Crore (Previous year ₹ 46.68 Crore) being expense towards corporate social responsibility initiatives.
4	The statement of cash flow has been prepared under the 'Indirect Method' set out in Indian Accounting Standards (Ind AS) - 7 "Statement of Cash Flows".

Standalone Statement of Changes in Equity

for the year ended March 31, 2026

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 1(a): General information

Torrent Power Limited ("the Company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380 015.

The Company is engaged in the business of generation, renewables, transmission and distribution of Electricity.

Note 1(b): New standards or interpretations adopted by the Company

The Ministry of Corporate Affairs vide notification dated May 07, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended/notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 01, 2025:

- i) Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants
- ii) Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements
- iii) Ind AS 12 - International Tax Reform - Pillar Two Model Rules
- iv) Ind AS 21 - Lack of Exchangeability

The above amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Note 1(c): New standards or interpretations issued but not yet effective

The Ministry of Corporate Affairs vide notification dated August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended Ind AS 1 - certain specific provisions of Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants and which are effective for annual reporting periods beginning on or after April 01, 2026.

The above amendment did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

Historical cost convention

The financial statements have been prepared on the historical cost basis except for following which have been measured at fair value;

- Defined benefit plan assets
- Certain financial assets and liabilities (including derivative instruments) are measured at fair value

All assets and liabilities have been classified as current or non-current as per the requirements of Ind AS 1 read with Schedule III (Division II) to the Companies Act, 2013.

2.2 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. In determining whether a particular set of activities and assets is a business, the Company assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process and whether the acquired set has the ability to produce outputs. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Company in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred; and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Business combination - common control transaction

Business combinations involving entities that are controlled by the Company are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in statement of profit and loss as incurred.

Acquisition of an asset or a group of assets

In case of acquisition of an asset or a group of assets that does not constitute a business, the Company identifies and recognises individual identifiable assets acquired (including those assets that meet the definition of, and recognition criteria for, intangible assets under Ind AS 38, Intangible Assets) and liabilities assumed. The Purchase Consideration shall be allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction or event does not give rise to goodwill or gain on bargain purchase.

2.3 Investments in subsidiaries, joint ventures and associates:

Investments in associates, joint ventures and subsidiaries are measured at cost less provision for impairment, if any.

2.4 Property, plant and equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at April 01, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use. Directly attributable costs are capitalized until the asset is ready to use in accordance with the Company's accounting policy of capitalization.

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the year is provided on additions / deductions of the assets during the period from / up to the month in which the asset is added / deducted. Depreciation on property, plant and equipment which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other property, plant and equipment in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of property, plant and equipment of non-regulated business. The effect of any such change in estimate in this regard is accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business \$	Franchisee business @	Other business
Buildings	1.26% to 6.73%	3.34%	3.34%
Railway siding	1.80% to 5.28%	-	-
Leasehold improvement	-	16.86% to 23.08%	-
Plant and machinery	0.92% to 19.00%	5.28%	3.60%
Electrical fittings and apparatus	0.64% to 19.00%	6.33%	6.33%
Furniture and fixtures	0.91% to 15.00%	6.33%	6.33%
Vehicles	9.50% to 18.00%	9.50%	9.50%
Office equipment	0.91% to 31.67%	5.28% to 15.00%	6.33% to 15.00%

@ governed by the applicable regulations of Uttar Pradesh Electricity Regulatory Commission (UPERC) / Maharashtra Electricity Regulatory Commission (MERC) for this purpose.

\$ For assets acquired on or after April 01, 2009 in case of Regulated generation and distribution business, remaining depreciable value as on 31st March of the year closing after a period of 12 years from date on which assets are ready for their intended use, shall be spread over the balance useful life of the assets as defined in GERC / CERC Multi Year Tariff (MYT) regulations.

2.5 Impairment of assets:

Property, plant and equipment (including Capital work-in-progress) and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.6 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the statement of profit and loss in the period of their accrual.

2.7 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.8 Inventories:

Fuel, stores and spares, loose tools and traded goods are stated at the lower of cost and net realisable value. Cost of inventories includes purchase price and all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis except for inventory of Regasified Liquefied Natural Gas (RLNG) which is valued using specific identification method considering its procurement for beneficiary usage or others. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.9 Revenue recognition:

Revenue towards satisfaction of a performance obligation is measured and recognized at transaction price, when the control of the goods or services has been transferred to consumers net of discounts and other similar allowances.

- (i) Revenue from power supply is accounted for in accordance with the rates, terms and conditions laid down under the relevant Tariff Regulations / Tariff Orders notified by the Electricity Regulators / agreements entered with the customers / power exchange rates, as applicable. Revenue recognised includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff and adjustments in respect of unbilled amounts towards revenue gaps / unapproved Fuel and Power Purchase Price Adjustment (FPPPA) which are recognised considering applicable tariff regulations / tariff orders, past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination. Revenue from power supply exclude taxes and duties.

These adjustments / accruals are carried forward as 'Unbilled revenue' under "Other current financial assets" in Note 22, which would be adjusted through future billing based on tariff determination by the regulator in accordance with the electricity regulations.

- (ii) Trading of RLNG are recognised, net of returns and rebates, on transfer of control of ownership to the buyer. Sales exclude Goods and Services Tax.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

- (iii) Gross proceeds from sale of Certified Emission Reduction Certificates (CERs) are recognized when all the control of CERs have been passed to buyer, usually on delivery of the CERs.
- (iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.
- (v) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Such revenue is recognised in accordance with depreciation of such property, plant and equipment.

2.10 Foreign currency translation:

Functional and presentation currency

The financial statements are prepared in Indian rupee (₹) which is functional as well as presentation currency of the Company.

Transactions and balances

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences arising on foreign currency borrowings are presented in the Statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Company's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

2.11 Employee benefits:

Defined contribution plans

Contributions to retirement benefit plans in the form of provident fund, employee state insurance scheme, pension scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Company has no further payment obligations once the contributions have been paid.

Defined benefits plans

The liability or asset recognised in the balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the statement of profit and loss.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.12 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.13 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.14 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.15 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets (excluding trade receivables) are initially measured at fair value. Transaction costs that are directly attributable to the acquisition (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss. Trade receivables which do not contain a significant financing component are measured at transaction price.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/ (losses). Impairment losses are presented as separate line item in the statement of profit and loss.

- **Fair value through other comprehensive income (FVOCI)**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses. The Company currently does not have any debt instruments which are measured at FVOCI.

- **Fair value through profit or loss (FVTPL)**

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains / (losses) in the period in which it arises. Net gains / (losses) from these financial assets is included in other income.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

iv) Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses, trade receivables have been grouped based on days past due. The Company has segmented the customers based on shared risk attributes, i.e. Government Consumers / Non-Government consumers, Status of Consumers i.e. Live consumers / Disconnected consumers and Security deposits provided by the Consumer.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset.

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Company has not retained control over the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

vi) Income recognition

Dividend is accounted when the right to receive payment is established.

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the statement of profit and loss as part of other income.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted when there is a certainty of recovery.

vii) Derivative and Hedge accounting

The Company uses derivative financial instruments such as forward contracts to hedge its risks associated with foreign exchange fluctuation and price risk movement. Risks associated with fluctuation in the price of the fuel are minimized by undertaking appropriate derivative instruments.

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of profit and loss depends on the nature of the hedging relationship and nature of hedged items.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Derivative financial instruments that hedges commodity price risk associated with highly probable forecasted transactions are designated as cash flow hedges and measured at fair value. The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading cash flow hedging reserve within equity, and re-classified to the statement of profit and loss in the period corresponding to the occurrence of the forecasted transactions. The gain or loss relating to the ineffective portion is recognised immediately in the statement of profit and loss.

Hedge effectiveness is tested both at the inception of the hedge relationship as well as on an ongoing basis. The Company documents the economic relationship between hedging instruments and hedged items including whether the changes in the cash flows of the hedging instrument are expected to offset changes in cash flows of hedged items. Hedge accounting is discontinued when the hedging instrument expires or when it is sold, terminated or exercised or no longer qualifies for hedge accounting and the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to profit or loss.

Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety while determining their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

Financial liabilities

i) Classification

All the Company's financial liabilities except for Derivative liabilities are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the issue of financial liabilities are deducted from the fair value of the financial liabilities, as appropriate, on initial recognition.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability.

iv) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or waived off or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

v) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

2.16 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction are deducted from other equity (net of tax).

2.17 Leases:

Company as a lessee

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Contracts may contain both lease and non-lease components.

Lease liabilities

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the lease payments.

The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs. Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the lessee's incremental borrowing rate. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets

Right-of-use assets are measured at cost comprising the amount of the initial measurement of lease liability and lease payments made before the commencement date.

Right-of-use assets are depreciated over the lease term on a straight-line basis. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, and lease payments made at or before the commencement date less any lease incentives received.

Short-term leases and leases of low value assets

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise small items of office equipment including IT equipment.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.18 Investment in perpetual securities:

Investments in Unsecured subordinated perpetual debt instruments that are repayable solely at the option of the issuer, have no fixed maturity, provide for non-cumulative distributions payable at the discretion of the issuer and do not create a contractual obligation for the issuer to repay the principal or pay distributions, are classified by the issuer as equity instruments in accordance with Ind AS 32 – Financial Instruments: Presentation. In its separate financial statements, the Company measures for such investments in subsidiaries at cost in accordance with Ind AS 27 – Separate Financial Statements and disclosed as "Investment in perpetual debt instrument".

At each reporting date, the Company assesses whether there is any indication of impairment. If any such indication exists, the Company estimates the recoverable amount and recognized an impairment loss, if any, in the Statement of Profit and Loss.

Income

Distribution income from Unsecured subordinated perpetual debt instruments, in the form of distributions declared by the issuer, is recognized in the Statement of Profit and Loss as dividend income when the Company's right to receive the distribution is established.

2.19 Amount presented and rounding off:

All amounts in the financial statements and notes have been presented in ₹ Crore (except for share data) rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹ 50,000 are denoted by '*'.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 2(b): Other accounting policies

2.20 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Company should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.21 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

2.22 Intangible assets – acquired:

Computer software is carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over its estimated useful life of 3 years. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate is accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 3: Critical accounting judgements and key sources of estimation uncertainty

In the course of applying the policies outlined in all notes under note 2 above, the management of the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Revenue recognition:

The Company has recognised revenue (including the adjustment in respect of unapproved FPPPA claims and other true up adjustment claims) as per the applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval. The company has not recognized those truing up adjustment claims which are disputed and for which the company is in appeal with regulatory authorities. These are recognised on receipt of final orders of respective regulatory authorities [Refer note 36 & 44]. However, for certain Disputed cases [Refer note 44(a)(2)(i)], where the Company believes it has strong case, the Company continues to recognise those truing up claims.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Company has assessed applicability of Appendix C of Ind AS 115 "Service Concession Arrangements" with respect to its Property, plant and equipment. In assessing the applicability, the Company has exercised judgment in relation to the provisions of the Electricity Act, 2003, conditions provided under transmission and distribution license and / or agreements. Further, the Company has ability to pledge the assets pursuant to which it has control and ability to direct the use of assets. Based on such assessment, it has concluded that Appendix C of Ind AS 115 is not applicable.

(ii) Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and electricity market scenario, based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would not lead to a material change to the amount of impairment. [Refer note 42(1)].

3.3 Impairment of investments in subsidiaries:

At the end of each reporting period, the Company reviews the carrying amounts of its investments in subsidiaries when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. Investments in subsidiaries carried at cost are tested for impairment. The carrying amount of the investment is tested for impairment as a single asset by comparing its recoverable amount with its carrying amount, any impairment loss recognised reduces the carrying amount of the investment. The recoverable amount calculation is based on a Discounted Cash Flow model over the estimated useful life of its single asset of the Subsidiary.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 3: Critical accounting judgements and key sources of estimation uncertainty (Contd.)

Impairment of loans

The Company applies the Ind AS 109 simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for loans granted by the Company to its subsidiaries.

3.4 Taxes:

Significant management judgement is required to determine the amount of deferred tax assets and deferred tax liabilities that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits from the Income Tax Act, 1961.

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets for unused tax credits that can be recognised, based upon the likely timing and the level of future taxable profits [Refer note 43(d)]

3.5 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc. [Refer note 45(a)]

3.6 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long-term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining present value of defined benefit obligation are disclosed in note 49.2.

Footnotes:

- During the year, Company has given corporate guarantees in favour of lender of subsidiary company and has recognised fair value of corporate guarantee as equity investment in Solapur Transmission Limited.
- During the year, Company has given corporate guarantees in favour of lender of indirect subsidiary companies, MSKVY Ninth Solar SPV Limited (MSKVY) and Torrent Solar Power Private Limited (TSPPL), and has recognised fair value of corporate guarantee as equity investment in Torrent Green Energy Private Limited (holding company of MSKVY and TSPPL), subsidiary company.
- The Company has invested in unsecured subordinated perpetual debt instruments issued by its subsidiary companies. These debt instrument are redeemable solely at the option of the issuer. This carries non-cumulative distributions payable at the discretion of the issuer and do not create a contractual obligation for the issuer to repay the principal or pay distributions. The rate of distribution, if declared, is linked to the rate of dividend declared by the issuers on its ordinary shares for the respective financial year.
- On June 05, 2025, the Company had entered into a Share Purchase Agreement (SPA) with Sarawagi Family and related HUFs (the Seller) for the acquisition of 100% share capital of Newzone India Private Limited (NZIPL) and Newzone Power Projects Private Limited (NZPPL) (Collectively referred as "Newzone Group"), for implementation of thermal power project in the Annupur District of Madhya Pradesh. Pursuant to the SPA, NZIPL and NZPPL has become wholly owned subsidiary of the Company w.e.f. September 23, 2025.
- The Board of Directors of the Company at its meeting dated November 11, 2025, has approved transfer of its equity investments in its 3 subsidiaries to Torrent Energy Storage Solutions Private Limited (Formerly known as Torrent PSH 3 Private Limited) (TESSPL), which is a wholly-owned subsidiary of the Company. Considering the transfer is between Holding Company and its wholly owned subsidiary, it is transferred at the cost. The Company has transferred the said equity shares in March 2026 for total consideration of ₹ 0.03 Crore.
- The Board of Directors of the Company at its meeting dated February 10, 2026, has approved the acquisition of equity investments of Torrent Urja 47 Private Limited from Torrent Green Energy Private Limited (TGEPL), which is a wholly-owned subsidiary of the Company. Considering the transfer is between its wholly owned subsidiary and Holding Company, it is acquired at the cost. The Company has acquired the said equity shares in March 2026 for total consideration of ₹ 0.05 Crore.
- During the previous year, Company has given corporate guarantees in favour of lender of subsidiary company and has recognised fair value of corporate guarantee as equity investment in Torrent Saurya Urja 2 Private Limited.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 10: Investments in subsidiaries (Contd.)

- 8 During the previous year, Company had given corporate guarantees in favour of lender of indirect subsidiary company, Airpower Windfarms Private Limited (AWPL) and has recognised fair value of corporate guarantee as equity investment in Torrent Green Energy Private Limited (holding company of AWPL), subsidiary company.
- 9 The Board of Directors of the Company at its meeting dated February 04, 2025, has approved transfer of its equity investments in its 34 subsidiaries to Torrent Green Energy Private Limited (TGEPL), which is a wholly-owned subsidiary of the Company. Considering the transfer is between Holding Company and its wholly owned subsidiary, it is transferred at the cost. The Company has transferred the said equity shares in March 2025. The total consideration for this transfer was to ₹ 1,365.93 Crore.
- 10 During the previous years, the Company has provided corporate guarantees to the lenders of various subsidiary companies. The fair value of these guarantees initially has been recognised as equity investments in the respective subsidiaries amounting to ₹ 57.04 Crore. Pursuant to the transfer (Refer the note above) of its equity investments in such subsidiaries to Torrent Green Energy Private Limited, the fair value of these corporate guarantees has been considered as an equity investment in Torrent Green Energy Private Limited.
- 11 The Company carries its investments in subsidiaries (in the form of equity shares and unsecured perpetual debt) at cost in accordance with Ind AS 27 'Separate Financial Statements'. At each reporting date, the Company assesses whether there are any indications that such investments may be impaired, in accordance with Ind AS 36 'Impairment of Assets'.

Certain subsidiaries have incurred losses in the current and previous years, which the management has considered as indicators of impairment. Accordingly, the Company has performed impairment assessments in respect of such investments.

For the purpose of impairment testing, each investment in subsidiary is assessed as a single asset, as the recoverable amount of the underlying investee is considered to be reflective of the value of the investment. The recoverable amount has been determined based on value-in-use calculations using discounted cash flow models.

These models incorporate cash flow projections over the remaining useful economic life of the underlying renewable energy assets, taking into account:

- Estimated plant load factor (PLF) based on historical performance, expected operating conditions;
- Discount rate of 7.25% reflecting current market assessments of the time value of money and risks specific to the respective subsidiaries.

The determination of recoverable amount involves significant judgement, particularly in respect of the above assumptions. Management has also performed sensitivity analyses on key assumptions, including PLF and discount rate, to assess the impact of reasonably possible changes. Based on such analyses, management has assessed that there is headroom between the recoverable amounts and the carrying values of the respective investments, and that reasonably possible changes in key assumptions would not result in impairment.

Based on the impairment assessments performed, management has concluded that the carrying values of investments in subsidiaries are appropriate as at March 31, 2026, and no impairment provision is required.

Management reviews the underlying assumptions periodically and updates the assessments to reflect changes in economic conditions, regulatory environment, and operational performance.

Note 12: Non-current loans

Unsecured (considered good)

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Loans to related parties (including interest accrued) [Refer note 56(d)]	5,224.30	5,145.31
	5,224.30	5,145.31

Footnote:

- Loans to related parties are financial assets measured in accordance with Ind AS 109 'Financial Instruments' and are subject to impairment assessment using the expected credit loss (ECL) model.

The Company assesses at each reporting date whether there has been a significant increase in credit risk since initial recognition, based on a combination of quantitative and qualitative factors, including the financial performance of the borrowing subsidiaries, projected cash flows, and their ability to meet contractual obligations.

In performing the ECL assessment, management has considered:

- The current financial position and historical performance of the borrowing subsidiaries;
- Future cash flow projections derived from the same assumptions used for impairment testing of investments, including PLF;
- The terms and conditions of the loan arrangements, including repayment schedules and their alignment with the cash generation profile of the subsidiaries; and
- The Company's intent and ability to provide ongoing financial support to its subsidiaries, where relevant, in the context of its investment strategy.

Based on the above assessment, management has concluded that the credit risk associated with these loans has not significantly increased since initial recognition and that the expected credit losses are not material. Accordingly, no impairment provision has been recognised as at March 31, 2026.

Management continues to monitor the performance of the borrowing entities and reassesses the ECL at each reporting date, considering any changes in facts and circumstances.

	503.90	503.90

Footnotes:

- Reconciliation of the shares outstanding at the beginning and at the end of the reporting year:

	No. of shares As at March 31, 2026	No. of shares As at March 31, 2025
At the beginning of the year	50,39,03,543	48,06,16,784
Issued during the previous year to eligible Qualified Institutional Buyers [Refer footnote 2 below]	-	2,32,86,759
Outstanding at the end of the year	50,39,03,543	50,39,03,543

- On December 05, 2024, the Fund Raising Committee of the Board in their meeting has approved the issue and allotted 2,32,86,759 Equity Shares of ₹ 10 each to eligible qualified institutional buyers (QIB) at the issue price of ₹ 1,503.00 per Equity Share (including a premium of ₹ 1,493.00 per Equity Share) via Qualified Institutions Placement (QIP) in accordance with the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ('the Regulations'), aggregating to approximately ₹ 3,500.00 Crore.

Pursuant to allotment, the paid up share capital of the Company increased from ₹ 480.62 Crore comprising 48,06,16,784 Equity Shares to ₹ 503.90 Crore comprising 50,39,03,543 Equity Shares. The transaction costs amounting ₹ 39.18 Crore (net of tax impact of ₹ 21.04 Crore) in relation to QIP has been accounted for as reduction from equity under securities premium in FY 2024-25.

The funds raised by the Company pursuant to QIP have been fully utilized for the purpose mentioned in the objects of the issue in the offer document. Details of utilisation of QIP proceeds are given below:

	(₹ in Crore)
Utilisation of funds	Year ended March 31, 2025
Repayment / pre-payment, in part or in full, of certain outstanding borrowings	2,625.00
General corporate purpose	822.10
QIP related issue expenses	52.90
	3,500.00

- 25,74,22,311 equity shares (25,74,22,311 equity shares as at March 31, 2025) of ₹10 each fully paid up are held by the Parent Company - Torrent Investments Limited (Formerly known as Torrent Investments Private Limited).

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 24: Equity share capital (Contd.)

4 Terms / Rights attached to equity shares:

The Company has only one class of equity shares having par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend, if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

5 Details of shareholders holding more than 5% shares in the Company:

	54.75	2.44
	18,563.85	16,952.25

Refer "Standalone Statement of Changes in Equity" for movement in each reserve.

Footnotes:

1 Securities premium:

Securities premium reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve can be utilised in accordance with the provisions of the Act.

2 Debenture redemption reserve:

The Company was required to create a Debenture Redemption Reserve (DRR) out of the profits which are available for payment of dividend for the purpose of redemption of debentures. Pursuant to Companies (Share Capital and Debentures) Amendment Rules, 2019 dated August 16, 2019, the Company is not required to create DRR. Accordingly, the Company has not created DRR during the year and DRR created till previous years has been transferred to general reserve on redemption of debentures.

3 Contingency reserve:

As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4 Special reserve:

As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 25: Other equity (Contd.)

5 General reserve:

General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

6 Retained earnings:

The retained earnings reflect the profit of the company earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

7 Effective portion of cash flow hedges:

The effective portion of cash flow hedges is used to recognise effective portion of gains / losses arising on derivative instruments that are designated and qualify as cash flow hedges, as described in note 57. Amounts are subsequently reclassified to profit / loss as appropriate.

Note 42: Impairment assessment

(1) DGEN Power Plant

Net carrying value of Property, plant & equipment ("PPE") (including Capital work in progress) and Right-of-Use assets ("ROU") as at March 31, 2026 includes ₹ 1,114.62 Crore (March 31, 2025: ₹ 1,176.70 Crore) pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, Gujarat including its Transmission Line ("DGEN"). DGEN started commercial operations with effect from November 2014 and thereafter had operated only intermittently / partially including the current year due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power selling arrangement.

In view of the above and given the current economic environment, the Company had carried out an impairment assessment of DGEN as at March 31, 2026 by considering the recoverable amount based on value-in-use of DGEN in accordance with Indian Accounting Standard 36 'Impairment of Assets'. Value-in-use is determined considering a discount rate of 13.50% (March 31, 2025 – 14 %) and cash flow projections over a period of 14 years (March 31, 2025 – 15 years), being the balance useful life of DGEN in terms of Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2024 on the basis that the Company expects to supply power in the future. Based on the assessment, recoverable value of PPE and ROU by using value-in-use is ₹ 1,251.00 Crore (March 31, 2025: ₹ 1,325.94 Crore) which is higher than the carrying amount of PPE and ROU of ₹ 1,114.62 Crore (March 31, 2025: ₹ 1,176.70 Crore) and accordingly no additional impairment loss is required as at March 31, 2026. The management has conducted sensitivity analysis on impairment test of the value in use of DGEN. The management believes that reasonable possible change in key assumptions would not materially impact the impairment assessment as at March 31, 2026.

During the earlier years, the Company has provided for impairment loss of ₹ 2,300.00 Crore (March 31, 2025: ₹ 2,300.00 Crore).

Assessment of 'value-in-use' involves several key assumptions including expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and electricity market scenario, based on past trends and the current and likely future state of the industry. Management reviews such assumptions periodically to factor updated information based on events or changes in circumstances in order to make fresh assessment of impairment, if any.

(2) Investment in Torrent Pipavav Generation Limited

Torrent Pipavav Generation Limited ("TPGL"), a subsidiary of the Company and a joint venture between the Company and Gujarat Power Corporation Limited ("GPCL"), had made payments in nature of compensation for acquisition of private land as per the court orders in Amreli, Gujarat for the purpose of developing a coal-based power plant of 1,000+ MW. Due to non-availability of fuel linkage, Government of Gujarat ("GoG") vide its letter dated December 06, 2017, communicated that the said project may not be developed and accordingly, the joint venture is intended to be dissolved. Further, as per the said letter, the cost of land would be reimbursed after the disposal of land.

During the previous year, TPGL received amount of ₹ 103.18 Crore from GPCL towards the cost incurred for acquisition of aforesaid land and other expenses incurred in prior years. Considering the above facts, assets and liabilities are reflected at their net realisable values or cost whichever is lower and the financial statements of TPGL for year ended March 31, 2026 and March 31, 2025 have been prepared on a non - going concern basis.

Considering the above facts, Management has reversed the impairment provision of ₹ Nil (March 31, 2025: ₹ 7.15 Crore) for Carrying amount of equity of ₹ 35.95 Crore (March 31, 2025: ₹ 35.95 Crore) net of impairment ₹ 11.55 Crore after above reversal.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 43: Income tax expense

(a) Income tax expense recognised in statement of profit and loss

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Current tax		
Current tax on profits for the year	697.12	671.54
Adjustment for current tax of prior periods	(17.49)	(131.48)
	679.63	540.06
Deferred tax (other than that disclosed under OCI)		
Decrease / (increase) in deferred tax assets	51.87	114.13
(Decrease) / increase in deferred tax liabilities	43.80	(406.90)
	95.67	(292.77)
Income tax expense	775.30	247.29

(b) Reconciliation of income tax expense

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Profit before tax	3,350.41	3,098.30
Expected income tax expense calculated using tax rate at 34.944% (Previous year - 34.944%)	1,170.77	1,082.67
Adjustment to reconcile expected income tax expense to reported income tax expense:		
Effect of:		
Reversal of DTL on measurement due to change in tax rate (Refer footnote below)	(81.92)	(637.09)
Tax incentives / deductions	(358.90)	(293.51)
MAT Credit adjustment pertaining to earlier years	-	147.11
Long term Capital Gain tax	-	49.91
Expenditure not deductible under Income Tax Act	65.43	29.98
Income not chargeable under Income Tax Act	(2.72)	-
Other adjustments	0.13	(0.30)
Total	792.79	378.77
Adjustment for current tax of prior periods	(17.49)	(131.48)
Total expense as per statement of profit and loss	775.30	247.29

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 43: Income tax expense (Contd.)

Footnote:

Year ended March 31, 2026

Previously, the Company has applied 25.168% for temporary differences expected to reverse post-transition to new tax regime and 34.944% for those reversing earlier to measure deferred taxes.

In view of newly introduced provisions under the Finance Act, 2026, which permit the utilization of accumulated Minimum Alternate Tax (MAT) credit up to March 31, 2026 against future tax liabilities, Company is going to adopt the concessional income tax regime as per Section 200 of the Income-tax Act, 2025 from FY 2026-27.

Consequently, all deferred tax balances expected to reverse from FY 2026-27 onwards have been remeasured at the concessional rate of 25.168%. This remeasurement has resulted in a net reversal of deferred tax liabilities amounting to ₹ 81.92 Crore, which has been recognized in the statement of profit and loss for the current year.

Year ended March 31, 2025

During the previous year, the Company had received Income tax refunds (including interest income) of ₹ 427 Crore pertaining to earlier years on account of various favourable tax orders and as a result of which its accumulated minimum alternative tax (MAT) credit balance as per book has utilised substantially. The Management has made an assessment of the amount of taxable income that would be available in future to offset the accumulated MAT credit entitlement available to the Company in the foreseeable future.

In view of the same, the management has carried out detailed assessment of deferred tax on temporary differences that are expected to reverse during the period in which the Company would be under the new tax regime and accordingly applied the new income tax rate of 25.168% as compared to the existing income tax rate of 34.944% for measuring the said deferred tax in accordance with the requirements of Ind AS 12 - 'Income Taxes'. This has resulted in reversal of deferred tax liabilities by ₹ 637.09 Crore during the previous year.

(c) Income tax recognised in other comprehensive income

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Other Comprehensive Income		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(10.71)	1.68
Effective portion on gains / (losses) on hedging instruments in cash flow hedge (Items that will be reclassified to profit or loss)	69.41	3.75
Income tax expense / (income) recognised in other comprehensive income		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(2.70)	0.58
Effective portion on gains / (losses) on hedging instruments in cash flow hedge (Items that will be reclassified to profit or loss)	17.10	1.31

(d) Deferred tax balances

(1) The following is the analysis of deferred tax assets / (liabilities) presented in the balance sheet

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Deferred tax assets	699.30	874.57
Deferred tax liabilities	(1,896.72)	(1,852.92)
	(1,197.42)	(978.35)

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 43: Income tax expense (Contd.)

(2) Movement of deferred tax assets / (liabilities)

Deferred tax assets / (liabilities) in relation to the year ended March 31, 2026

	₹ in Crore

	(885.07)	292.77	71.60	(455.76)	(1.89)	(978.35)

(3) Unrecognised deferred tax assets

There is no MAT credit which is unrecognised as at March 31, 2026 and March 31, 2025.

Management has made an assessment of the amount of taxable income that would be available in future to offset the Accumulated MAT credit entitlement available to the Company.

The assessment of taxable income involved several key assumptions including expected demand, future price of fuel, expected tariff rate for electricity, exchange rate and electricity market scenario, which the management considered reasonable based on past trends, applicable tariff regulations / agreements and current and likely future state of the industry.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 44: Revenue from Contracts with Customers

(a) Unbilled revenue

- (1) Revenue from Power Supply also includes unbilled revenue towards FPPPA claims and other true up adjustments which is recognised considering applicable tariff regulations / tariff orders, past trends of approval and management's probability estimate.

The Company has not recognized those true up adjustment claims which are subject of dispute and for which the Company is in appeal with regulatory authorities. These are recognised on receipt of final orders of respective regulatory authorities.

(2) Movement in unbilled revenue

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Opening balance	3,298.44	3,187.71
Add: Income accrued during the year as per tariff regulations / orders	4,492.54	5,061.45
Less: Amount billed during the year to the consumers as per tariff orders	(5,086.63)	(4,950.72)
Closing balance	2,704.35	3,298.44
Disclosed under		
Unbilled revenue [Refer note 22]	2,737.90	3,331.99
Sundry payables	(33.55)	(33.55)
	2,704.35	3,298.44

Footnote:

- 1 The Gujarat Electricity Regulatory Commission (GERC) while carrying out tariff true up order for FY 2018-19, FY 2023-24 and FY 2024-25 for Company's license distribution business, has erroneously considered accrued revenue of ₹ 933.67 Crore (Previous year ₹ 1,596.00 Crore) as realized revenue. The Company has filed review petitions / appeals before GERC / APTEL (Appellate Tribunal for Electricity) for FY 2018-19 and FY 2023-24 which are pending for disposal. The Company is in process of filing the review petitions with GERC for FY 2024-25. The management of the Company believes it has a strong case and does not expect any significant reversal of revenue.

(b) Contribution received from consumers

(1) Nature of contribution received from consumers

Contributions received from consumers towards property, plant and equipment has been recognised as deferred revenue over its useful life.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 44: Revenue from Contracts with Customers (Contd.)

(2) Movement of contribution received from consumers

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Opening balance	1,599.30	1,475.68
Add: Contribution received during the year	194.88	235.05

Disputed service tax matters	0.49	0.49
Disputed custom duty matters	18.50	18.50
Disputed stamp duty matters	36.37	36.37
Disputed value added tax matters	2.94	2.94
Disputed Goods and Services Tax matter (Including ₹ 189.42 Crore for current year ended March 31, 2026 #)	214.44	32.60
Other Claims [Refer footnote 3]	166.64	151.53

The Company has evaluated the impact of Supreme Court ("SC") judgement dated February 28, 2019 in the case of Regional Provident Fund Commissioner (II) West Bengal v/s Vivekananda Vidyamandir and Others, in relation to exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to Provident Fund ("PF") under the Employees' Provident Fund & Miscellaneous Provisions Act, 1952. There are interpretation issues relating to the said SC judgement. Based on such evaluation, management has concluded that effect of the aforesaid judgement on the Company is not material and accordingly, no provision has been made in the Standalone financial statements.

The Company has received demand order dated March 27, 2026 from Office of Additional Commissioner, Agra-Lucknow, CBIC (Central Board of Indirect Taxes and Customs) demanding ₹ 189.42 Crore (including penalty of ₹ 94.71 Crores) under Goods and Services Tax (GST) for the period from April 2019 to September 2024 in relation to GST on rent on electricity distribution transformers and on incidental and ancillary services.

In relation to GST on rent on the said transformers, based on accounting carried out by Agra Nagar Nigam (ANN) for rent receivable on transformers from the Company, demand has been raised by the department, however no invoices has been raised by ANN on the Company. Subsequently Company has received letter dated March 31, 2026 issued by Under Secretary, UP government to ANN confirming that rent shall not be applicable on transformers installed by the Company for the electricity distribution. In response to this, Company has received letter dated May 04, 2026 issued by ANN to Under Secretary, UP Government stating that they are in process of reversing the rent receivable from the Company.

In relation to GST on incidental and ancillary services, no tax is leviable on incidental and ancillary services in course of transmission and distribution of electricity by the Company as clarified vide Notification No. 08/2024-Integrated Tax (Rate) dated October 08, 2024 read with Circular No. 236/30/2024-GST dated October 11, 2024.

The Company has filled an application for rectification of mistake in final order under section 161 of the Central/Uttar Pradesh Goods and Services Tax Act, 2017 before the additional commissioner of CGST & CE, Agra on April 07, 2026. In view of this, no provision for GST liability has been made by the Company.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 45: Contingent liabilities and capital commitments (Contd.)

Footnotes:

- 1 Management believes that its position on the aforesaid direct and indirect tax demands and other claims against the company will likely be upheld in the appellate process and accordingly no provision has been made in the standalone financial statements for such demands.
- 2 In respect of the above, the expected outflow will be determined at the time of final resolution of the dispute / matters.

No reimbursement is expected.

- 3 Break up of other claims as under:

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Claim of regulatory surcharge including interest in franchise distribution business	111.84	103.25
Demand including interest for Tariff Indexation for excess energy withdrawn in franchise distribution business	37.03	31.05
Others	17.77	17.23
	166.64	151.53

(2) Guarantees given

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
(a) Guarantee given to lender of subsidiary company including interest thereon*	4,830.00	4,506.00
(b) Guarantees given in favour of the debenture trustee for NCD issued by subsidiary companies including interest thereon***	-	605.40
(c) Guarantee given in favour of trustee for loan taken by subsidiary companies including interest thereon**	9,936.54	480.08
(d) Utilisation of non-fund based limit of the Company by related parties	2,064.53	1,293.89

* Balance as at March 31, 2026 was ₹ 2,649.30 Crore (March 31, 2025 - ₹ 1,188.42 Crore).

** Balance as at March 31, 2026 was ₹ 1,532.03 Crore (March 31, 2025 - ₹ 318.51 Crore).

*** Balance as at March 31, 2026 was Nil (March 31, 2025 - ₹ 205.40 Crore).

Footnote:

- 1 The guarantees given to lenders of subsidiaries are unlikely to be called, as subsidiaries are in a position to service the loans and interest, covered by such guarantees.

Note 48: Leases

This note provides information for leases where the Company is a lessee.

(i) Amounts recognised in balance sheet

The balance sheet shows the following amounts relating to leases:

Right-of-use assets

	Notes	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)			
Land	5	179.85	167.38
Buildings	5	14.31	19.09
Plant and machinery	5	0.03	0.08
Total		194.19	186.55

Lease liabilities

	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)		
Current	6.99	6.62
Non-current	19.08	25.54
Total	26.07	32.16

(ii) Amounts recognised in the statement of profit and loss

The statement of profit or loss shows the following amounts relating to leases:

	Notes	Year ended March 31, 2026	Year ended March 31, 2025
(₹ in Crore)			
Depreciation charge of right-of-use assets	40	11.30	12.10
Interest expense (included in finance costs)	39	2.40	2.88
Expense relating to short-term leases (included in other expenses)	41	0.66	1.94
Expense relating to leases of low-value assets that are not shown above as short-term leases (included in other expenses)	41	0.81	1.30
Total		15.17	18.22

(iii) Maturities of lease liabilities

As at March 31, 2026:

	Non-current lease liabilities	Current lease liabilities
(₹ in Crore)		
Less than 1 year	-	8.37
Between 1 year and 5 years	18.38	-
5 years and above	4.84	-
Total	23.22	8.37

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 48: Leases (Contd.)

As at March 31, 2025:

	(₹ in Crore)	
	Non-current lease liabilities	Current lease liabilities
Less than 1 year	-	8.56
Between 1 year and 5 years	25.55	-
5 years and above	7.04	-
Total	32.59	8.56

(iv) The total cash outflow for leases:

	Notes	(₹ in Crore)	
		Year ended March 31, 2026	Year ended March 31, 2025
Principal elements of lease payments (disclosed in Cash flow statement)		8.58	8.42
Expense relating to short-term leases (included in other expenses)	41	0.66	1.94
Expense relating to leases of low-value assets that are not shown above as short-term leases (included in other expenses)	41	0.81	1.30
Total		10.05	11.66

(v) Lease asset of Shil, Mumbra and Kalwa (franchise area)

The Company has entered into a Distribution Franchise Agreement ("Agreement") dated February 11, 2019 with Maharashtra State Electricity Distribution Company Limited ("MSEDCL") whereby as per the Agreement the Company would distribute the electricity in the area of Shil, Mumbra and Kalwa in Thane District in Maharashtra ("Franchise area") for 20 years (effective from March 01, 2020).

As per the Agreement, the Company would purchase electricity from MSEDCL at the rate which would be derived through mechanism as mentioned in the Agreement which is linked to the number of units purchased and would distribute electricity to the Consumers at the tariff which has been approved by Maharashtra Electricity Regulation Commission (MERC).

Further as per the Agreement, the Company has right to use existing assets of MSEDCL in the Franchise area provided it shall perform all the obligations and accepts all liabilities of MSEDCL on behalf of distribution licensee in Franchise area and MSEDCL shall not charge any rent for the use of such assets.

Considering the facts of the arrangement, the Company has the right to obtain substantially all of the economic benefits from use of MSEDCL assets of the Franchise area and the right to direct the use of the said assets for 20 years and accordingly it would meet the definition of Lease as per Ind AS 116. Further, for distribution of electricity, the Company would purchase power from MSEDCL for which payment would be made as per the franchise agreement which is linked to the number of units purchased. Accordingly the payments by the Company to MSEDCL is variable in nature and there are no fixed payments in the form of minimum purchase commitments, take or pay or any sort of fixed charges is required to be made.

Considering the entire payment made by the Company for this arrangement is variable in nature and there would be no lease liability required to be recognised with a corresponding right of use assets on initial recognition in accordance with Ind AS 116 and considering non-availability of relevant observable information for lease payments, management estimates and cost benefit analysis, total consideration payable to MSEDCL towards purchase of electricity has been shown as 'Electrical energy purchased' in the Financial Statements.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 49: Employee benefits plan

49.1 Defined contribution plan

The Company has defined contribution retirement benefit plans for its employees.

The Company's contributions to provident fund, pension scheme and employee state insurance scheme are made to the relevant government authorities as per the prescribed rules and regulations. The Company's superannuation scheme for qualifying employees is administered through its various superannuation trust funds. The Company's contributions to the above defined contribution plans are recognised as employee benefit expenses in the statement of profit and loss for the year in which they are due. The Company has no further obligation in respect of such plans beyond the contributions made.

The Company's contribution to provident, pension, superannuation funds and to employees state insurance scheme aggregating to ₹ 50.12 Crore (Previous year - ₹ 49.47 Crore) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 38].

49.2 Defined benefit plans

(a) Gratuity

The Company operates through various gratuity trust, a plan, covering all its employees. The benefit payable is the greater of the amount calculated as per the New Labour codes / Payment of Gratuity Act, 1972 or the Company scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the tenure of employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Company. In case of death while in service, the gratuity is payable irrespective of vesting.

The Company makes annual contribution to the gratuity schemes administered by the Life Insurance Corporation of India through its various Gratuity Trust Funds. The liability in respect of plan is determined on the basis of an actuarial valuation. [Refer note 49.4].

(b) Risk exposure to defined benefit plans

The plans typically expose the Company to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below:

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 49: Employee benefits plan (Contd.)

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out at March 31, 2026. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) Significant assumptions

The principal assumptions used for the purpose of the actuarial valuation were as follows:

	As at March 31, 2026	As at March 31, 2025
Discount rate (p.a.)	7.27%	7.02%
Salary escalation rate (p.a.)	8.50%	8.50%

(d) The amount included in the balance sheet arising from the Company's obligation in respect of its defined benefit plans is as follows:

Balances of defined benefit plan

	As at March 31, 2026	As at March 31, 2025
Present value of funded defined benefit obligation	320.07	298.57
Fair value of plan assets	298.91	286.59
Net (asset) / liability [Refer note 34]	21.16	11.98

(₹ in Crore)

(e) Expenses recognised for defined benefit plan and movement of plan assets and liabilities

Following are the amounts recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets:

	Funded plan- Gratuity	
	As at March 31, 2026	As at March 31, 2025
(1) Movements in the present value of the defined benefit obligation:		
Obligation at the beginning of the year	298.57	288.69
Current service cost	20.63	19.09
Interest cost	20.96	20.99
Actuarial (gains) / losses - changes in demographic assumptions	-	(3.07)
Actuarial (gains) / losses arising from changes in financial assumptions	(7.77)	6.93
Actuarial (gains) / losses from experience adjustments	19.72	(3.25)

(₹ in Crore)

	As at March 31, 2026	As at March 31, 2025
Liability transferred in	1.20	1.19
Liability transferred out	(4.09)	(1.40)
Benefits paid directly by employer	(7.92)	(6.67)
Benefits paid	(21.23)	(23.93)
Obligation at the end of the year	320.07	298.57
(2) Movements in the fair value of the plan assets:		
Plan assets at the beginning of the year, at fair value	286.59	263.93
Transfer pursuant to scheme of arrangement	-	(0.07)
Interest income	20.12	19.18
Return on plan assets (excluding interest income)	1.24	2.29
Contributions received	12.19	25.19
Benefits paid	(21.23)	(23.93)
Plan assets at the end of the year, at fair value	298.91	286.59
(3) Gratuity cost recognized in the statement of profit and loss		
Current service cost	20.63	19.09
Interest cost, net	0.84	1.81
Net gratuity cost recognized in the statement of profit and loss [Refer note 38]	21.47	20.90
(4) Gratuity cost recognized in the other comprehensive income (OCI)		
Return on plan assets (excluding interest income)	(1.24)	(2.29)
Actuarial (gains) / losses	11.95	0.61
Net (income) / expense for the period recognized in OCI	10.71	(1.68)

(f) Category wise plan assets

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India, who has invested the funds substantially in the government securities.

(g) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis given below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Change in assumptions

(₹ in Crore)

	As at March 31, 2026	As at March 31, 2025
Increase / (decrease) in defined benefit obligation of gratuity		
50 basis points increase in discount rate	(14.60)	(13.58)
50 basis points decrease in discount rate	15.81	14.73
50 basis points increase in salary escalation rate	15.55	14.46
50 basis points decrease in salary escalation rate	(14.51)	(13.46)

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 49: Employee benefits plan (Contd.)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

- (h) The weighted average duration of the gratuity plan based on average future service is 16 years (Previous year - 16 years).
- (i) Expected contribution to the plan for the next annual reporting period is ₹ 21.16 Crore (Previous year - ₹ 11.98 Crore).

(j) Cash flow projection from the fund

Projected benefits payable in future years from the date of reporting

	(₹ in Crore)	
	Funded Plan - Gratuity	
	As at March 31, 2026	As at March 31, 2025
1 st following year	23.56	27.46
2 nd following year	15.77	14.29
3 rd following year	23.08	22.71
4 th following year	25.79	20.95
5 th following year	26.37	23.19
sum of years 6 th to 10 th	117.48	109.96
more than 10 years	537.25	479.77

49.3 Other long-term employee benefit obligations

The leave obligation covers the Company's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement or resignation; at the rate of daily last drawn salary, multiplied by leave days accumulated as at the end of relevant period. Refer notes 34 and 38 for the leave encashment provision / charge in the balance sheet and statement of profit and loss.

49.4 Labour code

The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour codes viz the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the 'Codes'). The Codes have been made effective from November 21, 2025. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations.

The incremental impact of these changes, assessed by the Company, on the basis of the information available, consistent with the guidance provided by the Institute of Chartered Accountants of India, is not material in the standalone financial statements of the Company for the year ended March 31, 2026. Once Central / State Rules are notified by the Government on all aspects of the Codes, the Company will evaluate impact, if any, on the measurement of employee benefits and would provide appropriate accounting treatment.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 50: Auditors remuneration (including taxes)

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Fees for statutory audit services	0.95	0.83
Fees for limited review services	0.68	0.62
Fees for other services #	0.50	0.74
Out of pocket expenses	0.17	0.19
	2.30	2.38

Excluding ₹ 1.34 Crore fees in relation to QIP has been accounted for as reduction from equity under securities premium during previous year.

Note 51: Corporate Social Responsibility (CSR) expenditure

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
(a) Amount required to be spent by the company during the year [including shortfall of ₹ 12.48 Crore (March 31, 2025: ₹ 17.82 Crore) and earnings of ₹ 1.47 Crore (March 31, 2025: ₹ 1.47 Crore)]	67.95	67.12
(b) Amount spent during the year on		
(i) Construction / acquisition of any asset	5.21	3.44
(ii) On purposes other than (i) above	47.59	51.20
(c) Shortfall / Unspent at the end of the year	15.15	12.48
(d) Total of previous years shortfall / Unspent (Refer footnote below)	-	-
(e) Reason for shortfall / Unspent	Ongoing project	Ongoing project
(f) Nature of CSR activities	1) Pediatric health care activity. 2) Development and maintenance of public parks. 3) Equestrian training facilities.	1) Pediatric health care activity. 2) Development and maintenance of public parks. 3) Education for urban and rural slum children. 4) Equestrian training facilities. 5) Ecological Upgradation of Palitana Hills 6) Plastic Waste Management
(g) Contribution to section 8 related companies, included in (b) above, in relation to CSR expenditure UNM Foundation	51.34	46.68
	51.34	46.68

Footnote:

Unspent amount has been transferred to special bank accounts u/s 135 (6) of the Companies Act, 2013

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 52: Donations to political parties / trusts

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Prudent Electoral Trust	83.00	65.00
	83.00	65.00

Note 53: Earnings per share

	Year ended March 31, 2026	Year ended March 31, 2025
Basic earnings per share (₹)	51.10	58.41
Diluted earnings per share (₹)	51.10	58.41

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:

	Year ended March 31, 2026	Year ended March 31, 2025
Profit for the year (₹ in Crore)	2,575.11	2,851.01
Weighted average number of equity shares	50,39,03,543	48,80,81,307
Nominal value of shares (₹)	10	10

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

Note 54: Operating segments

The chief operating decision maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Generation, Renewables, Transmission and Distribution of Power". In accordance with Ind AS - 108 "Operating Segments", the Company has disclosed the segment information in the Consolidated financial statements and therefore no separate disclosure of segment information is given in the standalone financial statement.

Note 55: Certified Emission Reduction (CERs)

	As at March 31, 2026	As at March 31, 2025
No. of CERs inventory	44,87,497	44,87,497
No. of CERs under certification	-	-

Inventories of CERs are valued at cost or market price whichever is lower.

* Balance as at March 31, 2026 was ₹ 2,649.30 Crore (March 31, 2025 - ₹ 1,188.42 Crore), for guarantee given to lender of subsidiary company including interest thereon

** Balance as at March 31, 2026 was ₹ 1,532.03 Crore (March 31, 2025 - ₹ 318.51 Crore), for guarantee given in favour of trustee for loan taken by subsidiary companies including interest thereon

The Company is a public utility, being engaged in distribution of electricity. Transactions entered with the above mentioned related party does not include sale of electricity since the tariff charged to the customers are determined by an independent rate-setting authority.

(e) Terms and conditions of outstanding balances

The transactions with related parties are made in the normal course of business.

Outstanding balances at the year-end are unsecured.

Footnote:

- Loans granted to related parties carries interest rate of 8.50% p.a. to 8.80% p.a. based on compounding frequency (Previous year 8.50% p.a.).
- Defined benefits plans for employees deputed in subsidiaries will be borne by the Company.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management

(a) Capital management

The Company manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Company's capital structure is represented by equity (comprising equity shares, retained earnings and other reserves as detailed in notes 24, 25) and debt (borrowings as detailed in note 26).

The Company's management reviews the capital structure of the Company on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Company's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1. No changes were made in the objectives, policies or process for managing its capital during the year ended March 31, 2026 and March 31, 2025. The Company reviews its Dividend policy from time to time.

Gearing ratio

The gearing ratio at end of the reporting period is as follows:

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Debt	12,486.99	7,875.62
Total equity	20,252.77	18,425.22
Debt to equity ratio	0.62	0.43

Footnotes:

- Debt is defined as all long term debt outstanding [including unamortised expense (net of premium)] + contingent liability pertaining to corporate / financial guarantee given (to the extent utilised) + short term debt outstanding in lieu of long term debt.
- Total equity is defined as equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development

Loan Covenants

The company has complied with financial covenants specified as per the terms of borrowing facilities.

(b) Categories of financial instruments

Other than equity investments in subsidiaries and investment in perpetual debt instruments of subsidiaries, accounted at cost in accordance with Ind As 27 - 'Separate Financial Statements'

Footnotes:

- The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other financial assets and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- Non current loan carries the interest rates that are variable in nature and hence carrying value is considered as same as fair value.

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1: Inputs are Quoted (unadjusted) market prices in active markets for identical assets or liabilities. This includes investments in mutual funds that have quoted price.
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. This includes unquoted floating and fixed rate borrowing and Investment property.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. This includes unquoted equity shares, loans, security deposits, investments in perpetual debt, floating rate borrowings.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required):

(1) Financial assets at fair value through profit and loss (FVTPL)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Investment in mutual fund units	1,057.51	739.03	Level 1	Quoted bid prices in an active market

(2) Financial assets at fair value through Other Comprehensive Income (FVTOCI)

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Derivative financial assets	73.16	3.75	Level 2	Inputs other than quoted prices that are observable based on Dated Brent

(3) Financial liabilities at amortised cost

(₹ in Crore)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Fixed rate borrowings (Non-convertible debentures)	4,743.28	3,374.10	Level 2	Inputs other than quoted prices that are observable based on yields provided by 'The Fixed Income Money Market and Derivatives Association of India' (FIMMDA)

(d) Financial risk management objectives

The Company's principal financial liabilities comprise borrowings, employee payables, security deposits from consumers, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and projects capital expenditure. The Company's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks viz foreign currency risk, commodity price risk, interest rate risk, credit risk, liquidity risk etc. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Company.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

Foreign currency risk

The Company is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EURO. Foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Company's exposure with regards to foreign currency risk which are not hedged are given below.

Unhedged foreign currency exposures:

		(₹ in Crore)	
Nature of transactions	Currency	As at March 31, 2026	As at March 31, 2025
Financial liabilities			
Trade payable	EURO	496.23	423.26
Trade payable	USD	-	0.09

Foreign currency sensitivity analysis

The following tables demonstrate the sensitivity to a reasonably possible change in EURO exchange rates, with all other variables held constant.

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Impact on Profit before Tax - Rupee depreciate by ₹ 1 against EURO	(4.55)	(4.58)
Impact on Profit before Tax - Rupee appreciate by ₹ 1 against EURO	4.55	4.58

Commodity price risk

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

The Company purchases natural gas for use in Power Generation at its gas based power plants and for trading. The pricing of natural gas can be fixed or linked to international benchmark such as Dated Brent. The extant tariff regulations do not permit the cost of hedging such exposure as a cost to be passed through to the long term off-takers / beneficiaries. As a result, the Company does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the long term off-takers / consumers, because of which such commodity price exposure is not likely to have a material financial impact on the Company.

Derivatives

The Company uses derivative financial instruments such as commodity price swaps contract, foreign exchange forwards to hedge its risks associated with price risk movements. Risks associated with fluctuation in the price of the natural gas are minimized by undertaking appropriate derivative instruments. The fair values of all such derivative financial instruments are recognized as assets or liabilities at the balance sheet date.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

Cashflow hedge that qualify for hedge accounting

The future purchases of natural gas for trading are subject to market price risk, which the company hedges using suitable hedging strategy as per approved Commodity Price Risk Management Policy with critical terms matching the terms of the forecast purchase.

Brent crude oil is a separately identifiable component of the forecast purchase because it is explicitly specified in the supply contract price. As there is a market for Brent crude oil price swaps, the exposure is considered to be reliably measurable. Accordingly, the Brent crude oil price swaps are designated as cash flow hedges of the forecast purchases of fuel. Historically, the Brent crude oil component has accounted for 82% to 85% of the cost of fuel supplied.

Particulars	As at March 31, 2026			As at March 31, 2025			Line item affected in statement of profit and loss because of the reclassification
	Change in the value of the hedging instrument recognised in other comprehensive income	Hedge ineffectiveness recognised in profit or loss	Amount reclassified from cash flow hedge reserve to profit or loss	Change in the value of the hedging instrument recognised in other comprehensive income	Hedge ineffectiveness recognised in profit or loss	Amount reclassified from cash flow hedge reserve to profit or loss	
Commodity Price Swap Contracts (floating to fixed)	68.89	0.79	(0.52)	7.62	0.10	3.87	Purchase of Stock - in trade

Hedge Ineffectiveness

Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and the hedging instrument.

For hedges of commodity price risk, the company enters into hedge relationships where the critical terms of the hedging instrument match exactly with the terms of the hedged item. The company therefore performs a qualitative assessment of effectiveness. If changes in circumstances affect the terms of the hedged item such that the critical terms no longer match exactly with the critical terms of the hedging instrument, the company uses the hypothetical derivative method to assess effectiveness.

The Company enters into commodity Price swaps that have similar critical terms as the hedged item, such as benchmark rate, payment dates, maturities and notional amount. The company does not hedge 100% of its forecast transactions, and so the hedged item is identified as a proportion of the forecast transactions up to the notional amount of the swaps. Since all critical terms matched during the year, there is economic relationship between hedging instrument and hedged item.

The Company uses hypothetical derivative method to assess effectiveness based on "lower off" assessment. It compares the change in the fair value or cash flows of the hedging instrument with the change in the fair value or cash flows of a hypothetical derivative that models the hedged risk. Sources of Hedge ineffectiveness for commodity price risk are Critical terms mismatch, Credit Risk adjustment.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

(c) The movement of cash flow hedges in other comprehensive income is as follows:

(₹ in Crore)

	Year ended March 31, 2026	Year ended March 31, 2025
Balance at the beginning of the year	2.44	-
(Gains)/Losses reclassified to profit or loss	0.52	(3.87)
Deferred tax on (gains)/losses reclassified to profit or loss	(0.18)	1.35
Change in the fair value of effective portion of cash flow hedges	68.89	7.62
Deferred tax on change in the fair value of effective portion of cash flow hedges	(16.92)	(2.66)
Balance at the end of the year	54.75	2.44

During the year, ineffective portion of cash flow hedges recognised in the statement of profit and loss is ₹ 0.79 Crore (Previous year - ₹ 0.10 Crore)

(d) Maturity profile of nominal value based on the remaining period as at the Balance Sheet date:

(₹ in Crore)

Product	Nature of Derivative contracts	31-Mar-26		31-Mar-25	
		Within 1 Year	More than 1 year	Within 1 Year	More than 1 year
Dated Brent crude Oil	Swap (floating to fixed)	459.06	281.98	92.97	-

Derivatives that are not designated as hedges:

Total					-

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

Interest rate risk

The Company's borrowings are on fixed and floating rate of interest. The Company has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Fixed rate borrowings [^]	4,735.00	3,516.53
Floating rate borrowings [^]	3,570.66	2,846.76
	8,305.66	6,363.29

[^] Transactions cost reduced from the borrowing is excluded.

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit before tax.

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Impact on profit before tax - increase in 50 basis points	(17.85)	(14.23)
Impact on profit before tax - decrease in 50 basis points	17.85	14.23

Credit risk

Trade receivables:

- (1) Exposures to credit risk

The Company is exposed to the counterparty credit risk arising from the possibility that counterparties might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts.

- (2) Credit risk management

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Company has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended March 31, 2026 and March 31, 2025. The Company is dependent on the domestic market for its business and revenues.

The Company's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Company generally has letter of credits / bank guarantees to limit its credit exposure.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

(3) Other credit enhancements

The Company collects the security deposits in the form of Cash or Bank guarantee, considering the relevant electricity regulations under the relevant geographical area to cover its credit risks associated with its trade receivables.

(4) Age of receivables and expected credit loss

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables. The expected credit loss allowance is based on ageing of the days the receivables are due. Trade receivable balances mainly comprise of outstanding from consumers wherein the credit period provided to such consumers is less than 30 days. Based on the historical trend the same is collected well within the credit period.

The Company segments the receivables for the purpose of determining historical loss rate based on shared risk characteristics i.e. Government Consumers / Non Government consumers, Status of Consumers i.e. Live consumers / Disconnected consumers and Security deposits provided by the Consumer. Considering the nature of the business, the historical loss rate is not significant.

The ageing of receivables and allowance for doubtful debt at the end of the reporting period is as follows:

As at March 31, 2026

	(₹ in Crore)	
	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,706.83	34.29
More than 6 months but less than or equal to 1 year	26.12	11.83
More than one year	90.18	59.29
	1,823.13	105.41

As at March 31, 2025

	(₹ in Crore)	
	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	1,648.12	29.09
More than 6 months but less than or equal to 1 year	32.78	18.01
More than one year	181.52	124.74
	1,862.42	171.84

(5) Movement in the expected credit loss allowance

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Opening balance	171.84	189.31
Movement in expected credit loss allowance on trade receivable, net [Refer note 41]	(66.43)	(17.47)
Closing balance [Refer note 18]	105.41	171.84

The concentration of credit risk is very limited due to the fact that the large customers are mainly government entities and remaining customer base is large and widely dispersed and secured with security deposit.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 57: Financial Instruments and Risk Management (Contd.)

Other financial assets/instruments:

The Company is having balances in cash and cash equivalents, term deposits with banks, Loans to subsidiaries, investments in government securities and investment in mutual funds. The Company is having balances in cash and cash equivalents, term deposits with scheduled banks with high credit rating and hence perceive low credit risk of default. With respect to investments, the Company limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Company's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Company therefore considers credit risks on such investments to be negligible. The credit loss from Loans receivable from related parties and financial guarantees is considered immaterial. The recoverable amount of unbilled revenue (including revenue gap/surplus) perceives low credit risk of default considering applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval.

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

Maturities of financial liabilities:

The Company's remaining contractual maturity for its financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at March 31, 2026

	(₹ in Crore)			
	Less than 1 year	Between 1 year and 5 years	5 years and above	Total
Financial liabilities

^ Transactions cost reduced from the borrowing is excluded.

The amount included in Note 45(A)(2)(a) to (d) for financial guarantee contracts are the maximum amounts the Company could be forced to settle under respective arrangements for the full guaranteed amount if that amount is claimed by the counterparty to the guarantee. Based on expectations at the end of the reporting period, the Company considers that it is more likely than not that such amount will not be payable under the arrangement.

Note 58: Provision for onerous contracts

The Company has a outstanding provision of ₹ 24.98 Crore as at March 31, 2026 (March 31, 2025 - ₹ 24.98 Crore) in respect of certain onerous contracts towards potential damages and other project related costs, arising from expected delays or failure to set up certain wind power generation capacities, awarded to the Company in a prior period under a competitive bidding process. During the previous year, the Company had received claim of ₹ 30.73 Crore against outstanding provision of ₹ 24.98 Crore. Accordingly ₹ 5.75 Crore has been shown as 'Other claims' [Refer Note 45]. The Company has filed a petition before CERC and the expected outflow of the outstanding provision will be determined at the time of resolution of the matter.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 59: Government grant

(a) Nature of government grant

Ministry of Power, Government of India (GoI), had introduced the Accelerated Power Development & Reforms Programme (APDRP) to achieve reduction in Aggregate Technical & Commercial losses, to strengthen the Transmission & Distribution network and to ensure reliable and quality power supply with adequate consumer satisfaction. The projects approved for financing under the programme are eligible for a grant and soft loan each equivalent to 25% of the project cost from the GoI. The Balance 50% was required to be funded by the Company. There are no unfulfilled conditions or other contingencies attached to these grants.

(b) Movement of government grant

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Opening balance	11.76	12.72
Less: Amortisation of grant transferred to statement of profit and loss [Refer note 36]	(0.93)	(0.96)

Non-current portion [Refer note 29]	9.96	10.83
Current portion [Refer note 33]	0.87	0.93
	10.83	11.76

Note 60: Scheme of Arrangement

During the previous year the National Company Law Tribunal (NCLT) vide its Order dated January 27, 2025, subsequently modified vide order dated February 18, 2025 (received on March 07, 2025), has sanctioned the Scheme of Arrangement ("Scheme") for transfer and vesting of "the Renewable Power Undertakings" (RPU) (comprises of 316.60 MW of solar and wind power) of the Company to Torrent Green Energy Private Limited (TGEPL), a wholly owned subsidiary (incorporated w.e.f. August 02, 2023) of the Company, on a going concern basis by way of slump sale with effect from the appointed date i.e. April 01, 2024 under sections 230 to 232 and other applicable provisions of the Companies Act, 2013. The certified copy of the said order has been filed with Registrar of Companies on April 01, 2025 ("Effective Date") and the Scheme is legally effective from April 01, 2024 ("Appointed Date"). Accordingly, the effect of the Scheme has been given in the financial statements for the year ended March 31, 2025 with effect from the Appointed Date instead of Effective date, the date on which the control is transferred by Company, as required under Ind AS 110. Further as per Guidance note issued by Institute of Chartered Accountants of India (ICAI), where a law requires a different treatment, accounting standards are considered to be overruled to that extent.

The RPU has been transferred under the Scheme for a lump sum consideration of ₹ 880.12 Crore based on the report of independent valuer, adjusted for working capital adjustments as per the Scheme. There is no gain on such transfer as per said scheme.

(a) Gain on account of Scheme of Arrangement

	(₹ in Crore)
Cash consideration receivable #	880.12
Net assets transferred	880.12
Gain on account of Scheme of Arrangement	-

Outstanding as at March 31, 2025 was ₹ 694.05 Crore which was received during the year.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 68: Registration of charges

There are no charges or satisfactions which are yet to be registered with the Registrar of Companies beyond the statutory period for year ended March 31, 2026 and March 31, 2025.

Note 69: Audit Trail in Accounting Software

The Company has been using SAP ERP as a book of accounts. SAP audit logging has been enabled from the beginning of the year and captures all the changes made in the audit log as per SAP note no 3042258 version 7 dated March 06, 2024.

Due to standard database functionality of HANA DB, while changes made are logged in the database, it does not capture "old value" of changes made upto March 02, 2026. The Management has deployed a specific program on March 03, 2026 to meet the requirement and now the system enhancement captures "Old value" of changes made. In addition, as a part of privileged access management (PAM), Company has implemented ARCON make PAM suite. This PAM system provides access based on workflow-based need/approval along with the video recording of all activities carried out by privileged user. This is a secondary control implemented to mitigate the risk associated with Privileged users.

Note 70: Bhiwandi Area Franchise Agreement

Application for renewal of the Bhiwandi Distribution Franchisee Agreement, which is expiring in January 2027, has been submitted to Maharashtra State Electricity Distribution Company Limited (MSEDCL) and it is under review at MSEDCL. Accordingly, no adjustments are required to be made in the standalone financial statement for year ended March 31, 2026.

Note 71: Refund of Income taxes

During the previous year, the Company had received the Income tax refunds (including interest) of ₹ 71.28 Crore, ₹ 200.83 Crore and ₹ 146.93 Crore pertaining to FY 2011-12, FY 2019-20 and FY 2021-22 respectively. In accordance with the Gujarat Electricity Regulatory Commission (Multi-Year Tariff) Regulations, 2016 (the 'Tariff regulations') with respect to claim on Tax on Income, the Company had recovered from the consumers pro-rate income tax based on profit of regulatory generating and distribution units (namely Ahmedabad Generation, Ahmedabad Distribution, Surat Distribution and Dahej Distribution) calculated based on the actual income taxes paid in the respective financial year.

The management of the Company has calculated the refund of income tax received, required to be passed on to the consumers considering the revised profit before taxes i.e., after taking adjustment pertaining to the matter for which the refunds have been received amounting to ₹ 38.47 Crore, which have been recorded into the books of accounts of the Company for the year ending March 31, 2025.

Note 72: Electricity Distribution (Accounts and Additional Disclosure) Rules, 2025

The Ministry of Power notified Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024 ('the Rules') in pursuance of Section 176(1) and 176(2)(z) of the Electricity Act, 2003 read with second proviso to Section 129 (1) of the Companies Act, 2013, which were applicable to Distribution Licensees and effective from the date of notification in the Official Gazette i.e. October 24, 2024. The impact of the said circular on the financial statement for the year ended March 31, 2025 was not material. Further, as per proviso to rule 6(2) of the said Rules, the Company had published the Additional Disclosure Statements in Integrated Annual Report FY 2024-25, as permitted during the first year of implementation.

Subsequently, on September 25, 2025, the Ministry of Power has notified the Electricity Distribution (Accounts and Additional Disclosure) Rules, 2025 which are effective from April 1, 2026 and also superseded the Rules 2024. Consequently, no Additional Disclosure Statements have been made for FY 2025-26.

Notes

forming part of the standalone financial statements for the year ended March 31, 2026

Note 73: Additional regulatory information required by Schedule III

(a) Compliance with number of layers of companies

The Company is in compliance with number of layers of companies in accordance with clause 87 of Section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017 during the year ended March 31, 2026 and March 31, 2025.

(b) Details of crypto currency or virtual currency

The Company has not invested or traded in Crypto Currency or Virtual Currency during the year ended March 31, 2026 and March 31, 2025.

(c) Details of benami property held

No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder during the year ended March 31, 2026 and March 31, 2025.

(d) Wilful defaulter

The Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority during the year ended March 31, 2026 and March 31, 2025.

(e) Undisclosed income

During the year ended March 31, 2026 and March 31, 2025, the Company has not surrendered or disclosed as income any transactions not recorded in the books of accounts in the course of tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

Note 74: Approval of financial statements

The financial statements were approved for issue by the board of directors on May 12, 2026.

Independent Auditor's Report

To the Members of Torrent Power Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Torrent Power Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") [refer Note 42 to the consolidated financial statements], which comprise the Consolidated Balance Sheet as at March 31, 2026, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independent Auditor's Report

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
Impairment assessment for Power Plant located at Dahej (Refer to note 44(1) to the consolidated financial statements):	
The carrying amount of Property, Plant and Equipment ("PPE") and Right-of-use assets ("ROU") includes an amount of ₹ 1,114.62 Crore as at March 31, 2026, pertaining to 1,200 MW DGEN Mega Power Project including Transmission Line located at Dahej, India ("DGEN"). DGEN started its commercial operations from November 2014 ("COD") and thereafter has operated only intermittently, including during current financial year. As a result of the above, and given the current economic environment, management has carried out an impairment assessment of DGEN in accordance with Ind AS 36 'Impairment of Assets' and with the help of an external valuer, has measured the recoverable amount based on 'value in use' which requires estimating the discounted cash flow projections over the estimated remaining useful life of the DGEN. Such assessment involved several key assumptions including expected demand of electricity, future prices of fuel, foreign exchange rate, expected tariff rates of electricity and discount rate, which are considered by management based on past trends and current and likely future state of the industry. Based on such assessment, the value in use arrived at by the management is higher than the carrying amount of PPE and ROU pertaining to DGEN and accordingly, no additional impairment is considered necessary as at March 31, 2026. We considered this to be a key audit matter as the carrying value of DGEN at March 31, 2026 is significant to the Holding Company's balance sheet and there is significant judgement and estimation involved in the discounted cash flow (DCF) model used by the management to assess the value in use of DGEN.	Our procedures in relation to management's impairment assessment of DGEN included the following: - Assessed and tested the design and operating effectiveness of the Holding Company's controls over impairment assessment. - Perused the report issued by the external valuer engaged by the management and conducted enquiries with them to understand the assumptions considered by them. - Evaluated independence, competence, capability and objectivity of the external valuer. - Evaluated the reasonableness of cash flow projections used by the Holding Company and the key assumptions underlying the same. - With the involvement of auditor's experts, assessed the reasonableness of the assumptions considered in the discounted cash flow projections for determining value in use. - Enquired with senior management personnel, the justification for the key assumptions underlying the cashflow projections and performed sensitivity analysis on the same, within a reasonably foreseeable range. - Checked the arithmetic accuracy of the computations included in the discounted cash flow projections. - Assessed the adequacy of disclosure in the consolidated financial statements.

Independent Auditor's Report

Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Management Discussion and Analysis, Business Responsibility and Sustainability Report, Report on Corporate Governance (but does not include the consolidated financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the additional information excluding those referred above that would be included in the Integrated Report (titled as 'Torrent Power Limited Integrated Annual Report 2025-26'), which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the additional information, as mentioned above that would be included in the Integrated Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the respective companies or to cease operations, or has no realistic alternative but to do so.
8. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the respective companies.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

14. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we report that there are no qualifications or adverse remarks included in the CARO 2020 report issued by us in respect of the standalone financial statements of the Holding Company and the CARO 2020 reports issued by us in respect of the financial statements of the companies which are included in these Consolidated Financial Statements.
15. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Holding Company and sixty eight subsidiaries so far as it appears from our examination of those books, except for the matters stated in paragraph 15(h) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended). Further, in relation to three subsidiaries the back-up of the books of account and other books and papers maintained in electronic mode has not been kept on servers physically located in India.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and its subsidiaries, none of the directors of the Group companies is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 15(b) above and paragraph 15(h)(vi) below.
 - (g) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries and the operating effectiveness of such controls, refer to our separate report in Annexure A.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 47(a) to the consolidated financial statements.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts as at March 31, 2026 – Refer Note 32 to the consolidated financial statements in respect of such items as it relates to the Group. The Group was not required to recognise a provision as at March 31, 2026 under the applicable law or Indian Accounting standards for material foreseeable losses on long-term derivative contracts.
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries during the year.
 - iv. (a) The respective managements of the Holding Company and its subsidiaries whose financial statements have been audited under the Act have represented to us, to the best of their knowledge

Independent Auditor's Report

and belief, as disclosed in Note 69(f) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The respective managements of the Holding Company and its subsidiaries whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, as disclosed in the Note 69(f) to the consolidated financial statements, no funds have been received by the Holding Company or any of such subsidiaries from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

- v. The interim dividend declared and paid by the Holding Company and its subsidiaries during the year is in accordance with Section 123 of the Act to the extent it applies to declaration and payment of interim dividend. Further, as stated in Note 22 to the consolidated financial statements, the Board of Directors of the Holding Company and its subsidiaries has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi. Based on our examination, which included test checks, other than in respect of two subsidiaries which have used accounting software for maintaining books of account which did not have a feature of audit trail (edit log) facility, the Holding Company and sixty eight subsidiaries have used accounting software for maintaining books of account which have a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software except that up to March 02, 2026, audit log of modification at database level did not capture pre-modified values. Further, one subsidiary has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and that has operated for the year except March 31, 2026 for all relevant transactions recorded in the software. During the course of performing our procedures, except the aforesaid instances of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior years, has been preserved by the Holding Company and above referred subsidiaries as per the statutory requirements for record retention. (Refer note 65 to the consolidated financial statements)

16. The Group have paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 15(g) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the consolidated financial statements as of and for the year ended March 31, 2026

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to financial statements of Torrent Power Limited (hereinafter referred to as "the Holding Company") and its subsidiaries, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiaries, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Holding company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding company's internal financial controls system with reference to consolidated financial statements.

Annexure A to Independent Auditor's Report

Referred to in paragraph 15(g) of the Independent Auditor's Report of even date to the members of Torrent Power Limited on the consolidated financial statements as of and for the year ended March 31, 2026

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiaries have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Ahmedabad, May 12, 2026

Ahmedabad, May 12, 2026

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 1(a): General information

These Consolidated Financial Statements comprise of financial statements of Torrent Power Limited ("the Company") and its subsidiaries (hereinafter referred to as "the Group") for the year ended March 31, 2026.

The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, applicable in India. Its equity shares are listed on BSE Ltd. and National Stock Exchange Ltd. in India. The registered office of the Company is located at "Samanvay", 600, Tapovan, Ambawadi, Ahmedabad – 380 015.

The Group is engaged in the business of generation, renewables, transmission and distribution of Electricity. Information on the Group's structure is provided in note 42.

Note 1(b): New standards or interpretations adopted by the Group

The Ministry of Corporate Affairs vide notification dated May 07, 2025 and August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended/notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after April 01, 2025:

- i) Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants
- ii) Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements
- iii) Ind AS 12 - International Tax Reform – Pillar Two Model Rules
- iv) Ind AS 21 - Lack of Exchangeability

The above amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Note 1(c): New standards or interpretations issued but not yet effective

The Ministry of Corporate Affairs vide notification dated August 13, 2025 notified the Companies (Indian Accounting Standards) Amendment Rules, 2025 and Companies (Indian Accounting Standards) Second Amendment Rules, 2025, respectively, which amended Ind AS 1 - certain specific provisions of Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants and which are effective for annual reporting periods beginning on or after April 01, 2026:

The above amendment did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies

2.1 Basis of preparation:

Compliance with Ind AS

The financial statements are in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and rules made thereunder.

Historical cost convention

These Consolidated Financial Statements have been prepared on historical cost basis except for following which have been measured at fair value;

- Defined benefit plan assets
- Certain financial assets and liabilities (including derivative instruments) is measured at fair value

All assets and liabilities have been classified as current or non-current as per the requirements of Ind AS 1 read with Schedule III (Division II) to the Companies Act, 2013.

2.2 Principles of consolidation:

Subsidiaries

The financial statements are of the Company and its subsidiaries. Subsidiaries are all entities over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Consolidation of an entity begins when the Company obtains control over the entity and ceases when the Company loses control of the entity. Specifically, income and expenses of an entity acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control or until the date when the Company ceases to control the entity, respectively.

The Group combines the financial statements of the Parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains/losses on transactions between group companies are eliminated. Ind AS 12 "Income Taxes" applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on March 31.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated balance sheet, consolidated statement of profit and loss and consolidated statement of changes in equity respectively.

When the proportion of the equity held by non-controlling interest changes, an entity shall adjust the carrying amounts of the controlling and non-controlling interests to reflect the changes in their relative interests in the subsidiary.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.3 Business combinations and Goodwill:

Business combination - acquisition

Acquisitions of businesses are accounted for using the acquisition method. In determining whether a particular set of activities and assets is a business, the Group assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process and whether the acquired set has the ability to produce outputs. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred, liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

At the acquisition date, the Group measures non-controlling interests in the acquiree on a transaction-by-transaction basis, either at:

- (a) fair value; or
- (b) the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets.

The choice of measurement basis is made for each business combination separately.

Subsequent to the acquisition date, the carrying amount of non-controlling interests is adjusted for the non-controlling interests' share of changes in equity of the subsidiary, including their share of profit or loss and other comprehensive income. Distributions to non-controlling interests are deducted from their carrying amount.

Business combination - common control transaction

Business combinations involving entities that are controlled by the Group are accounted for using the pooling of interest method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

- The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves is preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Business combination-related costs are generally recognised in consolidated statement of profit and loss as incurred.

Goodwill

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, over the net identifiable assets acquired and liabilities assumed. After initial recognition, Goodwill is measured at cost and is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of a business include the carrying amount of goodwill relating to such business.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose.

Acquisition of an asset or a group of assets

In case of acquisition of an asset or a group of assets that does not constitute a business, the Group identifies and recognises individual identifiable assets acquired (including those assets that meet the definition of, and recognition criteria for, intangible assets under Ind AS 38, Intangible Assets) and liabilities assumed. The Purchase Consideration shall be allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction or event does not give rise to goodwill or gain on bargain purchase.

2.4 Property, plant and equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes, are stated in the consolidated balance sheet at cost less accumulated depreciation and accumulated impairment losses except that on adoption of Ind AS, property, plant and equipment had been measured at deemed cost, using the net carrying value as per previous GAAP as at April 01, 2015.

Capital work in progress in the course of construction for production, supply or administrative purposes is carried at cost, less any recognised impairment loss. Cost includes purchase price, taxes and duties, labour cost and other directly attributable costs incurred upto the date the asset is ready for its intended use. Such property, plant and equipment are classified to the appropriate categories when completed and ready for intended use. Directly attributable costs are capitalized until the asset is ready to use in accordance with the Group's accounting policy of capitalization.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Subsequent cost are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. Subsequent costs relating to day to day servicing of the item are not recognised in the carrying amount of an item of property, plant and equipment; rather, these costs are recognised in profit or loss as incurred.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Depreciation methods, estimated useful lives and residual value

Depreciation commences when the assets are ready for their intended use. Depreciation for the period is provided on additions / deductions of the assets during the year from / up to the month in which the asset is added / deducted. Depreciation on property, plant and equipment which are governed as per the provisions of Part B of Schedule II of the Companies Act, 2013 is provided on straight line basis using the depreciation rates, the methodology and residual value as notified by the respective regulatory bodies in accordance with the Electricity Act, 2003. For other property, plant and equipment in non-regulated business, depreciation is provided on a straight line basis over the estimated useful lives.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period in respect of property, plant and equipment of non-regulated business. The effect of any such change in estimate in this regard is accounted for on a prospective basis.

The range of depreciation rates of property, plant and equipment are as follows:

Class of assets	Rate of depreciation		
	Regulated business \$	Franchisee business @	Other business
Buildings	1.26% to 6.73%	3.34%	1.58% to 31.67%
Railway siding	1.80% to 5.28%	-	-
Leasehold improvement	-	6.86% to 23.08%	-
Plant and machinery	0.92% to 19.00%	5.28%	3.60% to 12.66%
Electrical fittings and apparatus	0.64% to 19.00%	6.33%	6.33% to 9.50%
Furniture and fixtures	0.91% to 15.00%	6.33%	6.33% to 9.91%
Vehicles	9.50% to 18.00%	9.50%	9.50% to 11.88%
Office equipment	0.91% to 31.67%	5.28% to 15.00%	6.33% to 19.00%

@ governed by the applicable regulations of Uttar Pradesh Electricity Regulatory Commission (UPERC) / Maharashtra Electricity Regulatory Commission (MERC) for this purpose.

\$ For assets acquired on or after April 01, 2009 in case of Regulated generation and distribution business, remaining depreciable value as on March 31 of the year closing after a period of 12 years from date on which assets are ready for their intended use, shall be spread over the balance useful life of the assets as defined in GERC / CERC Multi Year Tariff (MYT) regulations

2.5 Intangible assets:

Intangible assets acquired separately are carried at cost and acquired in a business combination are recognised separately from goodwill at their fair value at the acquisition date, in accordance with Ind AS 103 – Business Combinations, provided they are identifiable and their fair value can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over its estimated useful life.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

The range of estimated useful lives of the intangible assets are as follows:

- Computer software – 3 years
- Customer Contracts – 15 to 22 years
- Distribution License – 25 years

The estimated useful lives and amortisation method are reviewed at the end of each reporting period and the effect of any changes in such estimate is accounted for on a prospective basis.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

2.6 Impairment of assets:

Property, plant and equipment (including capital work-in-progress) and intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's fair value less costs of disposal and value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit. An impairment loss is recognised immediately in profit or loss.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.7 Borrowing costs:

Borrowing costs that are directly attributable to the acquisition and construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, such as new projects and / or specific assets created in the existing business, are capitalized up to the date of completion and ready for their intended use.

Income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are charged to the consolidated statement of profit and loss in the period of their accrual.

2.8 Cash and cash equivalents:

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents includes cash on hand, cheques / drafts on hand, current account balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the consolidated balance sheet.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.9 Inventories:

Fuel, stores and spares, loose tools, are stated at the lower of cost and net realisable value. Cost of inventories includes purchase price and all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on the weighted average basis except for inventory of Regasified Liquefied Natural Gas (RLNG) which is valued using specific identification method considering its procurement for beneficiary usage or others. Costs of purchased inventory are determined after deducting rebates and discounts.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.10 Revenue recognition:

Revenue towards satisfaction of a performance obligation is measured and recognized at transaction price, when the control of the goods or services has been transferred to consumers, net of discounts and other similar allowances.

- (i) Revenue from power supply and transmission charges is accounted for in accordance with the rates, terms and conditions laid down under the relevant Tariff Regulations / Tariff Orders notified by the Electricity Regulators / agreements entered with the customers / power exchange rates, as applicable. Revenue recognised includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff and adjustments in respect of unbilled amounts towards revenue gaps / unapproved Fuel and Power Purchase Price Adjustment (FPPPA) which are recognised considering applicable tariff regulations/ tariff orders, past trends of approval, management's probability estimate and, when no significant uncertainty exists in such determination. Revenue from power supply exclude taxes and duties.

These adjustments / accruals are carried forward as 'Unbilled revenue' under "Other current financial assets" in Note 20, which would be adjusted through future billing based on tariff determination by the regulator in accordance with the electricity regulations.

- (ii) Sales of cables and trading of RLNG are recognised, net of returns and rebates, on transfer of control of ownership to the buyer. Sales exclude Goods and Services Tax.
- (iii) Gross proceeds from sale of Certified Emission Reduction Certificates (CERs) are recognized when all the control of CERs have been passed to buyer, usually on delivery of the CERs.
- (iv) Income from Generation Based Incentive is accounted on accrual basis considering eligibility of project for availing incentive.
- (v) Contributions by consumers towards items of property, plant and equipment, which require an obligation to provide electricity connectivity to the consumers, are recognised as a credit to deferred revenue. Similarly contribution by third party towards construction of overhead transmission lines are recognized as a credit to deferred revenue. Such revenue is recognised in accordance with depreciation of such property, plant and equipment.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

(vi) Service concession arrangements (SCA):

With respect to SCA, revenue and costs are allocated between those relating to construction services and those relating to operation and maintenance services and are accounted for separately.

Consideration received or receivable is allocated by reference to the relative fair value of services delivered when the amounts are separately identifiable. The infrastructure used in a concession are classified as an intangible asset or a financial asset, depending on the nature of the payment entitlements established in the SCA. When the amount of consideration under the arrangement for the provision of public services is substantially fixed by a contract, the Group recognizes the consideration for construction services at its fair value and is disclosed as a "Service concession arrangements" under financial assets.

(a) Infrastructure is under project phase, the treatment of income is as follows:

Revenues relating to construction contracts which are entered into with government authorities for the construction of the infrastructure necessary for the provision of services are measured at the fair value of the consideration received or receivable. Revenue from service concession arrangements is recognised based on the fair value of construction work performed at the reporting date.

(b) Infrastructure is in operation, the treatment of income is as follows:

Financial asset in the form of fixed transmission charges (receivable from grantor) is measured at amortized cost and finance income over financial asset is recognized using effective interest method. Variable transmission charges revenue is recognized in the period when the service is provided.

2.11 Foreign currency translation:

Functional and presentation currency

The consolidated financial statements are prepared in Indian rupee (₹) which is functional as well as presentation currency of the Group.

Transactions and balances

In preparing the financial statements of each individual Group entity transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Foreign exchange differences arising on foreign currency borrowings are presented in the consolidated statement of profit and loss, within finance costs. All other foreign exchange differences arising on settlement of monetary items or on reporting the Group's monetary items at rates different from those at which they were initially recorded during the financial year are recognized as income or expense in the financial year in which they arise.

2.12 Employee benefits:

Defined contribution plans

Contributions to retirement benefit plans in the form of provident fund, employee state insurance scheme, pension scheme and superannuation schemes as per regulations are charged as an expense on an accrual basis when employees have rendered the service. The Group has no further payment obligations once the contributions have been paid.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Defined benefits plans

The liability or asset recognised in the consolidated balance sheet in respect of the retirement benefit plan i.e. gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated by an actuary using projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. This cost is included in the employee benefit expense in the consolidated statement of profit and loss.

Remeasurements, comprising actuarial gains and losses and the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the consolidated balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and consequently recognised in retained earnings and is not reclassified to profit or loss.

The retirement benefit recognised in the consolidated balance sheet represents the actual deficit or surplus in the Group's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The said obligations are presented as current liabilities in the consolidated balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.13 Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on estimated taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of profit and loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Advance taxes and provisions for current income taxes are offset with each other when there is a legally enforceable right to offset and balances arise with the same tax authority.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax are not recognised for temporary differences arising from investments in subsidiaries relating to undistributed earnings where the group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

2.14 Earnings per share:

Basic earnings per share is computed by dividing the profit / (loss) attributable to owners of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by adjusting the figures used in the determination of basic EPS to take into account:

- After tax effect of interest and other financing costs associated with dilutive potential equity shares.
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.15 Provisions, contingent liabilities and contingent assets:

Provisions

A provision is recognized when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Contingent liability

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise are disclosed as contingent liability and not provided for. Such liability is not disclosed if the possibility of outflow of resources is remote.

Contingent assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Contingent assets are not recognised but disclosed only when an inflow of economic benefits is probable.

2.16 Financial instruments:

Financial assets

i) Classification of financial assets (including debt instruments)

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

ii) Initial measurement

Financial assets (excluding trade receivables) are initially measured at fair value. Transaction costs that are directly attributable to the acquisition (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets at fair value through profit or loss are recognised immediately in profit or loss. Trade receivables which do not contain a significant financing component are measured at transaction price.

iii) Subsequent measurement

There are three measurement categories into which the debt instruments can be classified:

- **Amortised cost**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses). Impairment losses are presented as separate line item in the consolidated statement of profit and loss.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

- **Fair value through other comprehensive income (FVOCI)**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains / (losses). Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains and losses and impairment expenses in other expenses. The Group currently does not have any debt instruments which are measured at FVOCI.

- **Fair value through profit or loss (FVTPL)**

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the consolidated statement of profit and loss within other gains / (losses) in the period in which it arises. Net gains / (losses) from these financial assets is included in other income.

iv) Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 only, the Group follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses, trade receivables have been grouped based on days past due. The policy of the Group is to provide for credit loss takes into consideration of factors such as type of Consumers i.e. Government Consumers / Non Government consumers, Status of Consumers i.e. Live consumers / Disconnected consumers and Security deposits provided by the Consumer.

v) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Group's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset

When the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of financial asset, the financial asset is derecognised if the Group has not retained control over the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

vi) Income recognition

Dividend is accounted when the right to receive payment is established.

Interest income on financial assets at amortised cost is calculated using the effective interest method is recognised in the consolidated statement of profit and loss as part of other income.

Interest on overdue receivables of energy bills and claims including insurance claims, coal cost variation and other claims etc. are accounted when there is a certainty of recovery.

vii) Derivative and Hedge accounting

The Group uses derivative financial instruments such as forward contracts to hedge its risks associated with foreign exchange fluctuation and price risk movement. Risks associated with fluctuation in the price of the fuel and raw material are minimized by undertaking appropriate derivative instruments.

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of profit and loss depends on the nature of the hedging relationship and nature of hedged items.

Derivative financial instruments that hedges commodity price risk associated with highly probable forecasted transactions are designated as cash flow hedges and measured at fair value. The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated under the heading cash flow hedging reserve within equity, and re-classified to the statement of profit and loss in the period corresponding to the occurrence of the forecasted transactions. The gain or loss relating to the ineffective portion is recognised immediately in the statement of profit and loss.

Hedge effectiveness is tested both at the inception of the hedge relationship as well as on an ongoing basis. The Group documents the economic relationship between hedging instruments and hedged items including whether the changes in the cash flows of the hedging instrument are expected to offset changes in cash flows of hedged items. Hedge accounting is discontinued when the hedging instrument expires or when it is sold, terminated or exercised or no longer qualifies for hedge accounting and the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to profit or loss.

Embedded Derivative: Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety while determining their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

Financial liabilities

i) Classification

All the Group's financial liabilities are measured at amortized cost.

ii) Initial measurement

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the issue of financial liabilities are deducted from the fair value of the financial liabilities, as appropriate, on initial recognition.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate Method.

The Effective Interest Rate Method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including transaction costs and other premiums or discounts) through the expected life of the financial liability.

iv) Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or waived off or have expired. An exchange between the Group and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.17 Contributed equity:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Transaction costs of an equity transaction shall be accounted for in other equity.

2.18 Redemption liability:

Liability for put option issued to non-controlling shareholders in subsidiaries, to be settled in cash by the Company, which do not grant present access to ownership interest to the Group is recognised at present value of the redemption amount and is reclassified from equity. At the end of each reporting period, the non-controlling interests subject to put option is derecognised and the difference arising between the amount received from the customer towards share capital, and the present value of redemption liability on initial recognition, would be recognised as a contract liability for electricity to be supplied in future. The liability shall be subsequently measured at amortised cost as per the principles of Ind AS 109.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.19 Leases:

The Group as a lessee

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group. Contracts may contain both lease and non-lease components.

Lease liabilities

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the lease payments.

The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs. Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability.

The lease payments are discounted using the lessee's incremental borrowing rate. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets

Right-of-use assets are measured at cost comprising the amount of the initial measurement of lease liability and lease payments made before the commencement date.

Right-of-use assets are depreciated over the lease term on a straight-line basis. Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, and lease payments made at or before the commencement date less any lease incentives received.

Right-of-use assets are depreciated over the asset's lease term on a straight-line basis.

Short term leases and leases of low value assets

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise small items of office equipment including IT equipment.

2.20 Repurchase Arrangements:

A repurchase agreement is a contract in which an Company sells an asset and also promises or has the option (either in the same contract or in another contract) to repurchase the asset. The repurchased asset may be the asset that was originally sold to the customer, an asset that is substantially the same as that asset, or another asset of which the asset that was originally sold is a component.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 2(a): Material accounting policies (Contd.)

2.21 Supplier finance arrangements

Supplier finance arrangements are characterised by one or more finance providers offering to pay amounts that an entity owes its suppliers and the entity agreeing to pay according to the terms and conditions of the arrangements at the same date as, or a date later than, when suppliers are paid. These arrangements provide the entity with extended payment terms, compared to the related invoice payment due date.

The Group derecognises the original creditor for capital goods when those payables become part of the supplier finance arrangement, i.e, when the bank makes the payment to the supplier on invoice due date. The related liabilities under the supplier finance arrangement are presented within 'Borrowings', because they represent financing obtained by the Group and are sufficiently different from creditor for capital goods.

2.22 Government grants:

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all the attached conditions. Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Group recognises as expenses the related costs for which the grants are intended to compensate. Government grants relating to purchase of property, plant and equipment whose primary condition is that the Group should purchase, construct or otherwise acquire property, plant and equipment are recognised as deferred revenue in the consolidated balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

2.23 Amount presented and rounding off:

All amounts in the financial statements and notes have been presented in ₹ Crore (except for share data) rounded to two decimals as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated. Figures below ₹ 50,000 are denoted by '*'.

Note 2(b): Other accounting policies

2.24 Investment properties:

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from its current use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 3: Critical accounting judgements and key sources of estimation uncertainty

In the course of applying the policies outlined in all notes under note 2 above, the management of the Group is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Such estimates and associated assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

3.1 Revenue recognition:

The Group has recognised revenue (including the adjustment in respect of unapproved FPPPA claims and other true up adjustment claims) as per the applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval. The Group has not recognized those truing up adjustment claims which are disputed and for which the group is in appeal with regulatory authorities. These are recognised on receipt of final orders of respective regulatory authorities. [Refer note 34 & 46]. However, for certain Disputed cases [Refer note 46(a)(2)(i)], where the Company believes it has strong case, the Company continues to recognise those truing up claims.

3.2 Property, plant and equipment:

(i) Service concession arrangements

The Group has assessed applicability of Appendix C of Ind AS 115 "Service Concession Arrangements" with respect to its Property, plant and equipment. In assessing the applicability, the Group has exercised judgment in relation to the provisions of the Electricity Act, 2003, conditions provided under transmission and distribution license and / or agreements. Further, the Group has ability to pledge the assets pursuant to which it has control and ability to direct the use of assets. Based on such assessment, it has concluded that Appendix C of Ind AS 115 is not applicable except in case of 1 Subsidiary Company namely Solapur Transmission Limited which is into the business of transmission of electricity on Build, Own, Operate and Transfer (BOOT) basis.

Solapur Transmission Limited has assessed applicability of Appendix C of Ind AS115 "Service Concession Arrangements" with respect to its property, plant and equipment. In assessing the applicability, Solapur Transmission Limited has exercised judgment in relation to the provisions of the Electricity Act, 2003, conditions provided under transmission license and / or agreements. Further, Solapur Transmission Limited has no ability to pledge the assets pursuant to which it has no control and ability to direct the use of assets. Based on such assessment, it has concluded that Appendix C of Ind AS 115 is applicable.

(ii) Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to Plant load factor, expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and electricity market scenario, based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would not lead to a material change to the amount of impairment. [Refer note 44(1)]

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 3: Critical accounting judgements and key sources of estimation uncertainty (Contd.)

(iii) Fair value measurement of assets acquired

Significant management judgement is involved in determining whether assets acquired in a particular transaction constitute a 'business' in accordance with the principles laid down in Ind AS 103 – Business Combinations. Identification of the assets acquired and liabilities assumed; and measurement of their fair values using appropriate valuation methods to be adopted involves, key assumptions like the discount rate and expected demand. [Refer note 43]

3.3 Taxes:

Significant management judgement is required to determine the amount of deferred tax assets and deferred tax liabilities that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies, including estimates of temporary differences reversing on account of available benefits from the Income Tax Act, 1961.

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Management judgement is required to determine the amount of deferred tax assets for unused tax credits that can be recognised, based upon the likely timing and the level of future taxable profits. [Refer note 45(d)]

3.4 Contingencies:

Contingent liabilities

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Group. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. Potential liabilities that are remote are neither recognized nor disclosed as contingent liability. The management judgement is involved in classification under 'remote', 'possible' or 'probable' which is carried out based on expert advice, past judgements, experiences etc. [Refer note 47(a)].

3.5 Employee benefit plans:

Defined benefit plans and other long-term employee benefits

The present value of obligations under defined benefit plan and other long term employment benefits is determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary escalations, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long term nature, these obligations are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Information about the various estimates and assumptions made in determining present value of defined benefit obligation are disclosed in note 49.2 and 49.3.

3.6 Ind AS 116 – Leases:

In determining whether the revenue contract (power purchase agreement) with customers especially when entire contractual capacity of the one project (solar) is committed to one customer, management has exercised judgement in concluding whether contract contains lease. Management takes into consideration of the responsible parties for design of the project and who has right to direct the use of solar power plant.

As per the revenue contract, power producer will design procure, install & commission the solar power plant & all other equipment required to generate solar electricity. Power Purchaser neither operates the plant nor involved in the design of the solar power plant, therefore the Power Purchaser does not have right to direct the use of solar power plant and accordingly arrangement does not contain lease as per Ind AS 116.

	503.90	503.90

- 1 Reconciliation of the shares outstanding at the beginning and at the end of the reporting year:

	No. of shares As at March 31, 2026	No. of shares As at March 31, 2025
At the beginning of the year	50,39,03,543	48,06,16,784
Issued during the previous year to eligible Qualified Institutional Buyers [Refer footnote 2 below]	-	2,32,86,759
Outstanding at the end of the year	50,39,03,543	50,39,03,543

- 2 On December 05, 2024, the Fund Raising Committee of the Board in their meeting has approved the issue and allotted 2,32,86,759 Equity Shares of ₹ 10 each to eligible qualified institutional buyers (QIB) at the issue price of ₹ 1,503.00 per Equity Share (including a premium of ₹ 1,493.00 per Equity Share) via Qualified Institutions Placement (QIP) in accordance with the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ('the Regulations'), aggregating to approximately ₹ 3,500.00 Crore.

Pursuant to allotment, the paid up share capital of the Company increased from ₹ 480.62 Crore comprising 48,06,16,784 Equity Shares to ₹ 503.90 Crore comprising 50,39,03,543 Equity Shares. The transaction costs amounting ₹ 39.18 Crore (net of tax impact of ₹ 21.04 Crore) in relation to QIP has been accounted for as reduction from equity under securities premium in FY 2024-25.

The funds raised by the Company pursuant to QIP have been fully utilized for the purpose mentioned in the objects of the issue in the offer document. Details of utilisation of QIP proceeds are given below:

	(₹ in Crore)
Utilisation of funds	Year ended March 31, 2025
Repayment / pre-payment, in part or in full, of certain outstanding borrowings	2,625.00
General corporate purpose	822.10
QIP related issue expenses	52.90
	3,500.00

- 3 25,74,22,311 equity shares (25,74,22,311 equity shares as at March 31, 2025) of ₹ 10 each fully paid up are held by the Parent Company - Torrent Investments Limited (Formerly known as Torrent Investments Private Limited).

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 22: Equity share capital (Contd.)

4 Terms / Rights attached to equity shares:

The Company has only one class of equity shares having par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend, if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

5 Details of shareholders holding more than 5% shares in the Company:

Name of the Shareholder	As at March 31, 2026		As at March 31, 2025

	54.75	2.44
	18,571.43	17,111.41

Refer "Consolidated Statement of Changes in Equity" for movement in each reserve.

Footnotes:

1 Securities premium:

Securities premium reflects issuance of the shares by the Company at a premium, whether for cash or otherwise i.e. a sum equal to the aggregate amount of the premium received on shares is transferred to a "securities premium account" as per the provisions of the Companies Act, 2013. The reserve can be utilised in accordance with the provisions of the Act.

2 Debenture redemption reserve:

The Group was required to create a Debenture Redemption Reserve (DRR) out of the profits which are available for payment of dividend for the purpose of redemption of debentures. Pursuant to Companies (Share Capital and Debentures) Amendment Rules, 2019 dated August 16, 2019, the Company is not required to create DRR. Accordingly, the Company has not created DRR during the year and DRR created by the Group till previous years has been transferred to general reserve / retained earnings on redemption of debentures.

3 Contingency reserve:

As per the provisions of GERC MYT Regulations read with Tariff orders passed by GERC, the Company being a Distribution Licensee makes an appropriation to the contingency reserve to meet with certain exigencies. Investments in Bonds issued by Government of India have been made against such reserve.

4 Special reserve:

As per MYT Regulations (2007), the Company has created a reserve in FY 2011-12 and FY 2012-13, which represents one third amount of controllable gain shall be retained in a special reserve by the Generating Company or Licensee for the purpose of absorbing the impact of any future losses on account of controllable factors.

5 General reserve:

General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. The general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 23: Other equity (Contd.)

6 Retained earnings:

The retained earnings reflect the profit of the Group earned till date net of appropriations. The amount that can be distributed by the Company as dividends to its equity shareholders is determined based on the balance in this reserve, after considering the requirements of the Companies Act, 2013.

7 Effective portion of cash flow hedges:

The effective portion of cash flow hedges is used to recognise effective portion of gains / losses arising on derivative instruments that are designated and qualify as cash flow hedges, as described in note 56. Amounts are subsequently reclassified to profit / loss as appropriate.

Note 42: Composition of the group

(a) Subsidiaries

(1) Details of the Company's subsidiaries are as follows:

Subsidiaries (Direct and Indirect)	Principal activity	Place of incorporation and operation	Proportion of ownership interest and voting power held by the Company	
			As at March 31, 2026	As at March 31, 2025
Torrent Pipavav Generation Limited	Power Generation	India	95%	95%
Torrent Power Grid Limited	Transmission of Power	India	90%	74%
Dadra and Nagar Haveli and Daman and Diu Power Distribution Corporation Limited	Power Distribution	India	51%	51%
Torrent Green Energy Private Limited	Power Generation	India	100%	100%
Torrent Akshay Urja Private Limited (formerly known as Torrent Green Hydrogen Private Limited)	Power Generation	India	100%	100%
Torrent Energy Storage Solutions 1 Private Limited (formerly known as Torrent PSH 1 Private Limited)	Power Generation	India	100%	100%
Torrent Energy Storage Solutions 2 Private Limited (formerly known as Torrent PSH 2 Private Limited)	Power Generation	India	100%	100%
Torrent Energy Storage Solutions Private Limited (formerly known as Torrent PSH 3 Private Limited)	Power Generation	India	100%	100%
Torrent Energy Storage Solutions 3 Private Limited (formerly known as Torrent PSH 4 Private Limited)	Power Generation	India	100%	100%
Solapur Transmission Limited	Transmission of Power	India	100%	100%
Torrent Solargen Limited	Power Generation	India	100%	100%
Latur Renewable Private Limited	Power Generation	India	100%	100%
Jodhpur Wind Farms Private Limited	Power Generation	India	100%	100%
Torrent Solar Power Private Limited	Power Generation	India	100%	100%
Torrent Saurya Urja 2 Private Limited	Power Generation	India	100%	100%
Torrent Saurya Urja 3 Private Limited	Power Generation	India	74%	74%
Torrent Saurya Urja 4 Private Limited	Power Generation	India	100%	100%
Torrent Saurya Urja 5 Private Limited	Power Generation	India	74%	74%
Visual Percept Solar Projects Private Limited	Power Generation	India	100%	100%
Surya Vidyut Limited	Power Generation	India	100%	100%
Torrent Saurya Urja 6 Private Limited (formerly known as LREHL Renewables India SPV 1 Private Limited)	Power Generation	India	100%	100%
Torrent Urja 7 Private Limited (formerly known as Wind Two Renergy Private Limited)	Power Generation	India	100%	100%
Sun Shakti Solar Power Projects Private Limited	Power Generation	India	100%	100%
Torrent Urja 8 Private Limited	Power Generation	India	74%	100%
Torrent Urja 9 Private Limited	Power Generation	India	100%	100%
Torrent Urja 10 Private Limited	Power Generation	India	67%	67%

Note 43: Business Acquisition / Asset acquisitions

(a) Acquisitions during the current year (FY 2025-26)

Details of asset acquisitions

(i) Newzone Group

On June 05, 2025, the Company has signed a Share Purchase Agreement (SPA) with Sarawagi Family and related HUFs (the Seller) for the acquisition of 100% share capital of Newzone Power Projects Private Limited (NZPPL) and a 49% equity shares in Newzone India Private Limited (NZIPL) (in which NZPPL already held 51% equity shares) and (Collectively referred as "Newzone Group"), for implementation of thermal power project on the land in the possession of NZIPL in the Annupur District of Madhya Pradesh. Pursuant to the SPA, NZIPL and NZPPL has become wholly owned subsidiary of the Company w.e.f. September 23, 2025.

(ii) Onix One Enersol Private Limited

On March 20, 2026, the Company through its subsidiary, Torrent Green Energy Private Limited (TGEPL) has acquired Equity shares from Divyeshkumar Savaliya and Nikhil Savaliya (the Seller) for the acquisition of 100% share capital of Onix One Enersol Private Limited (OEPL), which would enable the Company to support ongoing and upcoming client commitments as connectivity has already been secured and land has been identified. Pursuant to above, OEPL has become wholly owned subsidiary of the TGEPL w.e.f. March 20, 2026.

(iii) Azadirachta Indica Renewables Private Limited

On April 15, 2025, the Company through its subsidiary, Torrent Energy Storage Solutions Private Limited (TESSPL) (Formerly known as Torrent PSH 3 Private Limited) has acquired 100% equity share capital of Azadirachta Indica Renewables Private Limited (AIRPL) from Ba Prerna Renewables Private Limited for the acquisition of, Pursuant to above, AIRPL has become wholly owned subsidiary of the TESSPL w.e.f. April 15, 2025.

Based on guidance on definition of business under Ind AS, Management has classified above acquisitions as asset acquisitions. The management has assessed that above acquisitions does not meet the definition of 'business' in accordance with the principles laid down under Ind AS 103 - Business Combinations and hence have been considered to be 'asset acquisition', considering the factors like the purchase consideration pertains to the fair value of the land etc.

Note 43: Business Acquisition / Asset acquisitions (Contd.)

(b) Acquisitions during the previous year (FY 2024-25)

Details of asset acquisitions

(i) MSKVY Ninth Solar SPV Limited

On April 18, 2024, the Company has signed a Share Purchase Agreement (SPA) with MSEB Agro Solar Power Limited (the Seller) through competitive bidding process for the acquisition of 100% share capital of MSKVY Ninth Solar SPV Limited (MSKVY), which will develop Solar energy based power plant of 306 MW in Maharashtra. Pursuant to the SPA, MSKVY has become wholly owned subsidiary of the Company w.e.f. April 18, 2024.

Based on guidance on definition of business under Ind AS, Management has classified above acquisitions as asset acquisitions. The management has assessed that above acquisitions does not meet the definition of 'business' in accordance with the principles laid down under Ind AS 103 - Business Combinations and hence have been considered to be 'asset acquisition', considering the factors like the purchase consideration pertains to the fair value of the Solar / Wind assets, the only key activity for this acquisition is the maintenance of the Solar / Wind assets and there are no other substantive processes required for the generation of output.

The Group has charged ₹ 0.49 Crore related to incorporation expenses paid to MSEB Agro Solar Power Limited to Miscellaneous expenses during the year.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 44: Impairment assessment

(1) DGEN Power Plant

Net carrying value of Property, plant & equipment ("PPE") (including Capital work in progress) and Right-of-Use assets ("ROU") as at March 31, 2026 includes ₹ 1,114.62 Crore (March 31, 2025: ₹ 1,176.70 Crore) pertaining to 1,200 MW DGEN Mega Power Project located at Dahej, Gujarat including its Transmission Line ("DGEN"). DGEN started commercial operations with effect from November 2014 and thereafter had operated only intermittently / partially including the current year due to various factors such as unavailability of domestic gas, high prices of imported gas and non-availability of power selling arrangement.

In view of the above and given the current economic environment, the Company had carried out an impairment assessment of DGEN as at March 31, 2026 by considering the recoverable amount based on value-in-use of DGEN in accordance with Indian Accounting Standard 36 'Impairment of Assets'. Value-in-use is determined considering a discount rate of 13.50% (March 31, 2025 – 14.00%) and cash flow projections over a period of 14 years (March 31, 2025 - 15 years), being the balance useful life of DGEN in terms of Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2024 on the basis that the Company expects to supply power in the future. Based on the assessment, recoverable value of PPE and ROU by using value-in-use is ₹ 1,251.00 Crore (March 31, 2025: ₹ 1,325.94 Crore) which is higher than the carrying amount of PPE and ROU of ₹ 1,114.62 Crore (March 31, 2025: ₹ 1,176.70 Crore) and accordingly no additional impairment loss is required as at March 31, 2026. The management has conducted sensitivity analysis on impairment test of the value in use of DGEN. The management believes that reasonable possible change in key assumptions would not materially impact the impairment assessment as at March 31, 2026.

During the earlier years, the Company has provided for impairment loss of ₹ 2,300.00 Crore (March 31, 2025: ₹ 2,300.00 Crore).

Assessment of 'value-in-use' involves several key assumptions including expected demand, future price of fuel, expected tariff rates for electricity, discount rate, exchange rate and electricity market scenario, based on past trends and the current and likely future state of the industry. Management reviews such assumptions periodically to factor updated information based on events or changes in circumstances in order to make fresh assessment of impairment, if any.

(2) Investment in Torrent Pipavav Generation Limited

Torrent Pipavav Generation Limited ("TPGL"), a subsidiary of the Company and a joint venture between the Company and Gujarat Power Corporation Limited ("GPCL"), had made payments in nature of compensation for acquisition of private land as per the court orders in Amreli, Gujarat for the purpose of developing a coal-based power plant of 1,000+ MW. Due to non-availability of fuel linkage, Government of Gujarat ("GoG") vide its letter dated December 06, 2017, communicated that the said project may not be developed and accordingly, the joint venture is intended to be dissolved. Further, as per the said letter, the cost of land would be reimbursed after the disposal of land.

During the previous year, TPGL received amount of ₹ 103.18 Crore from GPCL towards the cost incurred for acquisition of aforesaid land and other expenses incurred in prior years. Considering the above facts, assets and liabilities are reflected at their net realisable values or cost whichever is lower and the financial statements of TPGL for year ended March 31, 2026 and March 31, 2025 have been prepared on a non - going concern basis.

(3) Impairment testing of Goodwill

Net carrying value of Goodwill of ₹ 171.07 Crore as at March 31, 2026 and March 31, 2025 pertaining to acquisition of 'Dadra and Nagar Haveli and Daman and Diu Power Distribution Corporation Limited (DNHDDPDCL)', considered as Cash generating unit ("CGU") for the purpose of impairment assessment of goodwill in accordance with Ind AS 36. The Group tests goodwill for impairment at each reporting date or based on any identified impairment indicator. The Group provides for impairment if the carrying amount of goodwill exceeds its recoverable amount.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 44: Impairment assessment (Contd.)

The recoverable amount is determined based on "value in use" calculations which is calculated as the net present value of forecasted cash flows of CGU to which the goodwill is related.

The key assumptions for impairment assessment of Goodwill are as follows:

- Projected cash flows for five years based on financial budgets / forecasts. The perpetuity value is taken based on the long-term growth rate of 3.75% (March 31, 2025: 3.75%).
- Discount rate applied to projected cash flow is 8.90% (March 31, 2025: 8.85%).

The management has conducted sensitivity analysis on impairment test of the value in use of Goodwill. The Management believes that any reasonably possible change in the key assumptions on which a recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the CGU. Accordingly, Goodwill is not required to be impaired as at year end.

Note 45: Income tax expense

(a) Income tax expense recognised in statement of profit and loss

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025

Effect of:		
Reversal of DTL on measurement due to change in tax rate (Refer footnote)	(89.04)	(637.09)
Tax incentives / deductions	(407.04)	(400.45)
MAT Credit adjustment pertaining to earlier years	-	138.11
Long term Capital Gain tax	-	49.91
Expenditure not deductible under Income Tax Act	77.28	35.06
Income Not chargeable under Income Tax Act	(2.72)	-
Unabsorbed depreciation /Tax credit and other items	127.43	3.73
Total	864.92	325.85
Adjustment for current tax of prior periods	(17.51)	(131.88)
Total expense as per statement of profit and loss	847.41	193.97

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 45: Income tax expense (Contd.)

The tax rate used for the reconciliations given above is the actual / enacted corporate tax rate payable by corporate entities in India on taxable profits under the Indian tax law.

Year ended March 31, 2026

Previously, the Group has applied 25.168% for temporary differences expected to reverse post-transition to new tax regime and 34.944% for those reversing earlier to measure deferred taxes.

In view of newly introduced provisions under the Finance Act, 2026, which permit the utilization of accumulated Minimum Alternate Tax (MAT) credit up to March 31, 2026 against future tax liabilities, Group is going to adopt the concessional income tax regime as per Section 200 of the Income-tax Act, 2025 from FY 2026-27.

Consequently, all deferred tax balances expected to reverse from FY 2026-27 onwards have been remeasured at the concessional rate of 25.168%. This remeasurement has resulted in a net reversal of deferred tax liabilities amounting to ₹ 89.04 Crore, which has been recognized in the statement of profit and loss for the current year.

Year ended March 31, 2025

During the previous year, the Group had received Income tax refunds (including interest income) of ₹ 427 Crore pertaining to earlier years on account of various favourable tax orders and as a result of which its accumulated minimum alternative tax (MAT) credit balance as per book has utilised substantially. The Management has made an assessment of the amount of taxable income that would be available in future to offset the accumulated MAT credit entitlement available to the Company in the foreseeable future.

In view of the same, the management has carried out detailed assessment of deferred tax on temporary differences that are expected to reverse during the period in which the Group would be under the new tax regime and accordingly applied the new income tax rate of 25.168% as compared to the existing income tax rate of 34.944% for measuring the said deferred tax in accordance with the requirements of Ind AS 12 - 'Income Taxes'. This has resulted in reversal of deferred tax liabilities by ₹ 637.09 Crore during the previous year.

(c) Income tax recognised in other comprehensive income

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Other Comprehensive Income		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(9.97)	(2.32)
Effective portion on gains / (losses) on hedging instruments in cash flow hedge (Items that will be reclassified to profit or loss)	69.41	3.75
Income tax expense / (income) recognised in other comprehensive income		
Re-measurement of defined benefit obligation (Items that will not be reclassified to profit or loss)	(2.51)	(0.43)
Effective portion on gains / (losses) on hedging instruments in cash flow hedge (Items that will be reclassified to profit or loss)	17.10	1.31

2038-39	-	3.34
2039-40	-	0.24
	42.94	32.83

Management has made an assessment of the amount of taxable income that would be available in future to offset the Accumulated MAT credit entitlement available to the Company.

The assessment of taxable income involved several key assumptions including expected demand, future price of fuel, expected tariff rate for electricity, exchange rate and electricity market scenario, which the management considered reasonable based on past trends, applicable tariff regulations / agreements and current and likely future state of the industry.

The Group has not recognized any deferred tax liabilities for taxes that would be payable on the Group's share in undistributed earnings of its subsidiaries because the Group controls the distribution. The Group intends to repatriate earnings from subsidiaries only to the extent these can be distributed in a tax-free manner.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 46: Revenue from contracts with customers

(a) Unbilled revenue

- (1) Revenue from Power Supply also includes unbilled revenue towards FPPPA claims and other true up adjustments which is recognised considering applicable tariff regulations / tariff orders, past trends of approval and management's probability estimate.

The Group has not recognized those true up adjustment claims which are subject of dispute and for which the Group is in appeal with regulatory authorities. These are recognised on receipt of final orders of respective regulatory authorities.

(2) Movement in unbilled revenue

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Opening balance	3,951.95	3,668.99
Add: Income accrued during the year as per tariff regulations / orders	4,494.59	5,649.11
Less: Amount billed during the year to the consumers as per tariff orders	(5,337.54)	(5,366.15)
Closing balance	3,109.00	3,951.95
Disclosed under		
Unbilled revenue [Refer note 20]	3,150.03	3,990.60
Sundry payables [Refer note 27 and note 30]	(41.03)	(38.65)
	3,109.00	3,951.95

Footnote:

- 1 The Gujarat Electricity Regulatory Commission (GERC) while carrying out tariff true up order for FY 2018-19, FY 2023-24 and FY 2024-25 for Company's license distribution business, has erroneously considered accrued revenue of ₹ 933.67 Crore (Previous year ₹ 1,596.00 Crore) as realized revenue. The Company has filed review petitions / appeals before GERC / APTEL (Appellate Tribunal for Electricity) for FY 2018-19 and FY 2023-24 which are pending for disposal. The Company is in process of filing the review petitions with GERC for FY 2024-25. The management of the Company believes it has a strong case and does not expect any significant reversal of revenue.

Note 46: Revenue from contracts with customers (Contd.)

(e) Service concession arrangement (SCA)

(i) Description of the concession arrangement

Solapur Transmission Limited ("STL") has entered into a Transmission Service Agreement ("TSA") dated March 20, 2024 with Central Transmission Utility of India ("CTU") to develop "Transmission System for Evacuation of Power from RE Projects in Solapur (1500 MW) SEZ in Maharashtra" for the purpose of transmission of electricity on Build, Own, Operate & Transfer (BOOT) basis. STL has received the transmission license with effect from June 23, 2024, and basis assessment of terms of the TSA, determined that this arrangement is a Service Concession Arrangement under Appendix D to Ind AS 115.

(ii) Significant terms of the concession arrangement.

Terms	Particulars
Period of arrangement	The period of the TSA is 35 years from the Scheduled Commercial Operation date. The initial term of the transmission license is 25 years from its grant date (June 23, 2024) which is further extendable upto expiry of the TSA which is 35 years from the Scheduled Commercial Operation date as per the Central Electricity Regulatory Commission's order.
Rights of the arrangement	The entity is entitled to receive fixed monthly transmission charges over the period of TSA and is also entitled to variable consideration on the basis of line availability of the transmission network.
Obligations under the arrangement	STL is obliged to build own, operate and transfer transmission lines, substations, transformers, reactors, and other related infrastructure necessary for the transmission of electricity for the period of 35 years from the SCOD. Further at the end of the concession period (35 years), STL is obligated to transfer the project assets to CTU or its successors at zero cost and free from any encumbrance and liability.

(iii) Renewal and Termination Options:

In order to continue the Project beyond the expiry of the Transmission License, the entity shall be obligated to make an application to the Commission at least two years before the date of expiry of the Transmission License, seeking the Central Electricity Regulatory Commission's approval for the extension of the term of the Transmission License up to the expiry date of TSA (i.e. 35 years from SCOD).

(iv) Classification of Service Arrangement

Particulars	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Contract Assets under Service Concession Arrangements	319.90	50.55

Note 47: Contingent liabilities and capital commitments

(a) Contingent liabilities

Claim against the Group not acknowledge as debt

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Disputed income tax matters	23.83	24.05
Disputed sales tax matters	0.96	0.96
Disputed service tax matters	0.49	0.49
Disputed custom duty matters	18.50	18.50
Disputed excise duty matters	-	-
Disputed stamp duty matters	36.37	36.37
Disputed value added tax matters	2.94	2.94
Disputed Goods and Service Tax matters (Including ₹ 189.42 Crore for current year ended March 31, 2026 #)	214.55	32.71
Other Claims [Refer footnote 3]	182.56	162.48

The Group has evaluated the impact of Supreme Court ("SC") judgement dated February 28, 2019 in the case of Regional Provident Fund Commissioner (II) West Bengal v/s Vivekananda Vidyamandir and Others, in relation to exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to Provident Fund ("PF") under the Employees' Provident Fund & Miscellaneous Provisions Act, 1952. There are interpretation issues relating to the said SC judgement. Based on such evaluation, management has concluded that effect of the aforesaid judgement on the Group is not material and accordingly, no provision has been made in the Consolidated financial statements.

The Company has received demand order dated March 27, 2026 from Office of Additional Commissioner, Agra-Lucknow, CBIC (Central Board of Indirect Taxes and Customs) demanding ₹ 189.42 Crore (including penalty of ₹ 94.71 Crores) under Goods and Services Tax (GST) for the period from April 2019 to September 2024 in relation to GST on rent on electricity distribution transformers and on incidental and ancillary services.

In relation to GST on rent on the said transformers, based on accounting carried out by Agra Nagar Nigam (ANN) for rent receivable on transformers from the Company, demand has been raised by the department, however no invoices has been raised by ANN on the Company. Subsequently Company has received letter dated March 31, 2026 issued by Under Secretary, UP government to ANN confirming that rent shall not be applicable on transformers installed by the Company for the electricity distribution. In response to this, Company has received letter dated May 04, 2026 issued by ANN to Under Secretary, UP Government stating that they are in process of reversing the rent receivable from the Company.

In relation to GST on incidental and ancillary services, no tax is leviable on incidental and ancillary services in course of transmission and distribution of electricity by the Company as clarified vide Notification No. 08/2024-Integrated Tax (Rate) dated October 08, 2024 read with Circular No. 236/30/2024-GST dated October 11, 2024.

The Company has filled an application for rectification of mistake in final order under section 161 of the Central/Uttar Pradesh Goods and Services Tax Act, 2017 before the additional commissioner of CGST & CE, Agra on April 07, 2026. In view of this, no provision for GST liability has been made by the Company.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 47: Contingent liabilities and capital commitments (Contd.)

Footnotes:

- Management believes that its position on the aforesaid direct and indirect tax demands and other claims against the Group will likely be upheld in the appellate process and accordingly no provision has been made in the consolidated financial statements for such demands.
- In respect of the above, the expected outflow will be determined at the time of final resolution of the dispute / matters. No reimbursement is expected.
- Break up of other claims as under:

	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)		
Claim of regulatory surcharge including interest in franchise distribution business	111.84	103.25
Demand including interest for Tariff Indexation for excess energy withdrawn in franchise distribution business	37.03	31.05
Others	33.69	28.18
	182.56	162.48

(b) Capital and other commitments

	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)		
i) Capital commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances)		
Property, plant and equipment	24,543.15	14,823.93
ii) Other commitments		
Equity investment	3,660.87	-

- (c) For Dadra and Nagar Haveli and Daman and Diu Power Distribution Corporation Limited (the 'DNHDDPDCL') a subsidiary of the Company during the year 2023-24, Ratnagiri Gas & Power Pvt. Ltd (RGPPL) has raised the invoices pertaining to power purchase including late payment surcharge outstanding till March 31, 2024 aggregating to ₹ 243.52 Crore, subsequent to the order of Hon'ble Supreme Court in the case of Maharashtra State Electricity Distribution Corporation Limited ('MSEDCL') vs RGPPL.

As per The Dadra and Nagar Haveli and Daman and Diu Electricity (Reorganization and Reforms) Transfer Scheme, 2022 dated 9th March, 2022, (i) RGPPL PPA with DNH PDCL was not transferred to the Company as it was terminated on 25 August 2016 i.e. much before takeover and hence it is not liable to make the payment of the invoices. (ii) RGPPL PPA with Electricity Department of Union Territory of Dadra and Nagar Haveli and Daman and Diu ('ED-DD') was transferred to the Company, however the invoices for outstanding amount were prior to transfer of electricity distribution business of ED-DD to the Company, and hence it is not liable to make the payment of the invoices.

During the previous year, based on the representation made by the Company, RGPPL had revised the aforesaid invoices in June-2024 by making applicability of outstanding amount from April 01, 2022 i.e. from the date of take-over. The Company is regularly making payment of fixed charges invoices post take over for the PPA transferred of ED-DD. RGPPL has continued to demand capacity charges for the PPA terminated by DNH PDCL for the period post takeover i.e. April 01, 2022 which is of ₹ 65.47 Crore (till Mar'26 incl. Late Payment Surcharge). These invoices are paid before their due date under protest.

Note 48: Leases

This note provides information for leases where the group is a lessee.

(i) Amounts recognised in balance sheet

The balance sheet shows the following amounts relating to leases:

	Notes	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)			
Land	5	569.30	378.14
Buildings	5	14.31	19.08
Plant and machinery	5	1.74	1.64
Total		585.35	398.86

Lease liabilities

	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)		
Current	17.80	10.28
Non-current	219.83	92.78
Total	237.63	103.06

(ii) Amounts recognised in the statement of profit and loss

The statement of profit or loss shows the following amounts relating to leases:

	Notes	Year ended March 31, 2026	Year ended March 31, 2025
(₹ in Crore)			
Depreciation charge of right-of-use assets	40	25.27	20.04
Interest expense (included in finance costs)	39	14.60	5.93
Expense relating to short-term leases (included in other expenses)	41	7.75	8.67
Expense relating to leases of low-value assets that are not shown above as short-term leases (included in other expenses)	41	1.31	1.80
Total		48.93	36.44

(iii) Maturities of lease liabilities:

As at March 31, 2026

	Non-current lease liabilities	Current lease liabilities
(₹ in Crore)		
Less than 1 year	-	19.24
Between 1 year and 5 years	83.63	-
5 years and above	514.13	-
Total	597.76	19.24

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 48: Leases (Contd.)

As at March 31, 2025

		(₹ in Crore)
	Non-current lease liabilities	Current lease liabilities
Less than 1 year	-	12.28
Between 1 year and 5 years	46.93	-
5 years and above	137.56	-
Total	184.49	12.28

(iv) The total cash outflow for leases:

	Notes	Year ended March 31, 2026	Year ended March 31, 2025
Principal elements of lease payments (disclosed in Cash flow statement)		51.17	20.05
Expense relating to leases of low-value assets that are not shown above as short-term leases (included in other expenses)	41	7.75	8.67
Expense relating to variable lease payments not included in lease liabilities	41	1.31	1.80
Total		60.23	30.52

(v) Lease asset of Shil, Mumbra and Kalwa (franchise area)

The Company has entered into a Distribution Franchise Agreement ("Agreement") dated February 11, 2019 with Maharashtra State Electricity Distribution Group Limited ("MSEDCL") whereby as per the Agreement, the Company would distribute the electricity in the area of Shil, Mumbra and Kalwa in Thane District in Maharashtra ("Franchise area") for 20 years (effective from March 01, 2020).

As per the Agreement, the Company would purchase electricity from MSEDCL at the rate which would be derived through mechanism as mentioned in the Agreement which is linked to the number of units purchased and would distribute electricity to the Consumers at the tariff which has been approved by Maharashtra Electricity Regulation Commission (MERC).

Further as per the Agreement the Company has right to use existing assets of MSEDCL in the Franchise area provided it shall perform all the obligations and accepts all liabilities of MSEDCL on behalf of distribution licensee in Franchise area and MSEDCL shall not charge any rent for the use of such assets.

Considering the facts of the arrangement, the Company has the right to obtain substantially all of the economic benefits from use of MSEDCL assets of the Franchise area and the right to direct the use of the said assets for 20 years and accordingly it would meet the definition of Lease as per Ind AS 116. Further, for distribution of electricity, the Company would purchase power from MSEDCL for which payment would be made as per the franchise agreement which is linked to the number of units purchased. Accordingly the payments by the Company to MSEDCL is variable in nature and there are no fixed payments in the form of minimum purchase commitments, take or pay or any sort of fixed charges is required to be made.

Considering the entire payment made by the Company for this arrangement is variable in nature and there would be no lease liability required to be recognised with a corresponding right of use assets on initial recognition in accordance with Ind AS 116 and considering non-availability of relevant observable information for lease payments, management estimates and cost benefit analysis, total consideration payable to MSEDCL towards purchase of electricity has been shown as 'Electrical energy purchased' in the Financial Statements.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans

49.1 Defined contribution plan

The Group has defined contribution retirement benefit plans for its employees.

The Group's contributions to provident fund, pension scheme and employee state insurance scheme are made to the relevant government authorities as per the prescribed rules and regulations. The Group's superannuation scheme for qualifying employees is administered through its various superannuation trust funds. The Group's contributions to the above defined contribution plans are recognised as employee benefit expenses in the statement of profit and loss for the year in which they are due. The Group has no further obligation in respect of such plans beyond the contributions made.

The Group's contribution to provident, pension, superannuation funds and to employees state insurance scheme aggregating to ₹ 60.34 Crore (Previous year - ₹ 55.81 Crore) has been recognised in the statement of profit and loss under the head employee benefits expense [Refer note 38].

49.2 Defined benefit plans

(a) Gratuity

The Group operates through various gratuity trust, a plan, covering all its employees. The benefit payable is the greater of the amount calculated as per the New Labour codes / Payment of Gratuity Act, 1972 or the Group scheme applicable to the employee. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. The gratuity benefits payable to the employees are based on the tenure of employee's service and last drawn salary at the time of leaving. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Group. In case of death while in service, the gratuity is payable irrespective of vesting.

The Group makes annual contribution to the gratuity schemes administered by the Life Insurance Corporation of India through its various Gratuity Trust Funds. The liability in respect of plan is determined on the basis of an actuarial valuation [Refer note 49.5].

(b) Risk exposure to defined benefit plans

The plans typically expose the Group to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below:

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out at March 31, 2026. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

(c) Significant assumptions

The principal assumptions used for the purpose of the actuarial valuation were as follows:

	As at March 31, 2026	As at March 31, 2025
Discount rate (p.a.)	7.27%	7.02%
Salary escalation rate (p.a.)	8.50%	8.50%

(d) The amount included in the balance sheet arising from the Group's obligation in respect of its defined benefit plans is as follows:

Balances of defined benefit plan

	As at March 31, 2026	As at March 31, 2025
(₹ in Crore)		
Present value of funded defined benefit obligation	353.93	325.80
Fair value of plan assets	326.95	311.10
Net (asset) / liability	26.98	14.70
Current portion of provision for gratuity [Refer note 32]	27.30	14.96
Other advances/receivables [Refer note 20]	(0.32)	(0.26)
	26.98	14.70

Notes

(4) Gratuity cost recognized in the other comprehensive income (OCI)		
Return on plan assets (excluding interest income)	(1.78)	(2.33)
Actuarial (gains) / losses	11.20	1.76
Net (income) / expense for the year recognized in OCI	9.42	(0.57)

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

(f) Category wise plan assets

Contributions to fund the obligations under the gratuity plan are made to the Life Insurance Corporation of India, who has invested the funds substantially in the government securities.

(g) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Increase / (decrease) in defined benefit obligation of gratuity		
50 basis points increase in discount rate	(15.10)	(14.72)
50 basis points decrease in discount rate	17.31	15.96
50 basis points increase in salary escalation rate	16.95	15.56
50 basis points decrease in salary escalation rate	(15.93)	(14.51)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

- (h) The weighted average duration of the gratuity plan based on average future service is 16 years (March 31, 2025 - 16 years).
- (i) Expected contribution to the plan for the next annual reporting period is ₹ 27.30 Crore (March 31, 2025 ₹ 14.96 Crore).

(j) Cash flow projection from the fund

Projected benefits payable in future years from the date of reporting

	(₹ in Crore)	
	Funded Plan - Gratuity	
	As at March 31, 2026	As at March 31, 2025
1 st following year	26.35	29.33
2 nd following year	17.67	15.48
3 rd following year	24.72	24.71
4 th following year	28.33	22.80
5 th following year	28.95	26.03
sum of years 6 th to 10 th	133.22	121.95
more then 10 years	586.55	515.97

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

49.3 Defined benefit plans

(a) Pension

One subsidiary in the Group operates defined benefit pension plan, covering eligible employees transferred-in pursuant to transfer scheme. The plan provides benefits to members in the form of a guaranteed pension payable for life. The benefits provided depends on members' length of service and their last drawn salary in the final years leading up to retirement.

The Group funds the pension liability through trustee-administered funds. The employees do not contribute towards this plan and the full cost of providing these benefits are met by the Group. The Group makes contribution to the pension schemes administered by the Life Insurance Corporation of India through Pension Trust Funds for employees joined on or before December 31, 2003 in the erstwhile entity. In case of certain employees transferred, which were hired on or after January 1, 2004 in the erstwhile entity are eligible for the Pension benefit only on account of death or disability while in service. The liability in respect of plan is determined on the basis of an actuarial valuation and it is funded.

(b) Risk exposure to defined benefit plans

The plans typically expose the Group to actuarial risks such as: asset volatility, interest rate risk, longevity risk and salary risk as described below:

Asset volatility

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation was carried out at March 31, 2025. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

(c) Significant assumptions

The principal assumptions used for the purpose of the actuarial valuation were as follows:

	As at March 31, 2026	As at March 31, 2025
Discount rate (p.a.)	7.27%	7.02%
Salary escalation rate (p.a.)	7.50%	7.50%

(d) The amount included in the balance sheet arising from the Group's obligation in respect of its defined benefit plans is as follows:

Balances of defined benefit plan

	As at March 31, 2026	As at March 31, 2025
		(₹ in Crore)
Present value of funded defined benefit obligation	33.81	32.59
Fair value of plan assets	33.04	29.52
Net liability [Refer note 32]	0.77	3.07

(e) Expenses recognised for defined benefit plan and movement of plan assets and liabilities

Following are the amounts recognised in statement of profit and loss, other comprehensive income, movement in defined benefit liability and movement in plan assets:

	Funded plan- Pension	
	As at March 31, 2026	As at March 31, 2025
(1) Movements in the present value of the defined benefit obligation:		
Obligation at the beginning of the year	32.59	29.02
Interest cost	2.29	2.10
Actuarial (gains) / losses arising from changes in financial assumptions	(0.72)	0.60
Actuarial (gains) / losses from experience adjustments	1.65	2.35
Benefits paid	(2.00)	(1.48)
Obligation at the end of the year	33.81	32.59
(2) Movements in the fair value of the plan assets:		
Plan assets at the beginning of the year, at fair value	29.52	26.47
Interest income	2.07	1.92
Return on plan assets (excluding interest income)	0.38	0.06
Contributions received	3.07	2.55
Benefits paid	(2.00)	(1.48)
Plan assets at the end of the year, at fair value	33.04	29.52
(3) Pension cost recognized in the statement of profit and loss		
Interest cost, net	0.22	0.18
Net Pension cost recognized in the statement of profit and loss	0.22	0.18
(4) Pension cost recognized in the other comprehensive income (OCI)		
Return on plan assets (excluding interest income)	(0.38)	(0.06)
Actuarial (gains) / losses	0.93	2.95
Net (income) / expense for the year recognized in OCI	0.55	2.89

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

(f) Category wise plan assets

Contributions to fund the obligations under the Pension plan are made to the Life Insurance Corporation of India.

(g) Sensitivity analysis

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Change in assumptions

	(₹ in Crore)	
	As at March 31, 2026	As at March 31, 2025
Increase / (decrease) in defined benefit obligation of Pension		
50 basis points increase in discount rate	(1.35)	(1.33)
50 basis points decrease in discount rate	1.47	1.44
50 basis points increase in salary escalation rate	0.61	0.70
50 basis points decrease in salary escalation rate	(0.60)	(0.68)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

- (h) The weighted average duration of the pension plan based on average future service is 30 years (March 31, 2025 - 30 Years).
- (i) Expected contribution to the plan for the next annual reporting period is ₹ 0.77 Crore (March 31, 2025 ₹ 3.07 Crore).

(j) Cash flow projection from the fund

Projected benefits payable in future years from the date of reporting

	(₹ in Crore)	
	Funded Plan - Pension	
	As at March 31, 2026	As at March 31, 2025
1 st following year	4.04	2.31
2 nd following year	1.55	1.87
3 rd following year	2.18	3.77
4 th following year	3.16	2.04
5 th following year	4.08	3.01
sum of years 6 th to 10 th	13.55	14.04

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 49: Employee benefit plans (Contd.)

49.4 Other long-term employee benefit obligations

The leave obligation covers the Group's liability for sick and earned leave. Under these compensated absences plans, leave encashment is payable to all eligible employees on separation from the Group due to death, retirement or resignation; at the rate of daily last drawn salary, multiplied by leave days accumulated as at the end of relevant period. Refer notes 32 and 38, for the leave encashment provision / charge in the balance sheet and statement of profit and loss.

49.5 Labour code

The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour codes viz the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Codes"). The Codes have been made effective from November 21, 2025. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations.

The incremental impact of these changes, assessed by the Group, on the basis of the information available, consistent with the guidance provided by the Institute of Chartered Accountants of India, is not material in the consolidated financial statements of the Group for the year ended March 31, 2026. Once Central / State Rules are notified by the Government on all aspects of the Codes, the Group will evaluate impact, if any, on the measurement of employee benefits and would provide appropriate accounting treatment.

Note 50: Auditors remuneration (including taxes)

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Fees for statutory audit services	2.38	1.88
Fees for limited review services	0.68	0.62
Fees for other services #	0.56	0.82
Out of pocket expenses	0.17	0.20
	3.79	3.52

Excluding ₹ 1.34 Crore fees in relation to QIP has been accounted for as reduction from equity under securities premium during previous year.

Note 51: Donations to political parties / trusts

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
Prudent Electoral Trust	83.00	65.00
	83.00	65.00

Note 52: Earnings per share

	Year ended March 31, 2026	Year ended March 31, 2025
Basic earnings per share (₹)	47.95	61.23
Diluted earnings per share (₹)	47.95	61.23

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 52: Earnings per share (Contd.)

Basic and diluted earnings per share

The earnings and weighted average number of equity shares used in the calculation of basic earnings per share are as follows:

	Year ended March 31, 2026	Year ended March 31, 2025
Profit for the year attributable to the owners of the Company (₹ in Crore)	2,416.43	2,988.50
Weighted average number of equity shares	50,39,03,543	48,80,81,307
Nominal value of shares (₹)	10	10

The Company does not have any dilutive potential ordinary shares and therefore diluted earnings per share is the same as basic earnings per share.

Note 53: Operating segment

For reporting financial information to the entity's chief operating decision maker (CODM), the Group has presented its segment information in the consolidated financial statements as per Ind AS 108 – 'Operating Segments'. The CODM evaluates the Group's performance and applies the resources to whole of the Group's business viz. "Generation, Renewables, Transmission and Distribution of Power". The IFRS interpretation committee has provided clarification on requirements of Paragraph 23 of IFRS 8 basis which an entity reconsiders which items are to be disclosed in the segment note. In accordance with Ind AS - 108 "Operating Segments", the Group's reportable segments are as follows:-

Generation: Comprises of generation of power from thermal sources (gas and coal) and trading of Regassified Liquified Natural Gas.

Transmission and Distribution: Comprises of transmission and distribution business (licensed and franchisee) and related ancillary services. It also comprises Power Cable business upto October 16, 2024.

Renewables: Comprises of generation of power from renewable energy sources i.e. wind and solar.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

	(₹ in Crore)	
	Year ended March 31, 2026	Year ended March 31, 2025
1 Segment revenue		
(a) Generation	7,585.36	8,180.99
(b) Transmission and Distribution	24,764.42	25,178.12
(c) Renewables	1,241.14	1,066.30
Total segment revenue	33,590.92	34,425.41
Less: Inter segment revenue - Generation	(4,035.80)	(4,779.46)
Less: Inter segment revenue - Renewables	(588.81)	(480.69)
Total revenue from operations i.e. Revenue from external customers	28,966.31	29,165.26

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management

(a) Capital management

The Group manages its capital structure in a manner to ensure that it will be able to continue as a going concern while optimising the return to stakeholders through the appropriate debt and equity balance.

The Group's capital structure is represented by equity (comprising issued capital, retained earnings and other reserves as detailed in notes 22, 23) and debt (borrowings as detailed in note 24).

The Group's management reviews the capital structure of the Group on an annual basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Group's plan is to ensure that the gearing ratio (debt equity ratio) is well within the limit of 2:1. No changes were made in the objectives, policies or process for managing its capital during the year ended March 31, 2026 and March 31, 2025. The Group reviews its dividend policy from time to time.

Gearing ratio

The gearing ratio at end of the reporting year is as follows.

	₹ in Crore	
	As at March 31, 2026	As at March 31, 2025
Debt	13,738.56	8,497.45
Total equity	20,361.13	18,594.79
Debt to equity ratio	0.67	0.46

Footnotes:

- Debt is defined as all long term debt outstanding [including unamortised expense (net of premium)] + contingent liability pertaining to corporate / financial guarantee given + short term debt outstanding in lieu of long term debt.
- Total equity is defined as equity share capital + all reserve (excluding revaluation reserve) + deferred tax liabilities – deferred tax assets – intangible assets – Intangible assets under development

Loan Covenants

The Company has complied with financial covenants specified as per the terms of borrowing facilities.

Notes

Other financial assets	3,792.89	3,792.89	4,290.32	4,290.32
	6,978.18	6,978.18	7,054.67	7,054.67
Measured at fair value through profit and loss (FVTPL)				
Investment in mutual funds	1,507.19	1,507.19	873.03	873.03
Investment in equity instruments	-	-	0.05	0.05
Forward contract receivable	-	-	0.05	0.05
	1,507.19	1,507.19	873.13	873.13
Measured at fair value through Other Comprehensive Income (FVTOCI)				
Derivative financial assets	73.16	73.16	3.75	3.75
	73.16	73.16	3.75	3.75
Financial liabilities				
Measured at amortised cost				
Borrowings	13,732.93	13,741.21	8,736.68	8,794.66
Trade payables	2,203.28	2,203.28	2,205.01	2,205.01
Other financial liabilities	4,809.20	4,809.20	3,418.04	3,418.04
	20,745.41	20,753.69	14,359.73	14,417.71

Footnotes:

- 1 The carrying amounts of trade receivables, trade payables, capital creditors, cash and cash equivalents, other financial assets and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.
- 2 Non current loan carries the interest rates that are variable in nature and hence carrying value is considered as same as fair value.
- 3 The carrying amounts of liabilities under the supplier finance arrangement are considered to be reasonable approximations of their fair values, due to their short-term nature.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

(c) Fair value measurement

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1: Inputs are Quoted (unadjusted) market prices in active markets for identical assets or liabilities. This includes investments in mutual funds that have quoted price.
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable. This includes unquoted floating and fixed rate borrowing.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. This includes unquoted equity shares, loans, security deposits, investments in Debentures, floating rate borrowings.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets and liabilities that are not measured at fair value on a recurring basis (but fair value disclosures are required):

(1) Financial assets at fair value through profit and loss (FVTPL)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Investment in mutual fund units	1,507.19	873.03	Level 1	Quoted bid prices in an active market
Forward contract receivable	-	0.05	Level 2	Inputs other than quoted prices that are observable based on mark to market changes provided by ICICI bank

(2) Financial assets at fair value through other comprehensive income (FVTOCI)

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Derivative financial assets	73.16	3.75	Level 2	Inputs other than quoted prices that are observable based on Dated Brent

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

(3) Financial liabilities at amortised cost

	Fair value		Fair value hierarchy	Valuation technique(s) and key input(s)
	As at March 31, 2026	As at March 31, 2025		
Fixed rate borrowings (Non-convertible debentures)	5,201.43	4,054.78	Level 2	Inputs other than quoted prices that are observable based on yields provided by 'The Fixed Income Money Market and Derivatives Association of India' (FIMMDA)

(₹ in Crore)

(d) Financial risk management objectives

The Group's principal financial liabilities, comprise borrowings, employee payables, security deposit from customer, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations and projects capital expenditure. The Group's principal financial assets include loans, advances, trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Group's activities expose it to a variety of financial risks viz foreign currency risk, commodity price risk, interest rate risk, credit risk, liquidity risk etc. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Group's senior management oversees the management of these risks. It advises on financial risks and the appropriate financial risk governance framework for the Group.

Foreign currency risk

The Group is exposed to foreign currency risks arising from various currency exposures, primarily with respect to the USD and EURO. Foreign currency risks arise from future commercial transactions and recognized assets and liabilities, when they are denominated in a currency other than Indian Rupee.

The Group's exposure with regards to foreign exchange risk which are not hedged are given below.

Unhedged foreign currency exposures:

Nature of transactions	Currency	As at	
		March 31, 2026	March 31, 2025
Financial liabilities			
Trade payable	USD	-	92.85
Trade payable	EURO	496.23	423.26

(₹ in Crore)

Foreign currency sensitivity analysis

The following tables demonstrate the sensitivity to a reasonably possible change in EURO exchange rates, with all other variables held constant.

Nature of transactions	As at	
	March 31, 2026	March 31, 2025
Impact on Profit before Tax - Rupee depreciate by ₹ 1 against EURO	(4.55)	(4.58)
Impact on Profit before Tax - Rupee appreciate by ₹ 1 against EURO	4.55	4.58

(₹ in Crore)

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

The Group's exposure with regard to foreign currency risk which are hedged at the end of the reporting period is as follows:

Hedged foreign currency exposures:

(₹ in Crore)			
Nature of transactions	Currency	As at March 31, 2026	As at March 31, 2025
Financial liabilities			
Capital payable	USD	-	31.17
Derivative contract			
Foreign exchange forward contract	USD	-	31.17

Commodity price risk

The commodity exposure is mainly on account of fuel, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Group.

The Group purchases natural gas for use in Power Generation at its gas based power plants and for trading. The pricing of natural gas can be fixed or linked to international benchmarks such as Dated Brent. The extant tariff regulations do not permit the cost of hedging such exposure as a cost to be passed through to the long term off-takers / beneficiaries. As a result, the Group does not follow a policy of hedging such exposures and actual rupee costs of import of fuel are substantially passed on to the long term off-takers / consumers, because of which such commodity price exposure is not likely to have a material financial impact on the Group.

Derivatives

The group uses derivative financial instruments such as commodity price swaps contracts, foreign exchange forwards to hedge its risks associated with foreign exchange fluctuation and price risk movements. Risks associated with fluctuation in the price of the natural gas are minimized by undertaking appropriate derivative instruments. The fair values of all such derivative financial instruments are recognized as assets or liabilities at the balance sheet date.

Cashflow hedge that qualify for hedge accounting

The future purchases of natural gas for trading are subject to market price risk, which the group hedges using suitable hedging strategy as per approved Commodity Price Risk Management Policy with critical terms matching the terms of the forecast purchase.

Brent crude oil is a separately identifiable component of the forecast purchase because it is explicitly specified in the supply contract price. As there is a market for Brent crude oil price swaps, the exposure is considered to be reliably measurable. Accordingly, the Brent crude oil price swaps are designated as cash flow hedges of the forecast purchases of fuel. Historically, the Brent crude oil component has accounted for 82% to 85% of the cost of fuel supplied.

Notes

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

(b) Disclosure of effects of hedge accounting on financial performance

(₹ in Crore)

Particulars	As at March 31, 2026			As at March 31, 2025			Line item affected in statement of profit and loss because of the reclassification
	Change in the value of the hedging instrument recognised in other comprehensive income	Hedge ineffectiveness recognised in profit or loss	Amount reclassified from cash flow hedge reserve to profit or loss	Change in the value of the hedging instrument recognised in other comprehensive income	Hedge ineffectiveness recognised in profit or loss	Amount reclassified from cash flow hedge reserve to profit or loss	
Commodity Price Swap Contracts (floating to fixed)	68.88	0.79	(0.52)	7.62	0.10	3.87	Purchase of Stock -in trade

Hedge Ineffectiveness

Hedge effectiveness is determined at the inception of the hedge relationship, and through periodic prospective effectiveness assessments to ensure that an economic relationship exists between the hedged item and the hedging instrument.

For hedges of commodity price risk, the group enters into hedge relationships where the critical terms of the hedging instrument match exactly with the terms of the hedged item. The group therefore performs a qualitative assessment of effectiveness. If changes in circumstances affect the terms of the hedged item such that the critical terms no longer match exactly with the critical terms of the hedging instrument, the group uses the hypothetical derivative method to assess effectiveness.

The group enters into commodity Price swaps that have similar critical terms as the hedged item, such as benchmark rate, payment dates, maturities and notional amount. The company does not hedge 100% of its forecast transactions, and so the hedged item is identified as a proportion of the forecast transactions up to the notional amount of the swaps. Since all critical terms matched during the year, there is economic relationship between hedging instrument and hedged item.

The group uses hypothetical derivative method to assess effectiveness based on "lower off" assessment. It compares the change in the fair value or cash flows of the hedging instrument with the change in the fair value or cash flows of a hypothetical derivative that models the hedged risk. Sources of Hedge ineffectiveness for commodity price risk are Critical terms mismatch, Credit Risk adjustment.

(c) The movement of cash flow hedges in other comprehensive income is as follows:

(₹ in Crore)

	Year ended March 31, 2026	Year ended March 31, 2025
Balance at the beginning of the year	2.44	-
(Gains)/Losses reclassified to profit or loss	0.52	(3.87)
Deferred tax on (gains)/losses reclassified to profit or loss	(0.18)	1.35
Change in the fair value of effective portion of cash flow hedges	68.89	7.62
Deferred tax on change in the fair value of effective portion of cash flow hedges	(16.92)	(2.66)
Balance at the end of the year	54.75	2.44

During the year, ineffective portion of cash flow hedges recognised in the statement of profit and loss is ₹ 0.79 Crore (Previous year - ₹ 0.10 Crore)

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Buy	USD_INR	94.92	5.64	-	85.77	4.87	0.05
Total				-			0.05

(c) Outstanding position and fair value of various commodity derivative financial instruments

There are no commodity derivative financial instruments that are not designated as hedge as at March 31, 2026 and March 31, 2025.

Interest rate risk

Most of the Group's borrowings are on a floating rate of interest. The Group has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). The Group uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like non-convertible debentures and short term credit lines besides internal accruals.

The following table provides a break-up of the Group's fixed and floating rate borrowings:

(₹ in Crore)

	As at March 31, 2026	As at March 31, 2025
Fixed rate borrowings [^]	5,218.15	4,248.33
Floating rate borrowings [^]	8,545.41	4,499.12
	13,763.56	8,747.45

[^] Transactions cost reduced from the borrowing is excluded.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

Interest rate risk sensitivity:

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 50 basis points higher or lower, other variables being held constant, following is the impact on profit.

	₹ in Crore	
	Year ended March 31, 2026	Year ended March 31, 2025
Impact on profit before tax - increase in 50 basis points	(42.73)	(22.50)
Impact on profit before tax - decrease in 50 basis points	42.73	22.50

Credit risk

Trade receivables:

(1) Exposures to credit risk

The Group is exposed to the counterparty credit risk arising from the possibility that counterparties might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amounts.

(2) Credit risk management

Credit risk is managed and limited in accordance with the type of transaction and the creditworthiness of the counterparty. The Group has established criteria for admission, approval systems, authorisation levels, exposure measurement methodologies, etc. The concentration of credit risk is limited due to the fact that the customer base is large. None of the customers accounted for more than 10% of the receivables and revenue for the year ended March 31, 2026 and March 31, 2025. The Group is dependent on the domestic market for its business and revenues.

The Group's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements. In respect to generation business, Group generally has letter of credits / bank guarantees to limit its credit exposure.

(3) Other credit enhancements

The Group collects the security deposits in the form of Cash or Bank guarantee, considering the relevant electricity regulations under the relevant geographical area to cover its credit risks associated with its trade receivables.

(4) Age of receivables and expected credit loss

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables. The expected credit loss allowance is based on ageing of the days the receivables are due. Trade receivable balances mainly comprise of outstanding from consumers wherein the credit period provided to such consumers is less than 30 days. Based on the historical trend the same is collected well within the credit period.

The Group segments the receivables for the purpose of determining historical loss rate based on shared risk characteristics i.e. Government Consumers / Non Government consumers, Status of Consumers i.e. Live consumers / Disconnected consumers and Security deposits provided by the Consumer. Considering the nature of the business, the historical loss rate is not significant.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

The ageing of receivables and allowance for doubtful debt at the end of the reporting period is as follows:

As at March 31, 2026

		(₹ in Crore)
	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	2,309.95	35.36
More than 6 months but less than or equal to 1 year	30.51	12.11
More than one year	97.95	61.18
	2,438.41	108.65

As at March 31, 2025

		(₹ in Crore)
	Gross trade receivables	Allowance for doubtful debt
Less than or equal to 6 months	2,304.73	29.86
More than 6 months but less than or equal to 1 year	37.79	18.54
More than one year	194.17	126.04
	2,536.69	174.44

(5) Movement in the expected credit loss allowance

		(₹ in Crore)
	Year ended March 31, 2026	Year ended March 31, 2025
Opening balance	174.44	194.39
Movement in expected credit loss allowance on trade receivable calculated, net [Refer note 41]	(65.79)	(19.95)
Closing balance [Refer note 17]	108.65	174.44

The concentration of credit risk is very limited due to the fact that the large customers are mainly government entities and remaining customer base is large and widely dispersed and secured with security deposit.

Other financial assets/ instruments:

The Group is having balances in cash and cash equivalents, term deposits with banks, deposits, Loans to subsidiaries, investments in government securities and investment in mutual funds. The Group is having balances in cash and cash equivalents, term deposits with scheduled banks with high credit rating and hence perceive low credit risk of default. With respect to investments, the Group limits its exposure to credit risk by investing in liquid securities with counterparties depending on their Composite Performance Rankings (CPR) published by CRISIL. The Group's investment policy lays down guidelines with respect to exposure per counterparty, rating, processes in terms of control and continuous monitoring. The Group therefore considers credit risks on such investments to be negligible. The credit loss from Loans receivable from related parties and financial guarantees is considered immaterial. The recoverable amount of unbilled revenue (including revenue gap/ surplus) perceives low credit risk of default considering applicable tariff regulations / tariff orders, management's probability estimate and the past trends of approval.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 56: Financial instruments and risk management (Contd.)

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering the cash or another financial asset. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and unused borrowing facilities, by continuously monitoring projected / actual cash flows.

The Company has entered into a supplier finance arrangement. This has improved the Company's working capital. [Refer note 24]

Maturities of financial liabilities:

The Group's remaining contractual maturity for its financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Group may be required to pay.

Note 57: Provision for onerous contracts

The Group has a outstanding provision of ₹ 24.98 Crore as at March 31, 2026 (March 31, 2025 - ₹ 24.98 Crore) in respect of certain onerous contracts towards potential damages and other project related costs, arising from expected delays or failure to set up certain wind power generation capacities, awarded to the Group in a prior period under a competitive bidding process. During the previous year, the Group had received claim of ₹ 30.73 Crore, against outstanding provision of ₹ 24.98 Crore. Accordingly, ₹ 5.75 Crore has been shown as 'Other claims' [Refer note 47]. The Group has filed a petition before CERC and the expected outflow of the outstanding provision will be determined at the time of resolution of the matter.

Note 58: Government grant

1) Torrent Power Limited

(a) Nature of government grant

Ministry of Power, Government of India (GoI), had introduced the Accelerated Power Development & Reforms Programme (APDRP) to achieve reduction in Aggregate Technical & Commercial losses, to strengthen the Transmission & Distribution network and to ensure reliable and quality power supply with adequate consumer satisfaction. The projects approved for financing under the programme are eligible for a grant and soft loan each equivalent to 25% of the project cost from the GoI. The Balance 50% was required to be funded by the Group. There are no unfulfilled conditions or other contingencies attached to these grants.

Current portion [Refer note 31]	0.87	0.93
	10.83	11.76

2) MSKVY Ninth Solar SPV Limited

Nature of government grant

PM-KUSUM is a flagship scheme launched by the Ministry of New and Renewable Energy of India ("MNRE") to promote solarization of the agricultural sector and reduce farmers' dependence on diesel-based irrigation. The scheme enables installation of solar pumps, grid-connected renewable power plants to provide day time solar power to Agri feeders and solarization of existing pumps. This will encourage development of small and distributed solar projects closer to the point of consumption, thereby reducing transmission losses and improving grid stability. Overall, it supports energy security for farmers while enabling cost-effective power generation, and enhances project viability for developers through CFA support. Under this scheme, the Company is eligible for Central Financial Assistance of 30% on the cost of installation of solar power plant (up to ₹ 1.05 Cr/MW). There are no unfulfilled conditions or other contingencies attached to these grants.

	(₹ in Crore)

	408.47

Note 65: Audit Trail in Accounting Software

The Group has been using SAP ERP as a book of accounts. SAP audit logging has been enabled from the beginning of the year and captures all the changes made in the audit log as per SAP note no 3042258 version 7 dated March 06, 2024.

Due to standard database functionality of HANA DB, while changes made are logged in the database, it does not capture "old value" of changes made upto March 02, 2026. The Management has deployed a specific program on March 03, 2026 to meet the requirement and now the system enhancement captures "Old value" of changes made. In addition, as a part of privileged access management (PAM), Company has implemented ARCON make PAM suite. This PAM system provides access based on workflow-based need/approval along with the video recording of all activities carried out by privileged user. This is a secondary control implemented to mitigate the risk associated with Privileged users.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 66

1) Details of loans and advances

During the year ended March 31, 2026 and March 31, 2025 there are no Loans or Advances in the nature of loans are granted to promoters, Directors, KMPs and the related parties (as defined under Companies Act, 2013), either severally or jointly with any other person, that are:

- (a) repayable on demand; or
- (b) without specifying any terms or period of repayment"

2) Bhiwandi Distribution Franchisee Agreement

Application for renewal of the Bhiwandi Distribution Franchisee Agreement, which is expiring in January 2027, has been submitted to Maharashtra State Electricity Distribution Company Limited (MSEDCL) and it is under review at MSEDCL. Accordingly, no adjustments are required to be made in the standalone financial statement for year ended March 31, 2026.

3) Events Occuring after the Balance Sheet Date

Nabha Power Limited Acquisition

On February 16, 2026, the Torrent Power Limited (the "Company") has entered into a Share Purchase Agreement (SPA) with L&T Power Development Limited (L&TPDL), a wholly owned subsidiary of Larsen & Toubro Limited (L&T) for purchase of 100% equity shares and Convertible instruments of Nabha Power Limited (NPL) from the L&TPDL for a consideration of ₹ 3,660.87 Crore subject to closing adjustments as set out in the SPA.

NPL is engaged in the business of Generation of Electricity via 2X700 MW coal based supercritical thermal power plant with asset located in Punjab having 25 years long term Power Purchase Agreements (PPAs) with Punjab State Power Corporation Limited.

Note 67: Refund of Income taxes

During the previous year, the Company had received the Income tax refunds (including interest) of ₹ 71.28 Crore, ₹ 200.83 Crore and ₹ 146.93 Crore pertaining to FY 2011-12, FY 2019-20 and FY 2021-22 respectively. In accordance with the Gujarat Electricity Regulatory Commission (Multi-Year Tariff) Regulations, 2016 (the 'Tariff regulations') with respect to claim on Tax on Income, the Company had recovered from the consumers pro-rate income tax based on profit of regulatory generating and distribution units (namely Ahmedabad Generation, Ahmedabad Distribution, Surat Distribution and Dahej Distribution) calculated based on the actual income taxes paid in the respective financial year.

The management of the Company has calculated the refund of income tax received, required to be passed on to the consumers considering the revised profit before taxes i.e., after taking adjustment pertaining to the matter for which the refunds have been received amounting to ₹ 38.47 Crore, which have been recorded into the books of accounts of the Company for the year ending March 31, 2025.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 68: Electricity Distribution (Accounts and Additional Disclosure) Rules, 2025

"The Ministry of Power notified Electricity Distribution (Accounts and Additional Disclosure) Rules, 2024 ('the Rules') in pursuance of Section 176(1) and 176(2)(z) of the Electricity Act, 2003 read with second proviso to Section 129 (1) of the Companies Act, 2013, which were applicable to Distribution Licensees and effective from the date of notification in the Official Gazette i.e. October 24, 2024. The impact of the said circular on the financial statement for the year ended March 31, 2025 was not material. Further, as per proviso to rule 6(2) of the said Rules, the Company had published the Additional Disclosure Statements in Integrated Annual Report FY 2024-25, as permitted during the first year of implementation.

Subsequently, on September 25, 2025, the Ministry of Power has notified the Electricity Distribution (Accounts and Additional Disclosure) Rules, 2025 which are effective from April 1, 2026 and also superseded the Rules 2024. Consequently, no Additional Disclosure Statements have been made for FY 2025-26.

Note 69: Additional regulatory information required by schedule III

(a) Compliance with number of layers of companies

The Group is in compliance with number of layers of companies in accordance with clause 87 of Section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017 during the year ended March 31, 2026 and March 31, 2025.

(b) Details of crypto currency or virtual currency

The Group has not invested or traded in Crypto Currency or Virtual Currency during the year ended March 31, 2026 and March 31, 2025.

(c) Details of benami property held

No proceedings have been initiated on or are pending against the Group for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder during the year ended March 31, 2026 and March 31, 2025.

(d) Wilful defaulter

The Group has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority during the year ended March 31, 2026 and March 31, 2025.

(e) Undisclosed income

During the year ended March 31, 2026 and March 31, 2025, the Group has not surrendered or disclosed as income any transactions not recorded in the books of accounts in the course of tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

(f) Utilisation of borrowed funds and share premium

During the year ended March 31, 2026 and March 31, 2025, the Group has not advanced or loaned or invested funds (either borrowed funds or share premium or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall:

- a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or
- b) provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

Notes

forming part of the consolidated financial statements for the year ended March 31, 2026

Note 69: Additional regulatory information required by schedule III (Contd.)

During the year ended March 31, 2026 and March 31, 2025, the Group has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall:

- a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- b) provide any guarantee, security, or the like on behalf of the ultimate beneficiaries.

Note 70: Approval of financial statements

The financial statements were approved for issue by the board of directors on May 12, 2026

5. Our assurance engagement is with respect to the Identified Sustainability Information for the reporting boundary as mentioned above financial year ended 31 March 2026 only unless otherwise stated and we have not performed any procedures with respect to earlier periods or any other elements included in the Integrated Annual Report, therefore, do not express any opinion/conclusion thereon.

Criteria

6. The Holding Company has prepared the Subject Matter 1 and Subject Matter 2 included in the Integrated Annual report based on the principles of the International Integrated Reporting Framework published by the International Integrated Reporting Council ('IIRC') of the Value Reporting Foundation with reference to Global Reporting Initiative ('GRI') Sustainability Reporting Standards ('the GRI Standards') issued by Global Sustainability Standards Board (GSSB).

Management's Responsibilities

7. The Holding Company's management is responsible for selecting or establishing suitable criteria for preparing the Identified Sustainability Information, taking into account applicable laws and regulations, if any, related to reporting on the Identified Sustainability Information, identification of key aspects, engagement with stakeholders, content, preparation and presentation of the Identified Sustainability Information in accordance with the Criteria. This responsibility includes design, implementation and maintenance of internal control relevant to the preparation of the Integrated Annual Report and the measurement of Identified Sustainability Information, which is free from material misstatement, whether due to fraud or error.

Inherent limitations

8. The absence of a significant body of established practice on which to draw to evaluate and measure non-financial information allows for different, but acceptable, measures and measurement techniques and can affect comparability between entities.

Practitioner's Independence and Quality Control

9. We have complied with the independence and other ethical requirements of the International Code of Ethics for Professional Accountants' issued by the International Ethics Standards Board for Accountants ('IESBA') which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

IR Assurance Report

10. Our firm applies International Standard on Quality Management ('ISQM') 1, "Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements" which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Practitioner's Responsibility

11. Our responsibility is to express a reasonable assurance in the form of an opinion on Subject Matter 1 and limited assurance in the form of a conclusion on Subject Matter 2 based on the procedures we have performed and evidence we have obtained.
12. We conducted our reasonable and limited assurance engagements in accordance with the International Standard on Assurance Engagements (ISAE) 3000 (Revised), "Assurance Engagements other than Audits or Reviews of Historical Financial Information ('ISAE 3000 (Revised)') issued by the International Auditing and Assurance Standards Board ('IAASB'). This standard requires that we plan and perform our engagement to obtain reasonable assurance about whether the Subject Matter 1 is prepared, in all material respects, in accordance with the Criteria and limited assurance about whether anything has come to our attention that causes to believe that the Subject Matter 2 is not prepared, in all material respects, with reference to the GRI Standards.
13. A reasonable assurance engagement involves assessing the suitability in the circumstances of the Holding Company's use of the Criteria as the basis for the preparation of the Subject Matter 1, assessing the risks of material misstatement of the Subject Matter 1 whether due to fraud or error, responding to the assessed risks as necessary in the circumstances and evaluating the overall presentation of the Subject Matter 1.
14. A limited assurance engagement undertaken in accordance with ISAE 3000 Revised involves assessing the suitability in the circumstances of the Holding Company's use of the Criteria as the basis for the preparation of the Subject Matter 2, identifying areas where material misstatement is likely to arise in the Subject Matter 2 whether due to fraud or error, designing and performing procedures to address identified risk areas as necessary in the circumstances, and evaluating the overall presentation of the Subject Matter 2.
15. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had we performed a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the Subject Matter 2 have been prepared, in all material respects, with reference to the GRI Standards.
16. Our responsibility is also to provide Type 2 Moderate Assurance on Identified Sustainability Information in accordance with third version of AA1000 Assurance Standard ('AA100AS v3') issued by AccountAbility which requires us to obtain limited evidence from internal sources and parties where evidence gathering is restricted to corporate/management levels in the organization to conclude on the nature and extent of adherence of the Subject Matter 1 and Subject Matter 2 to the AA Accountability Principles 2018 ("AA1000AP, 2018"), i.e., Inclusivity, Materiality, Responsiveness and Impact including the conclusion on reliability and quality, accuracy and completeness of the specified performance information and to assess and report findings. Moderate assurance will provide users with a relatively lower level of confidence in an organization's disclosure on the Identified Sustainability Information it refers to.
17. The procedures we performed were based on our professional judgment and included inquiries, observation of processes performed, inspection of documents, evaluating the appropriateness of

IR Assurance Report

quantification methods and reporting policies, analytical procedures and agreeing or reconciling with underlying records.

18. Given the circumstances of the engagement, in performing the procedures listed above, our work procedures included the following:

- Conducted discussions with individual data owners for understanding business processes and data management processes at corporate office of the Holding Company.
- Conducted walkthrough and visited all the plants in Ahmedabad and Surat for data and document verification.
- Conducted interviews with senior executives to understand the reporting process, governance, systems and controls in place during the reporting period.
- Reviewed the records and relevant documentation including information from audited financial statements or statutory reports submitted by the Holding Company to support relevant performance disclosures within our scope.
- Evaluated the suitability and application of Criteria and that the Criteria have been applied appropriately to the Identified Sustainability Information.
- Selected key parameters and representative sampling, based on statistical sampling tables and agreeing claims to source information to check accuracy and completeness of claims such as source data, meter data, etc.
- Re-performed calculations to check accuracy of claims.
- Reviewed data from independent sources, wherever available.
- Reviewed data, information about sustainability performance indicators and statements in the report.
- Reviewed and verified information/ data as per the Criteria.
- Reviewed accuracy, transparency and completeness of the information/ data provided.

19. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our reasonable assurance opinion on Subject Matter 1, limited assurance conclusion on Subject Matter 2 and Type 2 Moderate Assurance conclusion on both Subject Matter 1 and Subject Matter 2.

Exclusions:

20. Our assurance engagement scope excludes the following and therefore we do not express an opinion on the same:
- Aspects of the Integrated Annual Report and data/information (qualitative or quantitative) other than those mentioned in Identified Sustainability Information section above.
 - Operations of the Group, its associate and joint venture other than those mentioned in Identified Sustainability Information section above.
 - Data and information outside the defined reporting period.
 - Data related to financial performance, strategy and other related linkages of Group, its associate and joint venture expressed in the Integrated Annual Report.
 - The Group's statements that describe expression of opinion, belief, aspiration, expectation, forward looking statements provided by the Group and assertions related to Intellectual Property Rights and other competitive issues.

IR Assurance Report

- Mapping of the Identified Sustainability Information with the reporting frameworks other than those mentioned in Criteria above.
- 21. While we considered the effectiveness of management's internal controls when determining the nature and extent of our procedures, our assurance engagement was not designed to provide assurance on internal controls.
- 22. The procedures did not include testing controls or performing procedures relating to checking aggregation or calculation of data within IT systems.

Reasonable Assurance Opinion on Subject Matter 1:

- 23. Based on the procedures we have performed and the evidence we have obtained, the Subject Matter 1 included in the Integrated Annual Report for the financial year ended 31 March 2026 is prepared in all material respects, in accordance with the Criteria.

Limited Assurance Conclusion on Subject Matter 2:

- 24. Based on the procedures we have performed and the evidence we have obtained nothing has come to our attention that causes us to believe that the Subject Matter 2 included in the Integrated Annual Report for the financial year ended 31 March 2026, is not prepared, in all material respects, with reference to the Criteria.

Type 2 Moderate Assurance Conclusion on Identified Sustainability Information (both Subject Matter 1 and Subject Matter 2):

- 25. Our conclusions on the Identified Sustainability Information's adherence to the AA1000 AccountAbility Principles of Inclusivity, Materiality and Responsiveness and impact, including the conclusion on Reliability and Quality of the information, are as follows:
 - Inclusivity – The Group, its associate and joint venture have identified its key stakeholder groups based on the level of influence and impacts the company has on these stakeholder groups. We are not aware of any matter that would lead us to conclude that the Group, its associate and joint venture have not applied the principle of inclusivity in engaging with the key stakeholder groups identified in the Integrated Annual Report.
 - Materiality – The Group, its associate and joint venture have reported on material topics across economic, environmental, social, and governance aspects, post stakeholder consultations. Nothing has come to our attention that causes us to believe that material issues so identified have been excluded from the Integrated Annual Report by the Group, its associate and joint venture.
 - Responsiveness - The Group, its associate and joint venture have demonstrated their commitment to understand stakeholder concerns, as evident from the various stakeholder consultation and engagement mechanisms that have been applied. We are not aware of any matter than would lead us to believe that the Group, its associate and joint venture has not applied the responsiveness principle in its engagement with stakeholders identified in the Integrated Annual Report on material aspects covering its sustainability performance.
 - Impact - The Group, its associate and joint venture acknowledge their impact on the wider society and has established policies and processes to measure, monitor and evaluate the economic, environmental and social impacts for select aspects material to the Group, its associate and joint venture and its key stakeholders. Basis the information provided to us, we are not aware of any matter that would lead us to conclude that the criteria related to the impact principle has not been applied for the key stakeholders.
 - Reliability and Quality - The data collected has been adequately recorded, compiled, analysed and disclosed. The data when subject to examination will establish the quality and materiality of the

IR Assurance Report

information. The data trail has been traced up to the source of information and recording & compilation has been done with working sheets. The data has been sourced from data owners to validate the authenticity of the information.

Restriction on use

26. Our assurance report has been prepared and addressed to the Board of Directors of the Holding Company at the request of the Holding Company solely, to assist the Group, its associate and joint venture in reporting on the Group, its associate and joint venture's sustainability performance and activities. Accordingly, this report may not be suitable for any other purpose and should not be used by any other party other than the Board of Directors of the Holding Company. Further, we do not accept or assume any duty of care or liability for any other purpose or to any other party to whom this report is shown or into whose hands it may come without our prior consent in writing.
